**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**Note 1 – Organization and Liquidity****Organization**

CaliberCos Inc., a Delaware corporation, and its consolidated subsidiaries (collectively, the “Company”, “Caliber”, “we”, “our”, and “us”), is an alternative asset manager of private syndication and direct investment real estate funds and provider of a full suite of traditional real estate services. The Company was formed in November 2014, and originally began as Caliber Companies, LLC, an Arizona limited liability company, which commenced operations in January 2009. We also provide various support services to the investments we manage including fund formation services, lending support, construction and development management, and real estate brokerage. Our business is organized into three reportable segments: Fund Management, Development, and Brokerage. As of March 31, 2023, we had operations in Alaska, Arizona, Colorado, and Texas.

In general, our private equity real estate funds are organized as operating partnerships, in which multiple unrelated passive investors own partnership interests. In addition, we are designated as the manager and/or general partner of the partnership. Depending on the legal structure and arrangements between us and the funds, we may or may not consolidate the partnerships for financial reporting purposes. For funds in which we are determined to be the controlling party or primary beneficiary for financial reporting purposes, the fund is consolidated, and the passive investors’ ownership is presented as noncontrolling interest in the accompanying condensed consolidated financial statements. For funds in which we are not determined to be the controlling party for financial reporting purposes, the fund is not consolidated, and any fees earned from the fund are included in fund management revenue in the accompanying condensed consolidated financial statements. See Note 2 – Summary of Significant Accounting Policies for more detail.

**Liquidity**

The Company, through guarantees of loans held by its consolidated funds, has five separate loans outstanding with maturity dates within the 12-month period subsequent to when these financial statements were issued with outside lenders totaling \$28.8 million at March 31, 2023. Management is actively managing the potential amendments to the applicable loan agreements to include additional extension options, pay off or refinancing of these facilities. Management believes that we will be able to enter into new financing arrangements with third-party lenders. See Note 6 – Notes Payable for additional details.

**Note 2 – Summary of Significant Accounting Policies****Accounting Policies of the Company****Basis of Presentation and Consolidation**

The accompanying condensed consolidated financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (“U.S. GAAP”). The accompanying condensed consolidated financial statements include our accounts and those of our consolidated subsidiaries, which include variable interest entities (“VIEs”) where we are considered the primary beneficiary and voting interest entities (“VOEs”), where we have determined that we have a controlling financial interest, under the “Consolidations” Topic of the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) (Topic 810). The equity and net income or loss attributable to noncontrolling interests in subsidiaries is shown separately in the accompanying condensed consolidated balance sheets, statements of operations, and statements of changes in stockholders’ equity. All intercompany balances and transactions have been eliminated in consolidation.

**Variable Interest Entities**

We determine if an entity is a VIE based on several factors, including whether the equity holders, as a group, lack the characteristics of a controlling financial interest. We analyze any investments in VIEs to determine if we are the primary beneficiary. A reporting entity is determined to be the primary beneficiary if it holds a controlling financial interest in a VIE.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

Determining which reporting entity, if any, has a controlling financial interest in a VIE is primarily a qualitative analysis focused on identifying which reporting entity has both (i) the power to direct the activities of the entity that most significantly impact the entity's economic performance and (ii) the obligation to absorb losses or the right to receive benefits from such entity that could potentially be significant to such entity. Performance of that analysis requires the exercise of judgment. We consolidate any VIEs for which we are the primary beneficiary and we disclose our maximum exposure to loss related to the consolidated VIEs. See Note 3 – VIEs for more detail.

***Voting Interest Entities***

Entities that do not qualify as VIEs are generally assessed for consolidation as VOEs. For VOEs, we consolidate an entity if we have a controlling financial interest. We have a controlling financial interest in a VOE if (i) for legal entities other than partnerships, we own a majority voting interest in the entity or, for limited partnerships and similar entities, we own a majority of the entity's kick-out rights through voting limited partnership interests and (ii) non-controlling shareholders or partners do not hold substantive participating rights, and no other conditions exist that would indicate that we do not control the entity.

***Interim Unaudited Financial Data***

Our condensed consolidated financial statements reflect all adjustments, which are, in our opinion, of a normal recurring nature and necessary for a fair presentation of our financial position, results of operations and cash flows for the interim periods. Interim results of operations are not necessarily indicative of the results to be expected for the full year. These condensed consolidated financial statements, including notes, are unaudited, exclude some of the disclosures required for annual consolidated financial statements, and should be read in conjunction with our audited consolidated financial statements for the year ended December 31, 2022.

***Use of Accounting Estimates***

The preparation of our condensed consolidated financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. These estimates are made and evaluated on an ongoing basis using information that is currently available as well as various other assumptions believed to be reasonable under the circumstances. Actual results could differ significantly from those estimates.

***Reclassification***

On January 17, 2023, the Company's board of directors approved an amendment to its certificate of incorporation to effect a 1-for-1.6820384 reverse stock split of Class A common stock, Class B common stock and Series B preferred stock. The reverse stock split was effected on January 17, 2023. Certain prior period amounts have been updated to reflect the reverse stock split including share and per share amounts and additional paid-in-capital amounts on the condensed consolidated statement of equity for the three months ended March 31, 2022.

***Cash***

Cash includes cash in bank accounts. The Company deposits cash with several high-quality financial institutions. These deposits are guaranteed by the Federal Deposit Insurance Company ("FDIC") up to an insurance limit of \$250,000. At times, the Company's cash balances may exceed FDIC limits. Although the Company bears risk on amounts in excess of those insured by the FDIC, it has not experienced and does not anticipate any losses due to the high quality of the institutions where the deposits are held.

***Restricted Cash***

Restricted cash consists of held in escrow accounts by contractual agreement with lenders as part of financial loan covenant requirements.

***Investments in Unconsolidated Entities***

If an entity is not a VIE, our determination of the appropriate accounting method with respect to our investments in limited liability companies and other investments is based on voting control. For our managing member interests in limited liability companies, we are presumed to control (and therefore consolidate) the entity, unless the other limited partners have substantive rights that overcome this presumption of control. These substantive rights allow the limited partners to remove the general partner with or without cause or to participate in significant decisions made in the ordinary course of the entity's business. We account for our non-controlling investments in these entities under the equity method. Our investments in unconsolidated subsidiaries in which we have the ability to exercise significant influence over operating and financial policies, but do not control, or entities which are VIE in which we are not the primary beneficiary are accounted for under the equity method. The equity method of accounting requires the investment to be initially recorded at cost and subsequently adjusted for the Company's share of equity in the equity method investment's earnings and distributions. Our share of the earnings or loss from equity method investments is included in other income (expenses), net on the accompanying condensed consolidated statements of operations.

Our determination of the appropriate accounting treatment for an investment in a subsidiary requires judgment of several factors including the size and nature of our ownership interest and the other owners' substantive rights to make decisions for the entity. If we were to make different judgments or conclusions as to the level of our control or influence, it could result in a different accounting treatment. Consolidating an investment generally would have no impact on our net income or stockholders' deficit attributable to CaliberCos Inc. in any accounting period, but a different treatment would impact individual income statement and balance sheet line items, as consolidation would effectively "gross up" our statement of operations and balance sheet.

As of March 31, 2023 and December 31, 2022, the carrying amount of our investments in unconsolidated entities was \$3.2 million. In certain situations, the Company has invested only a nominal amount of cash, or no cash at all, into a venture. As the manager of the venture, we are entitled to 20.0% – 35.0% of the residual cash flow produced by the venture after the payment of any priority returns. Under the equity method, impairment losses are recognized upon evidence of other-than-temporary losses of value. No impairment losses were recorded during the three months ended March 31, 2023 and 2022.

***Depreciation and Amortization Expense***

Depreciation expense includes costs associated with the purchase of furniture and equipment and office leasehold improvements which are recorded at cost. Furniture and equipment costs are depreciated using the straight-line method over the estimated useful life of the asset, generally three to seven years beginning in the first full month the asset is placed in service. Office leasehold improvements are amortized using the straight-line method over the shorter of the respective estimated useful life or the lease term.

***Impairment of Long-Lived Assets***

Real estate and other long-lived assets to be held and used are stated at cost, less accumulated depreciation and amortization, unless the carrying amount of the asset is determined not to be recoverable. If events or circumstances indicate that the carrying amount of a long-lived asset may not be recoverable, we make an assessment of its recoverability by comparing the carrying amount to our estimate of the undiscounted net future cash flows resulting from the use of the asset, excluding interest charges. If the carrying amount exceeds the aggregate undiscounted future cash flows, we recognize an impairment loss to the extent the carrying amount exceeds the estimated fair value of the asset.

For the three months ended March 31, 2023 and 2022, the Company had no impairment losses related to its real estate and other long-lived assets.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**Concentration of Credit Risk**

Substantially all of the Company's revenues are generated from the management, ownership and/or operations of real estate assets located in Alaska, Arizona, Colorado, and Texas. The Company mitigates the associated risk by:

- diversifying our investments in real estate assets across multiple asset types, including hospitality, commercial, single-family, multi-family, and self-storage properties;
- diversifying our investments in real estate assets across multiple geographic locations including different markets and sub-markets in which our real estate assets are located;
- diversifying our investments in real estate assets across assets at differing points of stabilization, and in varying states of cash flow optimization; and
- maintaining financing relationships with a diversified mix of lenders (differing size and type), including large national banks, local community banks, private equity lenders, and insurance companies.

**Noncontrolling Interests in Consolidated Real Estate Partnerships**

We report the unaffiliated partners' interests in the net assets of our consolidated real estate partnerships as noncontrolling interests within the accompanying condensed consolidated statements of changes in stockholders' equity. Noncontrolling interests consist of equity interests held by limited partners in consolidated real estate partnerships. We attribute to noncontrolling interests their share of income or loss of the consolidated partnerships based on their proportionate interest in the results of operations of the partnerships, including their share of losses even if such attribution results in a deficit noncontrolling interest balance within our equity and partners' capital accounts.

The terms of the partnership agreements generally require the partnerships to be liquidated following the sale of the underlying real estate assets. As the general partner in these partnerships, we ordinarily control the execution of real estate sales and other events that could lead to the liquidation, redemption or other settlement of noncontrolling interests. The terms of certain partnership agreements outline differing classes of equity ownership, some of which are redeemable by the partnership at the partnership manager's discretion.

**Revenue Recognition**

In accordance with the ASC 606, *Revenue from Contracts with Customers* ("ASC 606"), management applies the five-step framework in determining the timing and amount of revenue to recognize. This framework requires an entity to: (i) identify the contract(s) with customers, (ii) identify the performance obligations within the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations within the contract, and (v) recognize revenue when or as the entity satisfies a performance obligation. The Company's revenues primarily consist of fund management and transaction and advisory fees.

**Fund Management**

Asset management fees are generally based on 1.0% to 1.5% of the unreturned capital contributions in a particular fund and include reimbursement for costs incurred on behalf of the fund, including an allocation of certain overhead costs. Asset management fees are recalculated for each fund on an annual basis. These customer contracts require the partnership to provide management services, representing a performance obligation that the partnership satisfies over time.

Performance allocations are an arrangement in which we are entitled to an allocation of investment returns, generated within the investment funds which we manage, based on a contractual formula. We typically receive 20.0% to 35.0% of all cash distributions from (i) the operating cash flow of each fund, after payment to the related fund investors of any accumulated and unpaid priority preferred returns and repayment of preferred capital contributions; and (ii) the cash flow resulting from the sale or refinance of any real estate assets held by each fund, after payment to the related fund investors of any accumulated and unpaid priority preferred returns and repayment of initial preferred capital contributions. Our funds' preferred returns range from 6.0% to 12.0%, typically 6.0% for common equity or 10.0% to 12.0% for preferred equity, which does not participate in profits. Performance allocations are related to services which have been provided and are recognized when it is determined that they are no longer probable of significant reversal, which is generally satisfied when an underlying fund investment is realized or sold.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**Transaction and Advisory Fees**

Revenues from contracts with customers includes fixed fee arrangements with related party affiliates to provide certain associated activities which are ancillary to and generally add value to the assets we manage, such as set-up and fund formation services associated with marketing, soliciting, and selling member interests in the affiliated limited partnerships, brokerage services, construction and development management services, loan placement and guarantees. The recognition and measurement of revenue is based on the assessment of individual contract terms. For performance obligations satisfied at a point in time, there are no significant judgments made in evaluating when the customer obtains control of the promised service.

For performance obligations satisfied over time, significant judgment is required to determine how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on appropriate measurement of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events. Transaction price is allocated to each distinct performance obligation and recognized as revenue when, or as, the performance obligation is satisfied. Variable consideration is included in the estimated transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur or when the uncertainty associated with the variable consideration is resolved. The Company's estimates of variable consideration and determination of whether to include estimated amounts in transaction price are based largely on an assessment of its anticipated performance and all information that is reasonably available to the Company. Revenues are recognized when control of the promised services is transferred to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those services.

Set-up services are a one-time fee for the initial formation, administration, and set-up of the private equity real estate fund. These fees are recognized at the point in time when the performance under the contract is complete.

Fund formation fees are earned at a point in time at a fixed rate based on the amount of capital raised into certain managed funds. Services include marketing, offering, registration, and ultimately raising capital.

**Accounts Receivable**

Accounts receivable primarily consists of reimbursable expenses from third-party development projects. The Company continually reviews receivables and determines collectability by taking into consideration the history of past write-offs, collections, current credit conditions, payment history, and the financial condition of the related third-party service providers. In the event that the collectability of a receivable is uncertain, the Company will record an increase in the allowance for doubtful accounts. Amounts that are determined to be uncollectible with a high degree of certainty are written-off through bad debt expense, which is included in operating costs on the accompanying condensed consolidated statements of operations. The Company did not record an allowance for doubtful accounts as of March 31, 2023 and December 31, 2022.

**Related Parties**

In the normal course of business, the Company enters into transactions with related parties. Related parties include affiliates of the entity, entities under common control of the Company, significant stockholders and executive management and members of their immediate families, and other parties that can significantly influence the management and operating policies of the Company.

**Leases****Lessor**

At the inception of a new lease arrangement, including new leases that arise from amendments, the Company assesses the terms and conditions to determine the proper lease classification. When the terms of a lease effectively transfer control of the underlying asset, the lease is classified as a sales-type lease. When a lease does not effectively transfer control of the underlying asset to the lessee, but the Company obtains a guarantee for the value of the asset from a third party, the Company classifies the lease as a direct financing lease. All other leases are classified as operating leases. The Company did not have any sales-type or direct financing leases as of March 31, 2023. For operating leases with minimum scheduled rent increases, the consolidated funds recognize rental revenue on a straight-line basis, including the effect of any free rent periods, over the lease term when collectability of lease payments is probable. Variable lease payments are recognized as rental revenue in the period when the changes in facts and circumstances on which the variable lease payments are based occur.

**CALIBERCOS INC. AND SUBSIDIARIES  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

The Company identified two separate lease components as follows: i) land lease component, and ii) single property lease component comprised of building, land improvements and tenant improvements. The Company's leases also contain provisions for tenants to reimburse the consolidated funds for maintenance and other property operating expenses, which are considered to be non-lease components. The Company elected the practical expedient to combine lease and non-lease components and the non-lease components will be included with the single property lease component as the predominant component.

**Lessee**

To account for leases for which the Company is the lessee, contracts must be analyzed upon inception to determine if the arrangement is, or contains, a lease. A lease conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Lease classification tests and measurement procedures are performed at the lease commencement date.

The lease liability is initially measured as the present value of the lease payments over the lease term, discounted using the interest rate implicit in the lease, if that rate is readily determinable; otherwise, the lessee's incremental borrowing rate is used. The incremental borrowing rate is determined based on the estimated rate of interest that the lessee would pay to borrow on a collateralized basis over a similar term at an amount equal to the lease payments in a similar economic environment. The lease term is the noncancelable period of the lease and includes any renewal and termination options the Company is reasonably certain to exercise. The lease liability balance is amortized using the effective interest method. The lease liability is remeasured when the contract is modified, upon the resolution of a contingency such that variable payments become fixed or if the assessment of exercising an extension, termination or purchase option changes.

The right-of-use ("ROU") asset balance is initially measured as the lease liability amount, adjusted for any lease payments made prior to the commencement date, initial direct costs, estimated costs to dismantle, remove, or restore the underlying asset and incentives received.

The Company's impairment assessment for ROU assets is consistent with the impairment analysis for the Company's other long-lived assets and is reviewed quarterly.

**Accounting Policies of Consolidated Funds**

**Accounting for Real Estate Investments**

Upon the acquisition of real estate properties, a determination is made as to whether the acquisition meets the criteria to be accounted for as an asset acquisition or a business combination. The determination is primarily based on whether the assets acquired, and liabilities assumed meet the definition of a business. The determination of whether the assets acquired, and liabilities assumed meet the definition of a business includes a single or similar asset threshold. In applying the single or similar asset threshold, if substantially all the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets, the assets acquired, and liabilities assumed are not considered a business. Most of our consolidated fund acquisitions meet the single or similar asset threshold, due to the fact that substantially all the fair value of the gross assets acquired is attributable to the real estate assets acquired.

Acquired real estate properties accounted for as asset acquisitions are recorded at cost, including acquisition and closing costs. Our consolidated funds allocate the cost of real estate properties to the tangible and intangible assets and liabilities acquired based on their estimated relative fair values. Our consolidated funds determine the fair value of tangible assets, such as land, building, furniture, fixtures and equipment, using a combination of internal valuation techniques that consider comparable market transactions, replacement costs and other available information and fair value estimates provided by third-party valuation specialists, depending upon the circumstances of the acquisition. Our consolidated funds determine the fair value of identified intangible assets or liabilities, which typically relate to in-place leases, using a combination of internal valuation techniques that consider the terms of the in-place leases, current market data for comparable leases, and fair value estimates provided by third-party valuation specialists, depending upon the circumstances of the acquisition.

If a transaction is determined to be a business combination, the assets acquired, liabilities assumed, and any identified intangibles are recorded at their estimated fair values on the transaction date, and transaction costs are expensed in the period incurred.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**Cost Capitalization and Depreciation**

Our consolidated funds capitalize costs, including certain indirect costs, incurred in connection with their development and construction activities. Included in these capitalized costs are payroll costs associated with time spent by site employees in connection with capital addition activities at the asset level. Interest, property taxes and insurance are also capitalized during periods in which redevelopment, development and construction projects are in progress. Capitalization of costs, including certain indirect costs, incurred in connection with our capital addition activities, commence at the point in time when activities necessary to get the assets ready for their intended use are in progress. This includes when assets are undergoing physical construction, as well as when apartment homes are held vacant in advance of planned construction, provided that other activities such as permitting, planning and design are in progress. Our consolidated funds cease the capitalization of costs when the assets are substantially complete and ready for their intended use, which is typically when construction has been completed and apartment homes or other properties are available for occupancy. Cost of ordinary repairs, maintenance and resident turnover are charged to operating expense, as incurred.

Depreciation for all tangible real estate assets is calculated using the straight-line method over the estimated useful lives of the assets. The estimated useful lives of our real estate assets are as follows:

Building and building improvements	15 – 40 years
Furniture, fixtures, and equipment	3 – 7 years

For the three months ended March 31, 2023 and 2022, depreciation expense was \$2.4 million and \$2.2 million, respectively.

**Impairment of Long-Lived Assets**

Real estate and other long-lived assets to be held and used are stated at cost, less accumulated depreciation and amortization, unless the carrying amount of the asset is determined to not be recoverable. If events or circumstances indicate that the carrying amount of a long-lived asset may not be recoverable, we make an assessment of its recoverability by comparing the carrying amount to our estimate of the undiscounted net future cash flows resulting from the use of the asset, excluding interest charges. If the carrying amount exceeds the aggregate undiscounted future cash flows, our consolidated funds recognize an impairment loss to the extent the carrying amount exceeds the estimated fair value of the asset.

For the three months ended March 31, 2023 and 2022, our consolidated funds did not record an impairment loss related to its real estate and other long-lived assets.

**Cash**

Cash includes cash in bank accounts. The consolidated funds deposit cash with several high-quality financial institutions. These deposits are guaranteed by the FDIC up to an insurance limit of \$250,000. At times, cash balances may exceed FDIC limits. Although the consolidated funds bear risk on amounts in excess of those insured by the FDIC, they have not experienced and do not anticipate any losses due to the high quality of the institutions where the deposits are held.

**Restricted Cash**

Restricted cash consists of tenant security deposits and cash reserves required by certain loan agreements for capital improvements and repairs. As improvements and repairs are completed, related costs incurred by the consolidated funds are funded from the reserve accounts. Restricted cash also includes cash held in escrow accounts by mortgage companies on behalf of the consolidated funds for payment of property taxes, insurance, and interest.

**Consolidated Fund Revenues**

In accordance with ASC 606, our consolidated funds apply the five-step framework in determining the timing and amount of revenue to recognize. This framework requires an entity to: (i) identify the contract(s) with customers, (ii) identify the performance obligations within the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations within the contract, and (v) recognize revenue when or as the entity satisfies a performance obligation. Our consolidated funds' revenues primarily consist of hospitality revenues, rental income and interest income.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

Consolidated funds – hospitality revenue

Hospitality revenues are comprised of charges for room rentals, food and beverage sales, and other hotel operating activities. Revenues are recognized as earned, which is defined as the date upon which a guest occupies a room or utilizes the hotel's services. Revenues are recorded net of sales tax.

Our consolidated funds have performance obligations to provide accommodations and other ancillary services to hotel guests. As compensation for such goods and services, the consolidated funds are typically entitled to a fixed nightly fee for an agreed upon period and additional fixed fees for any ancillary services purchased. These fees are generally payable at the time the hotel guest checks out of the hotel. The consolidated funds generally satisfy the performance obligations over time and recognize the revenue from room sales and from other ancillary guest services on a daily basis, as the rooms are occupied, and the services have been rendered.

For food and beverage, revenue is recognized upon transfer of promised products or services to customers in an amount that reflects the consideration the consolidated funds received in exchange for those services, which is generally when payment is tendered at the time of sale.

The consolidated funds receive deposits for events and rooms. Such deposits are deferred and included in other liabilities on the accompanying condensed consolidated balance sheets. The deposits are credited to consolidated funds – hospitality revenue when the specific event takes place.

Consolidated funds – other revenue

Consolidated funds – other revenue primarily consists of rental revenue of \$1.0 million and \$1.3 million for the three months ended March 31, 2023 and 2022, respectively. Rental revenue includes the revenues generated primarily by the rental operations of the residential (multi-family and single-family) and commercial properties of our consolidated funds.

Upon adoption of ASC 842, *Leases* ("ASC 842"), effective January 1, 2022, at the inception of a new lease arrangement, including new leases that arise from amendments, the Company assesses the terms and conditions to determine the proper lease classification. When the terms of a lease effectively transfer control of the underlying asset, the lease is classified as a sales-type lease. When a lease does not effectively transfer control of the underlying asset to the lessee, but the Company obtains a guarantee for the value of the asset from a third party, the Company classifies the lease as a direct financing lease. All other leases are classified as operating leases. The consolidated funds did not have any sales-type or direct financing leases as of March 31, 2023. For operating leases with minimum scheduled rent increases, the consolidated funds recognize rental revenue on a straight-line basis, including the effect of any free rent periods, over the lease term when collectability of lease payments is probable. Variable lease payments are recognized as rental revenue in the period when the changes in facts and circumstances on which the variable lease payments are based occur.

The Company identified two separate lease components as follows: i) land lease component, and ii) single property lease component comprised of building, land improvements and tenant improvements. The Company's leases also contain provisions for tenants to reimburse the consolidated funds for maintenance and other property operating expenses, which are considered to be non-lease components. The Company elected the practical expedient to combine lease and non-lease components and the non-lease components will be included with the single property lease component as the predominant component.

Prior to the adoption of ASC 842, rental revenue consisted of the amount each tenant paid in accordance with the terms of each lease and were reported on a straight-line basis over the initial noncancelable term of the lease, net of any concessions, and recognized when earned and collectability was reasonably assured. These revenues were recorded net of any sales and occupancy taxes collected from tenants. Rental revenue is not within the scope of ASC 606 and was accounted for in accordance with ASC 840 — *Leases*.

In addition, consolidated funds - other revenue includes interest income of \$0.9 million and \$0.6 million for the three months ended March 31, 2023 and 2022, respectively, which is generated by a consolidated fund's lending activity. Interest income is recognized on the accrual basis of accounting in accordance with the lending agreements over the term of the respective loan agreement.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**Consolidated Fund Expenses**

Consolidated fund expenses consist primarily of costs, expenses and fees that are incurred by, or arise out of the operation and activities of or otherwise related to, our consolidated funds, including, without limitation, operating costs, depreciation and amortization, interest expense on debt held by our consolidated funds, gain on extinguishment of debt, gain on derivative instruments, insurance expenses, professional fees and other costs associated with administering and supporting those funds.

**Accounts Receivable**

Accounts receivable primarily consists of amounts due from guests or groups for hotel rooms and services provided by the hotel properties. Accounts receivable also include due, but unpaid, rental payments. Our consolidated funds continually review receivables and determine collectability by taking into consideration the history of past write-offs, collections, current credit conditions, tenant payment history, the financial condition of the tenants, business conditions in the industry in which the tenant operates and economic conditions in the area in which the property is located. In the event that the collectability of a receivable is uncertain, our consolidated funds will record an increase in the allowance for doubtful accounts. Amounts that are determined to be uncollectible with a high degree of certainty are written-off through bad debt expense, which is included in consolidated funds - hospitality expenses and consolidated funds - other expenses on the accompanying condensed consolidated statements of operations. Our consolidated funds recorded an allowance for doubtful accounts of \$16,000 as of March 31, 2023. Our consolidated funds did not record an allowance for doubtful accounts as of December 31, 2022.

**Derivative Instruments**

The consolidated funds record all derivative instruments on the condensed consolidated balance sheets at fair value. The accounting for changes in the fair value of the derivative and the effect on the financial statements depends on its hedge designation and whether the hedge is highly effective in achieving offsetting changes in the fair value of cash flows of the asset or liability hedged. If the consolidated fund elects not to apply hedge accounting treatment, any changes in the fair value of the derivative instruments is recognized immediately in consolidated funds - hospitality expenses in the condensed consolidated statements of operations. If the derivative is designated and qualifies for hedge accounting treatment, the change in fair value of the derivative is recorded in other comprehensive income (loss).

**Fair Value of Financial Instruments**

The fair value of financial instruments is disclosed in accordance with ASC 825, *Financial Instruments*. The fair value of our financial instruments is estimated using available market information and established valuation methodologies. The estimates of fair value are not necessarily indicative of the amounts the consolidated funds could realize on disposition of the financial instruments. The use of different market assumptions and/or valuation methodologies may have a material effect on the estimated fair value amounts.

**Fair Value Measurements**

Fair value measurements and disclosures consist of a three level valuation hierarchy. The valuation hierarchy categorizes assets and liabilities measured at fair value into one of three different levels depending on the ability to observe the inputs employed in the measurement using market participant assumptions at the measurement date. An asset's or liability's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels are defined as follows:

- Level 1 – Inputs are quoted prices in active markets for identical assets or liabilities that can be accessed at the measurement date.
- Level 2 – Inputs include quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Unobservable inputs for the asset or liability. These unobservable inputs reflect assumptions about what market participants would use to price the asset or liability and are developed based on the best information available in the circumstances (which might include the reporting company's own data)

**Recent Accounting Pronouncements**

In August 2020, the FASB issued ASU 2020-06, *Debt – Debt with Conversion and Other Options (Subtopic 470-20) and Derivatives and Hedging – Contracts in Entity's Own Equity (Subtopic 815-40)*, which simplifies the accounting for convertible instruments by reducing the number of accounting models for convertible debt instruments and convertible preferred stock, removes certain settlement conditions that are required for equity contracts to qualify for the derivative scope exception and also simplifies the diluted earnings per share calculation in certain areas. The amendments in ASU 2020-06 are effective for the Company for reporting periods beginning after December 15, 2023, including interim periods within those fiscal years, with early adoption permitted beginning after December 15, 2020. We are currently evaluating the impact of ASU 2020-06, but do not believe the adoption of this standard will have a material impact on our consolidated financial statements.

**Note 3 – VIEs**

As of March 31, 2023 and December 31, 2022, the Company's accompanying condensed consolidated financial statements included 18 and 14 entities, respectively, all of which are consolidated as VIEs. During the three months ended March 31, 2023, the Company deconsolidated five hospitality funds which were contributed to the Caliber Hospitality, LP, whose sole general partner is Caliber Hospitality Trust, Inc. (the "Caliber Hospitality Trust"). During the three months ended March 31, 2022, the Company deconsolidated one VIE that sold its investment in a multi-family residential property and repaid the loan secured by the property and therefore the Company was no longer determined to be the primary beneficiary. We aggregate and report the results of operations of these VIEs in consolidated fund revenues and consolidated fund expenses within the accompanying condensed consolidated statements of operations through the date of deconsolidation.

**CALIBERCOS INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

The Company consolidated Caliber Hospitality, LP and the Caliber Hospitality Trust, which include activity from five previously consolidated hospitality funds and one previously unconsolidated fund during the three months ended March 31, 2023 because the Company was determined to be the primary beneficiary as it has the power to direct the activities and the obligation to absorb their losses through its guarantee of the indebtedness secured by the hospitality assets, which is significant to Caliber Hospitality Trust and Caliber Hospitality, LP. In addition, the Company consolidated West Frontier Holdco, LLC ("West Frontier") as the Company was determined to be the primary beneficiary as we have the power to direct the activities of West Frontier and the obligation to absorb their losses through its guarantee of their indebtedness which is significant to the fund. Management has determined that the equity holders in our consolidated entities, as a group, lack the power to direct the activities that most significantly impact the entity’s economic performance and/or have disproportionate voting rights relative to their equity. The Company was determined to be the primary beneficiary of each of these entities since it has the power to direct the activities of the entities and the right to absorb losses, generally in the form of guarantees of indebtedness that are significant to the individual entities.

Generally, the assets of the individual consolidated VIEs can be used only to settle liabilities of each respective individual consolidated VIEs and the liabilities of the individual consolidated VIEs are liabilities for which creditors or beneficial interest holders do not have recourse to the general credit of the Company. When the VIE is consolidated, we reflect the assets, liabilities, revenues, expenses and cash flows of the consolidated funds on a gross basis, and the interests in the VIEs are included in non-controlling interest in the condensed consolidated financial statements. The Company has provided financial support to certain consolidated VIEs in the form of short-term financing and guarantees of the debts of certain VIEs. In general, our maximum exposure to loss due to involvement with the consolidated VIEs is limited to the amount of capital investment in the VIE, if any, or the potential obligation to perform on the guarantee of debts.

See Note 11 – Commitments and Contingencies for additional information related to the commitments and contingencies of these VIEs.

The shares are being reacquired at various amounts ranging from 3,500 to 6,000 units on a monthly basis until such time as the Company has satisfied the termination conditions or until all of the shares have been reacquired, which could be in 2075. During the three months ended March 31, 2023, the Company entered into an agreement to repurchase 35,671 shares immediately prior to the effective date of the Company’s initial public offering.

### Overview

Caliber is a leading vertically integrated asset management firm whose primary goal is to enhance the wealth of investors seeking to make investments in middle-market assets. We strive to build wealth for our investor clients by creating, managing, and servicing proprietary products including middle-market investment funds, private syndications, and direct investments. Our funds include investment vehicles focused primarily on real estate, private equity, and debt facilities. We earn asset management fees calculated as a percentage of managed capital in our Funds and Offerings. We market our services through direct sales to private investors, wholesaling to investment advisers, direct sales to family offices and institutions, and through in-house client services.

We believe that we provide investors attractive risk-adjusted returns by offering a balance of (i) structured offerings and ease of ownership, (ii) a pipeline of investment opportunities, primarily projects that range in value between \$5.0 million and \$50.0 million, and (iii) an integrated execution and processing platform. Our investment strategy leverages the local market intelligence and real-time data we gain from our operations to evaluate current investments, generate proprietary transaction flow, and implement various asset management strategies.

While we primarily act as an alternative asset manager, we also offer a full suite of support services and employ a vertically integrated approach to investment management. Our asset management activities are complemented with transaction and advisory services including development and construction management, acquisition and disposition expertise, and fund formation, which we believe differentiate us from other asset management firms. We believe our model allows us to acquire attractive projects, reduce operating costs, and deliver services to our funds that bolster net returns to investors.

Our operations are organized into three reportable segments for management and financial reporting purposes: Fund Management, Development, and Brokerage.

**Fund Management** — This segment represents our fund management activities along with back office and corporate support functions including accounting and human resources. It includes the activities of Caliber Services, which acts as an external manager of our funds, which have diversified investment objectives. It also includes the activities associated with Caliber Securities, a wholly-owned Arizona registered issuer-dealer, which generates fees from set-up services and fund formation. We earn fund management fees for services rendered to each of the funds by Caliber Services as follows:

- **Asset Management Fee.** We receive an annual asset management fee typically equal to 1.0% to 1.5% of the non-affiliated capital contributions related to the assets owned by the particular fund to compensate us for the overall administration of that fund. These management fees are payable regularly, generally on a monthly basis, pursuant to our management agreement with each fund.
- **Performance Allocations.** We are entitled to an allocation of the income allocable to the limited partners or members of each fund for returns above accumulated and unpaid priority preferred returns and repayment of preferred capital contributions (the "Hurdle Rate"), commonly referred to as carried interest. Performance allocations are an important element of our business and have historically accounted for a material portion of our revenues.

Depending on the fund, we typically receive a carried interest of 20.0% to 35.0%, depending on the fund, of all cash distributions from (i) the operating cash flow of each fund above the Hurdle Rate and (ii) the cash flow resulting from the sale or refinancing of any investments held by our funds after payment of the related fund's investors unpaid priority preferred returns and Hurdle Rate. Our funds' preferred returns range from 6.0% to 12.0%.

- *Financing Fee.* We earn a fee upon the closing of a loan by our investment funds with a third-party lender to compensate us for the services performed and costs incurred in securing the financing. This is typically a fixed fee arrangement which approximates no more than 1.0% of the total loan and will not exceed 3.0% of the total loan after considering all other origination fees charged by lenders and brokers involved in the transaction. Financing fees are recorded under Transaction and Advisory Fees.
- *Set-Up Fee.* We charge an initial one-time fee related to the initial formation, administration and set-up of the applicable fund. Set-up fees can be flat fees or a percentage of capital raised, typically 1.5% of capital raised or less. These fees are recorded under Transaction and Advisory Fees.
- *Fund Formation Fee.* Through Caliber Securities, we earn non-affiliated fees from raising capital for our funds. Our contracts with our funds are typically fixed fee arrangements which approximate no more than 3.5% on capital raised. These fees are recorded under Transaction and Advisory Fees.

Based on the contractual terms of the relevant funds we manage, in addition to the fees noted above, Caliber is entitled to be reimbursed for its expenses, which are not to exceed non-affiliated third-party costs, related to services provided to the funds.

**Development** — This segment represents our activities associated with providing real estate development services as their principal developer. These services include managing and supervising third-party developers and general contractors with respect to the development of the properties owned by our funds. Revenues generated by this segment are generally based on 4.0% of the total expected costs of the development or 4.0% of the total expected costs of the construction project. Caliber Development, a wholly-owned subsidiary of Caliber Services and an Arizona licensed general contractor, acts as either the developer, development manager, and/or construction manager on our funds' projects.

We have a number of development, redevelopment, construction, and entitlement projects that are underway or are in the planning stages, which we define as AUD. This category includes projects we are planning to build on undeveloped land and projects to be built and constructed on undeveloped lands which are not yet owned by our funds but are under contract to purchase. Completing these development activities may ultimately result in income-producing assets, assets we can sell to third parties, or both. As of March 31, 2023, we are actively developing 2,460 multifamily units, 2,300 single family units, 2.5 million square feet of commercial and industrial, and 1.3 million of office and retail. If all of these projects are brought to completion, the total cost capitalized to these projects, which represents total current estimated costs to complete the development and construction of such projects, is \$2.2 billion, which we expect would be funded through a combination of undeployed fund cash, third-party equity, project sales, tax credit financing and similar incentives, and secured debt financing. We are under no obligation to complete these projects and may dispose of any such assets at any time. There can be no assurance that assets under development will ultimately be developed or constructed because of the nature of the cost of the approval and development process and market demand for a particular use. In addition, the mix of residential and commercial assets under development may change prior to final development. The development of these assets will require significant additional financing or other sources of funding, which may not be available.

**Brokerage** — This segment is involved in the buying, selling and leasing of all our funds' assets. For the three months ended March 31, 2023 and 2022, our brokerage segment completed approximately \$10.2 million and \$53.0 million in transactions generating approximately \$0.2 million and \$0.1 million of brokerage fees, respectively.

Caliber was originally founded as Caliber Companies, LLC, an Arizona limited liability company, organized under the laws of Arizona, and commenced operations in January 2009. In November 2014, the Company was reorganized as a Nevada corporation and in June 2018, we reincorporated in the state of Delaware. On our website we make available, free of charge, information about the Company and its' investments. None of the information on our website is deemed to be part of this report.

#### **Trends Affecting Our Business**

Our business is driven by trends which affect the following:

- 1) **Capital formation:** any trend which increases or decreases investors' knowledge of alternative investments, desire to acquire them, access to acquire them, and knowledge and appreciation of Caliber as a potential provider, will affect our ability to attract and raise new capital. Capital formation also drives investment acquisitions, which contribute to Caliber's revenues.

- 2) **Investment acquisition:** any trend which increases or decreases the supply of middle-market real estate projects or loans, the accessibility of developments or development incentives, or enhances or detracts from Caliber's ability to access those projects will affect our ability to generate revenue. Coincidentally, investment acquisitions, or the rights to acquire an investment, drive capital formation – creating a flywheel effect for Caliber.
- 3) **Project execution:** any trend which increases or decreases the costs of execution on a real estate project, including materials pricing, labor pricing, access to materials, delays due to governmental action, and the general labor market, will affect Caliber's ability to generate revenues.

Our business depends in large part on our ability to raise capital for our funds from investors. Since our inception, we have continued to successfully raise capital into our funds with our total capital raised through March 31, 2023 exceeding \$617.4 million. Our success at raising new capital into our funds is impacted by the extent to which new investors see alternative assets as a viable option for capital appreciation and/or income generation. Since our ability to raise new capital into our funds is dependent upon the availability and willingness of investors to direct their investment dollars into our products, our financial performance is sensitive in part to changes in overall economic conditions that affect investment behaviors. The demand from investors is dependent upon the type of asset, the type of return it will generate (current cash flow, long-term capital gains, or both) and the actual return earned by our fund investors relative to other comparable or substitute products. General economic factors and conditions, including the general interest rate environment and unemployment rates, may affect an investor's ability and desire to invest in real estate. For example, a significant interest rate increase could cause a projected rate of return to be insufficient after considering other risk exposures. Additionally, if weakness in the economy emerges and actual or expected default rates increase, investors in our funds may delay or reduce their investments; however, we believe our approach to investing and the capabilities that Caliber manages throughout the deal cycle will continue to offer an attractive value proposition to investors.

In June 2023, the United States of America's House of Representatives unanimously approved legislation that would increase the number of investors who can participate in private offerings of securities by expanding the accredited investor criteria. The Fair Investment Opportunities for Professional Experts Act would expand the definition of accredited investor to include people with certain licenses, education or professional experience. The Accredited Investor Definition Review Act would give the SEC discretion to determine the certifications, designations or credentials investors must possess to be accredited and directs the SEC to review the accredited investor definition every five years. We believe these government actions will increase the size of our potential investor base significantly, however we cannot yet assess the number of newly accredited investors that would have the ability or interest to invest in a Caliber fund.

While we have had historical successes, there can be no assurance that fundraising for our new and existing funds will experience similar success. If we were unable to raise such capital, we would be unable to collect capital raise fees or deploy such capital into investments, which would materially reduce our revenues and cash flow and adversely affect our financial condition.

We remain confident about our ability to find, identify, and source new investment opportunities that meet the requirements and return profile of our investment funds despite headwinds associated with increased asset valuations, competition and increased overall cost of credit. We continue to identify strategic acquisitions on off-market terms and anticipate that this trend will continue. We are at a point in our investment cycle where some of our funds have begun to exit significant parts of their portfolios while other are approaching a potential harvesting phase. We have complemented these cycles with other newer funds that will maintain management fees while providing continued sources of activity for our Development segment.

In February 2023, we expanded our access to institutional capital by entering into an agreement with Skyway Capital Markets to serve as a managing broker-dealer for our primary investment products. The agreement designates Skyway to assist us to raise capital primarily from third party broker-dealers and registered investment advisors, many of which have an existing business relationship with Skyway. Skyway will assist us in our efforts to hire, train and manage a national wholesaling team, secure selling agreements, and provide appropriate due diligence to advisors distributing our funds. Our current managing broker-dealer will remain engaged with us to supervise and manage our existing private client sales team and to join Skyway as a selling group member.

Acquiring new assets includes being able to negotiate favorable loans on both a short and long-term basis. We strive to forecast and project our returns using assumptions about, among other things, the types of loans that we might expect the market to extend for a particular type of asset. This becomes more complex when the asset also requires construction financing. We may also need to refinance existing loans that are due to mature. Factors that affect these arrangements include the interest rate and economic environment, the estimated fair value of real property, and the profitability of the asset's historical operations. These capital market conditions may affect the renewal or replacement of our credit agreements, some of which have maturity dates occurring within the next 12 months. Obtaining such financing is not guaranteed and is largely dependent on market conditions and other factors.

The advancement of real estate investment-oriented technology, sometimes referred to as “proptech” offers Caliber the benefit of new and innovative technologies to better execute on capital formation strategies, investment acquisition strategies, and investment management strategies. In recent years, Caliber has added to its technology stack with systems that we believe lead the market in their specific ability to enhance execution on our projects. Several of these technologies seek to incorporate investments in artificial intelligence, which we believe will be a prevailing trend in helping Caliber to enhance its project execution going forward.

#### **Business Environment**

Global markets are experiencing significant volatility driven by concerns over inflation, rising interest rates, slowing economic growth and geopolitical uncertainty. The annual inflation rate in the United States increased to 9.1% in June 2022, the highest rate since November 1981, but decreased to 4.9% in April 2023. As a result, from January 1, 2022 through May 31, 2023, the Federal Reserve increased the federal funds rate by 500 basis points and has indicated its intention to continue to increase interest rates in an effort to combat inflation. The rising interest rates, coupled with periods of significant equity and credit market volatility may potentially make it more difficult for us to find attractive opportunities for our funds to exit and realize value from their existing investments. Historically, inflation has tended to favor new capital formation for Caliber’s funds, as investors seek opportunities that can hedge against rising costs, such as real estate investments. In addition, the increase in interest rates has put pressure on owners of existing real estate to sell assets as their loans mature. Combined with a shrinking pool of buyers, the commercial and residential real estate markets in our favored geographies are moving away from a seller’s market and closer to a buyer’s market. It remains to be seen if a stressed or distressed market may emerge, similar to Caliber’s early years of operations. In both a buyer’s market and a stressed or distressed market, Caliber expects its business model to outperform, as our direct access to investor capital and our ability to invest in a variety of asset classes allows Caliber to move with the market and take advantage of potentially attractive prices. For project execution, inflation has increased the cost of nearly all building materials and labor types, increasing the cost of construction and renovation of our funds’ assets.

For the three months ended March 31, 2023 and 2022, total revenues were \$29.5 million and \$24.3 million, respectively, representing a period-over-period increase of 21.5%. This increase was primarily due to an increase in revenues in our consolidated fund hotel assets whose operations are recovering from the impact of the COVID-19 pandemic. In addition, consolidated asset management fees, performance allocations, and transaction and advisory fees increased \$0.6 million, representing a period-over-period increase of 15.8%. See the Segment Analysis section below in which revenues are presented on a basis that deconsolidates our consolidated funds. As a result, segment revenues are different than those presented on a consolidated basis in accordance with U.S. GAAP basis because these fees are eliminated in consolidation when they are derived from a consolidated fund.

For the three months ended March 31, 2023 and 2022, total expenses were \$29.0 million and \$24.2 million, respectively, representing a period-over-period increase of 19.9%. The increase was primarily due to an increase in consolidated fund related expenses as operations are recovering from the impact of the COVID-19 pandemic and the hotel properties began hiring more employees to cater to the increasing occupancies. In addition, the increase in operating costs was primarily due to an increase in payroll costs related to increased headcount and cost of human capital driven by the Company's growth initiatives, as the Company looks to enhance its capabilities across all lines of service.

For the three months ended March 31, 2022, consolidated funds – gain on sale of real estate investments includes the gain recognized in 2022 on the sale of GC Square Apartments for \$21.5 million, a multi-family property with a cost basis of \$9.1 million. The sale drove the majority of our performance allocations for the three months ended March 31, 2022.

For the three months ended March 31, 2023 and 2022, interest expense was \$0.8 million and \$0.2 million, respectively. The increase was primarily due to the increase in corporate notes outstanding during the three months ended March 31, 2023, as compared to the same period in 2022.

#### Segment Analysis

The following discussion is specific to our various segments for the three months ended March 31, 2023 and 2022. Our segment information is presented in a format consistent with the information senior management uses to make operating decisions, assess performance and allocate resources.

As a result, segment revenues are different than those presented on a consolidated basis in accordance with U.S. GAAP because these fees are eliminated in consolidation when they are derived from a consolidated fund. Furthermore, segment expenses are also different than those presented on a consolidated U.S. GAAP basis due to the exclusion of fund expenses that are paid by the consolidated funds.

## Investment Valuations

The investments that are held by our funds are generally considered to be illiquid and have no readily ascertainable market value. We value these investments based on our estimate of their fair value as of the date of determination. We estimate the fair value of our fund's investments based on a number of inputs built within forecasting models which are either developed by a third party or by our internal finance team. The models generally rely on discounted cash flow analysis and other techniques and may include independently sourced market parameters. The material estimates and assumptions used in these models include the timing and expected amounts of cash flows, income and expenses for the property, the appropriateness of discount rates used, overall capitalization rate, and, in some cases, the ability to execute, estimated proceeds and timing of expected sales and financings. The majority of our assets utilize the income approach to value the property. Where appropriate, management may obtain additional supporting evidence of values from methods generally utilized in the real estate investment industry, such as appraisal reports and broker price opinion reports.

With respect to the underlying factors that led to the change in fair value in the current year, we identify assets that are undervalued and/or underperforming at the time of acquisition. Such assets generally undergo some form of repositioning soon after our acquisition in order to help drive increased appreciation and operating performance. Once the repositioning is complete, we focus on increasing the asset's net operating income, thereby further increasing the value of the asset. Making below-market acquisitions, adding value through development activities, and increasing free cash flow with proper management all represent a material component to our core business model.

A unique feature of Caliber's funds is the discretion given to Caliber's management team to decide when to sell assets and when to hold them. We believe this discretion allows Caliber to avoid selling properties that, while their business plan may have matured, the market will not pay an attractive price in the current environment. Avoiding selling at a time of disruption, such as all of 2020, is critical to preserving the value of our assets, our carried interest, our ongoing revenues, and our clients' capital. While this is management's expectation, there can be no assurance these outcomes will occur.

## Assets Under Management

AUM refers to the assets we manage or sponsor. We monitor two types of information with regard to our AUM:

- i. **Managed Capital** – we define this as the total equity capital raised from investors in our funds at any point in time. We use this information to monitor, among other things, the amount of 'preferred return' that would be paid at the time of a distribution and the potential to earn a performance fee over and above the preferred return at the time of the distribution. Our asset management fees are based on a percentage of managed capital and monitoring the change and composition of managed capital provides relevant data points for Caliber management to further calculate and predict future earnings.
- ii. **Fair Value ("FV") AUM** – we define this as the aggregate fair value of the real estate assets we manage and from which we derive management fees, performance revenues and other fees and expense reimbursements. We estimate the value of these assets quarterly to help make sale and hold decisions and to evaluate whether an existing asset would benefit from refinancing or recapitalization. This also gives us insight into the value of our carried interest at any point in time. We also utilize FV AUM to predict the percentage of our portfolio which may need development services in a given year, fund management services (such as refinance), and brokerage services. As we control the decision to hire for these services, our service income is generally predictable based upon our current portfolio AUM and our expectations for AUM growth in the year forecasted. As of March 31, 2023, we had total FV AUM of approximately \$806.9 million.

Although we believe we are utilizing generally accepted methodologies for our calculation of Managed Capital and FV AUM, it may differ from our competitors, thereby making these metrics non-comparable to our competitors.

**Non-GAAP Measures**

We present Consolidated EBITDA, Consolidated Adjusted EBITDA, and Caliber Adjusted EBITDA, which are not recognized financial measures under U.S. GAAP, as supplemental disclosures because we regularly review these measures to evaluate our funds, measure our performance, identify trends, formulate financial projections and make strategic decisions.

Consolidated EBITDA represents the Company's and the consolidated funds' earnings before net interest expense, income taxes, depreciation and amortization. Consolidated Adjusted EBITDA represents Consolidated EBITDA as further adjusted to exclude stock-based compensation, transaction fees, expenses and other public registration direct costs related to aborted or delayed offerings and our Reg A+ offering, the share repurchase costs related to the Company's Buyback Program, litigation settlements, expenses recorded to earnings relating to investment deals which were abandoned or closed, any other non-cash expenses or losses, as further adjusted for extraordinary or non-recurring items.

Caliber Adjusted EBITDA represents Consolidated Adjusted EBITDA on a basis that deconsolidates our consolidated funds (intercompany eliminations) and eliminates noncontrolling interest. Eliminating the impact of consolidated funds and noncontrolling interest provides investors a view of the performance attributable to CaliberCos Inc. and is consistent with performance models and analysis used by management.

When analyzing our operating performance, investors should use these measures in addition to, and not as an alternative for, their most directly comparable financial measure calculated and presented in accordance with U.S. GAAP. We generally use these non-U.S. GAAP financial measures to evaluate operating performance and for other discretionary purposes. We believe that these measures enhance the understanding of ongoing operations and comparability of current results to prior periods and may be useful for investors to analyze our financial performance because they eliminate the impact of selected charges that may obscure trends in the underlying performance of our business. Because not all companies use identical calculations, our presentation of Consolidated EBITDA, Consolidated Adjusted EBITDA, and Caliber Adjusted EBITDA may not be comparable to similarly identified measures of other companies.

Consolidated EBITDA, Consolidated Adjusted EBITDA, and Caliber Adjusted EBITDA are not intended to be measures of free cash flow for our discretionary use because they do not consider certain cash requirements such as tax and debt service payments. These measures may also differ from the amounts calculated under similarly titled definitions in our debt instruments, which amounts are further adjusted to reflect certain other cash and non-cash charges and are used by us to determine compliance with financial covenants therein and our ability to engage in certain activities, such as incurring additional debt and making certain restricted payments.

The following table presents a reconciliation of net (loss) income to Consolidated EBITDA, Consolidated Adjusted EBITDA, and Caliber Adjusted EBITDA for the three months ended March 31, 2023 and 2022 (in thousands):

#### Liquidity and Capital Resources

The Company, through guarantees of loans held by its consolidated funds, has zero separate loans outstanding with maturity dates within the 12-month period subsequent to when these financial statements were issued with outside lenders totaling \$28.8 million at March 31, 2023. Management is actively managing the potential amendments to the applicable loan agreements to include additional extension options, pay off or refinancing of these facilities. Management believes that we will be able to come to an agreement with the respective lenders in order to mitigate any defaults or enter into new financing arrangements with third-party lenders. See Note 6 – Notes Payable for additional details. As of December 31, 2022, the Company, through guarantees of loans held by its consolidated funds, had five separate loans outstanding with maturity dates within the 12-month period subsequent to December 31, 2022 with outside lenders totaling \$28.8 million.

Each of our funds and the related assets that are acquired or own equity interest in those funds are established as separate legal entities with limited liability. Therefore, the cash flows generated by these entities, whether through operations or financing, are unavailable for general corporate purposes.

We have historically financed our operations primarily through a combination of operating cash flows, private offerings of our equity securities, and secured and unsecured debt. In addition, due to the consolidation of CFIF III, we recognize a revolving line of credit with a maximum borrowing amount of \$4.5 million.

We hold our excess unrestricted cash in bank accounts with several high-quality financial institutions. We believe that our current capital position is sufficient to meet our current liquidity needs for at least the next 12 months.

### Equity Financings

Since inception through March 31, 2023, we have raised approximately \$34.5 million from the sale of common and convertible preferred stock to third parties and management. The funds received from the issuance of our stock sales have been used for operating expenditures and refinancing our higher interest debt.

On May 19, 2023, the Company closed its initial public offering of 1,200,000 shares of Class A common stock at a public offering price of \$4.00 per share, for aggregate gross proceeds of \$4.8 million before deducting underwriting discounts, commissions, and other offering expenses, at which point the buyback obligation of \$12.2 million was relieved and no further amounts are due under the Buyback Program.

### Unsecured Corporate Debt

As of March 31, 2023, we have issued and outstanding unsecured promissory notes of \$34.8 million with an average outstanding principal balance of \$0.2 million, a weighted average interest rate of 11.23%, and maturity dates ranging from April 2023 to June 2024. The purpose of this financing program is to provide the Company with flexible, short term capital to be used grow its assets under management and assist its funds in a fast-moving acquisition or investment, as well as general corporate purposes. Additionally, the program provides customers of Caliber's funds access to a short term lending opportunity. The purpose of this financing program is to provide the Company with flexible, short term capital to be used grow its assets under management and assist its funds in a fast-moving acquisition or investment, as well as general corporate purposes. Additionally, the program provides customers of Caliber's funds access to a short term lending opportunity. Management believes it can come to a mutual agreement with each lender to extend the maturities of the notes for an additional 12-month term. This outstanding debt resulted in \$0.7 million of interest expense for the three months ended March 31, 2023.

The table below summarizes our condensed consolidated statements of cash flow by activity attributable to the Company and to our consolidated funds (in thousands).

#### *Operating Activities*

Our net cash flows from operating activities are generally comprised of asset management fees, performance allocations, and transaction and advisory fees, less cash used for operating expenses, including interest paid on our debt obligations. Net cash flows provided by operating activities of the Company increased from the three months ended March 31, 2023 as compared to the net cash flows used in operating activities during the same period in 2022, primarily due to a decrease in amounts due from related parties. The decrease in net cash provided by operating activities of the consolidated funds is primarily related to an increase in prepaid and other assets.

#### *Investing Activities*

The increase in net cash flows used in investing activities of the Company for the three months ended March 31, 2023 as compared to the same period in 2022, primarily relates to an increase in the acquisition of real estate assets. The increase in net cash flows used in investing activities of the consolidated funds is primarily due to a decrease in proceeds from the sale of real estate investments, offset by the increase in the acquisition of real estate assets, and the net impact of the consolidation and deconsolidation of VIEs, and a decrease in investments in real estate assets.

#### *Financing Activities*

The increase in net cash flows provided by financing activities for the three months ended March 31, 2023 as compared to the net cash flows used by financing activities during the same period in 2022 was primarily due to an increase of \$36.6 million of net proceeds on notes payable during the three months ended March 31, 2023 as compared to the same period in 2022. The decrease in net cash flows provided by financing activities of the consolidated funds is primarily due to a decrease in the net proceeds from notes payable and notes payable – related parties of our consolidated funds of \$4.3 million and an increase in deferred financing costs paid of \$2.2 million during the three months ended March 31, 2023 as compared to the same period in 2022.

#### **Critical Accounting Estimates**

The preparation of our condensed consolidated financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. These estimates are made and evaluated on an ongoing basis using information that is currently available as well as various other assumptions believed to be reasonable under the circumstances. Actual results could differ from those estimates, perhaps in adverse ways, and those estimates could be different under different assumptions or conditions.

#### **Accounting Estimates of the Company**

We believe the following critical accounting policies affect the Company's more significant estimates and judgements used in the preparation of our condensed consolidated financial statements.

##### ***Revenue Recognition***

In accordance with the ASC 606, *Revenue from Contracts with Customers* ("ASC 606"), management applies the five-step framework in determining the timing and amount of revenue to recognize. This framework requires an entity to: (i) identify the contract(s) with customers, (ii) identify the performance obligations within the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations within the contract, and (v) recognize revenue when or as the entity satisfies a performance obligation. The Company's revenues primarily consist of fund management and transaction and advisory fees.

##### **Fund Management**

Asset management fees are generally based on 1.0% to 1.5% of the unreturned capital contributions in a particular fund and include reimbursement for costs incurred on behalf of the fund, including an allocation of certain overhead costs. Asset management fees are recalculated for each fund on an annual basis. These customer contracts require the partnership to provide management services, representing a performance obligation that the partnership satisfies over time.

Performance allocations are an arrangement in which we are entitled to an allocation of investment returns, generated within the investment funds which we manage, based on a contractual formula. We typically receive 20.0% to 35.0% of all cash distributions from (i) the operating cash flow of each fund, after payment to the related fund investors of any accumulated and unpaid priority preferred returns and repayment of preferred capital contributions; and (ii) the cash flow resulting from the sale or refinance of any real estate assets held by each fund, after payment to the related fund investors of any accumulated and unpaid priority preferred returns and repayment of initial preferred capital contributions. Our funds' preferred returns range from 6.0% to 12.0%, typically 6.0% for common equity or 10.0% to 12.0% for preferred equity, which does not participate in profits. Performance allocations are related to services which have been provided and are recognized when it is determined that they are no longer probable of significant reversal, which is generally satisfied when an underlying fund investment is realized or sold.

#### Transaction and Advisory Fees

Revenues from contracts with customers includes fixed fee arrangements with related party affiliates to provide certain associated activities which are ancillary to and generally add value to the assets we manage, such as set-up and fund formation services associated with marketing, soliciting, and selling member interests in the affiliated limited partnerships, brokerage services, construction and development management services, loan placement and guarantees. The recognition and measurement of revenue is based on the assessment of individual contract terms. For performance obligations satisfied at a point in time, there are no significant judgments made in evaluating when the customer obtains control of the promised service.

For performance obligations satisfied over time, significant judgment is required to determine how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on appropriate measurement of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events. Transaction price is allocated to each distinct performance obligation and recognized as revenue when, or as, the performance obligation is satisfied. Variable consideration is included in the estimated transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur or when the uncertainty associated with the variable consideration is resolved. The Company's estimates of variable consideration and determination of whether to include estimated amounts in transaction price are based largely on an assessment of its anticipated performance and all information that is reasonably available to the Company. Revenues are recognized when control of the promised services is transferred to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those services.

Set-up services are a one-time fee for the initial formation, administration, and set-up of the private equity real estate fund. These fees are recognized at the point in time when the performance under the contract is complete.

Fund formation fees are earned at a point in time at a fixed rate based on the amount of capital raised into certain managed funds. Services include marketing, offering, registration, and ultimately raising capital.

#### **Income Taxes**

The Company accounts for income taxes under the asset and liability method in accordance with ASC 740, *Accounting for Income Taxes*. Deferred tax assets and liabilities are determined based on temporary differences between the financial reporting and tax basis of assets and liabilities and operating loss and tax credit carry forwards. Deferred tax assets and liabilities are measured by applying enacted tax rates and laws and are released in the years in which the temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are provided against deferred tax assets when it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

A valuation allowance is required to reduce the balance of a deferred tax asset if it is determined that it is more-likely-than-not that all or some portion of the deferred tax asset will not be realized due to the lack of sufficient taxable income or other limitation on the Company's ability to utilize the loss carryforward.

We recognize the impact of an income tax position, if that position is more-likely-than-not of being sustained on audit, based on the technical merits of the position. Related interest and penalties are classified as income taxes in the financial statements.

### **Segment Information**

The Company's activities are organized into three operating segments which constitute three reportable segments based on similarities with both their qualitative and economic characteristics. These segments distinguish all of the primary revenue generating activities of the business but group them together by their nature. The Company's chief operating decision maker uses total revenue, operating income and key operating statistics to evaluate performance and allocate resources to the Company's operations. The Company's operations are organized into three reportable segments for management and financial reporting purposes, Fund Management, Development and Brokerage.

Management has concluded that the consolidated investment funds do not meet the requirements to be an operating segment. The non-reportable segments include certain business activities which do not meet the requirement to be a reportable segment because they are immaterial. These activities represent the operating activity of our single-family assets which involve both the sale and rental of real estate assets. In addition, the Company has not and does not allocate its assets or liabilities specifically to the operating segments and the Company's chief operating decision maker does not review assets or liabilities by segment to make operating decisions. Assets, liabilities and corporate expenses are recorded at the legal entity level, which is not consistent to the operating segment and is therefore not reported by segment.

### **Accounting Estimates of Consolidated Funds**

We believe the following critical accounting policies affect the consolidated funds' more significant estimates and judgements used in the preparation of our condensed consolidated financial statements.

#### **Consolidated Fund Revenues**

In accordance with ASC 606, our consolidated funds apply the five-step framework in determining the timing and amount of revenue to recognize. This framework requires an entity to: (i) identify the contract(s) with customers, (ii) identify the performance obligations within the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations within the contract, and (v) recognize revenue when or as the entity satisfies a performance obligation. Our consolidated funds' revenues primarily consist of hospitality revenues, rental income and interest income.

#### Consolidated funds – hospitality revenue

Hospitality revenues are comprised of charges for room rentals, food and beverage sales, and other hotel operating activities. Revenues are recognized as earned, which is defined as the date upon which a guest occupies a room or utilizes the hotel's services. Revenues are recorded net of sales tax.

Our consolidated funds have performance obligations to provide accommodations and other ancillary services to hotel guests. As compensation for such goods and services, the consolidated funds are typically entitled to a fixed nightly fee for an agreed upon period and additional fixed fees for any ancillary services purchased. These fees are generally payable at the time the hotel guest checks out of the hotel. The consolidated funds generally satisfy the performance obligations over time and recognize the revenue from room sales and from other ancillary guest services on a daily basis, as the rooms are occupied, and the services have been rendered.

For food and beverage, revenue is recognized upon transfer of promised products or services to customers in an amount that reflects the consideration the consolidated funds received in exchange for those services, which is generally when payment is tendered at the time of sale.

The consolidated funds receive deposits for events and rooms. Such deposits are deferred and included in other liabilities on the accompanying condensed consolidated balance sheets. The deposits are credited to consolidated funds – hospitality revenue when the specific event takes place.

#### Consolidated funds – other revenue

Consolidated funds – other revenue primarily consists of rental revenue of \$1.0 million and \$1.3 million for the three months ended March 31, 2023 and 2022, respectively. Rental revenue includes the revenues generated primarily by the rental operations of the residential (multi-family and single-family) and commercial properties of our consolidated funds.

### **Consolidated Fund Expenses**

Consolidated fund expenses consist primarily of costs, expenses and fees that are incurred by, or arise out of the operation and activities of or otherwise related to, our consolidated funds, including, without limitation, operating costs, depreciation and amortization, interest expense on debt held by our consolidated funds, gain on extinguishment of debt, gain on derivative instruments, insurance expenses, professional fees and other costs associated with administering and supporting those funds.

### **Fair Value of Financial Instruments**

The fair value of financial instruments is disclosed in accordance with ASC 825, *Financial Instruments*. The fair value of our financial instruments is estimated using available market information and established valuation methodologies. The estimates of fair value are not necessarily indicative of the amounts the consolidated funds could realize on disposition of the financial instruments. The use of different market assumptions and/or valuation methodologies may have a material effect on the estimated fair value amounts.

### **Item 3. Quantitative and Qualitative Disclosures About Market Risk**

#### **Market Risk**

The market risk associated with financial instruments and derivative financial instruments is the risk of loss from adverse changes in market prices or interest rates. Our market risk arises primarily from interest rate risk relating to variable-rate borrowings. To meet our short and long-term liquidity requirements, we borrow funds at a combination of fixed and variable rates. Our interest rate risk management objectives are to limit the impact of interest rate changes on earnings and cash flows and to manage our overall borrowing costs. To achieve these objectives, from time to time, we may enter into interest rate hedge contracts such as swaps, caps, collars, treasury locks, options and forwards in order to mitigate our interest rate risk with respect to various debt instruments. We would not hold or issue these derivative contracts for trading or speculative purposes.

#### **Interest Rate Risk**

As of March 31, 2023, our debt included fixed-rate debt with a fair value and carrying value of \$103.5 million and \$120.2 million, respectively. Changes in market interest rates on our fixed rate debt impact the fair value of the debt, but they have no impact on interest incurred or cash flow. For instance, if interest rates rise 100 basis points, and the fixed rate debt balance remains constant, we expect the fair value of our debt to decrease, the same way the price of a bond declines as interest rates rise.

As of March 31, 2023, our debt included variable-rate debt with a fair value and carrying value of \$81.4 million. The sensitivity analysis related to our variable-rate debt assumes an immediate 100 basis point move in interest rates from their March 31, 2023 levels, with all other variables held constant. A 100 basis point increase or decrease in variable interest rates on our variable-rate debt would increase or decrease our interest expense by \$0.8 million annually.

#### **Credit Risk**

Substantially all of the Company's revenues are generated from the management, ownership and/or operations of real estate assets located in Alaska, Arizona, Colorado, Nevada, Texas, and Utah. The Company mitigates the associated risk by:

- diversifying our investments in real estate assets across multiple asset types, including hospitality, commercial, single-family, multi-family, and self-storage properties;
- diversifying our investments in real estate assets across multiple geographic locations including different markets and sub-markets in which our real estate assets are located;
- diversifying our investments in real estate assets across assets at differing points of stabilization, and in varying states of cash flow optimization; and
- maintaining financing relationships with a diversified mix of lenders (differing size and type), including large national banks, local community banks, private equity lenders, and insurance companies.

**Item 4. Controls and Procedures*****Evaluation of Disclosure Controls and Procedures***

We maintain disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934 (“the Exchange Act”)) that are designed to provide reasonable assurance that information required to be disclosed in our Exchange Act reports is recorded, processed, summarized and reported within the time periods specified in the SEC’s rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. In designing and evaluating the disclosure controls and procedures, we recognize that no controls and procedures, no matter how well designed and operated, can provide absolute assurance of achieving the desired control objectives.

In accordance with Rules 13a-15(b) and 15d-15(b) of the Exchange Act, management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, carried out an evaluation of the effectiveness of our disclosure controls and procedures as of March 31, 2023 and determined that the disclosure controls and procedures were effective at a reasonable assurance level as of that date.

***Changes in Internal Control Over Financial Reporting***

No change occurred in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) during the three months ended March 31, 2023 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

## **PART II - OTHER INFORMATION**

### **Item 1. Legal Proceedings**

We are, from time to time, party to various claims and legal proceedings arising out of our ordinary course of business, but we do not believe that any of these claims or proceedings will have a material effect on our business, consolidated financial condition or results of operations.

### **Item 1A. Risk Factors**

There have been no material changes to the risk factors previously disclosed in the Risk Factors section in the Company's Prospectus on Form 424(b)(4) filed with the SEC on May 17, 2023.

### **Item 2. Unregistered Sales of Equity Securities and Use of Proceeds**

#### ***Repurchases of Equity Securities***

During each of the three months ended March 31, 2023, the Company repurchased 41,615 shares of Class A common stock for \$4.54 per share pursuant to the Buyback Program described in Note 11 – Commitments and Contingencies.

#### ***Use of Proceeds from IPO***

DEFINITIONS; PRINCIPLES OF CONSTRUCTION

**Section 1.1 Definitions.** For all purposes of this Agreement, except as otherwise expressly required or unless the context clearly indicates a contrary intent:

“**Acceptable LLC**” shall mean a limited liability company formed under Delaware law which (i) has at least one springing member, which, upon the dissolution of all of the members or the withdrawal or the disassociation of all of the members from such limited liability company, shall immediately become the sole member of such limited liability company, and (ii) otherwise meets the Rating Agency criteria then applicable to such entities.

“**Account Collateral**” shall mean (i) the Accounts, and all cash, checks, drafts, certificates and instruments, if any, from time to time deposited or held in the Accounts from time to time; (ii) any and all amounts invested in “permitted investments” pursuant to Section 13.8 hereof; (iii) all interest, dividends, cash, instruments and other property from time to time received, receivable or

otherwise payable in respect of, or in exchange for, any or all of the foregoing; and (iv) to the extent not covered by clauses (i) through (iii) above, all “proceeds” (as defined under the UCC as in effect in the state in which the Accounts are located) of any or all of the foregoing.

“**Account Funds**” shall mean, collectively, (i) each of the Accounts and all cash deposited in each such Account from time to time and (ii) any and all proceeds of the foregoing, including, if applicable, all Permitted Investments and other financial assets, security entitlements, investment property, and other property and the proceeds thereof now or at any time hereafter held in the Cash Management Account (including the subaccounts).

“**Actual Debt Service Coverage Ratio**” shall mean as of the last day of the calendar month immediately preceding the applicable date of determination, the quotient obtained by dividing (A) the Adjusted Net Cash Flow by (B) the aggregate actual Debt Service (excluding Reserve Funds) for the trailing twelve (12) month period immediately preceding the date of calculation determined using an interest rate equal to the Interest Rate as of the date of calculation as determined by Agent. The Actual Debt Service Coverage Ratio shall be tested by Agent on a monthly basis based on the quarterly calculation of same delivered to Agent in accordance with Section 7.12(a)(vi) hereof (it being acknowledged that Borrower’s quarterly reporting obligations under Section 7.12(a)(vi) hereof shall include an obligation to set forth a monthly calculation of the Actual Debt Service Coverage Ratio for each of the three (3) months in the applicable quarter). Borrower hereby waives any right Borrower may have to make any claim to the contrary.

**Section 2.2 Disbursement to Borrower.** Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be re-borrowed. Unless Borrower has notified the Agent in writing (which notification may be by email) by not later than 5:00 p.m. (New York City time) on the Closing Date that it has not received the funds pursuant to the funds flow, Agent shall deem the Loan funded and make the appropriate recordings in the Register. For the avoidance of doubt, any payments or amounts owed by Borrower pursuant to this Agreement (except for any amounts payable on the Closing Date) shall be paid to Agent in accordance with the terms and conditions hereof.

**Section 2.3 The Note and the other Loan Documents.** The Loan shall be evidenced by the Note and this Agreement and secured by this Agreement, the Security Instrument, the Pledge Agreement and the other Loan Documents.

**Section 2.4 Use of Proceeds.** Borrower shall use the proceeds of the Loan (i) to pay and discharge any existing loans relating to the Property, (ii) to pay all past-due Taxes, Insurance Premiums and Other Charges, if any, in respect of the Property, (iii) to make initial deposits of the Reserve Funds, (iv) to pay costs and expenses incurred in connection with the closing of the Loan, and (v) to the extent any proceeds remain after satisfying clauses (i) through (iv) above, for such lawful purpose as Borrower shall designate, which designation shall be consistent with the terms of this Agreement. Borrower shall not, and shall ensure that each member of the Borrower Group shall not, directly or indirectly, use any of the proceeds of the Loan to fund, finance or facilitate any activities, business or transactions that would be prohibited by Sanctions, AML Law or Anti-Corruption Law.

#### **Section 2.5 Interest Rate.**

(a) Generally. Interest on the outstanding principal balance of the Loan shall accrue from the Closing Date up to but excluding the Maturity Date at the Interest Rate.

(b) Interest Calculation. Interest on the outstanding principal balance of the Loan shall accrue at the Interest Rate calculated on an Actual/360 Basis and be payable on each Monthly Payment Date; provided, that, notwithstanding the foregoing, Borrower shall be required to pay, on each Monthly Payment Date, interest on the outstanding principal balance of the Loan at the Current Rate (such amount of interest at the Current Rate, the “**Minimum Monthly Payment**”

**Amount**”) and, to the extent that there exists insufficient cash flow from the Property after disbursements on such Monthly Payment Date for items (i) through (ix) in Section 3.5 hereof, Borrower may, at its option, defer payment of all or a part of the Accrued Interest portion of the Debt Service for the applicable Interest Accrual Period (any such unpaid amount, the “**Remaining Monthly Payment Amount**”), which Remaining Monthly Payment Amount shall be added to the then outstanding principal balance of the Loan on such Monthly Payment Date, and interest shall thereafter accrue on such outstanding principal balance of the Loan at the Interest Rate calculated on an Actual/360 Basis under this Agreement and the Note (for the avoidance of doubt, any Remaining Monthly Payment Amounts shall be added to the outstanding principal balance and compounded on a monthly basis); provided, however, that any such Remaining Monthly Payment Amount (together with any interest that has accrued thereon), shall be paid, in whole or in part, as the case may be, on the earlier to occur of (I) the next Monthly Payment Date(s) on which there exists excess funds after disbursements for items (i) through (ix) in Section 3.5 hereof, or (II) the Maturity Date or any acceleration of the Debt. Borrower acknowledges that interest calculated on an Actual/360 Basis exceeds interest calculated on a 30/360 Basis. The accrual period for calculating interest due on each Monthly Payment Date shall be the Interest Accrual Period immediately prior to such Monthly Payment Date. Notwithstanding the insufficiency of cash flow from the Property after disbursements for items (i) through (ix) in Section 3.5 hereof to pay all or any portion of the Remaining Monthly Payment Amount on any Monthly Payment Date, Borrower may, at its option, pay such Remaining Monthly Payment Amount to Agent in cash, provided that Borrower shall notify Agent of its intention to do so at least five (5) Business Days prior to such Monthly Payment Date.

(c) Determination of Interest Rate.

(i) Borrower shall pay interest on the outstanding principal amount of the Loan at the Interest Rate for the applicable Interest Accrual Period. Subject to change in accordance with this Section 2.5(c), interest on the Loan shall accrue at the Term SOFR Rate. Any change in the rate of interest hereunder due to a change in the Interest Rate shall become effective as of the opening of business on the first day on which such change in the Interest Rate shall become effective. Each determination by Agent of the Interest Rate, including, without limitation, the basis for a change in the rate or index used to determine the Interest Rate (as set forth in this Agreement), shall be conclusive and binding for all purposes, absent manifest error. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to convert the Interest Rate at any time.

(ii) In the event that Agent shall have determined (which determination shall be conclusive and binding upon Borrower absent manifest error) that by reason of circumstances affecting any administrator of SOFR (including the SOFR Administrator), SOFR (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB or any insolvency official with jurisdiction over the administrator of SOFR or otherwise, (A) adequate and reasonable means do not exist for ascertaining Term SOFR, (B) Term SOFR ceases to be reported, (C) variable rate loans being originated by Agent or its Affiliates are generally referencing another rate or index other than Term SOFR, (D) Term SOFR will not adequately and fairly reflect the cost to Lender of making or maintaining the Loan, (E) the administrator of the applicable benchmark (or such component) has ceased or will cease to provide all Available Tenors of such benchmark

(or such component thereof) permanently or indefinitely, or (F) Agent has determined that a Substitute Index has succeeded Term SOFR, then Agent shall forthwith give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the last day of the related Interest Accrual Period. If such notice is given, the related outstanding SOFR Loan shall be converted, on the last day of the then current Interest Accrual Period, to a Substitute Rate Loan. In connection with any such Substitute Rate Loan Conversion, following a Securitization, Agent may require that Borrower deliver or cause to be delivered, at its costs and expense, (i) an opinion of REMIC counsel as to the compliance of such conversion with applicable REMIC Requirements as determined under the IRS Code, the regulations, revenue rulings, revenue procedures and other administrative, legislative and judicial guidance relating to the tax treatment of REMIC Trusts (which such opinion shall be, in form and substance and from a provider, in each case, reasonably acceptable to Agent and acceptable to the Rating Agencies) (ii) a Rating Agency Confirmation (to the extent any Securities are then outstanding) in connection with such Substitute Rate Loan Conversion, and (iii) evidence reasonably satisfactory to Agent that such conversion does not violate ERISA. Except as provided in this Section, the Loan shall at all times be a SOFR Loan. Borrower shall pay to Agent upon demand, any additional amounts necessary to compensate Lender and Agent for out-of-pocket costs and expenses in making a Substitute Rate Loan Conversion in accordance with this Section. Notwithstanding anything else contained in this Agreement to the contrary, if the interest rate under any Leveraged Loan is modified such that it becomes calculated based off of a Substitute Index, then Agent shall have the right to modify the benchmark used under this Agreement to a Substitute Index, as reasonably determined by Agent.

(iii) If, pursuant to the terms hereof, any portion of the Loan has been converted to a Substitute Rate Loan and (x) Agent shall determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that the event(s) or circumstance(s) which resulted in such conversion shall no longer be applicable or (y) Agent shall reasonably, but conclusively, determine (which determination shall be conclusive and binding upon Borrower absent manifest error) that a different Substitute Index from what is then being used is a more appropriate basis for calculating the Interest Rate (provided that, such different Substitute Index is generally used by Agent as a replacement for Term SOFR for variable rate loans and applied to other similar loans being made to similarly situated customers, which loans are held for investment by Agent and its Affiliates), Agent shall give notice by telephone of such determination, confirmed in writing, to Borrower at least one (1) day prior to the last day of the related Interest Accrual Period. If such notice is given, the related outstanding Substitute Rate Loan shall be converted to a SOFR Loan on the last day of the then current Interest Accrual Period. Any change to a different Substitute Index pursuant to the foregoing shall be considered a Substitute Rate Loan Conversion and Agent may require the deliveries set forth in clause (ii) above.

(iv) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Agent to make or maintain a SOFR Loan as contemplated hereunder (A) the obligation of Agent hereunder to make a SOFR Loan or to convert a Substitute Rate Loan to SOFR Loan shall be canceled on and after the

occurrence of the event described in the following clause (B), and (B) any outstanding SOFR Loan shall be converted automatically to a Substitute Rate Loan on the last day of the then current Interest Accrual Period or within such earlier period as required by law. Borrower hereby agrees to promptly pay to Agent, upon demand, any additional amounts necessary to compensate Lender or Agent for any costs actually incurred by Lender or Agent in making any conversion in accordance with this Agreement, including, without limitation, any interest or fees payable by Lender or Agent to lenders of funds obtained by it in order to make or maintain the SOFR Loan hereunder. Agent's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

(v) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Agent with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority:

- (A) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of Agent which is not otherwise included in the determination of Term SOFR or the Substitute Index, as applicable, hereunder;
- (B) shall hereafter have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such adoption, change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by any amount deemed by Agent to be material; or
- (C) shall hereafter impose on Lender any other condition and the result of any of the foregoing is to increase the cost to Lender of making, renewing or maintaining loans (which may be a SOFR Loan or a Substitute Rate Loan) or extensions of credit or to reduce any amount receivable hereunder;

then, in any such case, Borrower shall promptly pay Agent, upon demand, any additional amounts necessary to compensate Lender or Agent for such additional actual cost or reduced amount receivable which Lender or Agent deems to be material as reasonably determined by Lender or Agent, provided that, such demand by Agent shall apply to all loans similarly affected by such change. If Lender or Agent becomes entitled to claim any additional amounts pursuant to this subsection, Agent shall provide Borrower with not less than thirty (30) days' notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender or Agent for such additional cost or reduced amount. A certificate as to any additional

costs or amounts payable pursuant to the foregoing sentence submitted by Agent to Borrower shall be conclusive in the absence of manifest error. This provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(vi) Borrower agrees to indemnify Lender and Agent and to hold Lender and Agent harmless from any loss or expense which Lender or Agent sustains or incurs as a consequence of (A) any default by Borrower in payment of the principal of or interest on a SOFR Loan or a Substitute Rate Loan, as applicable, including, without limitation, any such loss or expense arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain a SOFR Loan or a Substitute Rate Loan, as applicable, hereunder, (B) any prepayment (whether voluntary or mandatory) of the SOFR Loan or a Substitute Rate Loan, as applicable, on a day that is not the last day of an Interest Accrual Period, including, without limitation, such loss or expense arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain the SOFR Loan or a Substitute Rate Loan, as applicable, hereunder, (C) the conversion (for any reason whatsoever, whether voluntary or involuntary) of the Interest Rate from the Term SOFR Rate to the Substitute Rate with respect to any portion of the outstanding principal amount of the Loan on a date other than the last day of an Interest Accrual Period, and (D) interest or fees payable by Lender to lenders of funds obtained by it in order to maintain a SOFR Loan or a Substitute Rate Loan, as applicable, hereunder (the amounts referred to in clauses (A), (B), (C) and (D) are herein referred to collectively as the “**Breakage Costs**”); provided, however, Borrower shall not be required to indemnify Lender or Agent, as applicable, from any loss or expense arising from Lender’s or Agent’s gross negligence or willful misconduct, in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment. This provision shall survive payment of the Note in full and the satisfaction of all other obligations of Borrower under this Agreement and the other Loan Documents. For the avoidance of doubt, the Breakage Costs shall be calculated by the Lender and paid directly to the Lender. Notwithstanding the foregoing or anything herein to the contrary, provided Borrower makes any prepayment (whether voluntary or mandatory) of the SOFR Loan or a Substitute Rate Loan, as applicable, on the last day of an Interest Accrual Period, or if such date is not the last day of an Interest Accrual Period but such prepayment includes the payment of Interest Shortfall, then no Breakage Costs shall be due and payable in connection with such prepayment.

(vii) Agent shall not be entitled to claim compensation pursuant to this subsection for any increased cost or reduction in amounts received or receivable hereunder, or any reduced rate of return, which was incurred or which accrued more than ninety (90) days before the date Agent notified Borrower of the change in law or other circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender or Agent under this subsection, which statement shall be reasonably determined by Agent and conclusive and binding upon all parties hereto absent manifest error.

(viii) Agent will use reasonable efforts (consistent with legal and regulatory restrictions) to monitor the availability of SOFR as an available benchmark for determining the interest rate under this Agreement, and to avoid or reduce any increased or additional costs payable by Borrower under this subsection, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or affiliate of Lender or Agent in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the SOFR Loan and/or a Substitute Rate Loan, as applicable, or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (A) would not result in any additional costs, expenses or risk to Lender or Agent that are not reimbursed by Borrower and (B) would not be disadvantageous in any other respect to Lender or Agent as determined by Agent in its sole discretion.

(d) **Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by Applicable Law, overdue interest in respect of the Loan, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

(e) **Usury Savings.** This Agreement and the other Loan Documents are subject to the express condition that at no time shall Borrower be required to pay interest on the principal balance of the Loan at a rate which could subject Lender or Agent to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender or Agent for the use or forbearance of the sums due under the Loan, shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

#### **Section 2.6 Loan Payments.**

(a) **Payment Before Maturity.** Borrower shall make a payment to Agent of interest only on the Closing Date for the period from the Closing Date through the last day of the month in which the Closing Date occurs (unless the Closing Date is the first day of a calendar month, in which case no such separate payment of interest shall be due). Borrower shall pay to Lender on each Monthly Payment Date the Monthly Payment Amount.

(b) **Payment on Maturity.** Borrower shall pay to Agent on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest (including, without limitation, the Minimum Return and the Exit Fee, which shall include any amounts of the Minimum Return or Exit Fee attributable to principal that was subject to a mandatory or other prepayment pursuant to Section 2.7(b) where any portion of the Minimum Return or Exit Fee was

not paid) and all other amounts due hereunder and under the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents.

(c) **Late Payment Charge.** If any principal, interest or any other sum due under the Loan Documents, other than the payment of principal due on the Maturity Date, is not paid by Borrower within five (5) days when due, Borrower shall pay to Agent, for the benefit of Lender, upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the maximum amount permitted by Applicable Law in order to defray the expense incurred by Agent in handling and processing such delinquent payment and to compensate Agent for the loss of the use of such delinquent payment. Any such amount shall be secured by the Security Instrument, the Pledge Agreement and the other Loan Documents.

(d) **Method and Place of Payment.**

(i) Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Agent not later than 1:00 P.M., New York time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Agent's office, and any funds received by Agent after such time may, for all purposes hereof, in the Agent's discretion be deemed to have been paid on the next succeeding Business Day.

(ii) Whenever any payment to be made hereunder or under any other Loan Document shall be stated to be due on a day which is not a Business Day, the due date thereof shall be deemed to be the immediately preceding Business Day.

(iii) All payments required to be made by Borrower hereunder or under the Note or the other Loan Documents shall be made irrespective of, and without deduction for, any setoff, claim or counterclaim and shall be made irrespective of any defense thereto.

#### **Section 2.7 Prepayments.**

(a) **Voluntary Prepayments.** The outstanding principal amount of the Loan may not be prepaid in whole or in part except as expressly set forth herein. On the last day of any Interest Accrual Period, provided no Event of Default has occurred and is continuing, Borrower may, at its option and upon prior written notice to Agent as set forth herein, prepay the Debt in whole, but not in part (except as set forth in Section 2.11 below); provided that, such prepayment is accompanied by the Minimum Return. Agent shall not be obligated to accept any prepayment unless it is accompanied by the Minimum Return due in connection therewith. Any prepayment received by Agent on account of Lender on a date other than the last day of any Interest Accrual Period shall include, if all or any portion of the Loan is included in a Securitization, interest which would have accrued from such date of prepayment through and including the last day of the Interest Accrual Period during which such prepayment is being made (such amounts, the "**Interest Shortfall**"). Additionally, Borrower shall pay the Exit Fee and any Breakage Costs (provided that the same are not duplicative of any Interest Shortfall paid in connection with such prepayment) in connection with any prepayment of the Loan and any other amounts due under the Loan Documents. As a condition to any voluntary prepayment, Borrower shall give Agent written notice (a "**Prepayment Notice**") of its intent to prepay, which notice must be given at least thirty (30)

and not more than ninety (90) days prior to the Business Day upon which prepayment is to be made, except to the extent that a shorter time period is approved by Agent, and must specify the Business Day on which such prepayment is to be made. Borrower hereby agrees that, in the event Borrower delivers a Prepayment Notice and fails to prepay the Loan in accordance with the Prepayment Notice and the terms of this Section 2.7 (a “**Prepayment Failure**”), Borrower shall indemnify Lender and Agent from and against, and shall be responsible for, all Losses (excluding consequential damages) incurred by Lender or Agent with respect to any such Prepayment Failure.

(b) **Mandatory Prepayments.**

(i) On each date on which Agent actually receives a distribution of Net Proceeds, and if such Net Proceeds are not made available to Borrower for Restoration, Borrower shall prepay the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Proceeds together with any applicable Interest Shortfall, the Exit Fee and any Breakage Costs (provided that the same are not duplicative of any Interest Shortfall paid in connection with such prepayment) and such prepayment shall be applied to the Debt in accordance with Section 9.4(c) hereof. No Minimum Return shall be due in connection with any prepayment made pursuant to this Section 2.7(b). The Borrower shall provide written notice to Agent of any mandatory prepayment (“**Mandatory Prepayment Notice**”) required to be made pursuant this clause (b) of this Section 2.7 at least one (1) Business Day prior to the date of such prepayment. Each such Mandatory Prepayment Notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. Agent will promptly notify the Lender of the contents of the Borrower’s Mandatory Prepayment Notice.

(ii) All proceeds from any PACE Loan shall be immediately paid to Agent and applied by Agent, in such order and preference as Agent shall determine, to (i) paydown a portion of the outstanding principal balance of the Loan, (ii) pay any Minimum Return, (iii) pay any Exit Fee on any portion of outstanding principal then being paid down, (iv) pay any interest then due and payable under the Loan, or (v) pay any applicable Interest Shortfall, any Breakage Costs or any other costs or expenses then due and payable by Borrower to Agent or Lender under the Loan Documents.

(iii) All Key Money received by or on behalf of Borrower shall be immediately paid to Agent and applied by Agent, in such order and preference as Agent shall determine, to (i) paydown a portion of the outstanding principal balance of the Loan, (ii) pay any Minimum Return, (iii) pay any Exit Fee on any portion of outstanding principal then being paid down, (iv) pay any interest then due and payable under the Loan, or (v) pay any applicable Interest Shortfall, any Breakage Costs or any other costs or expenses then due and payable by Borrower to Agent or Lender under the Loan Documents.

(c) **Prepayments After Default.** After the occurrence and during the continuance of an Event of Default, there occurs either (i) any acceleration of the Debt, including, without limitation, any acceleration pursuant to Section 10.2(a) hereof due to an Event of Default under Section 10.1(g) hereof or (ii) any prepayment of the Debt, the Minimum Return shall, in all cases, be deemed a portion of the Debt due and owing hereunder and under the other Loan Documents.

Without limitation of the foregoing, if, after the occurrence and during the continuance of an Event of Default, (x) payment of all or any part of the Debt is tendered by Borrower (voluntarily or involuntarily), a purchaser at foreclosure, or any other Person, (y) Agent obtains a recovery of all or a portion of the Debt (through an exercise of remedies hereunder or under the other Loan Documents or otherwise), or (z) the Debt is deemed satisfied (in whole or in part) through an exercise of remedies hereunder or under the other Loan Documents or at law, the outstanding principal balance, all accrued and unpaid interest, Interest Shortfall, Breakage Costs (provided that the same are not duplicative of any Interest Shortfall paid in connection with such payment), the Exit Fee, the Minimum Return, and other amounts payable under the Loan Documents, shall be deemed due and payable hereunder. Borrower acknowledges that (i) a prepayment will cause damage to Lender; (ii) the Minimum Return is intended to compensate Lender for the loss of its investment and the expense incurred and time and effort associated with making the Loan, which will not be fully repaid if the Loan is tendered, prepaid or repaid (in each case, in whole or in part and voluntarily or involuntarily) prior to the Maturity Date; (iii) it will be extremely difficult and impractical to ascertain the extent of Lender's damages caused by a prepayment after an acceleration or any other tender, prepayment or repayment of the Debt (in each case, in whole or in part and voluntarily or involuntarily) not permitted by the Loan Documents; and (iv) the Minimum Return represents Lender's and Borrower's reasonable estimate of Lender's damages from the prepayment and is not a penalty. Notwithstanding anything to the contrary contained herein or in any other Loan Document, any tender, prepayment or repayment of the Debt shall be applied to the Debt in such order and priority as may be determined by Lender in its sole discretion.

(d) **Exit Fee.** Borrower agrees that in all events and under all circumstances, Borrower shall be obligated to pay to Agent the Exit Fee, which shall be payable upon (i) any partial prepayment of the Loan by Borrower permitted solely pursuant to Section 2.11 hereof and (ii) the earlier of (x) the payment by Borrower of the Loan in full, or (y) the Maturity Date (or any acceleration of the Loan following an Event of Default). In furtherance of the foregoing, Borrower acknowledges and agrees that Agent shall have no obligation to accept any payment of the Loan unless and until Borrower shall have also paid the Exit Fee, and Agent shall have no obligation to release any Loan Document upon payment of the Debt unless and until Agent shall have received the entire Exit Fee. For the avoidance of doubt, the Exit Fee shall be payable with respect to any reduction of the principal amount of the Loan as a result of the application of any Net Proceeds.

(e) **Other Payments and Fees; Origination Fee.** All payments, deposits or escrows required to be made or established by Borrower under this Agreement and the other Loan Documents on or before the Closing Date shall have been paid. Agent hereby acknowledges receipt of the origination fee from Borrower in an amount equal to one percent (1.0%) of the Loan, which origination fee (i) shall, for the avoidance of doubt, be deemed earned as of the Closing Date and (ii) may, at Agent's election, be deducted from the proceeds of the Loan.

## **Section 2.8 Taxes.**

(a) Any and all payments by Borrower under or in respect of this Agreement or any other Loan Document to which Borrower is a party shall be made free and clear of, and without deduction or withholding for or on account of, any and all present or future taxes, levies, imposts, duties, deductions, assessments, fees, charges or withholdings (including backup withholdings), and all liabilities (including penalties, interest and additions to tax) with respect thereto, whether

now or hereafter imposed, levied, collected, withheld or assessed by any taxation authority or other Governmental Authority (collectively, “**Section 2.8 Taxes**”), unless required by Applicable Law. If Borrower shall be required under any Applicable Law to deduct or withhold any Section 2.8 Taxes from or in respect of any sum payable under or in respect of this Agreement or any of the other Loan Documents to Lender, (i) Borrower shall make all such deductions and withholdings in respect of Section 2.8 Taxes, (ii) Borrower shall pay the full amount deducted or withheld in respect of Section 2.8 Taxes to the relevant taxation authority or other Governmental Authority in accordance with the Applicable Law, and (iii) the sum payable by Borrower shall be increased as may be necessary so that after Borrower has made all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 2.8) Lender receives an amount equal to the sum it would have received had no such deductions or withholdings been made in respect of Non-Excluded Taxes. For purposes of this Agreement “**Non-Excluded Taxes**” are Section 2.8 Taxes other than, in the case of Lender, Section 2.8 Taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the jurisdiction under the laws of which Lender is organized or of its Applicable Lending Office, or any political subdivision thereof, unless such Section 2.8 Taxes are imposed as a result of Lender having executed, delivered or performed its obligations or received payments under, or enforced, this Agreement or any of the other Loan Documents (in which case such Section 2.8 Taxes will be treated as Non-Excluded Taxes).

(b) In addition, Borrower hereby agrees to pay any present or future stamp, recording, documentary, excise, property, intangible, filing or similar taxes, charges or levies that arise from any payment made under or in respect of this Agreement or any other Loan Document or from the execution, delivery or registration of, any performance under, enforcement or registration of, from the receipt or perfection of a security interest under, or otherwise with respect to, this Agreement, the Note or any other Loan Document (collectively, “**Other Taxes**”).

(c) Borrower hereby agrees to indemnify each Recipient for, and to hold each Recipient harmless against, the full amount of Non-Excluded Taxes and Other Taxes (including, without limitation, Non-Excluded Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.8, imposed on or paid by such Recipient, or required to be withheld or deducted from a payment to such Recipient, and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. The indemnity by Borrower provided for in this Section 2.8(c) shall apply and be made whether or not the Non-Excluded Taxes or Other Taxes for which indemnification hereunder is sought have been correctly or legally imposed or asserted. A certificate as to the amount of such payment or liability delivered to Borrower by Agent shall be conclusive absent manifest error. Amounts payable by Borrower under the indemnity set forth in this Section 2.8(c) shall be paid within fifteen (15) days from the date on which the applicable Recipient, as the case may be, makes written demand therefor.

(d) Agent shall take all reasonable actions (consistent with its internal policy and legal and regulatory restrictions) requested by Borrower to assist Borrower, as the case may be, at the sole expense of Borrower, to recover from the relevant taxation authority or other Governmental Authority any Section 2.8 Taxes in respect of which amounts were paid by Borrower pursuant to Sections 2.8(a), (b) or (c) hereof. However, Agent will not be required to take any action that would be, in the reasonable judgment of Agent or Lender, legally inadvisable, or commercially or otherwise disadvantageous to Agent or Lender in any respect, and in no event shall Lender be

required to disclose any tax returns or any other information that, in the reasonable judgment of Lender is confidential or proprietary.

(e) As soon as practicable, but in no event later than thirty (30) days after the date of any payment of Section 2.8 Taxes, Borrower (or any Person making such payment on behalf of Borrower) shall furnish to Agent, on account of Lender, for Lender's own account a certified copy of the original official receipt evidencing payment thereof. In the case of any payment under or in respect of this Agreement or any of the other Loan Documents by or on behalf of Borrower through an account or branch outside the United States, or on behalf of Borrower by a payor that is not a United States Person, if Borrower determines that no Section 2.8 Taxes are payable in respect thereof, Borrower shall furnish, or shall cause such payor to furnish, to Lender an opinion of counsel reasonably acceptable to Lender stating that such payment is exempt from Section 2.8 Taxes. For purposes of this Section 2.8(e) and Section 2.8(f) hereof, the terms "**United States**" and "**United States Person**" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(f) Any Lender (including, for avoidance of doubt any participant, assignee or successor) that is entitled to an exemption from or reduction of U.S. withholding tax with respect to payments under this Agreement, the Note or any other Loan Document shall, to the extent it is legally entitled to do so, deliver or caused to be delivered to Borrower and such other applicable lenders at the time or times reasonably requested by Borrower or such other applicable lenders, such properly completed and executed documentation reasonably requested by Borrower or such other applicable lenders as will permit such payments to be made without withholding or at a reduced rate of withholding. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.8(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if, in the Lender's reasonable judgment, such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender

(i) Without limiting the generality of the foregoing, in the event that Borrower is a "**U.S. Person**" (as defined in Section 7701(a)(30) of the IRS Code),

- (A) any Lender that is a U.S. Person shall deliver to Borrower, Agent and any other applicable lenders, upon the reasonable request of Borrower, Agent or such other applicable lenders, executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;
- (B) any Lender that is not a U.S. Person (a "**Non-U.S. Lender**") shall, to the extent it is legally entitled to do so, deliver to Borrower, Agent and any other applicable lenders on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower, Agent or the other applicable lenders), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the IRS Code, (x) a certificate substantially in the form of Exhibit A attached hereto to the effect that such Non-U.S. Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the IRS Code, a “10 percent shareholder” of Borrower within the meaning of Section 881(c)(3)(B) of the IRS Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the IRS Code (a “**Section 2.8 Certificate**”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, W-8BEN-E, a Section 2.8 Certificate substantially in the form of Exhibit A attached hereto, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a Section 2.8 Certificate substantially in the form of Exhibit A attached hereto on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to Borrower, Agent and any other applicable lenders (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower, Agent or such other applicable lenders), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit Borrower, Agent or such other applicable

lenders to determine the withholding or deduction required to be made; and

- (D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRS Code, as applicable), such Lender shall deliver to Borrower, Agent and other applicable lenders at the time or times prescribed by law and at such time or times reasonably requested by Borrower, Agent or other applicable lenders such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the IRS Code) and such additional documentation reasonably requested by Borrower, Agent or other applicable lenders as may be necessary for Borrower, Agent and other applicable lenders to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

If the forms and documentation referred to above in this Section 2.8(f) that are provided by a Non-U.S. Lender at the time Lender first becomes a party to this Agreement indicate a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be treated as "**Excluded Taxes**" (i.e., any Section 2.8 Taxes other than Non-Excluded Taxes) and shall not qualify as Non-Excluded Taxes unless and until Lender provides the appropriate form certifying that a lesser rate applies, whereupon withholding tax at such lesser rate shall be considered Excluded Taxes solely for the periods governed by such form. However, if, on the date of the assignment and assumption of the Loan (or portion thereof) pursuant to which a Lender assignee becomes a party to this Agreement, Lender assignor was entitled to payments under subsection (a) of this Section 2.8 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent (and only to such extent), the term "**Non-Excluded Taxes**" shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Section 2.8 Taxes) United States withholding tax, if any, applicable with respect to such Lender assignee on such date. Any additional Section 2.8 Taxes in respect of Lender that result solely and directly from a change in the Applicable Lending Office of Lender shall be treated as Excluded Taxes (and shall not qualify as Non-Excluded Taxes) unless (A) any such additional Section 2.8 Taxes are imposed as a result of a change in any Applicable Law, or in the interpretation or application thereof, occurring after the date of such change or (B) such change is made pursuant to the terms of Section 2.8(d) or Section 2.8(i) hereof or otherwise as a result of a request therefor by Borrower.

(g) For any period with respect to which Lender has failed to provide Borrower and Agent with the appropriate form, certificate or other document described in subsection (f) of this Section 2.8 (other than (i) if such failure is due to a change in any Applicable Law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other

document originally was required to be provided, (ii) if such form, certificate or other document otherwise is not required under Sections 2.8(a) and (c) hereof, or (iii) if it is legally inadvisable or otherwise commercially disadvantageous for Lender to deliver such form, certificate or other document), Lender shall not be entitled to payment or indemnification under subsection (a) or (c) of this Section 2.8 with respect to Non-Excluded Taxes imposed by the United States by reason of such failure; provided, however, that should Lender become subject to Non-Excluded Taxes because of its failure to deliver a form, certificate or other document required hereunder, Borrower shall take such steps as Lender shall reasonably request to assist Lender in recovering such Non-Excluded Taxes.

(h) Lender hereby agrees that, upon the occurrence of any circumstances entitling Lender to additional amounts pursuant to this Section 2.8, Lender shall use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions), at the sole expense of Borrower, to designate a different Applicable Lending Office if the making of such a change would avoid the need for, or materially reduce the amount of, any such additional amounts that may thereafter accrue and would not be, in the sole judgment of Lender, legally inadvisable or commercially or otherwise disadvantageous to Lender in any respect.

(i) If Lender is entitled to additional compensation under any of the foregoing provisions of this Section 2.8 but shall fail to designate a different Applicable Lending Office as provided in subsection (h) of this Section 2.8, then, so long as no Default or Event of Default shall have occurred and be continuing, Borrower may cause Lender to (and, if Borrower so demands, Lender shall) assign all of its rights and obligations under this Agreement to one or more other Persons identified by Borrower and reasonably acceptable to Lender; provided that if, upon such demand by Borrower, Lender elects to waive its request for additional compensation pursuant to this Section 2.8, the demand by Borrower for Lender to so assign all of its rights and obligations under this Agreement shall thereupon be deemed withdrawn. Nothing in subsection (h) of this Section 2.8 or this Section 2.8(i) shall affect or postpone any of the rights of Lender or any of the Obligations of Borrower under any of the foregoing provisions of this Section 2.8 in any manner.

(j) Lender shall indemnify Agent, within thirty (30) days after demand therefor, for (i) the full amount of Non-Excluded Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.8 (“**Indemnified Taxes**”), imposed on or paid by Agent, or required to be withheld or deducted from a payment to Agent, and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto such Lender (but only to the extent that any Borrower has not already indemnified Agent for such Indemnified Taxes and without limiting the obligation of Borrower to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 13.6(b) relating to the maintenance of the Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Lender by Agent shall be conclusive absent manifest error. Lender hereby authorizes Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by Agent to the Lender from any other source against any amount due to Agent under this Section 2.8(j).

(k) Each party's obligations under this Section 2.8 shall survive the termination of the Loan Documents and payment of any obligations thereunder.

**Section 2.9 Non-Confidentiality of Tax Treatment.** Notwithstanding anything to the contrary contained in this Agreement, all persons may disclose to any and all persons, without limitations of any kind, the purported or claimed U.S. federal income tax treatment of this Agreement, any fact that may be relevant to understanding the purported or claimed U.S. federal income tax treatment of this Agreement, and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal income tax treatment or fact, other than the name of the parties or any other person named herein, or information that would permit identification of the parties or such other persons, and any pricing terms or other nonpublic business or financial information that is unrelated to the purported or claimed federal income tax treatment of the Agreement to the taxpayer and is not relevant to understanding the purported or claimed federal income tax treatment of the Agreement to the taxpayer.

**Section 2.10 Extension of Maturity Date.** Borrower shall have one (1) option to extend the Scheduled Maturity Date of the Loan to the Extended Maturity Date (the period of such extension, the "**Extension Term**"), provided that the following conditions are satisfied: (i) Borrower shall deliver to Lender and Agent written notice of its election of the Extension Term at least forty-five (45) and not more than ninety (90) days prior to the Scheduled Maturity Date; (ii) no Event of Default shall have occurred and be continuing on either the date of such notice or the Scheduled Maturity Date; (iii) Borrower or HoldCo shall have entered into an Interest Rate Protection Agreement for the Extension Term in form and substance reasonably acceptable to Agent and otherwise in accordance with the terms of Section 7.24 hereof and shall have collaterally assigned such Interest Rate Protection Agreement to Agent pursuant to the terms of a collateral assignment in form and substance reasonably satisfactory to Agent; (iv) [intentionally omitted]; (v) Debt Yield shall not be less than fourteen percent (14%) for the trailing twelve (12) month period immediately preceding the Scheduled Maturity Date; (vi) the Loan to Value Ratio shall not be more than sixty-five percent (65%); (vii) [intentionally omitted]; (viii) if required by Agent, Borrower shall permit Agent or its agents or employees to perform, at Borrower's sole cost and expense, an inspection of the Property, which inspection shall be acceptable to Agent, in Agent's reasonable discretion; (ix) Borrower shall have delivered to Agent, together with its notice pursuant to clause (i) of this Section 2.10 and as of the commencement of the Extension Term, an Officer's Certificate, in form and substance acceptable to Agent, certifying that each of the representations and warranties of Borrower contained in the Loan Documents is true, complete and correct in all material respects as of the date of such Officer's Certificate to the extent such representation and warranties are not matters which by their nature can no longer be true and correct as a result of the passage of time; (x) Borrower shall have paid to Agent the Extension Fee; (xi) Borrower shall have paid to Agent all reasonable out-of-pocket expenses (including, without limitation, reasonable legal fees and expenses) incurred by Lender or Agent in connection with such extension, and (xii) Borrower shall have delivered to Agent, at Borrower's sole cost and expense, Appraisals dated no earlier than thirty (30) days prior to the Scheduled Maturity Date, showing that the Property does not exceed the Loan To Value Ratio set forth in clause (vi) of this Section 2.10. If Borrower fails to exercise the extension option in accordance with the provisions of this Agreement, such extension option will automatically cease and terminate. Notwithstanding anything to the contrary set forth herein or in the other Loan Documents, unless the foregoing conditions have been met, Borrower has no right to an extension of the term of the Loan. Borrower

shall have the right to pay-down the Loan in cash (or alternatives that are acceptable to Lender in its sole discretion) in order to achieve the Debt Yield and Loan to Value Ratio set forth in clauses (v) and (vi) of this Section 2.10; provided, that any permitted prepayments of the Loan pursuant to this Section 2.10 shall be subject to the requirements of Section 2.7 above, including, without limitation, the payment of the Minimum Return, Exit Fee, Interest Shortfall and Breakage Costs, without duplication.

#### **Section 2.11 Partial Release.**

(a) Provided no Event of Default shall have occurred and be continuing, Borrower shall have the right from time to time prior to the Maturity Date to obtain a release of the lien of the Security Instrument (and related Loan Documents) as to the Crowne Plaza Property and/or the Holiday Inn Property, as the case may be (each, a “**Partial Release**”), upon satisfaction of the following conditions precedent, as reasonably determined by Agent:

(i) Borrower shall provide Agent not less than thirty (30) days’ prior written notice specifying the date (the “**Release Date**”) on which the Partial Release is to occur; provided, however, that Borrower may postpone the Release Date from time to time as long as the extended date is at least ten (10) Business Days after notice of such extension;

(ii) Borrower shall pay-down the Loan (a “**Loan Paydown**”) in an amount equal to the Partial Release Paydown Amount and deliver the Partial Release Paydown Amount to Agent for application to outstanding Obligations;

(iii) After giving effect to the Partial Release, the Actual Debt Service Coverage Ratio shall be no less than 1.20 to 1.00 (the “**Release Debt Service Coverage Ratio**”); provided, however, that Borrower shall have the right to partially prepay the Loan in cash as necessary to satisfy the Release Debt Service Coverage Ratio;

(iv) The release of the Crowne Plaza Property and/or the Holiday Inn Property will not result in an Adverse REMIC Event as of the Release Date, and Borrower shall, if required by Agent, deliver to Agent an opinion of counsel for Borrower to that effect in form and substance reasonably acceptable to Agent;

(v) Borrower shall deliver to Agent evidence that Borrower has complied with all requirements of and obtained all approvals required under any Franchise Agreements, the Ground Lease, any Hotel Brand Agreements and any REAs, applicable to the release of the Crowne Plaza Property and/or the Holiday Inn Property, and that such release does not violate any of the provisions of any Franchise Agreements, the Ground Lease, any Hotel Brand Agreements and any REAs;

(vi) Borrower shall pay all out-of-pocket costs and expenses of Agent and Lender incurred in connection with the partial release, including, without limitation, Agent’s and Lender’s reasonable attorneys’ fees and expenses; and

(vii) Borrower shall deliver to Agent an Officer’s Certificate certifying that the requirements set forth in this Section 2.11(a) have been satisfied.

Any permitted prepayments of the Loan pursuant to this Section 2.11 shall be subject to the requirements of Section 2.7 above, including, without limitation, the payment of any Minimum Return, Exit Fee, Interest Shortfall and Breakage Costs, without duplication. For the avoidance of doubt, the Hilton Property shall not be eligible for release hereunder.

(b) If Borrower has elected to release the Crowne Plaza Property and/or the Holiday Inn Property and the requirements of this Section 2.11 have been satisfied, then the Crowne Plaza Property and/or the Holiday Inn Property, as the case may be, shall be released from the Lien of the applicable Security Instrument(s) (and related Loan Documents). In connection with such release of the Lien, Borrower shall submit to Agent, not less than thirty (30) days prior to the Release Date (or such shorter time as is acceptable to Agent in its sole discretion), a release of Lien (and related Loan Documents) for execution by Agent. Such release shall be in a form appropriate in the jurisdiction in which the Property is located and shall contain standard provisions protecting the rights of a releasing lender. In addition, Borrower shall provide all other documentation Agent reasonably requires to be delivered by Borrower in connection with such release, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Applicable Law, and (ii) will effect such release in accordance with the terms of this Agreement. Borrower shall pay all costs, taxes and expenses associated with the release of the Lien of the applicable Security Instrument(s), including Agent's and Lender's reasonable attorneys' fees. Borrower shall cause title to the Crowne Plaza Property and/or the Holiday Inn Property so released from the Lien of the applicable Security Instrument(s) to be transferred to and held by a Person other than Borrower.

**Section 2.12 Protective Advances.** Lender or Agent shall have the right (but not the obligation) to make one or more Protective Advances, which Protective Advances may be subject to (i) such specific use and disbursement thereof as may be determined by Lender or Agent in its sole discretion, (ii) such conditions for the advance thereof, including, without limitation, the cure or remedy of any default under the Loan Documents or any Event of Default (provided, however, that such conditions shall not materially amend or change the economic terms of the Loan as expressly set forth herein), and (iii) such schedule, timing and recipient for the release thereof as may be determined by Agent in its sole discretion. Agent shall provide notice to Borrower five (5) Business Days prior to making any Protective Advance; provided, however, that no such notice shall be required for Protective Advances in connection with any emergency expenditures. Any Protective Advances made by Agent or Lender pursuant to this Section 2.12 shall accrue interest at a monthly rate equal to the Interest Rate plus five percent (5.0%), compounded monthly. Borrower, Guarantor, Pledgor or Sponsor shall be permitted to repay any Protective Advances and additional interest accrued thereon, without any additional penalty or premium, at any time, during the term of this Loan. Lender shall provide written notice to Agent of any Protective Advances made by Lender to Borrower pursuant to this Section 2.12.

**Section 2.13 Title Insurance Policies.** Prior to the date hereof, Agent shall have received a copy of the Owner's Policy and the Lender's Policy, each dated as of the date hereof (or the Title Company's unequivocal commitment to issue Owner's Policy and the Lender's Policy pursuant to pro formas approved by Agent). Agent shall have received evidence that all premiums in respect of the Owner's Policy and the Lender's Policy have been paid.

**Section 2.14 Agent's Fees.** Borrower agrees to pay to Agent the Servicing Fee and such other fees in the amounts and at the times agreed upon under the Agent Fee Letter.

### ARTICLE 3.

#### RESTRICTED ACCOUNT AND CASH MANAGEMENT AGREEMENT

**Section 3.1 Cash Management Agreement.** Borrower shall enter into the Cash Management Agreement on the date hereof which shall govern the collection, holding and disbursement of Hotel Proceeds, Rents and Profits and any other income from the Property during the term of the Loan.

**Section 3.2 [Intentionally Omitted].**

**Section 3.3 Deposits into Restricted Account.**

(a) Borrower shall cause (and shall cause Manager to cause) all Hotel Proceeds, Rents and Profits and any other income from the Property to be deposited directly into the Restricted Account. Without limitation of the foregoing, from and after the date hereof, Borrower shall promptly notify and advise each Tenant under each Lease (whether such Lease is presently effective or executed after the date hereof) to send directly to the Restricted Account all payments of Rent pursuant to an instruction letter substantially in the form of Exhibit B attached hereto (each, a "**Tenant Direction Letter**"). Borrower shall promptly deliver to Agent (i) evidence reasonably satisfactory to Agent that each Tenant, if any, has been sent a Tenant Direction Letter, and (ii) copies of each of the aforementioned Tenant Direction Letters, if any. The Restricted Account shall be subject to the DACA and Borrower shall enter into and cause Cash Management Bank to enter into the DACA as of the Closing Date.

(b) Commencing with the first (1st) billing statement delivered after the date hereof and for each subsequent statement delivered, Borrower shall and shall cause Manager to instruct all Persons that maintain open accounts with Borrower or Manager with whom Borrower or Manager does business on an "accounts receivable" basis with respect to the Property to deliver all payments due under such accounts to the Restricted Account in the form of the Tenant Direction Letter. Neither Borrower nor Manager shall direct any such Person to make payments due under such accounts in any other manner.

(c) Borrower shall (and shall cause Manager to) cause all credit card receipts to be deposited directly into the Restricted Account. Without limitation of the foregoing, Borrower shall (and shall cause Manager to) promptly instruct and shall hereafter instruct each of the credit card banks with which Borrower or Manager has entered into agreements for the clearance of credit card receipts (collectively, "**Credit Card Banks**") that all credit card receipts with respect to the Property (net of any expenses charged for such processing) cleared by such Credit Card Banks shall be transferred by such Credit Card Banks by wire transfer or the ACH System to Bank for deposit in the Restricted Account pursuant to an instruction letter in the form of Exhibit C attached hereto (a "**Credit Card Bank Payment Direction Letter**"). Borrower shall (and shall cause Manager to) also promptly instruct and shall hereafter instruct each of the credit card companies with which Borrower has entered into merchants agreements (collectively, "**Credit Card**

**Companies”**) that all credit card receipts with respect to the Property (net of any expenses charged for such processing) received by such Credit Card Companies shall be transferred by such Credit Card Companies by wire transfer or the ACH System to Bank for deposit in the Restricted Account pursuant to an instruction letter in the form of Exhibit D attached hereto (a “**Credit Card Company Payment Direction Letter**”). Borrower shall promptly deliver to Agent (i) evidence reasonably satisfactory to Agent that each Credit Card Bank and each Credit Card Company has been sent a Credit Card Bank Payment Direction Letter or Credit Card Company Payment Direction Letter, as applicable, and (ii) copies of each of the aforementioned Credit Card Bank Payment Direction Letters and Credit Card Company Payment Direction Letters.

(d) If, notwithstanding the provisions of this Section 3.3, Borrower or Manager receives any Hotel Proceeds, Rents and Profits or other income from the Property, then (i) such amounts shall be deemed to be collateral for the Loan and shall be held in trust for the benefit, and as the property, of Lender, (ii) such amounts shall not be commingled with any other funds or property of Borrower or Manager and (iii) Borrower shall (and Borrower shall cause Manager to) deposit such amounts in the Restricted Account within one (1) Business Day of receipt thereof.

(e) In addition, Borrower shall (and shall cause HoldCo and/or Manager to) cause all amounts payable under the Interest Rate Protection Agreement to be deposited into the Restricted Account. If, notwithstanding the provisions of this Section 3.3(e), Borrower, HoldCo or Manager receives any amounts payable under the Interest Rate Protection Agreement, then (i) such amounts shall be deemed to be collateral for the Loan and shall be held in trust for the benefit, and as the property, of Lender, (ii) such amounts shall not be commingled with any other funds or property of Borrower, HoldCo or Manager, and (iii) Borrower, HoldCo or Manager shall deposit such amounts in the Restricted Account within one (1) Business Day of receipt.

(f) Without the prior written consent of Agent, neither Borrower nor Manager shall (i) terminate, amend, revoke or modify any Tenant Direction Letter in any manner whatsoever or (ii) direct or cause any Tenant to pay any amount in any manner other than as provided in the related Tenant Direction Letter.

(g) Borrower hereby represents and warrants that, other than the Restricted Account, the Cash Vault Account (if applicable) and the Hotel Operating Account (if applicable), in each case to the extent permitted under the Loan Documents, there are no accounts maintained by Borrower or Manager or any other Person into which Hotel Proceeds, Rents and Profits or other income from the Property are initially deposited. So long as the Debt shall remain outstanding, no Person shall open any other such account for the deposit of Hotel Proceeds, Rents and Profits or other income from the Property prior to the deposit of such Hotel Proceeds, Rents and Profits or other income in the Restricted Account, the Cash Vault Account (if applicable) or the Hotel Operating Account (if applicable), in accordance with the terms and provisions of this Agreement.

(h) Borrower shall make such additional deposits into the Cash Management Account as may be required by the Loan Agreement and any other Loan Document. Notwithstanding anything herein to the contrary, Borrower acknowledges that Borrower is responsible for monitoring the sufficiency of funds deposited in the Accounts and that Borrower is liable for any deficiency in available funds, irrespective of whether Borrower has received any account statement, notice or demand from Agent. If on any Monthly Payment Date, the amount of the

available funds in the Accounts is insufficient to make all of the allocations described in Sections 3.5(i) through (ix), inclusive, Borrower shall deposit into the Cash Management Account on or prior to such Monthly Payment Date, without the need for any notice or demand from Agent, the amount of such deficiency in immediately available funds.

(i) Borrower shall maintain the Restricted Account until the indefeasible satisfaction in full of the Loan.

(j) Borrower hereby agrees that any funds disbursed to Borrower (or Manager) for Approved Operating Expenses pursuant to the terms and conditions of the Cash Management Agreement shall be solely and promptly applied to operating expenses set forth in the Approved Annual Budget.

**Section 3.4 Termination of Cash Management Agreement and Return of Funds.** Supplementing the provisions of Section 4 of the Cash Management Agreement, upon payment and performance in full of the Obligations, Agent shall provide prompt written notice thereof to Cash Management Bank (including a written acknowledgment of the termination or release of Agent's and Lender's security interest in the accounts established pursuant to the Cash Management Agreement) and the Cash Management Agreement shall terminate and Borrower shall be entitled to the prompt return, at its expense, of such of the collected and available balances (less any deductions permitted under Section 5 of the Cash Management Agreement) in the Cash Management Account, and Agent shall authorize such release to Borrower, including without any limitation, any amounts invested in the Permitted Investments (the "**Remaining Funds**").

**Section 3.5 Allocations and Disbursements.** Provided no Event of Default is then continuing, on each Monthly Payment Date, Agent shall disburse (or cause to be disbursed) all funds on deposit in the Cash Management Account (less the Minimum Balance) in accordance with the following waterfall:

(i) First, funds sufficient to pay the Monthly Tax Deposit and the Monthly Insurance Deposit shall be disbursed to Agent for payment of Taxes and Insurance Premiums;

(ii) Second, funds sufficient to pay the Approved Operating Expenses (including fees payable under the Management Agreement and Franchise Agreement) and Custodial Amounts for the applicable period in accordance with the related Approved Annual Budget, if any, shall be disbursed to Borrower;

(iii) Third, funds sufficient to pay any interest accruing at the Default Rate and late payment charges, if any, shall be disbursed to Agent for payment to Lender (or its designee);

(iv) Fourth, funds sufficient to pay Extraordinary Expenses for the applicable period approved by Agent (in Agent's reasonable discretion), if any, shall be disbursed to Borrower;

(v) Fifth, to the extent not auto withdrawn by Agent from the Cash Management Account, funds sufficient to pay the Minimum Monthly Payment Amount then due and

payable on the then applicable Monthly Payment Date shall be paid to Lender (or its designee);

(vi) Sixth, funds to pay the Bank Fees in accordance with the terms of the Cash Management Agreement shall be disbursed to Cash Management Bank;

(vii) Seventh, funds sufficient to pay the FF&E Reserve Monthly Deposit for the then applicable Monthly Payment Date, if required under this Agreement, shall be disbursed to Agent;

(viii) Eighth, funds sufficient to keep the PIP Work “in balance” (as defined in Section 4.5(c) hereof), if any, shall be disbursed to Agent;

(ix) Ninth, funds sufficient to pay any other amounts due and owing to Agent, Lender and/or Cash Management Bank pursuant to the terms hereof and/or of the other Loan Documents, if any, shall be deposited with or paid as directed by Agent (including, without limitation, any agency or servicing fees payable to Agent, as administrative agent and servicer);

(x) Tenth, funds sufficient to pay, in whole or in part, any Remaining Monthly Payment Amounts then due and payable on the then applicable Monthly Payment Date (including any Remaining Monthly Payment Amounts from prior Interest Accrual Periods) shall be paid to Lender (or its designee);

(xi) Eleventh, solely on each Monthly Payment Date that occurs within the one hundred eighty (180) day period immediately following the Closing Date, funds sufficient to pay, in whole or in part, an amount equal to (a) the Required PIP Reserve Funds Amount *minus* (b) all amounts previously deposited with Agent as PIP Reserve Funds, shall be disbursed to Agent; and

(xii) Twelfth, all amounts remaining in the Cash Management Account after disbursement for items (i) through (xi) above (“**Excess Cash Flow**”) shall be disbursed to Borrower.

**Section 3.6 Power of Attorney.** To the extent permitted under Applicable Law, Borrower hereby irrevocably constitutes and appoints Agent as Borrower’s true and lawful attorney in fact, with full power of substitution, to execute, acknowledge and deliver any instruments and to exercise and enforce every right, power, remedy, option and privilege of Borrower with respect to the Restricted Account, the Cash Management Account and the Account Funds, and do in the name, place and stead of Borrower, all such acts, things and deeds for and on behalf of and in the name of Borrower, which Borrower could or might do or which Agent or Cash Management Bank (as agent of Agent) may deem necessary or desirable in their good faith discretion to more fully vest in Agent and Cash Management Bank (as agent of Agent), the rights and remedies provided for herein and in the Cash Management Agreement. The foregoing powers of attorney are irrevocable and coupled with an interest; provided, however, the same shall not be exercised by Agent or Cash Management Bank (as agent of Agent) unless Borrower fails to perform any agreement herein or in the Cash Management Agreement and such failure shall continue for five (5) Business Days after notice of such failure is given to Borrower. Any

reasonable actual expenses of Agent and Cash Management Bank in connection therewith shall be paid by Borrower.

**Section 3.7 Rights on Default.** Upon the occurrence and during the continuance of an Event of Default, Agent shall promptly notify Cash Management Bank in writing of such Event of Default and, without notice from Cash Management Bank or Agent, except as required by Applicable Law, (a) Borrower will have no further rights to any payments set forth in Section 3.5 hereof, (b) Agent may direct Cash Management Bank to liquidate and transfer any amounts then invested in Permitted Investments to the Cash Management Account or reinvest such amounts in other Permitted Investments as Agent may reasonably determine is necessary to perfect or protect any security interest granted or purported to be granted hereby or to enable Cash Management Bank, as agent for Agent, or Agent, to exercise and enforce Agent's rights and remedies hereunder with respect to any Collateral, (c) Agent may apply any funds in the Restricted Account and the Cash Management Account (including the subaccounts) to the Debt in such order of priority as Agent may determine in its sole discretion, (d) Agent may, in its sole discretion, at any time and from time to time, exercise any and all rights and remedies available to it under this Agreement and the Cash Management Agreement, and/or as a secured party under the UCC and/or under any Applicable Law. Borrower hereby expressly waives, to the fullest extent permitted by Applicable Law, presentment, demand, protest or any notice of any kind in connection with this Agreement, the Cash Management Agreement, the Cash Management Account, the Restricted Account or the Account Funds. Borrower acknowledges and agrees that ten (10) days' prior written notice of the time and place of any public sale of the Account Funds or any other intended disposition thereof shall be reasonable and sufficient notice to Borrower within the meaning of the UCC.

#### ARTICLE 4.

#### RESERVE FUNDS

**Section 4.1 [Intentionally Omitted].**

**Section 4.2 FF&E Reserve Funds.**

(a) On each Monthly Payment Date, Borrower shall deposit with Agent or Agent the FF&E Reserve Monthly Deposit. As used above, the term "**FF&E Reserve Monthly Deposit**" shall mean, with respect to the corresponding Monthly Payment Date, an amount equal to the greater of (i) the FF&E Payment and (ii) the amount of the deposit (if any) then required by the Franchisor on account of FF&E under the Franchise Agreement. As used herein, the term "**FF&E Payment**" shall mean, with respect to the corresponding Monthly Payment Date, an amount equal to 1/12 of four percent (4%) of the greater of (x) the annual gross revenues for the hotel related operations at the Property for the immediately preceding calendar year as reasonably determined by Agent and (y) the projected annual gross revenues for the hotel related operations at the Property for the calendar year in which such Monthly Payment Date occurs as set forth in the Approved Annual Budget; provided, that, notwithstanding anything herein to the contrary, if, as of any applicable date of determination, no Approved Annual Budget exists for the applicable calendar year, the amount of the FF&E Payment shall be determined by Agent in its reasonable discretion. The FF&E Reserve Monthly Deposit shall be determined by Agent and readjusted by Agent at such time as Agent may reasonably determine (provided that to the extent no Event of Default then

exists, the FF&E Reserve Monthly Deposit shall not be adjusted more frequently than annually). Notwithstanding anything herein to the contrary, Agent may require Borrower to increase the monthly deposits required pursuant to this Section 4.2 upon thirty (30) days' notice to Borrower if (1) Agent determines in its reasonable discretion that an increase is necessary to maintain proper maintenance and operation of the Property and/or (2) Agent determines in its reasonable discretion that an increase is necessary to reflect increased FF&E expenditures required under any Franchise Agreement and/or set forth in any amendment to the most recently determined Approved Annual Budget. Amounts deposited pursuant to this Section 4.2 are referred to herein as the "**FF&E Reserve Funds.**"

(b) Agent shall make disbursements of the FF&E Reserve Funds as requested by Borrower (but not more than one during each calendar month) to reimburse Borrower for, or to pay for, Borrower's actual, out-of-pocket expenses for Approved FF&E provided that: (i) such request is made (A) on a form of draw request specified or reasonably approved by Agent and which shall at a minimum set forth (1) a general description of the Approved FF&E for which such disbursement is requested and (2) the accuracy of the invoices to be attached thereto, which shall provide the quantity and price of each item purchased, or to be purchased, if the Approved FF&E includes the purchase or replacement of specific items (such as appliances) and the price of all materials (grouped by type or category) used in any item of Approved FF&E other than the purchase or replacement of specific items and the cost of all contracted labor or other services applicable to each item of Approved FF&E for which such request for disbursement is made and (B) at least ten (10) days prior to the date on which Borrower requests such disbursement be made; (ii) on the date such request is received by Agent and on the date such disbursement is to be made, no Event of Default shall exist and remain uncured; (iii) if required by Agent, Agent shall have verified (by an inspection conducted at Borrower's expense) performance of the work associated with such Approved FF&E; (iv) the request for disbursement is accompanied by (A) an Officer's Certificate certifying that (1) such funds will be used to reimburse Borrower for, or to pay for, Approved FF&E and a general description thereof, (2) the same has not been the subject of a previous disbursement, (3) all outstanding trade payables (other than those expressly permitted to be outstanding pursuant to the terms of this Agreement) have been paid in full and (4) any construction work associated with the related Approved FF&E has been completed in a good and workmanlike manner and in accordance with the Franchise Agreement and all Applicable Law, (B) if requested by Agent in its reasonable discretion, such additional reasonably detailed documentation satisfactory to Agent as to the amount, necessity and purpose therefor, (C) to the extent such disbursement is a reimbursement, copies of paid invoices for the amounts requested and, to the extent such disbursement is for payment, copies of the applicable unpaid invoices for the amounts requested and (D) if required by Agent, lien waivers and releases, or conditional lien waivers and releases, as applicable, from all parties furnishing materials and/or services in connection therewith; (v) at Agent's option, Agent shall have received a title search for the Property indicating that the Property is free from all liens, claims and other encumbrances other than Permitted Encumbrances, and, at Agent's option, a lien search for the Equity Collateral, indicating that the Equity Collateral is free from all liens, claims and other encumbrances; and (vi) Agent shall have received such other evidence as Agent shall reasonably request that the Approved FF&E to be funded by the requested disbursement has been (x) completed and (y) paid for (or will be paid for upon such disbursement). Agent shall not be required to disburse FF&E Reserve Funds (x) more frequently than once each calendar month, (y) in an amount less than the Minimum Disbursement Amount (unless the total amount of FF&E Reserve Funds is less than the Minimum

Disbursement Amount, in which case only one disbursement of the amount remaining in the account shall be made) or (z) with respect to any retail or parking space at the Property.

(c) Nothing in this Section 4.2 shall (i) make Agent responsible for making or completing any FF&E; (ii) require Agent to expend funds in addition to the FF&E Reserve Funds to complete any FF&E; (iii) obligate Agent to proceed with any FF&E; or (iv) obligate Agent to demand from Borrower additional sums to complete any FF&E; provided, however, that the foregoing clause (iv) is not intended to limit Borrower's preservation and maintenance covenants in the Loan Documents and/or in the Franchise Agreement. The insufficiency of any FF&E Reserve Funds in the FF&E Reserve Subaccount shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents and/or in the Franchise Agreement.

(d) Borrower shall permit Agent and its agents and representatives (including, without limitation, engineer, architect, consultant or inspector) or third parties to enter onto the Property (subject to the rights of any Tenants under their respective Leases) to inspect the progress of any FF&E and all materials being used in connection therewith and to examine all plans and shop drawings relating to such FF&E. Borrower shall cause all contractors and subcontractors to cooperate with Agent or its representatives or such other Persons described above in connection with inspections described in this Section.

#### **Section 4.3 Debt Service Reserve Fund.**

(a) Borrower shall deposit with Agent on the Closing Date, the sum of \$2,818,750.00. Such amounts shall hereinafter be referred to as the "**Debt Service Reserve Funds.**"

(b) In addition to the Debt Service Reserve Funds deposited pursuant to Section 4.3(a) above, prior to the first (1<sup>st</sup>) day of any month during the Term in which the Debt Service Reserve Funds shall be, or are anticipated to be, reduced to an amount equal to or less than three (3) months of Debt Service, as determined by Agent, Borrower shall deposit with Agent an additional sum such that the Debt Service Reserve Funds are sufficient to cover the subsequent six (6) months of Debt Service (which amount of additional Debt Service Reserve Funds shall be determined by Agent) (such obligation, the "**Rebalancing Obligation**"); provided, however, that if the Actual Debt Service Coverage Ratio shall be greater than or equal to 1.20 to 1.00 for six (6) consecutive months, then the Rebalancing Obligation shall be reduced from six (6) months of Debt Service to three (3) months of Debt Service; provided, further, that if, subsequently, the Actual Debt Service Coverage Ratio shall be less than 1.20 to 1.00 for three (3) consecutive months, then the Rebalancing Obligation shall be increased back to six (6) months of Debt Service.

(c) Upon Borrower's written request (which request may be made no more frequently than once per Interest Accrual Period), provided no Event of Default has occurred and is continuing, Agent shall, on the applicable Monthly Payment Date, withdraw such Debt Service Reserve Funds on deposit with Agent and use the same to satisfy (in whole or in part) Borrower's obligations hereunder to make payments of interest on the Loan; provided, that (I) Borrower shall only be entitled to make such request to the extent that there exists insufficient cash flow from the Property to pay such amounts and (II) to the extent that there exists insufficient amounts on deposit in the Debt Service Subaccount to pay all or any portion of such amounts or if Agent's access to

the funds contained in the Debt Service Subaccount is constrained or restricted in any manner, the aforesaid application of sums shall not be deemed to relieve Borrower from Borrower's obligations hereunder to pay any such shortfall.

**Section 4.4 [Intentionally Omitted].**

**Section 4.5 PIP Reserve Funds.**

(a) Borrower shall deposit with Agent (i) on or prior to the date which is one hundred eighty (180) days after the Closing Date, the sum of \$3,346,500.00 (the "**Required PIP Reserve Funds Amount**") on account of the PIP Work anticipated to be completed during the term of the Loan and (ii) to the extent the PIP Reserve Funds will be insufficient to pay the then estimated costs for any PIP Work (as estimated by Agent in its reasonable discretion), the applicable PIP Deposit (A) in the case of any existing or renewal Franchise Agreement, prior to the effective date that any PIP is imposed thereunder and (B) in the case of any new Franchise Agreement, on or prior to the date such new Franchise Agreement is executed and delivered. For the avoidance of doubt, the Required PIP Reserve Funds Amount shall be deposited with Agent, in whole or in part, on each Monthly Payment Date that occurs within the one hundred eighty (180) day period immediately following the Closing Date via the waterfall set forth in Section 3.5 hereof; provided, however, that an amount equal to (x) the Required PIP Reserve Funds Amount *minus* (y) all amounts previously deposited with Agent as PIP Reserve Funds shall be immediately due and payable by Borrower on the date which is one hundred eighty (180) days after the Closing Date. As used herein, "**PIP Deposit**" shall mean, with respect to any PIP, an amount equal to 110% of the excess, if any, of (I) the costs of the related PIP Work as estimated by Agent in its reasonable discretion (which such cost shall be exclusive of the cost of any PIP Work which is duplicative of any Approved FF&E for which adequate FF&E Reserve Funds exist hereunder (as reasonably determined by Agent) (the "**Duplicative FF&E**")) over (II) the then remaining PIP Reserve Funds. Amounts deposited with Agent pursuant to this Section 4.5(a) are referred to herein as the "**PIP Reserve Funds.**"

(b) Subject to the terms and conditions of this Section 4.5, Agent shall make disbursements from the PIP Reserve Funds as requested by Borrower (but not more than once in each calendar quarter) to reimburse Borrower for Borrower's actual, out-of-pocket costs and expenses incurred solely in connection with the performance of the related PIP Work; provided that: (i) such request is made (A) on a form of draw request specified or approved by Agent and which shall at a minimum set forth (1) a general description of the PIP Work for which such disbursement is requested and (2) the accuracy of the invoices, to be attached thereto, which shall provide the quantity and price of each item purchased, if the PIP Work includes the purchase or replacement of specific items (such as appliances) and the price of all materials (grouped by type or category) used in any item of PIP Work other than the purchase or replacement of specific items and the cost of all contracted labor or other services applicable to each item of PIP Work for which such request for disbursement is made and (B) at least ten (10) days prior to the date on which Borrower requests such disbursement be made; (ii) on the date such request is received by Agent and on the date such disbursement is to be made, no Event of Default shall exist and remain uncured; (iii) at Agent's option, Agent shall have verified (by an inspection conducted at Borrower's expense) performance of the associated PIP Work; (iv) the request for disbursement is accompanied by (A) an Officer's Certificate certifying that (1) such funds will be used to reimburse

Borrower for, or to pay for, PIP Work and a general description thereof, (2) the same has not been the subject of a previous disbursement, (3) all previous disbursements have been used to pay for or reimburse the previously identified PIP Work and (4) any construction work associated with such PIP Work has been completed in a good and workmanlike manner and in accordance with the Franchise Agreement and all Applicable Law, (B) if requested by Agent, such additional reasonably detailed documentation satisfactory to Agent as to the amount, necessity and purpose therefor, (C) to the extent such disbursement is a reimbursement, copies of paid invoices for the amounts requested and, to the extent such disbursement is for payment, copies of the applicable unpaid invoices for the amounts requested and (D) if required by Agent, lien waivers and releases from all parties furnishing materials and/or services in connection therewith; (v) funds remaining in the PIP Reserve Funds are, in Agent's judgment, sufficient to complete such PIP Work and all other outstanding PIP Work when required; (vi) at Agent's option, Agent shall have received a title search for the Property indicating that the Property is free from all liens, claims and other encumbrances other than Permitted Encumbrances, and, at Agent's option, a lien search for the Equity Collateral, indicating that the Equity Collateral is free from all liens, claims and other encumbrances; (vii) Agent shall have approved in writing the PIP Plans and PIP Budget for the PIP Work and all PIP Work performed to date shall have been performed in accordance with the PIP Approved Plans and the PIP Approved Budget, (viii) with respect to Agent's final disbursement of any PIP Reserve Funds to Borrower, Borrower shall have provided the PIP Final Completion Evidence to Agent, and (ix) Agent shall have received such other evidence as Agent shall reasonably request that the PIP Work to be funded by the requested disbursement has been (x) completed and (y) paid for (or will be paid for upon such disbursement). Within ten (10) days following the disbursement of any PIP Reserve Funds to Borrower, Borrower shall provide to Agent PIP Completion Evidence in form and substance acceptable to Agent. Agent shall not be required to disburse PIP Reserve Funds more frequently than once each calendar month nor in an amount less than the Minimum Disbursement Amount (unless the total amount of PIP Reserve Funds is less than the Minimum Disbursement Amount, in which case only one disbursement of the amount remaining in the account shall be made).

(c) If (i) Agent determines that projected cash flow from the Property will be insufficient to pay for any PIP Work as and when the costs of such PIP Work are anticipated to be due and payable or (ii) at any given time, actual cash flow from the Property is insufficient to pay for any PIP Work then due and payable, then Borrower shall timely and promptly fund the costs and expenses of all PIP Work sufficient to keep the PIP Work "in balance." "In balance" shall mean that the amount of PIP Reserve Funds then available for disbursement to Borrower in accordance with the terms and conditions of this Agreement is sufficient to pay for the actual unpaid and remaining estimated costs and expenses to fully complete the PIP Work based on the PIP Approved Budget (as estimated by Agent in its reasonable discretion after taking into account any portion thereof with respect to which Agent has received satisfactory evidence that same has previously been performed and paid for by Borrower in accordance with the terms hereof). If at any time the PIP Work is not "in balance," then Agent shall be entitled, without notice, to withhold disbursements from the PIP Reserve Funds until such time as Borrower has contributed additional equity towards the PIP Work such that the PIP Work is then "in balance." It shall be an Event of Default under this Agreement if any imbalance is not corrected within fifteen (15) Business Days after Agent notifies Borrower of such imbalance.

(d) Borrower shall permit Agent and its agents and representatives (including, without limitation, Agent's Construction Consultant, engineer, architect, or inspector) or third parties to enter onto the Property during normal business hours (subject to the rights of Tenants under their Leases) to inspect the progress of any PIP and all materials being used in connection therewith and to examine all plans and shop drawings relating to such PIP. Borrower shall cause all contractors and subcontractors to cooperate with Agent or Agent's representatives or such other Persons described above in connection with inspections described in this Section.

(e) The following shall apply to Borrower's performance of the PIP Work:

(i) Borrower shall deliver (A) final proposed PIP Plans for the entire PIP Work and (B) a final proposed PIP Budget to Agent for Agent's approval on or prior to the day that is thirty (30) days prior to Borrower's planned or required commencement of the PIP Work.

(ii) Borrower shall not amend or modify any PIP Approved Budget or PIP Approved Plans without first obtaining Agent's prior written consent (such consent not to be unreasonably withheld).

(iii) Borrower shall cause final completion of the PIP Work and deliver all PIP Final Completion Evidence to Agent on or prior to the date such PIP Work is required to be complete in accordance with the applicable Franchise Agreement.

(f) Agent shall make disbursements of PIP Reserve Funds to pay Borrower only for the costs of PIP Work. Nothing in this Section 4.5 shall (i) make Lender or Agent responsible for making or completing any PIP; (ii) require Lender or Agent to make funds available (other than a portion of the PIP Reserve Funds subject to the terms and conditions of this Agreement) to complete any PIP; (iii) obligate Lender or Agent to proceed with any PIP; or (iv) obligate Lender or Agent to demand from Borrower additional sums to complete any PIP; provided, however, that the foregoing clause (iv) is not intended to limit Borrower's obligations in respect of any PIP under this Agreement and the other Loan Documents. The insufficiency of any PIP Reserve Funds shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants (including, without limitation, all covenants applicable to any PIP) in the Loan Documents and/or in the Franchise Agreement. Notwithstanding anything to the contrary contained herein, unless agreed to in writing by Agent in advance, (A) no PIP Reserve Funds will be disbursed or otherwise used for FF&E, (B) Borrower shall not be entitled to duplicate draws of FF&E Reserve Funds and PIP Reserve Funds for the same work or cost and (C) FF&E Reserve Funds attributable to the Duplicative FF&E shall only be disbursed for work or costs associated with such Duplicative FF&E and not for any other FF&E.

(g) Borrower acknowledges and agrees that Agent may engage the Construction Consultant to oversee Borrower's performance of any PIP Work or Borrower's compliance with the terms of this Section 4.5. In connection therewith, Borrower acknowledges and agrees that Borrower shall be responsible to pay Agent on demand any and all Construction Consultant Fees.

**Section 4.6 [Intentionally Omitted].**

**Section 4.7 Tax and Insurance Reserve Funds.**

(a) Borrower shall deposit with Agent on the Closing Date, the sum of \$175,000.00 with respect to Taxes and Insurance Premiums (the “**Static Tax and Insurance Reserve Funds**”). The Static Tax and Insurance Reserve Funds shall remain on deposit with Agent through and including the Maturity Date; provided, however, that Agent shall have the right to apply such funds in the event of a default by Borrower under this Agreement. If Agent applies all or any portion of the Static Tax and Insurance Reserve Funds at any time, then Borrower shall be required to replenish such amount by contribution to Agent promptly after Agent’s demand therefor. Any amounts deposited with Lender or Agent to pay Taxes and Insurance Premiums under this Section 4.7 are collectively herein referred to as the “**Tax and Insurance Reserve Funds**”.

(b) In addition to the Static Tax and Insurance Reserve Funds (and any other initial deposits with respect to Taxes and, if applicable, Insurance Premiums made by Borrower to Lender on the Closing Date), Borrower shall pay (or cause to be paid) to Lender or Agent on each Monthly Payment Date (a) one-twelfth of an amount which would be sufficient to pay the Taxes payable, or estimated by Lender to be payable, during the next ensuing twelve (12) months assuming that said Taxes are to be paid in full ten (10) days prior to the respective due dates for the Taxes (the “**Monthly Tax Deposit**”), and (b) at the option of Lender, if the liability or casualty Policy maintained by Borrower covering the Property shall not constitute an approved blanket or umbrella Policy pursuant to Section 9.1(c) hereof, or Lender shall require Borrower to obtain a separate Policy pursuant to Section 9.1(c) hereof, one-twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration thereof (the “**Monthly Insurance Deposit**”). At any time (i) during the existence of a default by Borrower hereunder or (ii) when the Actual Debt Service Coverage Ratio shall be less than 1.00 to 1.00, Agent or Lender may elect to collect payments in escrow for Insurance Premiums, and in such event, Borrower shall make a True Up Payment to Lender or Agent with respect to the same. Additionally, if, at any time, Lender determines that amounts on deposit in the Tax and Insurance Reserve Subaccount (or other account holding reserves for payment of Taxes or Insurance Premiums) or scheduled to be deposited with Lender or Agent with respect to Taxes or Insurance Premiums, as applicable, (i) will be insufficient to pay all applicable Taxes in full ten (10) days prior to the respective due dates for the Taxes and/or (ii) will be insufficient to pay all applicable Insurance Premiums in full at least thirty (30) days prior to the expiration of the Policies, Borrower shall make a True Up Payment with respect to such insufficiency to Lender or Agent; provided that, if Borrower receives notice of any deficiency in the payment of Taxes after the date that is ten (10) days prior to the date that such Taxes are due, Borrower will deposit such amount within three (3) Business Days after its receipt of such notice. Borrower agrees to notify Lender promptly of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has or obtains knowledge and authorizes Lender or its agent to obtain the bills for Taxes directly from the appropriate taxing authority. Subject to Borrower’s right to contest the amount of Taxes payable (in accordance with the provisions contained in the Loan Documents), Lender shall have the right to pay the Taxes and Insurance Premiums as they become due on their respective due dates on behalf of Borrower by applying the Tax and Insurance Reserve Funds to the payment of such Taxes and Insurance Premiums. If the amount of the Tax and Insurance Reserve Funds shall exceed the amounts due for Taxes and Insurance Premiums pursuant to the terms hereof, Agent shall, in its discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Reserve Funds; provided, however, that Agent shall not be required to return or credit the Static Tax and Insurance Reserve Funds and the same shall remain on deposit with Agent pursuant to

Section 4.7(a) above. To the extent that there exists insufficient amounts on deposit in the Tax and Insurance Reserve Subaccount (or other account holding reserves for payment of Taxes or Insurance Premiums) to pay all or any portion of Taxes and Insurance Premiums or if Agent's access to the funds contained in the Taxes and Insurance Reserve Subaccount (or other account holding reserves for payment of Taxes or Insurance Premiums) is constrained or restricted in any manner, the aforesaid application of sums shall not be deemed to relieve Borrower from Borrower's obligations hereunder to pay any Taxes or Insurance Premiums.

#### **Section 4.8 The Accounts Generally.**

(a) Borrower grants to Agent a first-priority perfected security interest in each of the Reserve Funds, the Accounts and any and all sums now or hereafter deposited in the Reserve Funds and the Accounts as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds and the Accounts shall constitute additional security for the Debt. The provisions of this Section 4.8 (together with the other related provisions of the other Loan Documents) are intended to give Lender and/or Agent "control" of the Reserve Funds, the Accounts and the Account Collateral and serve as a "security agreement" and a "control agreement" with respect to the same, in each case, within the meaning of the UCC. Borrower acknowledges and agrees that the Reserve Funds and the Accounts are subject to the sole dominion, control and discretion of Agent, its authorized agents or designees, subject to the terms hereof, and Borrower shall have no right of withdrawal with respect to any Reserve Funds except with the prior written consent of Lender or as otherwise provided herein. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender and/or Agent. Notwithstanding anything to the contrary contained herein, unless otherwise consented to in writing by Agent, Borrower shall only be permitted to request (and Agent shall only be required to disburse) Reserve Funds on account of the liabilities, costs, work and other matters (as applicable) for which said sums were originally reserved hereunder, in each case, as reasonably determined by Agent.

(b) Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in the Reserve Funds or the Accounts or permit any lien to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Agent as the secured party, to be filed with respect thereto. Borrower hereby authorizes Agent to file a financing statement or statements under the UCC in connection with any of the Reserve Funds, the Accounts and the Account Collateral in the form required to properly perfect Agent's security interest therein. Borrower agrees that at any time and from time to time, at the expense of Borrower, Borrower will promptly execute and deliver all further instruments and documents, and take all further action, that may be reasonably necessary or desirable, or that Agent may reasonably request, in order to perfect and protect any security interest granted or purported to be granted hereby (including, without limitation, any security interest in and to any "permitted investments" as set forth in Section 13.8 hereof) or to enable Agent to exercise and enforce its rights and remedies hereunder with respect to any Reserve Funds, the Accounts or Account Collateral.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon the occurrence and during the continuance of an Event of Default, without notice from Agent or Lender (i) Borrower shall have no rights in respect of the Reserve Funds, the

Accounts or the Account Collateral, (ii) Agent may liquidate and transfer any amounts then invested in “permitted investments” pursuant to the applicable terms hereof to the Accounts or reinvest such amounts in other “permitted investments” as Agent may reasonably determine is necessary to perfect or protect any security interest granted or purported to be granted hereby or pursuant to the other Loan Documents or to enable Agent to exercise and enforce Agent or Lender’s rights and remedies hereunder or under any other Loan Document with respect to any Reserve Funds, Account or any Account Collateral and (iii) Agent shall have all rights and remedies with respect to the Accounts, Reserve Funds and the Account Collateral as described in this Agreement, the Security Instrument and the Pledge Agreement, in addition to all of the rights and remedies available to a secured party under the UCC, and, notwithstanding anything to the contrary contained in this Agreement or in the Pledge Agreement, may apply the amounts of the Reserve Funds as Agent determines in its sole discretion including, but not limited to, payment of the Debt.

(d) The insufficiency of Reserve Funds shall not absolve Borrower of the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

(e) Borrower shall indemnify Agent and Lender and hold Agent and Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys’ fees and expenses) arising from or in any way connected with the Reserve Funds, the Accounts, or the performance of the obligations for which the Reserve Funds were established, except to the extent arising from the gross negligence or willful misconduct of Agent or Lender, its agents or employees, in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment. Borrower shall assign to Agent or Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds and the Accounts; provided, however, that Agent may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

(f) All Reserve Funds shall be held in Eligible Accounts. Borrower and Lender (or Agent on behalf of Lender) shall maintain each applicable Account as an Eligible Account, except as otherwise expressly agreed to in writing by Agent. In the event that Lender or Agent no longer satisfies the criteria for an Eligible Institution, Borrower shall cooperate with Agent and Lender in transferring the applicable Accounts to an institution that satisfies such criteria. Borrower hereby grants Agent power of attorney (irrevocable for so long as the Loan is outstanding) with respect to any such transfers and the establishment of accounts with a successor institution.

(g) Borrower acknowledges and agrees that the Accounts shall be non-interest bearing.

(h) Borrower acknowledges and agrees that it solely shall be, and shall at all times remain, liable to Lender or Agent for all fees, charges, costs and expenses in connection with the Reserve Funds, the Accounts, this Agreement and the enforcement hereof, including, without limitation, any monthly or annual fees or charges as may be assessed by Lender or Agent in connection with the administration of the Reserve Funds, the Accounts and the reasonable fees

and expenses of legal counsel to Lender and Agent as needed to enforce, protect or preserve the rights and remedies of Lender and/or Agent under this Agreement.

(i) Borrower shall report on its federal, state and local income tax returns all interest or income accrued on the Reserve Funds.

(j) Agent and Lender shall have the right to (i) allocate all or any portion of the Reserve Funds to any reserve required under the loan documents for the Leveraged Loan, and (ii) deposit all or any portion of the Reserve Funds in an account controlled by the lender under the Leveraged Loan, to be applied in accordance with the terms and conditions of the loan documents for the Leveraged Loan.

### Section 5.2 Validity of Documents.

(a) The execution, delivery and performance of this Agreement, the Note, the Security Instrument and the other Loan Documents by Borrower and its applicable Affiliates and the borrowing evidenced by the Note and this Agreement (i) are within the power and authority of such parties; (ii) have been authorized by all requisite organizational action of such parties; (iii) except where the failure to do so would not likely result in a Material Adverse Effect, have received all necessary approvals and consents, corporate, governmental or otherwise; (iv) except where the failure to do so would not likely result in a Material Adverse Effect, will not violate, conflict with,

The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (except as such enforcement may be limited by bankruptcy, insolvency, fraudulent transfers, reorganization, moratorium or other similar Creditors Rights Laws, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)), and Borrower has not asserted any right of rescission, set-off, counterclaim or defense with respect thereto;

(e) each Pledge Agreement and any other Loan Documents to which a Pledgor is a party have been duly executed and delivered by such Pledgor through the authorized representative of such Pledgor;

(f) each Pledge Agreement and any other Loan Documents to which a Pledgor is a party constitute the legal, valid and binding obligations of such Pledgor and are enforceable against such Pledgor in accordance with their respective terms. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Pledgor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (except as such enforcement may be limited by bankruptcy, insolvency, fraudulent transfers, reorganization, moratorium or other similar Creditors Rights Laws, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)), and Pledgor has not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

(b) [Intentionally Omitted].

(c) Within ten (10) days of Agent’s request, Borrower shall furnish Agent (and shall cause Sponsor, Pledgor and/or Guarantor to furnish to Agent) with such other additional financial or management information (including, without limitation, State and Federal tax returns) as may, from time to time, be reasonably required by Agent in form and substance satisfactory to Agent. Borrower shall furnish to Agent and its agents convenient facilities for the examination and audit of any such books and records at any reasonable time from time to time during business hours upon reasonable advance notice.

(d) Borrower agrees that all financial statements and other items required to be delivered to Agent pursuant to this Section 7.12 (each a “**Required Financial Item**” and, collectively, the “**Required Financial Items**”) shall, to the best of Borrower’s knowledge: (i) be complete and correct in all material respects; (ii) present fairly the financial condition of the party; (iii) disclose all liabilities that are required to be reflected or reserved against; and (iv) be prepared (A) in hardcopy and electronic formats, (B) in accordance with the Approved Accounting Method or in accordance with other methods acceptable to Agent in its sole discretion (consistently

applied) and (C) if reasonably requested by Agent during the existence of a Default, be subjected and evaluated pursuant to a “forensic accounting” (in form and scope satisfactory to Agent) by an independent certified forensic accountant acceptable to Agent. Borrower shall be deemed to warrant and represent that, as of the date of delivery of any such financial statement of Borrower, there has been no material adverse change in financial condition, nor have any assets or properties been sold, transferred, assigned, mortgaged, pledged or encumbered since the date of such financial statement except as disclosed by Borrower in a writing delivered to Agent. Borrower agrees that all Required Financial Items shall not contain any misrepresentation or omission of a material fact.

(e) If any Required Financial Item is not timely delivered (“**Reporting Failure**”), following written notice from Agent, Borrower shall promptly pay to Agent, as a late charge, the sum of One Thousand and No/100 Dollars (\$1,000) per Required Financial Item; provided, that, if such breach was unintentional and is reasonably susceptible of cure within ten (10) Business Days, then no late charge shall be payable so long as Borrower shall cause such breach to be cured within such ten (10) Business Day Period, provided, however, the foregoing cure right shall only be available with respect to one (1) such breach during any 366 consecutive day period. In addition, Borrower shall promptly pay to Agent an additional late charge of Five Hundred and No/100 Dollars (\$500.00) per Required Financial Item for each full month during which such Reporting Failure continues following written notice from Agent. Borrower acknowledges that Lender and/or Agent will incur additional expenses as a result of any such Reporting Failure, which expenses would be impracticable to quantify, and that Borrower’s payments under this Section 7.12 are a reasonable estimate of such expenses. Borrower acknowledges further that the payment by Borrower of this late charge does not in any manner affect or otherwise impair or waive any rights and remedies Agent may have hereunder, under the Loan Documents or under applicable law for any Event of Default.

#### **Section 7.13 Estoppel Certificates.**

(a) After request by Agent, Borrower, within ten (10) days of such request, shall furnish Agent or any proposed assignee with a statement, duly acknowledged and certified, setting forth, to the best of Borrower’s knowledge (i) the original principal amount of the Note, (ii) the unpaid principal amount of the Note, (iii) the rate of interest of the Note, (iv) the terms of payment and maturity date of the Note, (v) the date installments of interest and/or principal under the Loan were last paid, (vi) that, except as provided in such statement, no Event of Default exists, (vii) that this Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification, (viii) whether any offsets or defenses exist against the obligations secured hereby, and if any are alleged to exist, a detailed description thereof, (ix) that all Leases and the Ground Lease are in full force and effect and have not been modified (or if modified, setting forth all modifications), (x) the date to which the Rents and Profits thereunder have been paid pursuant to the Leases and the Ground Lease, (xi) whether or not, to the best knowledge of Borrower, any of the Tenants are in default under the Leases, and, if any of the Tenants are in default, setting forth the specific nature of all such defaults, (xii) whether or not Borrower or Ground Lessor is in default under the Ground Lease, and, if there is any default, setting forth the specific nature of all such defaults, (xiii) the amount of security deposits held by Borrower under each Lease and that such amounts are consistent with the amounts required under

each Lease, and (xiv) as to any other matters reasonably requested by Agent and reasonably related to the Leases and the Ground Lease, the obligations created and evidenced hereby and by the Security Instrument, the Pledge Agreement or the Property.

(b) Borrower shall use its best efforts to deliver to Agent, promptly upon request, duly executed estoppel certificates from any one or more Tenants as required by Agent attesting to such facts regarding the Lease as Agent may require, including, but not limited to, attestations that each Lease covered thereby is in full force and effect with no defaults thereunder on the part of any party, that none of the Rents and Profits have been paid more than one month in advance, except as security, and that the lessee claims no defense or offset against the full and timely performance of its obligations under the Lease.

(c) In connection with any Secondary Market Transaction, at Agent's request, Borrower shall provide an estoppel certificate to any Investor or any prospective Investor in such form, substance and detail as Agent, such Investor or prospective Investor may reasonably require.

(d) Borrower shall use commercially reasonable efforts deliver to Agent, upon request, estoppel certificates from each party under each REA and each Material Agreement in form and substance reasonably acceptable to Agent.

#### **Section 7.14 Leases and Rents.**

(a) Upon request, Borrower shall furnish Agent with executed copies of all Leases then in effect. All renewals of Leases and all proposed leases shall provide for rental rates and terms comparable to existing local market rates and shall be arm's length transactions with bona fide, independent third-party Tenants. Within ten (10) days after the execution of a Lease or any renewals, amendments or modification of a Lease, Borrower shall deliver to Agent a copy thereof, together with Borrower's certification that such Lease (or such renewal, amendment or modification) was entered into in accordance with the terms of this Agreement.

(b) Any Lease and any renewals, amendments or modification of a Lease (provided such Lease or Lease renewal, amendment or modification is not a Major Lease (or a renewal, amendment or modification to a Major Lease)) that meets the following requirements may be entered into by Borrower without Agent's prior consent: such Lease (i) provides for rental rates comparable to existing local market rates for similar properties and is otherwise on commercially reasonable terms, (ii) unless a subordination, non-disturbance and attornment agreement is delivered pursuant to this Section 7.14, provides that such Lease is subordinate to the Security Instrument and that the lessee will attorn to Lender and any purchaser at a foreclosure sale, (iii) is written substantially in accordance with the standard form of Lease which shall have been approved by Agent (subject to any commercially-reasonable changes made in the course of negotiations with the applicable Tenant), (iv) is not with an Affiliate of Borrower, Sponsor, Pledgor or any Guarantor, and (v) does not contain any option to purchase, any right of first refusal to purchase, any right to terminate (except in the event of the destruction or condemnation of substantially all of the Property) or any other terms which would cause a Material Adverse Effect. All other Leases (including Major Leases) and all renewals, amendments and modifications thereof (including, without limitation, any subletting or assignment thereunder not contemplated by the express terms of such Lease (other than any subletting or assignment which does not require

Borrower's consent under such Lease)) or waivers thereunder executed (or otherwise agreed to) after the date hereof shall be subject to Lender's prior approval, which approval shall not be unreasonably withheld or delayed (provided, however, notwithstanding the foregoing, Lender may withhold consent to a Lease with a Close Affiliate in its sole and absolute discretion).

(c) Agent shall execute and deliver a Subordination, Non-Disturbance and Attornment Agreement on Agent's then current standard form, or on such other form reasonably acceptable to Agent, to Tenants under future Major Leases approved by Agent promptly upon request with such commercially reasonable changes as may be requested by Tenants, from time to time, as are reasonably acceptable to Agent.

(d) Borrower shall (i) observe and perform the obligations imposed upon the lessor under the Leases in all material respects in a commercially reasonable manner; (ii) enforce the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed in a commercially reasonable manner, provided, however, Borrower shall not terminate or accept a surrender of a Major Lease without Lender's prior approval; (iii) not collect any of the Rents and Profits more than one (1) month in advance (other than security deposits); (iv) not execute any assignment of lessor's interest in the Leases or the Rents and Profits (except as contemplated by the Loan Documents); (v) not, without Lender's consent, alter, modify or change any Lease so as to change the amount of or payment date for rent, change the expiration date, grant any option for additional space or term, materially reduce the obligations of the lessee or increase the obligations of lessor; and (vi) hold all security deposits under all Leases in accordance with Applicable Law.

(e) Notwithstanding anything contained herein to the contrary, Borrower shall not willfully withhold from Agent or Lender any information regarding renewal, extension, amendment, modification, waiver of provisions of, termination, rental reduction of, surrender of space of, or shortening of the term of, any Lease during the term of the Loan. Borrower further agrees to provide Agent with written notice of a Tenant "going dark" under such Tenant's Lease within five (5) Business Days after Borrower becomes aware that such Tenant "goes dark" and Borrower's failure to provide such notice shall constitute an Event of Default.

#### **Section 7.15 Management Agreement.**

(a) Borrower shall (i) diligently perform, observe and enforce all of the terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed, observed and enforced to the end that all things shall be done which are necessary to keep unimpaired the rights of Borrower under the Management Agreement and (ii) promptly notify Agent of the giving of any written notice to Borrower of any default by Borrower in the performance or observance of any of the terms, covenants or conditions of the Management Agreement on the part of Borrower to be performed and observed and deliver to Agent a true copy of each such notice. Without Agent's prior written consent, Borrower shall not surrender the Management Agreement, consent to the assignment by Manager of its interest under the Management Agreement, or terminate or cancel the Management Agreement or modify, change, supplement, alter or amend the Management Agreement, in any material respect, either orally or in writing, and Borrower hereby assigns to Agent as further security for the payment of the Debt and for the performance and observance of the terms, covenants and conditions of this Agreement,

all the rights, privileges and prerogatives of Borrower to surrender the Management Agreement or to terminate, cancel, modify, change, supplement, alter or amend the Management Agreement in any material respect, and any such surrender of the Management Agreement or termination, cancellation, modification, change, supplement, alteration or amendment of the Management Agreement without the prior consent of Agent shall be void and of no force and effect. Additionally, Borrower agrees that all management fees (including any asset management fees) pursuant to any Management Agreement shall not exceed three percent (3%) of annual "gross revenue" (as defined in the applicable Management Agreement) with respect to any base management fee, and ten percent (10%) of Hotel Operating Profit over budgeted Hotel Operating Profit (as such term is defined in each Management Agreement in place as of the Closing Date) with respect to any incentive fee.

(b) If Borrower shall default in the performance or observance of any material term, covenant or condition of the Management Agreement on the part of Borrower to be performed or observed, then, without limiting the generality of the other provisions of this Agreement, and without waiving or releasing Borrower from any of its obligations hereunder, Agent shall have the right, but shall be under no obligation, to pay any sums and to perform any act or take any action as may be appropriate to cause all the terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed or observed to be promptly performed or observed on behalf of Borrower, to the end that the rights of Borrower in, to and under the Management Agreement shall be kept unimpaired and free from default. Agent and any person designated by Agent shall have, and are hereby granted, the right to enter upon the Property at any time and from time to time for the purpose of taking any such action. If Manager shall deliver to Agent a copy of any notice sent to Borrower of default under the Management Agreement, such notice shall constitute full protection to Agent for any action taken or omitted to be taken by Agent in good faith, in reliance thereon.

(c) Borrower shall notify Agent, semi-annually, if Manager sub-contracts to a third party or an affiliate any or all of its management responsibilities under the Management Agreement (which such notice shall include a financial statement setting forth the amount of Centralized Services (as defined in the Management Agreement) and the cost thereof with respect to the Property). Borrower shall, from time to time, use its best efforts to obtain from Manager under the Management Agreement such certificates of estoppel with respect to compliance by Borrower with the terms of the Management Agreement as may be requested by Agent. Borrower shall exercise each individual option, if any, to extend or renew the term of the Management Agreement upon demand by Agent made at any time within one (1) year of the last day upon which any such option may be exercised, and Borrower hereby expressly authorizes and appoints Agent its attorney-in-fact to exercise any such option in the name of and upon behalf of Borrower, which power of attorney shall be irrevocable and shall be deemed to be coupled with an interest. Any sums expended by Agent pursuant to this paragraph shall bear interest at the Default Rate from the date such cost is incurred to the date of payment to Agent, shall be deemed to constitute a portion of the Debt, shall be secured by the lien of the Security Instrument, the Pledge Agreement and the other Loan Documents and shall be immediately due and payable upon demand by Agent therefor.

(d) Borrower shall cause the hotel located at each Property to be operated at all times under a Management Agreement with a Qualified Manager. Without limitation of the foregoing, if the Management Agreement is terminated pursuant to the Assignment of Management

Agreement or for any other reason, then Agent, at its option, may require Borrower to engage, in accordance with the terms and conditions set forth in the Assignment of Management Agreement, a new manager (the “**New Manager**”) to manage the Property, which such New Manager shall be a Qualified Manager. New Manager shall be engaged by Borrower pursuant to a written management agreement that complies with the terms hereof and of the Assignment of Management Agreement and is otherwise reasonably satisfactory to Agent in all respects. New Manager and Borrower shall execute an Assignment of Management Agreement in the form then used by Agent (after addressing and incorporating any revisions to the form thereto, as reasonably required by New Manager). Without limitation of the foregoing, if required by Agent, Borrower shall, as a condition precedent to Borrower’s engagement of such New Manager, obtain a Rating Agency Confirmation (to the extent any Securities are then outstanding) with respect to such New Manager and management agreement. To the extent that such New Manager is an Affiliated Manager, Borrower’s engagement of such New Manager shall be subject to Borrower’s delivery to Agent of a New Non-Consolidation Opinion with respect to such New Manager and new management agreement.

(e) The terms and provisions of this Section 7.15 shall not be deemed to limit the other terms and conditions hereof or of the other Loan Documents. Notwithstanding anything to the contrary contained herein, to the extent that any of the Hotel Brand Agreements are contained or subsumed in, incorporated by reference in or otherwise provided or addressed in any Management Agreement or other similar agreement, such Management Agreement or other agreement shall (i) be deemed to be a Franchise Agreement for all purposes hereunder (including, without limitation, under this Section 7.15 and Sections 5.19, 5.35 and 7.29), (ii) be subject to all terms and conditions set forth herein and in the other Loan Documents relating to the Franchise Agreement (including, without limitation, and to the extent applicable, Section 7.29 hereof) and (iii) shall also be subject to each other applicable provision contained herein and the other Loan Documents pertaining to Management Agreements.

#### **Section 7.16 Payment for Labor and Materials.**

(a) Subject to Section 7.16(b) hereof, Borrower will promptly pay when due all bills and costs for labor, materials, and specifically fabricated materials incurred in connection with the Property (any such bills and costs, a “**Work Charge**”) and never permit to exist in respect of the Property or any part thereof any lien or security interest, even though inferior to the liens and the security interests hereof, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest other than the liens or security interests created hereby and by the Security Instrument, except for the Permitted Encumbrances.

(b) Upon written notice to Agent, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the validity of any Work Charge, the applicability of any Work Charge to Borrower or to the Property or any alleged non-payment of any Work Charge and defer paying the same, provided that (i) no Event of Default has occurred and is continuing; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all Applicable Law; (iii) neither the Property nor any part thereof or

interest therein will be in imminent danger of being sold, forfeited, terminated, cancelled or lost; (iv) Borrower shall promptly upon final determination thereof pay (or cause to be paid) any such contested Work Charge determined to be valid, applicable or unpaid; (v) such proceeding shall suspend the collection of such contested Work Charge from the Property or Borrower shall have paid the same (or shall have caused the same to be paid) under protest; and (vi) Borrower shall furnish (or cause to be furnished) such security as may be required in the proceeding, or as may be reasonably requested by Agent, to insure payment of such Work Charge, together with all interest and penalties payable in connection therewith. Agent may apply any such security or part thereof, as necessary to pay for such Work Charge at any time when, in the judgment of Agent, the validity, applicability or non-payment of such Work Charge is finally established or the Property (or any part thereof or interest therein) shall be in present danger of being sold, forfeited, terminated, cancelled or lost.

**Section 7.17 Performance of Other Agreements.** Borrower shall observe and perform each and every material term to be observed or performed by Borrower pursuant to the terms of any agreement or recorded instrument affecting or pertaining to the Property, or given by Borrower to Agent for the purpose of further securing the Debt and any amendments, modifications or changes thereto. Borrower shall cause Pledgor to observe and perform each and every term to be observed or performed by Pledgor, pursuant to the terms of any agreement or instrument affecting or pertaining to the Equity Collateral, or given by Pledgor to Agent for the purpose of further securing the Debt and any amendments, modifications or changes thereto.

**Section 7.18 Debt Cancellation.** Borrower shall not cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

**Section 7.19 ERISA.**

(a) Borrower shall not engage in any transaction (or permit Pledgor to engage in any transaction) which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Agent of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative exemption) prohibited transaction or Fiduciary Breach under ERISA ("ERISA") or constitute a violation of any state statute, regulation or ruling impacting a Defined Benefit Plan or a governmental plan.

(b) Borrower shall deliver to Agent such certifications or other evidence from time to time throughout the term of the Loan, as requested by Agent in its sole discretion, that (A) neither Borrower nor Pledgor is an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (B) either (i) Borrower or Pledgor is not subject to any state statute, regulation or ruling regulating investments of, or fiduciary obligations with respect to, governmental plans or (ii) the condition set forth in clause (C)(v) below is true; and (C) one or more of the following circumstances is true:

(i) Equity interests in Pledgor and Pledgor are publicly offered securities, within the meaning of 29 C.F.R. §2510.3-101(b)(2);

(ii) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower and Pledgor is held by “benefit plan investors” within the meaning of 29 C.F.R. §2510.3-101(f)(2), as modified by ERISA Section 3(42), disregarding the value of any equity interests in Borrower held by (I) a person (other than a benefit plan investor) who has discretionary authority or control with respect to the assets of Borrower or Pledgor, (II) any person who provides investment advice for a fee (direct or indirect) with respect to the assets of Borrower or Pledgor, or (III) any affiliate of a person described in the immediately preceding clause (I) or (II);

(iii) Each of Borrower and Pledgor qualifies as an “operating company” or a “real estate operating company” within the meaning of 29 C.F.R. §2510.3-101(c) or (e);

(iv) The assets of Borrower and Pledgor are not otherwise “plan assets” of one or more “employee benefit plans” (as defined in Section 3(3) of ERISA) subject to Title I of ERISA, within the meaning of 29 C.F.R. §2510.3-101, as modified by ERISA Section 3(42); or

(v) If a state statute, regulation or ruling does apply to transactions by or with Borrower (or Pledgor) regulating investments of, or fiduciary obligations with respect to, governmental plans, no transactions contemplated by the Loan Documents will violate such statute, regulation or ruling.

Borrower shall not (and shall not permit Pledgor) maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of Borrower or Pledgor to, maintain, sponsor, contribute to or become obligated to contribute to, any Defined Benefit Plan or a Multiemployer Plan or permit the assets of Borrower or Pledgor to (i) become “plan assets,” whether by operation of law or under regulations promulgated under ERISA or (ii) become subject to any state statute, regulation or ruling regulating investments of, or fiduciary obligations with respect to, governmental plans.

**Section 7.20 No Joint Assessment.** Borrower shall not suffer, permit or initiate the joint assessment of the Property with (a) any other real property constituting a tax lot separate from the Property, or (b) any portion of the Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to the Property.

**Section 7.21 Alterations; New Improvements.**

(a) Agent’s prior approval shall be required in connection with any alterations to any Improvements (a) that may have a Material Adverse Effect, (b) the cost of which (including any related alteration, improvement or replacement) is reasonably anticipated to exceed the Alteration Threshold, or (c) that are structural in nature (including supports, foundations, roofs and/or walls), except for (w) any alterations performed as a part of a Restoration in accordance with Section 9.4 hereof, (x) any alterations or tenant improvements being made expressly pursuant to existing Leases that have been reviewed and approved by Agent, (y) any Immediate Repairs and (z) any alterations to any Improvements that are needed in Borrower’s reasonable opinion because of an emergency, imminent threat of injury or damage to people or property located at the Property. If

the total unpaid amounts incurred and to be incurred with respect to any alterations to the Improvements shall at any time exceed the Alteration Threshold, to the extent required by Agent, Borrower shall promptly deliver to Agent as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (i) cash, (ii) U.S. Obligations, (iii) other securities acceptable to Agent (provided that Agent shall have received a Rating Agency Confirmation as to the form and issuer of the same), or (iv) a completion bond (provided that Agent shall have received a Rating Agency Confirmation as to the form and issuer of the same). Such security shall be in an amount equal to the excess of the total unpaid amounts incurred and to be incurred with respect to such alterations to the Improvements over the Alteration Threshold. All alterations to any Improvements shall be made lien-free and in a good and workmanlike manner in accordance with all Applicable Laws. Subject in all cases to Agent's consent rights as set forth above, Borrower shall not, without the prior written consent of Franchisor, undertake any alterations to any Improvements except those are expressly permitted pursuant to the applicable Franchise Agreement.

(b) Agent's prior approval shall be required in connection with the construction of any new, stand-alone Improvements on the Property.

**Section 7.22 REA Covenants.** Borrower shall (a) promptly perform and/or observe, in all material respects, all of the covenants and agreements required to be performed and observed by it under any REA and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (b) promptly notify Agent of any material default under any REA of which it is aware; (c) promptly deliver to Agent a copy of each financial statement, business plan, capital expenditures plan, notice, report and estimate received by it under any REA; (d) enforce the performance and observance of all of the covenants and agreements required to be performed and/or observed under any REA in a commercially reasonable manner; (e) cause the Property to be operated, in all material respects, in accordance with any REA; and (f) not, without the prior written consent of Agent, (i) enter into any new REA or execute modifications to any existing REA, (ii) surrender, terminate or cancel any REA, (iii) reduce or consent to the reduction of the term of any REA (unless any of the foregoing is as of right with respect to any counterparty expressly set forth under such REA for which Borrower has no consent right), (iv) increase or consent to the increase of the amount of any charges under any REA (unless any of the foregoing is as of right with respect to any counterparty expressly set forth under such REA for which Borrower has no consent right), (v) otherwise modify, change, supplement, alter or amend, or waive or release any of its rights and remedies under, any REA in any material respect, or (vi) following the occurrence and during the continuance of an Event of Default, exercise any rights, make any decisions, grant any approvals or otherwise take any action under any REA.

#### **Section 7.24 Interest Rate Protection Agreement.**

(a) Subject to the last sentence of this Section 7.24(a), at all times during the term of the Loan, Borrower shall (and/or shall cause HoldCo to) maintain in effect an Interest Rate Protection Agreement having a term equal to the term of the Loan, with an initial notional amount equal to the principal amount of the Loan and with a Counterparty reasonably acceptable to Agent having a Minimum Counterparty Rating. If Borrower or HoldCo obtains one (1) interest rate cap, the SOFR strike rate under the Interest Rate Protection Agreement shall be equal to or less than the Capped SOFR Rate (or, if the Loan is a Substitute Rate Loan, the strike rate under the applicable Interest Rate Protection Agreement shall be equal to or less than the Capped Substitute Rate), or if Borrower or HoldCo obtains more than one (1) interest rate cap, the blended SOFR (or Substitute Base Rate, as applicable) strike rate under the Interest Rate Protection Agreement, as determined by Agent, shall be equal to or less than the Capped SOFR Rate (or Capped Substitute Rate, as applicable). The Interest Rate Protection Agreement shall be in form and substance substantially similar to the Interest Rate Protection Agreement in effect as of the date hereof. In the event of any downgrade or withdrawal of the rating of such Counterparty by any Rating Agency below the Minimum Counterparty Rating, Borrower shall (and/or shall cause HoldCo to) replace the Interest Rate Protection Agreement not later than thirty (30) days following receipt of notice of such downgrade or withdrawal with an Interest Rate Protection Agreement in form and substance reasonably satisfactory to Agent (and meeting the requirements set forth in this Section 7.24) from a Counterparty reasonably acceptable to Agent having a Minimum Counterparty Rating. Borrower shall (and/or shall cause HoldCo to) deliver an assignment of interest rate protection agreement, executed by Borrower or HoldCo, as the case may be, and acknowledged by the applicable Counterparty, in form and substance reasonably acceptable to Agent, in connection with any Interest Rate Protection Agreement delivered to Agent pursuant to the terms hereof. At the time Borrower or HoldCo, as the case may be, enters into any Interest Rate Protection Agreement, the Counterparty and Borrower or HoldCo, as the case may be, shall each be an "Eligible Contract Participant," as such term is defined under the Commodity Exchange Act, and shall otherwise satisfy all requirements under the Dodd Frank Wall Street Reform and Consumer Protection Act in connection with entering into the Interest Rate Protection Agreement. At any time that the Loan accrues interest at the Substitute Rate, Borrower shall (and/or shall cause HoldCo to), within thirty (30) days following a Substitute Rate Loan Conversion, enter into, and make all payments under, a replacement Interest Rate Protection Agreement (or other hedge

arrangement acceptable to Agent in Agent's sole but good faith discretion and generally accepted as industry standard, as determined by Agent) on the Substitute Base Rate in lieu of Term SOFR.

(b) In connection with each Interest Rate Protection Agreement, Borrower shall (and/or shall cause HoldCo to) obtain and deliver to Agent an opinion from counsel (which counsel may be in house counsel for the Counterparty) for the Counterparty (upon which Agent and its successors and assigns may rely) which shall provide, in relevant part, that:

(i) the Counterparty is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Protection Agreement;

(ii) the execution and delivery of the Interest Rate Protection Agreement by the Counterparty, and any other agreement which the Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property;

(iii) all consents, authorizations and approvals required for the execution and delivery by the Counterparty of the Interest Rate Protection Agreement, and any other agreement which the Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and

(iv) the Interest Rate Protection Agreement, and any other agreement which the Counterparty has executed and delivered pursuant thereto, has been duly executed and delivered by the Counterparty and constitutes the legal, valid and binding obligation of the Counterparty, enforceable against the Counterparty in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

**Section 7.25 Certain Additional Rights of Agent (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Agent shall have:

(a) the right to routinely consult with and advise Borrower's and Pledgor's management regarding the significant business activities and business and financial developments of Borrower and Pledgor; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances. Consultation meetings should occur on a regular basis (no less frequently than quarterly) with Agent having the right to call special meetings at any reasonable times and upon reasonable advance notice;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower and Pledgor at any reasonable times upon reasonable notice; and

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 7.12 hereof, to receive monthly, quarterly and year-end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness.

The rights described above in this Section 7.25 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Agent.

**Section 7.26 Source of Repayment and Collateral.** Borrower shall not fund any repayment of the Debt with proceeds, or provide as collateral any Property, that is directly or indirectly derived from any transaction or activity that is prohibited by Sanctions, AML Law or Anti-Corruption Laws, or that could otherwise cause the Agent or any other party to this Agreement and/or any other Loan Document to be in breach of Sanctions, AML Law or Anti-Corruption Laws.

**Section 7.27 CFIUS.** During the term of the Loan, Borrower shall (and shall cause Pledgor and the holders of any other direct or indirect, legal and/or beneficial, interests in Borrower or Pledgor to) (a) within five (5) days of receipt of the same, notify Agent of, and provide Agent with a copy of, any inquiry received from CFIUS or any other Governmental Authority related to Borrower's acquisition of the Property, (b) make any filing requested by CFIUS related to Borrower's acquisition of the Property, (c) cooperate with, and fully respond to any inquiries received from, CFIUS or any Governmental Authority related to CFIUS's review and/or investigation (the "CFIUS Review") related to Borrower's acquisition of the Property, in each case, within the time permitted by CFIUS or such Governmental Authority, as applicable, and (d) subject to the terms and conditions hereof (including, without limitation, Article 8 hereof), take any mitigation measures requested by CFIUS and/or any Governmental Authority in connection with the CFIUS Review.

**Section 7.28 PACE Loans.** Borrower shall not incur or accept a PACE Loan and shall not permit or suffer the existence of any PACE Lien on all or any portion of the Property, in either case without Agent's prior written consent thereto.

**Section 7.29 Franchise Agreement Covenants.**

(a) Borrower shall cause the Property to be operated, "flagged" and branded pursuant to the Franchise Agreement. Borrower shall not change the "flag" or other brand applicable to the Property, enter into any Hotel Brand Agreement with respect to the Property, replace or terminate (or permit to be replaced or terminated) any Franchisor or Franchise Agreement or consent to the assignment of Franchisor's rights under such Franchise Agreement, in each case, unless (i) no Event of Default has occurred and is continuing, (ii) Agent receives at least sixty (60) days prior written notice of the same, (iii) after giving effect to same, the Property will be "flagged", operated and branded pursuant to a Qualified Franchise Agreement, (iv) the applicable New Franchisor is a Qualified Franchisor engaged pursuant to a Qualified Franchise Agreement, (v) all Hotel Brand Agreements are subsumed within the applicable Qualified Franchise Agreement or otherwise collectively approved hereunder in connection with the approval of the applicable Qualified Franchise Agreement, (vi) the same will not result in a Property Document Event or a default under any Property Document, (vii) Borrower obtains Agent's prior written approval in connection

therewith (which such approval may be granted or withheld in Agent's reasonable discretion and may be conditioned upon Agent's receipt of a Rating Agency Confirmation) and (viii) all other applicable conditions related thereto contained herein and in the other Loan Documents (including, without limitation, under the other provisions of this Section 7.29) are satisfied. Borrower shall not permit any existing Franchise Agreement to be terminated until a New Franchisor is engaged for the Property in accordance with the applicable terms and conditions hereof and of the other Loan Documents.

(b) With respect to any Franchise Agreement, Borrower shall (i) cause the Property to be "flagged", operated and branded pursuant to the same; (ii) promptly perform and observe all of the covenants required to be performed and observed by it under such Franchise Agreement and do all things reasonably necessary to preserve and to keep unimpaired its material rights thereunder; (iii) promptly notify Agent of any default under such Franchise Agreement or of any termination, cancellation or other modification thereof; (iv) promptly deliver to Agent a copy of each financial statement, business plan, capital expenditures plan, report, estimate and other material notices, in each case, received by it under such Franchise Agreement (including, without limitation, notices of default, notices concerning any of the trademarks licensed under such Franchise Agreement and notices requiring Borrower to perform any repairs, alterations, improvements or remodeling to the Property); (v) promptly enforce the performance and observance of all of the material covenants required to be performed and observed by the Franchisor under such Franchise Agreement; and (vi) use its best efforts to cause the Franchisor to deliver any franchisor comfort letters reasonably requested by Agent in form and substance reasonably acceptable to Agent. In addition, Borrower shall not, without Agent's prior written consent (not to be unreasonably withheld, conditioned or delayed) (A) surrender, terminate or cancel any Franchise Agreement, reject any Franchise Agreement in any proceeding under Creditors Rights Laws, consent to any assignment of the Franchisor's interest under any Franchise Agreement or otherwise replace a Franchisor or any Franchise Agreement; provided, however, that Borrower may replace Franchisor, enter into a new Franchise Agreement and/or consent to the assignment of a Franchisor's interest under any Franchise Agreement, in each case, in accordance with the applicable terms and conditions hereof and of the other Loan Documents; (B) reduce or consent to the reduction of the term of any Franchise Agreement; (C) increase or consent to the increase of the amount of any charges under any Franchise Agreement; (D) otherwise modify, change, supplement, alter, renew, extend or amend, or waive or release any of its rights and remedies under, any Franchise Agreement; or (E) suffer or permit the occurrence of continuance a default beyond any applicable cure period under any Franchise Agreement. Upon request, Borrower shall promptly furnish Agent with a true, correct and complete copy of the then existing Franchise Agreement (including, without limitation, any amendments, supplements or other modifications thereof).

(c) If (i) a Franchisor shall become bankrupt or insolvent or (ii) there exists a default by a Franchisor beyond all applicable notice and cure periods under any Franchise Agreement (each of the foregoing, collectively, the "**Franchise Triggers**"), Borrower shall, at the request of Agent and if permitted under the Franchise Agreement, terminate the applicable Franchise Agreement then in effect and cause the applicable aspects of the Property to be "flagged", operated and branded pursuant to a new Qualified Franchise Agreement with a New Franchisor that is a Qualified Franchisor, it being understood and agreed that the franchise fee for such Qualified Franchisor shall not exceed then prevailing market rates.

(d) Without limitation of the foregoing or anything else contained in this Section, (i) any renewal, extension or replacement of a Franchise Agreement shall be with a Qualified Franchisor pursuant to a Qualified Franchise Agreement and (ii) if any Franchise Agreement expires or is terminated, comes up for renewal or extension, ceases to be in full force or effect or is for any other reason no longer in effect (including, without limitation, in connection with any Sale or Pledge), Borrower shall, concurrently with such expiration, termination or other cessation, enter into, as applicable, a Qualified Franchise Agreement with a Qualified Franchisor (or a renewal or extension of an existing Qualified Franchise Agreement with an existing Qualified Franchisor); provided, that, notwithstanding the foregoing, such Qualified Franchisor shall be, if opted by Agent, (A) a new Qualified Franchisor under a new Qualified Franchise Agreement and (B) to the extent a Trigger Period is continuing, in each case, selected by Agent.

(e) By no later than the earlier of (i) twelve (12) months prior to the then current expiration date of the Franchise Agreement or (ii) the earliest date a renewal or extension notice is permitted to be sent under the Franchise Agreement, Borrower shall have (1)(A) renewed or extended the existing Franchise Agreement or (B) applied for a Qualified Franchise Agreement for the Property with a Qualified Franchisor and (2) obtained Agent's prior written consent to the foregoing.

(f) As conditions precedent to any engagement of a New Franchisor hereunder, (i) New Franchisor shall execute and deliver to Agent a comfort letter in form and substance reasonably acceptable to Agent, (ii) to the extent that such New Franchisor is an Affiliated Franchisor, Borrower shall deliver to Agent (A) a New Non-Consolidation Opinion with respect to such New Franchisor and new franchise agreement and (B) an assignment and subordination of such new franchise agreement in favor of Agent duly executed by Borrower and such New Franchisor in form and substance reasonably acceptable to Agent (which such assignment and subordination shall, without limitation, (1) provide Agent the right to directly (or to require Borrower to) terminate the New Franchise Agreement upon the occurrence of any Franchise Trigger without payment of any Applicable Termination Fees and (2) be in a form and provide such assurances as may, in each case, be necessary or desirable to assign to Agent and grant Agent a perfected a security interest in, in each case, all Licenses and Intellectual Property applicable to such New Franchise Agreement) and (iii) if requested by Agent, Borrower shall deliver to Agent evidence that the engagement of such New Franchisor will not result in a Property Document Event or a default under any Lease or management agreement.

(g) Notwithstanding anything to the contrary contained herein (but without limitation of any Agent approval or consent rights or Rating Agency Confirmation requirements set forth herein), to the extent that an Event of Default exists and any replacement of any Franchise Agreement with respect to the Property is, in each case, required pursuant to the terms hereof or is otherwise exercised as a right hereunder, Agent shall, in each case, have the right to consent to the replacement Franchise Agreement with respect to the Property.

(h) Borrower shall provide Agent prompt written notice of any PIP required in connection with any Franchise Agreement (including, without limitation, any renewal, extension or replacement thereof). Notwithstanding anything herein to the contrary, Borrower shall not agree to any PIP in connection with Franchisor or a New Franchisor without Agent's prior written consent thereto (which such consent may be conditioned upon, among other things, Agent's

engagement, at the sole cost and expense of Borrower, of third party consultant(s) to review and approve the PIP). Without limiting the foregoing approval rights of Lender, Borrower's deposit of the corresponding PIP Deposit as and to the extent required under Section 4.5 hereof shall be deemed an additional condition precedent to Lender granting any approval over any PIP or other matters relating to any Franchise Agreement (including, without limitation, any approval over any renewal or replacement thereof).

(i) Borrower shall complete and pay for in full any PIP in a good, workmanlike and lien free manner within the time-frame set forth in the PIP. To the extent that Borrower fails to perform any obligation under the Franchise Agreement (including, without limitation, any obligation to perform any PIP), Borrower hereby grants Agent the right, as Borrower's attorney-in-fact (which power of attorney shall be irrevocable and shall be deemed to be coupled with an interest), to perform any such obligation and, if required, to enter the Property in order to perform the same. The aforesaid right of Agent shall be exercisable by Agent at Agent's option and in Agent's sole discretion. Any exercise by Agent of the aforesaid right shall be deemed exercised in accordance with the applicable terms and conditions hereof and of the other Loan Documents.

(j) Notwithstanding anything herein to the contrary, (i) following the occurrence and during the continuance of an Event of Default, Borrower shall not exercise any rights, make any decisions, grant any approvals or otherwise take any action under the Franchise Agreement without the prior consent of Agent, which consent may be withheld in Agent's sole discretion and (ii) (A) Borrower's payment of all Applicable Termination Fees shall be deemed an additional condition precedent to any termination or other replacement of any Franchise Agreement hereunder, (B) Borrower shall, in all events, pay all Applicable Termination Fees as and when due and (C) Borrower paying (and providing Agent evidence of payment reasonably acceptable to Agent) all applicable costs and expenses incurred in connection with Borrower's satisfying any requirement or complying with any covenant under this Section 7.29 shall be an additional condition precedent to satisfying such requirement or complying with such covenant, as applicable, and no such covenant or requirement shall be deemed satisfied or complied with if such costs and expenses have not been paid or if Agent has not received reasonably acceptable evidence of payment thereof.

(k) The terms and provisions of this Section shall not be deemed to limit the other terms and conditions hereof or of the other Loan Documents. Notwithstanding anything to the contrary contained herein, to the extent that any of the Hotel Brand Agreements are contained or subsumed in, incorporated by reference in or otherwise provided or addressed in any Management Agreement or other similar agreement, such Management Agreement or other agreement shall (i) be deemed to be a Franchise Agreement for all purposes hereunder (including, without limitation, under this Section 7.29), (ii) be subject to all terms and conditions set forth herein and in the other Loan Documents relating to the Franchise Agreement and (iii) shall also be subject to each other applicable provision contained herein and the other Loan Documents (including, without limitation, and to the extent applicable, Section 7.15 hereof). In connection with any Agent approval rights under this Section 7.30, Borrower shall consult with and provide Agent with such information and documentation as Agent may reasonably request, which such consultation, information and documentation shall be provided within a reasonable period following Agent's request therefor.

(l) Borrower shall, at all times, cause each operating account, working capital account and/or reserve account maintained under any Franchise Agreement to be an Eligible Account maintained at an Eligible Institution.

**Section 7.30 Licenses; Intellectual Property.**

(a) Without limiting the other provisions of this Agreement and the other Loan Documents, Borrower shall keep all Licenses (including, without limitation, any liquor licenses and any trademark or other Licenses applicable to any Franchise Agreement) in full force and effect and, during the continuance of an Event of Default, Borrower will, at the cost of Borrower, and without expense to Agent, execute, acknowledge and deliver all such writings and take any all further actions necessary or reasonably requested by Agent to transfer any Licenses (including, without limitation, any liquor licenses and any trademark or other Licenses applicable to any Franchise Agreement) with respect to the Property into the name of Agent or its designee. To the extent any such Licenses (including, without limitation, any liquor licenses and any trademark or other Licenses applicable to any Franchise Agreement) cannot be so transferred to Agent or its designee under applicable law, Borrower shall continue to hold and maintain such Licenses in full force and effect for the benefit of Agent until such time as Agent can obtain such Licenses in its own name or the name of a designee. Without limiting the foregoing, Borrower shall execute such interim management, leasing or other agreements (which shall be in form and substance (a) satisfactory to Agent and the applicable licensing authorities and (b) reasonably satisfactory to Borrower, which such approval by Borrower shall not be unreasonably withheld, conditioned or delayed) as may be required for Agent to continue operations at the Property pursuant to such Licenses until such Licenses are transferred to, or are otherwise obtained by, Agent or its designee. Borrower constitutes and appoints Agent its true and lawful attorney-in-fact with full power of substitution to complete or undertake any action required of Borrower under this Section in the name of Borrower in the event Borrower fails to do the same; provided, however, Agent shall not exercise such power of attorney without five (5) Business Days prior written notice to Borrower.

(b) Borrower shall keep and maintain all Intellectual Property relating to the use or operation of the Property and all Intellectual Property (other than any Intellectual Property used by Borrower pursuant to any Franchise Agreement entered into in accordance with the applicable terms and conditions hereof) shall be held by and (if applicable) registered in the name of Borrower. Borrower shall not transfer or let lapse any Intellectual Property without Agent's prior consent. Any website with respect to the Property (other than Tenant websites) shall be maintained by or on behalf of Borrower and any such website shall be registered in the name of Borrower. Borrower shall not transfer any such website without Agent's prior consent.

**Section 7.31 Existing Violations.** Borrower shall clear any Existing Violations from the public record within sixty (60) days of the date hereof; provided that such period shall be extended for such additional period as may be commercially reasonable to clear the same, provided that Borrower is exercising diligent efforts to clear the same.

**Section 7.32 TCO/PCO.** Without limitation of any other terms or conditions hereof or of the other Loan Documents, Borrower shall (a) maintain the PCO at all times, or (b) solely with respect to any portion of the Property for which any TCO or PCO cannot be issued by the applicable Governmental Authority prior to completion of any PIP Work, then Borrower shall

complete (or cause to be completed) in a timely and diligent manner all requirements necessary or imposed by any Governmental Authority as condition requisite to issuance of a TCO or PCO. Borrower shall immediately deliver to Agent copies of any TCO or PCO issued by an Governmental Authority. Borrower further covenants throughout the Loan term to continue to renew any then-applicable TCO prior to its expiration date and to deliver a renewal TCO to Agent on or before the then-applicable expiration date.

### **Section 7.33 Ground Lease.**

(a) Subject to Borrower's right to contest, Borrower shall at all times promptly and faithfully perform, or cause to be performed, all of the covenants, conditions and agreements contained in the Ground Lease with respect to the Crowne Plaza Property, now or hereafter existing, on the part of the tenant or lessee thereunder to be kept and performed. Borrower shall not do or suffer to be done any act that will result in a default by the tenant or lessee under the Ground Lease and shall not further assign the Ground Lease or any interest therein without Agent's consent, except (i) to Agent pursuant to the Loan Documents and the Other Loan Documents or (ii) as permitted under Section 2.11 hereof.

(b) Borrower, at no cost or expense to Agent or Lender, shall enforce, in a commercially reasonable manner, short of termination, the performance and observance of each and every material condition and covenant of each of the other parties (other than Borrower) under the Ground Lease. Borrower shall not, without the prior written consent of Agent (which consent shall not be unreasonably withheld, conditioned or delayed), amend or otherwise modify the Ground Lease, terminate or surrender of the Ground Lease, or waive or release any other party from the performance or observance of any material obligation or condition under the Ground Lease, and shall enforce the performance by Ground Lessor of Ground Lessor's obligations under or related to the Ground Lease, it being agreed that if Agent shall respond by not consenting to any of the matters for which Agent's consent is requested as expressly set forth in a request from Borrower pursuant to this Section 7.33(b), then Agent shall include in such response a reasonably detailed description of Agent's reason(s) for not giving such consent. Borrower shall not make any prepayment of any amounts under the Ground Lease for more than one (1) month prior to the due date thereof (except where required pursuant to the express terms of the Ground Lease). Promptly upon demand by Agent, Borrower shall request and use commercially reasonable efforts to obtain from Ground Lessor and furnish to Agent an estoppel certificate pursuant to the Ground Lease, and use reasonable efforts to include such other matters as may be reasonably requested by Agent.

(c) Borrower shall deliver to Agent a copy of any written notice received, or sent or delivered, by Borrower under the Ground Lease, including, without limitation, any notice of default under the Ground Lease, and any legal proceedings involving obligations under the Ground Lease and any request made by either party to the Ground Lease for arbitration or appraisal proceedings relating to the Ground Lease and of the institution of any such arbitration or appraisal proceeding, as well as, in each case, all proceedings and any decision rendered in any such proceedings. For purposes of determining whether a default under the Ground Lease exists, Agent shall be entitled to rely on, and accept as correct, any notice of default delivered by Ground Lessor. If Borrower does not contest such alleged default and fails to promptly cure any default under the Ground Lease, or fails to cure any default within three (3) Business Days prior to the expiration of

any cure period, if there is a cure period under the Ground Lease, Agent shall have the right (but not the obligation) to take any action to prevent or to cure any such default by Borrower under the Ground Lease, and any sums of money advanced by Lender to cure any such default shall be deemed a Protective Advance under Section 2.12 hereof.

(d) Borrower shall not, whether or not in accordance with the Ground Lease, knowingly do or permit anything to be done, the doing of which, or refrain from doing anything, the omission of which, will terminate or impair the security for the Security Instrument, or will be grounds for terminating the Ground Lease prior to its stated termination date (including voluntarily terminating the Ground Lease) or a forfeiture thereof, without first obtaining the prior written consent of Agent. Without Agent's advance written consent, Borrower shall not subordinate the Ground Lease or its leasehold estate to any mortgage, deed of trust or other encumbrance of, or lien on, the fee interest of any owner of the Crowne Plaza Property. Borrower shall permit Agent and/or Lender to participate in the appointment of any arbitrator or appraiser to be appointed by Borrower and (to the extent permitted under the Ground Lease) to participate in the applicable arbitration or appraisal proceedings in association with Borrower or on its own behalf as an interested party. Agent and/or Lender may intervene in any legal proceeding pertaining to the Ground Lease and be made a party.

(e) Borrower shall not exercise any option to purchase any portion of the fee interest in the Land under the Ground Lease without the prior written consent of Agent, which consent may be subject to such terms and conditions as may be imposed by Agent to protect the security interests of Lender in the Property.

(f) Agent and Lender hereby agree to use commercially reasonable efforts to cooperate in good faith with Crowne Plaza Borrower in the negotiation, approval and consummation of the proposed transaction involving the amendment and restatement of the Ground Lease and the entering into of a new ground lease between Ground Lessor and an affiliate of Crowne Plaza Borrower for land that is currently a part of the Crowne Plaza Land on which an anticipated Avid or similarly branded hotel is to be constructed (such transaction, the "**Ground Lease Amendment and Restatement**"); provided, for the avoidance of doubt, that the Ground Lease Amendment and Restatement shall not be consummated without the prior written consent of Lender, which consent may be granted or withheld in Lender's discretion (not to be unreasonably withheld, conditioned or delayed), and nothing herein shall constitute a commitment or obligation of Agent or Lender to approve the Ground Lease Amendment and Restatement. Notwithstanding that Agent and Lender may approve the Ground Lease Amendment and Restatement, Agent and Lender shall not be required to release any portion of the Crowne Plaza Land from the lien of the Security Instrument or other Loan Documents unless Borrower shall satisfy all conditions to the same established by Agent or Lender in its sole discretion, including, without limitation, (i) approval of plans for any construction of improvements on the to-be-released portion of the Crowne Plaza Land, (ii) approval of any easements or encumbrances to be placed on the any portion of the Crowne Plaza Land and (iii) satisfactory evidence of compliance with Applicable Law of the to-be-constructed improvements, and continuing compliance with Applicable Law of the existing improvements, on the Crowne Plaza Land.

**Section 7.34 Immediate Repairs.** Borrower shall perform the repairs at the Property set forth on Schedule I hereto (all such repairs are hereinafter referred to as "**Immediate Repairs**")

and shall complete, at Borrower's sole cost and expense, each of the Immediate Repairs on or before the respective deadline for such repairs as set forth on Schedule I hereto.

(g) If at any time Agent is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Agent shall have the right, without notice to Borrower to take such action as Agent deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Agent in its sole discretion deems appropriate, and all expenses incurred by Agent in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Agent upon demand and until paid shall be secured by the Security Instrument and the Pledge Agreement and shall bear interest at the Default Rate.

(h) In the event of a foreclosure of the Security Instrument or other transfer of title to the Property in extinguishment in whole or in part of the Debt, all right, title and interest of Borrower in and to the Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest exclusively in Agent or the purchaser at such foreclosure or other transferee in the event of such other transfer of title. In the event of a foreclosure of any Pledge Agreement or other transfer of any Equity Collateral in extinguishment in whole or in part of the Debt, all right, title and interest of Pledgor in and to the Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest exclusively in Agent or the purchaser at such foreclosure or other transferee in the event of such other transfer of title.

(i) As an alternative to the Policies required to be maintained pursuant to the preceding provisions of this Section 9.1, Borrower will not be in default under this Section 9.1 if Borrower maintains (or causes to be maintained) Policies which (i) have coverages, deductibles and/or other related provisions other than those specified above and/or (ii) are provided by insurance companies not meeting the credit ratings requirements set forth above (any such Policy, a "**Non-Conforming Policy**"), provided, that, prior to obtaining such Non-Conforming Policies (or permitting such Non-Conforming Policies to be obtained), (1) Borrower shall have received Agent's prior written consent thereto and (2) if required by Agent, confirmed that Agent has received a Rating Agency Confirmation with respect to any such Non-Conforming Policy.

(j) The property, loss of rents/business interruption, general liability and umbrella liability insurance policies required in this Section 9.1 shall not exclude Terrorism Coverage (defined below) (such insurance policies, the "**Applicable Policies**"). Such Terrorism Coverage shall comply with each of the applicable requirements for Policies set forth above (including,

As used above, "**Terrorism Coverage**" shall mean insurance for acts of terror or similar acts of sabotage; provided, that, for so long as the Terrorism Risk Insurance Act of 2002, as extended and modified by the Terrorism Risk Insurance Program Authorization Act of 2015 (as the same may be further modified, amended, or extended, "**TRIPRA**") (i) remains in full force and effect and (ii) continues to cover both foreign and domestic acts of terror, the provisions of TRIPRA shall determine what is deemed to be included within this definition of "**Terrorism Coverage**". Should TRIPRA not remain in full force and effect, Borrower shall maintain coverage against acts of terrorism in form and amounts reasonably acceptable to Agent.

**Section 9.2 Casualty.** If any individual Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "**Casualty**"), Borrower shall give prompt notice of such damage to Agent and shall promptly commence and diligently prosecute the completion of the repair and restoration of such Property as nearly as possible to the condition such Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Agent (a "**Restoration**") and otherwise in accordance with Section 9.4 hereof. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Agent may, but shall not be obligated to make proof of loss if not made promptly by Borrower.

**Section 9.3 Condemnation.** Borrower shall promptly give Agent notice of the actual or threatened commencement of any proceeding for the Condemnation of any individual Property of which Borrower has knowledge and shall deliver to Agent copies of any and all papers served in connection with such proceedings. Agent may participate in any such proceedings, and Borrower shall from time to time deliver to Agent all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Agent, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Agent, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Agent shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If a Property or any portion thereof is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of such Property and otherwise comply with the provisions of Section 9.4 hereof. If such Property is sold, through foreclosure or otherwise, prior to the receipt by Agent of the Award, Agent shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

**Section 9.4 Restoration.** The following provisions shall apply in connection with the Restoration of an individual Property:

(i) The Net Proceeds shall be made available for Restoration provided that each of the following conditions are met:

- (A) no Event of Default shall have occurred and be continuing;
- (B) (1) in the event the Net Proceeds are insurance proceeds, less than thirty percent (30%) of each of (i) the fair market value of the individual Property as reasonably determined by Agent, and (ii) the rentable area of such Property (which such "rentable area" shall be deemed to include, without limitation, banquet, meeting and conference space and any portions of such Property occupied or otherwise used from time to time by transient hotel guests and/or hotel visitors) has been damaged, destroyed or rendered unusable as a result of a Casualty or (2) in the event the Net Proceeds are condemnation proceeds, less than ten percent (10%) of each of (i) the fair market value of such Property as reasonably determined by Agent and (ii) the rentable area of such Property (which such "rentable area" shall be deemed to include, without limitation, banquet, meeting and conference space and any portions of such Property occupied or otherwise used from time to time by transient hotel guests and/or hotel visitors) is taken, such land is located along the perimeter or periphery of such Property, no portion of the Improvements is located on such land and such taking does not materially impair the existing access to such Property;
- (C) Borrower shall furnish to Agent evidence satisfactory to Agent that all Tenants under Major Leases (if any) shall continue to operate their respective space at the Property after the completion of the Restoration;
- (D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than thirty (30) days after the issuance of a building permit with respect thereto) and shall

diligently pursue the same to satisfactory completion in compliance with all Applicable Laws, in all material respects, including, without limitation, all applicable Environmental Laws, and the applicable requirements of the Franchise Agreement and the Management Agreement;

- (E) Agent shall be satisfied that any operating deficits which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 9.1(a)(iii) hereof, or (3) by other funds of Borrower;
- (F) Agent shall be satisfied that, upon the completion of the Restoration, the fair market value and cash flow of the individual Property will not be less than the fair market value and cash flow of such Property as the same existed immediately prior to the applicable Casualty or Condemnation;

- (H) The individual Property and the use thereof after the Restoration will be in compliance with and permitted under the applicable Franchise Agreement, the Ground Lease (as applicable), the applicable Management Agreement, any REA, any Material Agreements and all Applicable Law;
- (I) the Restoration shall be done and completed in an expeditious and diligent fashion and in compliance with the applicable Franchise Agreement, the Ground Lease (as applicable), the applicable Management Agreement, any REA, any Material Agreements and all Applicable Law;
- (J) the applicable Franchise Agreement and Management Agreement will remain in full force and effect during and after the Restoration and a Property Document Event shall not occur as a result of the applicable Casualty, Condemnation and/or Restoration; and

(K) if a Securitization has occurred, Agent shall be satisfied that making the Net Proceeds available for Restoration shall be permitted pursuant to the REMIC Requirements.

(ii) The Net Proceeds shall be held by Agent and, until disbursed in accordance with the provisions of this Section 9.4(b), shall constitute additional security for the Debt and other obligations under this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents. The Net Proceeds (other than the Rent Loss Proceeds) shall be disbursed by Agent to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Agent that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the related Restoration item have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property which have not either been fully bonded to the satisfaction of Agent and discharged of record or in the alternative fully insured to the satisfaction of Agent by the title company issuing the Lender's Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Agent and by an independent consulting engineer selected by Agent (the "**Casualty Consultant**"). All such plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration shall be assigned to Agent as additional collateral for the Loan and Agent shall have the use of the same. The identity of the contractors, subcontractors and materialmen engaged in the Restoration shall be subject to prior review and acceptance by Agent and the Casualty Consultant. All costs and expenses incurred by Agent in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower. Borrower shall have the right to settle all claims under the Policies jointly with Agent, provided that (a) no Event of Default exists, (b) Borrower promptly and with commercially reasonable diligence negotiates a settlement of any such claims and (c) the insurer with respect to the Policy under which such claim is brought has not raised any act of the insured as a defense to the payment of such claim. If an Event of Default exists, Agent shall, at its election, have the exclusive right to settle or adjust any claims made under the Policies in the event of a Casualty.

(iv) In no event shall Agent be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Restoration Retainage. The term "**Restoration Retainage**" as used in this Section 9.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Agent that Net Proceeds representing 50% of the required Restoration have been disbursed. There shall be no Restoration Retainage with respect to costs actually incurred by Borrower for work in place in completing the last 50% of the required Restoration. The Restoration Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 9.4(b), be less than the amount

actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Restoration Retainage shall not be released until the Casualty Consultant certifies to Agent that the Restoration has been completed in accordance with the provisions of this Section 9.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Agent receives evidence satisfactory to Agent that the costs of the Restoration have been paid in full or will be paid in full out of the Restoration Retainage, provided, however, that Agent will release the portion of the Restoration Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Agent that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Agent or by the title company insuring the lien of the Security Instrument. If required by Agent, the release of any such portion of the Restoration Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Agent shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Agent in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Agent before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Agent shall be held by Agent and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 9.4(b) shall constitute additional security for the Debt and other obligations under this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Agent after the Casualty Consultant certifies to Agent that the Restoration has been completed in accordance with the provisions of this Section 9.4(b), and the receipt by Agent of evidence satisfactory to Agent that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Agent to Borrower, provided no Event of Default shall have occurred and shall be continuing under this Agreement, the Security Instrument, the Pledge Agreement, the Note or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 9.4(b)(vii) hereof shall be retained and applied by Agent toward the payment of the Debt whether or not then due and payable

in such order, priority and proportions as Agent in its discretion shall deem proper. If Agent shall receive and retain Net Proceeds, the lien of the Security Instrument shall be reduced only by the amount thereof received and retained by Agent and actually applied by Agent in reduction of the Debt.

(d) Notwithstanding the foregoing provisions of this Section 9.4 or anything herein to the contrary, after a Securitization has occurred, this Section 9.4 shall be subject to the terms of Section 13.7 hereof to the extent applicable with respect to any Casualty or Condemnation.

#### **Section 10.2 Remedies.**

(a) Upon the occurrence and during the continuance of an Event of Default (other than an Event of Default described in Section 10.1(g) above with respect to Borrower and SPE Component Entity only) and at any time thereafter Agent may, in addition to any other rights or remedies available to it pursuant to this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents or at law or in equity, take such action, without notice or demand, that Agent deems advisable to protect and enforce its rights against Borrower and in the Property and Pledgor and in the Equity Collateral, including, without limitation, declaring the Debt to be immediately due and payable, and Agent may enforce or avail itself of any or all rights or remedies provided in this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents against Borrower, Pledgor, Guarantor, the Property or the Equity Collateral, including, without limitation, all rights or remedies available at law or in equity. Upon any Event of Default described in Section 10.1(g) above (with respect to Borrower and SPE Component Entity only), the Debt and all other obligations of Borrower under this Agreement, the Security Instrument, the Note and the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in the Security Instrument, the Note and the other Loan Documents to the contrary notwithstanding.

(b) Upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Agent against Borrower under this Agreement, the Security Instrument, the Note or the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by

Agent at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Agent shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under this Agreement, the Security Instrument, the Note or the other Loan Documents with respect to the Property. Any such actions taken by Agent shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Agent may determine in its sole discretion, to the fullest extent permitted by Applicable Law, without impairing or otherwise affecting the other rights and remedies of Agent permitted by Applicable Law, equity or contract or as set forth herein or in the Security Instrument, the Note or the other Loan Documents. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

(c) Upon the occurrence and during the continuance of an Event of Default, Agent shall have the right from time to time to partially foreclose the Security Instrument in any manner and for any amounts secured by the Security Instrument then due and payable as determined by Agent in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Agent may foreclose the Security Instrument to recover such delinquent payments, or (ii) in the event Agent elects to accelerate less than the entire outstanding principal balance of the Loan, Agent may foreclose the Security Instrument to recover so much of the principal balance of the Loan as Agent may accelerate and such other sums secured by the Security Instrument as Agent may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to the Security Instrument to secure payment of sums secured by the Security Instrument and not previously recovered.

(d) Upon the occurrence and during the continuance of an Event of Default, Agent shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, security instruments and other security documents (the "**Severed Loan Documents**") in such denominations as Agent shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Agent from time to time, promptly after the request of Agent, a severance agreement and such other documents as Agent shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Agent. Borrower hereby absolutely and irrevocably appoints Agent as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Agent shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Agent of Agent's intent to exercise its rights under such power. Borrower shall not be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents and the Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

(e) Any amounts recovered from the Property or any other collateral for the Loan after an Event of Default may be applied by Agent toward the payment of any interest and/or principal of the Loan and/or any other amounts due under the Loan Documents in such order, priority and proportions as Agent in its sole discretion shall determine.

(f) Agent may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder or being deemed to have cured any Event of Default hereunder, make, do or perform any obligation of Borrower hereunder in such manner and to such extent as Agent may deem necessary. Agent is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property for such purposes, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by Applicable Law), with interest as provided in this Section, shall constitute a portion of the Debt and shall be due and payable to Agent upon demand. All such costs and expenses incurred by Agent in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any action or proceeding shall bear interest at the Default Rate, for the period after such cost or expense was incurred through and including the date of payment to Agent. All such costs and expenses incurred by Agent together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by the liens, claims and security interests provided to Agent under the Loan Documents and shall be immediately due and payable upon demand by Agent therefore.

(g) Upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Agent against Pledgor under the Pledge Agreement or the other Loan Documents executed and delivered by, or applicable to, Pledgor or at law or in equity may be exercised by Agent at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Agent shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under the Pledge Agreement or the other Loan Documents with respect to the Equity Collateral. Any such actions taken by Agent shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Agent may determine in its sole discretion, to the fullest extent permitted by Applicable Law, without impairing or otherwise affecting the other rights and remedies of Agent permitted by Applicable Law, equity or contract or as set forth herein or in the Security Instrument, the Note or the other Loan Documents. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Pledgor shall not be construed to be a waiver of any subsequent Default or Event of Default by Pledgor or to impair any remedy, right or power consequent thereon.

**Section 10.3 Cross-Collateralization; Cross-Default.** It is the express intent of Borrower, Lender and Agent that all Obligations, whether now existing or hereafter arising, be (a) cross-collateralized, such that collateral now or at any time hereafter securing repayment of any of the Obligations shall secure repayment of all of the Obligations, and (b) cross-defaulted, such that a default under any of the Obligations (after expiration of any applicable notice and cure period) shall be a default under all of the Obligations, and Borrower shall execute and deliver any and all

agreements and instruments reasonably requested by Agent from time to time to evidence or effectuate, in Agent's opinion, the provisions of this Section 10.3.

## ARTICLE 11.

Any amounts payable to Indemnified Parties by reason of the application of this Section 11.1 shall become immediately due and payable and shall bear interest at the Default Rate from the date loss or damage is sustained by Indemnified Parties until paid.

**Section 11.2 Mortgage and Intangible Tax and Transfer Tax Indemnification.** Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any Indemnified Parties and directly or indirectly arising out of or in any way relating to (a) any tax on the making, filing or recording of the Security Instrument, the Pledge Agreement, the Note or any of the other Loan Documents (whether due upon the making of same or upon the exercise of its remedies under the Loan Documents), and (b) any transfer tax incurred by Indemnified Parties in connection with the exercise of remedies hereunder or under any other Loan Documents, including, without limitation, a foreclosure of the Security Instrument or Pledge Agreement by Agent or its designee and any subsequent transfer of the Property or Equity Collateral by the Agent or its designee.

**Section 11.3 ERISA and CFIUS Indemnification.**

(b) Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses (including, without limitation, reasonable attorneys' fees and costs incurred in the investigation, defense, and settlement of Losses) that any Indemnified Party may incur, directly or indirectly, as a result of (i) Borrower's acquisition of the Property being a Covered Transaction or otherwise arising under the DPA and/or (ii) a default under Sections 5.37 and/or 7.27 hereof.

**Section 11.4 Duty to Defend, Legal Fees and Other Fees and Expenses.** Upon written request by any Indemnified Party, Borrower shall defend such Indemnified Party (if requested by any Indemnified Party, in the name of the Indemnified Party) by attorneys and other professionals approved by the Indemnified Parties (in Agent's reasonable discretion). Notwithstanding the foregoing, to the extent that the Indemnified Parties reasonably determine that the attorneys and professionals retained by Borrower are not providing satisfactory assistance, then any Indemnified Parties may, in their sole discretion, engage their own attorneys and other professionals to defend or assist them in such matter(s). Upon demand, Borrower shall pay or, in the sole discretion of the Indemnified Parties, reimburse, the Indemnified Parties for the payment of reasonable fees and disbursements of attorneys, engineers, environmental consultants, laboratories and other professionals in connection therewith.

**Section 11.5 Survival.** The obligations and liabilities of Borrower under this Article 11 shall fully survive indefinitely notwithstanding any termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Security Instrument or Pledge Agreement.

### EXCULPATION

#### Section 12.1 Exculpation.

(a) Subject to the qualifications below, Agent shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents by any action or proceeding wherein a money judgment or any deficiency judgment or other judgment establishing personal liability shall be sought against Borrower or any principal, director, officer, employee, beneficiary, shareholder, partner, member, trustee, agent, or Affiliate of Borrower (but specifically excluding Guarantor) or any legal representatives, successors or assigns of any of the foregoing (collectively, the “**Exculpated Parties**”), except that Agent may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Agent to enforce and realize upon its interest under the Note, this Agreement, the Security Instrument, the Pledge Agreement and the other Loan Documents, or in the Property, the Rents and Profits, the Equity Collateral or any other collateral given to Agent or Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower’s interest in the Property, in the Rents and Profits, the Equity Collateral and in any other collateral given to Agent or Lender, and Agent, by accepting the Note, this Agreement, the Security Instrument, the Pledge Agreement and the other Loan Documents, shall not sue for, seek or demand any deficiency judgment against Borrower or any of the Exculpated Parties in any such action or proceeding under or by reason of or under or in connection with the Note, this Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents. The provisions of this Section shall not, however, (1) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (2) impair the right of Agent to name Borrower as a party defendant in any action or suit for foreclosure or sale under the Security Instrument or the Pledge Agreement; (3) affect the validity or enforceability of any indemnity, guaranty or similar instrument (including, without limitation, the indemnities set forth in Article 11 hereof, Section 13.2 hereof, in the Guaranty and in the Environmental Indemnity) made in connection with the Loan or any of the rights and remedies of Agent thereunder (including, without limitation, Agent’s right to enforce said rights and remedies against Borrower and/or Guarantor (as applicable) personally and without the effect of the exculpatory provisions of this Article 12); (4) impair the right of Agent to obtain the appointment of a receiver; (5) impair the enforcement of the assignment of leases and rents contained in the Security Instrument or other Loan Documents; (6) impair the right of Agent to enforce Section 7.12(e) of this Agreement; (7) constitute a prohibition against Agent to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Security Instrument or the Pledge Agreement or to commence any other appropriate action or proceeding in order for Agent to exercise its remedies against the Property or the Equity Collateral; or (8) constitute a waiver of the right of Agent to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any Losses incurred by Agent (including attorneys’ fees and costs reasonably incurred) arising out of or in connection with any of the following:

(i) intentional misrepresentation of a material fact by Borrower, any SPE Component Entity, Guarantor, Pledgor, Sponsor, any Borrower Party or any Controlled Affiliate of a Borrower Party in connection with the Loan;

(ii) the gross negligence or willful misconduct of Borrower, any SPE Component Entity, Guarantor, Pledgor, Sponsor, any Borrower Party or any Controlled Affiliate of a Borrower Party or the commission of a criminal act by Borrower, any SPE Component Entity, Guarantor, Pledgor, Sponsor, any Borrower Party or any Controlled Affiliate of a Borrower Party which results in any seizure or forfeiture of the Property, or any portion thereof, or Borrower's interest therein;

(iii) material physical waste to the Property caused by the intentional acts or intentional omissions of Borrower, any SPE Component Entity, Guarantor, Pledgor, Sponsor, any Borrower Party or any Controlled Affiliate of a Borrower Party (including, without limitation, any arson or abandonment of the Property) and/or the removal or disposal of any portion of the Property after an Event of Default by Borrower, any SPE Component Entity, Guarantor, Pledgor, Sponsor, any Borrower Party or any Controlled Affiliate of a Borrower Party in violation of the Loan Documents;

(iv) the misapplication, misappropriation or conversion by Borrower, in violation of the Loan Documents or during the existence of an Event of Default, of (A) any insurance proceeds paid by reason of any loss, damage or destruction to the Property, (B) any Awards or other amounts received in connection with the Condemnation of all or a portion of the Property, (C) any Rents and Profits or (D) any Tenant security deposits or Rents and Profits collected in advance;

(v) failure to pay any Taxes or Other Charges, charges for labor or materials or any other charges that can create liens on any portion of the Property to the extent that the revenue from the Property (after payment of all operating expenses and debt service) is sufficient to pay such amounts (other than (x) amounts deposited with Agent as Tax and Insurance Reserve Funds for Taxes or Other Charges where Agent elects not to apply such funds toward payment of such Taxes or Other Charges owed or (y) Taxes or Other Charges owed that are contested strictly in accordance with the terms of the Loan Documents);

(vi) failure to maintain insurance as required by this Agreement to the extent that the revenue from the Property (after payment of operating expenses and debt service) is sufficient to pay the Insurance Premiums relating thereto (other than the failure to pay amounts deposited with Agent as Tax and Insurance Reserve Funds for Insurance Premiums to be paid to maintain such insurance where Agent elects not to apply such funds toward payment of such Insurance Premiums);

(vii) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity, this Agreement or in the Security Instrument concerning Environmental Laws and Hazardous Substances;

(viii) any fees or commissions paid by Borrower during the continuance of an Event of Default to Guarantor, Sponsor, Pledgor and/or any Close Affiliate of Borrower,

(ix) Borrower's breach of, or failure to comply with, as applicable, the representations, warranties and covenants contained in Article 14, Section 7.31, Section 7.32 and/or Section 7.33 of this Agreement and/or the indemnification provisions of Sections 13.2, 11.2, 11.3, 11.7 and/or 17.18 hereof;

(x) Borrower fails to appoint a new property manager upon the request of Agent, each as required by, and in accordance with the terms and provisions of, the Management Agreement, this Agreement, the Assignment of Management Agreement and the other Loan Documents or Borrower appoints a new property manager or replaces the property manager other than in accordance with the terms of this Agreement, the Assignment of Management Agreement and the other Loan Documents;

(xi) Borrower or HoldCo, as the case may be, fails to enter into or extend the Interest Rate Protection Agreement and/or deliver to Agent a Collateral Assignment of Interest Rate Protection Agreement as required pursuant to Section 7.24 hereof;

(xii) the failure to make any True Up Payment as and when required hereunder;

(xiii) any litigation or other legal proceeding related to the Debt filed in bad faith by Borrower, any SPE Component Entity, Guarantor, Sponsor, Pledgor, any Borrower Party or any Controlled Affiliate of a Borrower Party that delays, opposes, impedes, obstructs, hinders, enjoins or otherwise interferes with or frustrates the efforts of Agent to exercise any rights and remedies available to Agent as provided herein and in the other Loan Documents;

(xiv) any breach or violation of any material representation, warranty or covenant by Borrower or any SPE Component Entity with regard to the single purpose entity provisions set forth in Article 6 hereof;

(xv) Borrower fails to comply with the terms of the Cash Management Agreement relating to the establishment of the Restricted Account, the Cash Management Account, and/or the institution of cash management generally and fails to cure any such breach within ten (10) days after written notice thereof by Agent to Borrower, provided, however, that such cure period shall not be applicable with respect to an intentional breach;

(xvi) Borrower fails to deposit any springing Reserve Funds deposits pursuant to the terms of this Agreement; and/or

(xvii) Crowne Plaza Borrower fails to pay rent under the Ground Lease, to the extent that the revenue from the Property (after payment of operating expenses and debt service) is sufficient to pay such rent.

(b) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, (A) Agent and Lender shall not be deemed to have waived any right which Agent or Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the

Bankruptcy Code to file a claim for the full amount of the Debt or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with the Loan Documents and (B) the Debt shall be fully recourse to Borrower in the event that: (i) any representation, warranty or covenant contained in Article 6 hereof is violated or breached by Borrower and such violation or breach results in the substantive consolidation of Borrower (or any SPE Component Entity) with any other Person in connection with any federal or state bankruptcy proceeding (excluding a substantive consolidation petitioned for or joined in by Agent); (ii) any representation, warranty or covenant contained in Article 8 hereof is violated and, solely if such violation was not willful, such violation is not cured to Agent's satisfaction within ten (10) days of notice of such violation provided by Agent to Borrower; (iii) Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity files a voluntary petition under the Bankruptcy Code or any other Creditors Rights Laws; (iv) except to the extent required or requested by Agent or any Lender, an Affiliate, officer, director, or representative which Controls, directly or indirectly, Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity files, or joins in the filing of, an involuntary petition against Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity under the Bankruptcy Code or any other Creditors Rights Laws, or solicits or causes to be solicited petitioning creditors for any involuntary petition against Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity from any Person; (v) except to the extent required or requested by Agent or any Lender, Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity files an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Bankruptcy Code or any other Creditors Rights Laws, or solicits or causes to be solicited petitioning creditors for any involuntary petition from any Person; (vi) except to the extent required or requested by Agent or any Lender, any Affiliate, officer, director, or representative which Controls Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity consents to or acquiesces in or joins in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, any Affiliated Franchisor, any Affiliated Manager, any SPE Component Entity or any portion of the Property; (vii) Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity makes an assignment for the benefit of creditors, or admits in any legal proceeding its insolvency or inability to pay its debts as they become due; (viii) there is substantive consolidation of Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity (or any Restricted Party) with any other Person in connection with any federal or state bankruptcy proceeding involving the Guarantor or any of its Affiliates; (ix) Borrower, any Affiliated Franchisor, any Affiliated Manager, or any SPE Component Entity (or any Restricted Party) contests or opposes any motion made by Agent to obtain relief from the automatic stay or seeks to reinstate the automatic stay in the event of any federal or state bankruptcy or insolvency proceeding involving the Guarantor or its Affiliates (an "**Interference Event**"), provided, however that notwithstanding the foregoing, the filing by any of such parties of a legal action or a defense to such motion for the limited purpose of asserting a defense to the enforcement by the Agent of remedies other than seeking relief from the stay shall not be deemed to constitute an Interference Event if (1) it is filed in good faith to assert a defense to such exercise of remedies and such objection to relief from the stay is limited to the assertion such defense, and (2) it does not seek to challenge the validity of the liens of any of the Loan Documents or the enforceability under applicable law of the Loan Documents taken as a whole; (x) fraud by Borrower, any SPE Component Entity, Guarantor, Sponsor, Pledgor, any Borrower Party or any Controlled Affiliate of a Borrower Party in

connection with the Loan; (xi) Intentionally Omitted; or (xii) any Franchise Agreement or any Hotel Brand Agreement is terminated, cancelled or otherwise ceases to exist (unless (A) prior to or contemporaneously with such termination, cancellation or other cessation, Borrower engages a Qualified Franchisor for the Property pursuant to a Qualified Franchise Agreement in accordance with the applicable terms and conditions hereof, or (B) solely to the extent that such Franchise Agreement or Hotel Brand Agreement is not being terminated, cancelled or otherwise ceases to exist due to a breach, default or violation by Borrower under such Franchise Agreement or Hotel Brand Agreement, Borrower has provided at least thirty (30) days' prior written notice to Agent that Borrower intends to engage a Qualified Franchisor for the Property pursuant to a Qualified Franchise Agreement in accordance with the applicable terms and conditions hereof and such Qualified Franchise Agreement with such Qualified Franchisor has been executed and delivered to Agent in accordance with the terms hereof within ninety (90) days following the receipt of such written notice to Agent), provided, however, that with respect to this clause (xii), only that portion of the Debt equal to the Allocated Loan Amount for the Property for which the Franchise Agreement or Hotel Brand Agreement is terminated, cancelled or otherwise ceases to exist shall be fully recourse to Borrower. Nothing set forth in this paragraph above shall require any Person to commit perjury, violate any court order or violate applicable law, and no liability shall be incurred by reason thereof, or by reason of the provision by any Person of any document, information, fact or statement required by law, such as, for example, a list of Borrower's assets and liabilities.

**Section 12.2 Survival.** The obligations and liabilities of Borrower under this Article 12 shall fully survive indefinitely notwithstanding any termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Security Instrument and foreclosure or sale of the Equity Collateral.

## ARTICLE 13.

### SECONDARY MARKET

#### Section 13.1 Secondary Market Transactions.

(a) Lender shall have the right, with prior written notice to Agent, to do one or more of the following: (i) sell or otherwise transfer the Loan or any portion thereof, (ii) sell participation interests in the Loan or collaterally assign its interests in the Loan Documents in connection with a note-on-note financing (and record a collateral assignment and memorandum of any collateral assignment of the Loan Documents against the Property) (each, a "**Leveraged Loan**"), or (iii) securitize the Loan or any portion thereof in a single asset securitization or a pooled loan securitization. The transactions referred to in clauses (i), (ii) and (iii) above shall hereinafter be referred to collectively as "**Secondary Market Transactions**" and the transactions referred to in clause (iii) shall hereinafter be referred to as a "**Securitization**". Any certificates, notes or other securities issued in connection with a Securitization are hereinafter referred to as "**Securities**".

(b) If requested by Lender, Borrower shall assist Lender, at Borrower's sole cost and expense, in satisfying the market standards to which Lender customarily adheres or which may be reasonably required in the marketplace or by the Rating Agencies in connection with any Secondary Market Transactions, at Borrower's cost and expense (except as set forth below, and

up to a maximum out-of-pocket cost to Borrower of \$2,500.00, provided, however, that such maximum out-of-pocket cost to Borrower shall not apply to any costs incurred in connection with any Leveraged Loan or other senior financing obtained by Lender contemporaneously with the making of the Loan), including, without limitation, to:

(i) (A) provide updated financial and other information with respect to the Property, the business operated at the Property, Borrower, Guarantor, Sponsor, Pledgor and Manager, (B) provide updated budgets relating to the Property and (C) provide updated appraisals, market studies, environmental reviews (Phase I's and, if appropriate, Phase II's), property condition reports and other due diligence investigations of the Property (the "**Updated Information**"), together, if customary, with appropriate verification of the Updated Information through letters of auditors or opinions of counsel acceptable to Lender and the Rating Agencies;

(ii) provide opinions of counsel, which may be relied upon by Lender, the Rating Agencies and their respective counsel, agents and representatives, as to non-consolidation, matters of Delaware and federal bankruptcy law relating to limited liability companies or any other opinion customary in Secondary Market Transactions or required by the Rating Agencies with respect to the Property and Borrower and Borrower's Affiliates, which counsel and opinions shall be satisfactory in form and substance to Lender and the Rating Agencies;

(iii) provide updated, as of the closing date of the Secondary Market Transaction, representations and warranties made in the Loan Documents and such additional representations and warranties as the Rating Agencies may require;

(iv) at any time prior to a Secondary Market Transaction, execute such amendments to the Loan Documents as requested by the Lender, in its discretion, to change the dates on which the Determination Date, Interest Accrual Period, Monthly Payment Date and Maturity Date occur; provided that, such change in Maturity Date shall only be with respect to the day of the month, and not the year or month, of such Maturity Date; and

(v) execute such amendments to the Loan Documents and Borrower's or any SPE Component Entity's organizational documents as may be reasonably requested by Lender or requested by the Rating Agencies or otherwise to effect the Securitization or other Secondary Market Transaction, including, without limitation, (A) if required by any Rating Agency or otherwise in connection with a Securitization, adding a second (2<sup>nd</sup>) Independent Director to Borrower's or SPE Component Entity's organizational documents (as applicable) and/or (B) bifurcation of the Loan into two or more components and/or separate notes and/or creating a senior/subordinate note structure (whether involving junior mortgage notes and/or a mezzanine loan structure) (any of the foregoing, a "**Loan Bifurcation**"); provided, however, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would change the substantive terms thereof, including (without limitation), the principal amount of the Loan, the interest rate, the stated maturity, the amortization of principal set forth in the Note (except in connection with a Loan Bifurcation which may result in varying fixed interest rates and amortization schedules, but which shall have the same initial weighted average coupon of

the original Note), or would change the conditions precedent for extension of the Maturity Date hereunder, or the financial covenants or financial reporting requirements of Borrower, Pledgor or Guarantor under the Loan Documents, the composition of the Borrower Parties, the terms of any Guaranty, or would otherwise materially adversely affect Borrower's rights and obligations under the Loan; provided, further, that payments or repayments of the Loan may result in interest rate "creep" (i.e. the total interest payable on the Loan increasing) due only to (i) the non-pro rata allocation of such payments or repayments to the Note (as bifurcated) during the continuance of an Event of Default or (ii) the application of Awards and/or Net Proceeds towards the reduction of the Debt on a non-pro rata allocation basis with respect to the Note (as bifurcated) evidencing such Debt but otherwise in accordance with the terms of this Agreement. The parties hereto agree that Borrower's obligations pursuant to this clause (v) shall be at Lender's sole cost and expense. Notwithstanding the foregoing or anything herein to the contrary, if required in connection with a Securitization, Lender may change the Monthly Payment Date, the Interest Accrual Period, the Determination Date, the Maturity Date and all other related dates to the extent required in connection with such Securitization.

(c) If, at the time one or more Disclosure Documents are being prepared for a Securitization, Lender expects that Borrower alone or Borrower and one or more Affiliates of Borrower collectively, or the Property alone or the Property and Related Properties collectively, will be a Significant Obligor for purposes of such Securitization, Borrower shall furnish (or cause to be furnished) to Lender upon request (i) the selected financial data or, if applicable, net operating income, described in Item 1112(b)(1) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan (or portion of the Loan included in such Securitization) and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in such Securitization or (ii) the financial statements described in Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan (or portion of the Loan included in such Securitization) together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan (or a portion of the Loan included in such Securitization) and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than seventy-five (75) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which an Exchange Act Filing is not required. If requested by Lender, and to the extent not prohibited by any applicable lease, other agreement or order, Borrower shall furnish to Lender financial data and/or financial statements for any tenant of any of the Property if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the mortgage loans included or expected

to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor.

(d) All financial data and financial statements provided by Borrower hereunder pursuant to Section 13.1(c) and (d) hereof shall be prepared in accordance with the Uniform System of Accounts, and shall meet the requirements of Regulation AB and other applicable Legal Requirements. All financial statements referred to in Section 13.1(c) above shall be audited by independent accountants of Borrower (which accountants shall be acceptable to Lender) in accordance with Regulation AB and all other applicable Legal Requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB and all applicable Legal Requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as “experts” in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided. All financial data and financial statements (audited or unaudited) provided by Borrower under Section 13.1(c) shall be accompanied by an Officer’s Certificate stating that such financial statements meet the requirements set forth in the first sentence of this Section 13.1(d).

(e) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall determine to be required pursuant to Regulation AB or any amendment, modification or replacement thereto or other Legal Requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by Lender.

(f) In the event Lender determines, in connection with a Securitization, that the financial data and financial statements and (if applicable) related accountants’ reports and consents required in order to comply with Regulation AB or any amendment, modification or replacement of Regulation AB or with other Legal Requirements are other than as provided herein, then notwithstanding the provisions of Section 13.1(c) and (d), Lender may request, and Borrower shall promptly provide, such other financial statements and (if applicable) related accountants’ reports and consents as Lender determines to be necessary or appropriate for such compliance.

(g) In addition, Borrower covenants and agrees that after the Closing Date, Lender shall have the right to modify the provisions of this Agreement relating to the unavailability of SOFR and the conversion of the Loan to a Substitute Rate Loan and/or replace such provisions with provisions consistent with the recommendations of the Alternative Reference Rate Committee of the Federal Reserve Bank of New York, including, without limitation, provisions for a substitute index rate based on the secured overnight financing rate published by the Federal Reserve Bank of New York, to the extent Lender determines in its reasonable discretion that such modification or replacement is necessary or advisable in connection with any Secondary Market Transaction (including, without limitation any Securitization) with respect to the Loan; provided, that Lender (i) provides prior written notice to Agent of its intention to modify the provisions of this Agreement relating to the unavailability of SOFR and the conversion of the Loan to a Substitute Rate Loan

and/or replace such provisions, and (ii) confirms with Agent that it is able to administer the proposed substitute interest rate in accordance with the modified provisions. Borrower shall, at Borrower's sole cost and expense, cooperate in all commercially reasonable respects with Lender to implement any such modification or replacement of such provisions regarding the unavailability of SOFR and the conversion of the Loan to a Substitute Rate Loan, and Borrower shall execute such amendment to this Agreement as Lender and Agent may determine is reasonably necessary in connection with the same.

### **Section 13.2 Securitization Indemnification.**

(a) Borrower understands that information provided to Lender by Borrower and its agents, counsel and representatives may be included in disclosure documents in connection with the Securitization, including, without limitation, an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, a "**Disclosure Document**") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and may be made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization.

(b) Borrower shall provide in connection with each of (i) a preliminary and a final private placement memorandum or (ii) a preliminary and final prospectus or prospectus supplement, as applicable, an agreement (A) certifying that Borrower has examined such Disclosure Documents specified by Lender and that each such Disclosure Document, as it relates to Borrower, Borrower Affiliates, the Property, Manager, Sponsor, Pledgor, Guarantor and all other aspects of the Loan, does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (B) indemnifying Lender (and for purposes of this Section 13.2, Lender hereunder shall include its officers and directors), the Affiliate of Lender that has filed the registration statement relating to the Securitization (the "**Registration Statement**"), each of its directors, each of its officers who have signed the Registration Statement and each Person that controls the Affiliate within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**Lender Group**"), and Lender, and any other placement agent or underwriter with respect to the Securitization, each of their respective directors and each Person who controls Lender or any other placement agent or underwriter within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the "**Underwriter Group**") for any losses, claims, damages or liabilities (collectively, the "**Liabilities**") to which Lender, the Lender Group or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in such sections or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such sections or necessary in order to make the statements in such sections, in light of the circumstances under which they were made, not misleading and (C) agreeing to reimburse Lender, the Lender Group and/or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, the Lender Group and the Underwriter Group in connection with investigating or defending the Liabilities; provided, however, that Borrower will be liable in any such case under clauses (B) or (C) above only to the extent that any such loss claim, damage or liability arises out of or is based

upon any such untrue statement or omission made therein in reliance upon and in conformity with information furnished to Lender by or on behalf of Borrower in connection with the preparation of the Disclosure Document or in connection with the underwriting or closing of the Loan, including, without limitation, financial statements of Borrower, operating statements and rent rolls with respect to the Property (collectively, the “**Provided Information**”). The indemnification provided for in clauses (B) and (C) above shall be effective whether or not the indemnification agreement described above is provided; provided, however, such indemnity shall be limited to the Provided Information and shall only be effective to the extent that Lender accurately states the Provided Information in the applicable Disclosure Document. The aforesaid indemnity will be in addition to any liability which Borrower may otherwise have.

(c) In connection with Exchange Act Filings, Borrower shall (i) indemnify Lender, the Lender Group and the Underwriter Group for Liabilities to which Lender, the Lender Group or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Disclosure Document or the omission or alleged omission to state in the Disclosure Document a material fact required to be stated in the Disclosure Document in order to make the statements in the Disclosure Document, in light of the circumstances under which they were made, not misleading and (ii) reimburse Lender, the Lender Group or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, the Lender Group or the Underwriter Group in connection with defending or investigating the Liabilities; provided, however, the indemnity in this subsection (c) shall be limited to the Provided Information and shall only be effective to the extent that Lender accurately states the Provided Information in the applicable Disclosure Document.

(d) Promptly after receipt by an indemnified party under this Section 13.2 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 13.2, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Section 13.2, such indemnified party shall pay for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party at the cost of the indemnifying party. The indemnifying party shall not be liable for the expenses of more than one separate counsel unless an indemnified party shall have

reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 13.2(b) or (c) hereof is for any reason held to be unenforceable as to an indemnified party in respect of any losses, claims, damages or liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 13.2(b) or (c) hereof, the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages or liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) Lender's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender and Borrower hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) Borrower shall jointly and severally indemnify Lender and its officers, directors, partners, employees, representatives, agents and Affiliates against any Losses to which Lender or its officers, directors, partners, employees, representatives, agents and Affiliates, may become subject in connection with any indemnification to the Rating Agencies in connection with issuing, monitoring or maintaining the Securities insofar as the Losses arise out of or are based upon any untrue statement of any material fact in any information provided by or on behalf of Borrower to the Rating Agencies (the "**Covered Rating Agency Information**") or arise out of or are based upon the omission to state a material fact in the Covered Rating Agency Information required to be stated therein or necessary in order to make the statements in Covered Rating Agency Information, in light of the circumstances under which they were made, not misleading.

(g) The liabilities and obligations of both Borrower and Lender under this Section 13.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

### **Section 13.3 Intentionally Omitted.**

**Section 13.4 Rating Agency Costs.** In connection with any Rating Agency Confirmation or other Rating Agency consent, approval or review required hereunder (other than the initial review of the Loan by the Rating Agencies in connection with a Securitization), Borrower shall pay all of the costs and expenses of Lender, Agent and each Rating Agency in connection therewith, and, if applicable, shall pay any fees imposed by any Rating Agency in connection therewith, provided that the maximum cost to Borrower for matters described in this paragraph above shall not exceed \$2,500.00.

### **Section 13.5 Intentionally Omitted.**

### **Section 13.6 Conversion to Registered Form.**

(a) Notwithstanding any provision of this Agreement to the contrary, any transfer of Lender's interest in any Loan shall only be effective upon prior notice to Agent and Borrower. Lender and the assignee shall deliver to Agent and Borrower an executed Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, shall deliver to the Administrative Agent a properly completed and duly executed copy of IRS Form W-9 (or other applicable tax form) and all other documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations including, without limitation, the USA PATRIOT Act. Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and assignee, the applicable "know your customer" documentation requested by Agent, the processing and recordation fee, Agent shall accept such Assignment and Assumption and record the same in the Register. Subject to the acceptance and recording of the Assignment and Assumption by Agent, from and after the effective date of the Assignment and Assumption, the assignee shall be a party to this Agreement and shall have the rights and obligations of a Lender under this Agreement. This Loan is intended to be in "registered form" for purposes of Treas. Reg. Section 5f.103-1(c) or any successor regulations, and Sections 871(h)(2) and 881(c)(2) of the IRS Code. Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to and accepted by it and a register for the recordation of the name and address of Lender, the amount of Lender's proportionate share of the Loan and the name and address of Lender's agent for service of process (the "**Register**"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and Borrower, Agent, and Lender may treat each person or entity whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection and copying by Borrower or Lender during normal business hours upon reasonable prior written notice to Agent. Lender may change its address and its agent for service of process upon written notice to Agent, which notice shall only be effective upon actual receipt by Agent, which receipt will be acknowledged by Agent, upon request. which shall maintain, subject to such reasonable regulations as it shall provide, such books and records as are necessary for the registration and transfer of the Note in a manner that shall cause the Note to be considered to be in registered form for purposes of Section 163(f) of the IRS Code. The option to convert the Note into registered form once exercised may not be revoked. Any agreement setting out the rights and obligation of Agent shall be subject to the reasonable approval of Lender.

(b) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register for the recordation of the names and addresses of the participants, the amount of each participant's proportionate share of the Loan and the name and address of each participant's agent for service of process (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any loans or other obligations under any Loan Document) to any person except to the extent that such disclosure is necessary to establish that such loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance

of doubt, Agent (in its capacity as Agent) shall no responsibility for maintaining a Participant Register.

**Section 13.7 REMIC Savings Clause.** Notwithstanding anything herein to the contrary, if the Loan is included in a REMIC Trust and, immediately following a release (whether voluntary or involuntary) of any portion of the real property relating to the Property, the ratio of the unpaid principal balance of the Loan to the value of the remaining real property relating to the Property is greater than 125% (such value to be determined, in Lender's sole discretion, by any commercially reasonable method permitted to a REMIC Trust and it being agreed and acknowledged that such loan-to-value determination shall be based on the value of only real property and shall exclude any personal property or going-concern value, if any), the principal balance of the Loan must be paid down by Borrower by an amount sufficient to satisfy REMIC Requirements, unless the Lender receives an opinion of counsel that the Loan will not fail to maintain its status as a "qualified mortgage" within the meaning of Section 860G(a)(3)(A) of the IRS Code as a result of the related release of lien.

**Section 13.8 Reserves/Escrows.** In the event that Securities are issued in connection with the Loan, (a) notwithstanding anything herein to the contrary, all funds held by Lender in escrow or pursuant to reserves in accordance with this Agreement and the other Loan Documents may be deposited in "eligible accounts" at "eligible institutions" and, to the extent applicable, invested in "permitted investments" as then defined and required by the Rating Agencies, and (b) the Restricted Account shall be an "eligible account" at an "eligible institution".

**Section 13.9 Syndication.** Without limiting Lender's rights under Section 13.1 hereof, the provisions of this Section 13.9 shall only apply in the event that the Loan is syndicated in accordance with the provisions of this Section 13.9.

(a) Sale of Loan, Co-Lenders, Participations and Servicing.

(i) Lender and any Co-Lender may, at their option, with prior written notice to Agent and without Borrower's consent, sell with novation all or any part of their right, title and interest in, and to, and under the Loan (the "**Syndication**"), to one or more additional lenders (each a "**Co-Lender**"). Each additional Co-Lender shall enter into an Assignment and Assumption Agreement assigning a portion of Lender's or Co-Lender's rights and obligations under the Loan and comply with the requirements set forth in Section 13.5(a) hereof, and pursuant to which the additional Co-Lender accepts such assignment and assumes the assigned obligations. From and after the effective date specified in the Assignment and Assumption (i) each Co-Lender shall be a party hereto and to each Loan Document to the extent of the applicable percentage or percentages set forth in the Assignment and Assumption and, except as specified otherwise herein, shall succeed to the rights and obligations of Lender and the Co-Lenders hereunder and thereunder in respect of the Loan, and (ii) Lender, as lender and each Co-Lender, as applicable, shall, to the extent such rights and obligations have been assigned by it pursuant to such Assignment and Assumption, relinquish its rights and be released from its obligations hereunder and under the Loan Documents.

(ii) The liabilities of Lender and each of the Co-Lenders shall be several and not joint, and Lender's and each Co-Lender's obligations to Borrower under this Agreement shall be reduced by the amount of each such Assignment and Assumption. Neither Lender nor any Co-Lender shall be responsible for the obligations of any other Co-Lender. Lender and each Co-Lender shall be liable to Borrower only for their respective proportionate shares of the Loan.

(iii) Borrower agrees that it shall, in connection with any sale of all or any portion of the Loan, whether in whole or to an additional Co-Lender or Participant, within ten (10) Business Days after requested by Syndication Agent, furnish Syndication Agent with the certificates required under Sections 7.12 and 7.13 hereof and such other information as reasonably requested by any additional Co-Lender or Participant in performing its due diligence in connection with its purchase of an interest in the Loan.

(iv) Lender or Agent (or an Affiliate of Lender or Agent) shall act as administrative agent for itself and the Co-Lenders (in such capacity, together with any successor administrative agent, the "**Syndication Agent**") pursuant to this Section 13.9. Borrower acknowledges that the Syndication Agent shall have the sole and exclusive authority to execute and perform this Agreement and each Loan Document on behalf of itself, as Lender or Agent, and as agent for itself and the Co-Lenders subject to the terms of the Co-Lending Agreement. Lender and Agent acknowledge to Borrower that the Syndication Agent shall retain the exclusive right to grant approvals and give consents with respect to all matters requiring consent hereunder. Except as otherwise provided herein, Borrower shall have no obligation to recognize or deal directly with any Co-Lender, and no Co-Lender shall have any right to deal directly with Borrower with respect to the rights, benefits and obligations of Borrower under this Agreement, the Loan Documents or any one or more documents or instruments in respect thereof. Borrower may rely conclusively on the actions of the Syndication Agent to bind Lender and the Co-Lenders, notwithstanding that the particular action in question may, pursuant to this Agreement or the Co-Lending Agreement be subject to the consent or direction of some or all of the Co-Lenders. Lender or Agent may resign as Syndication Agent of the Co-Lenders, in its sole discretion, or if required to by the Co-Lenders in accordance with the term of the Co-Lending Agreement, in each case without the consent of but upon prior written notice to Borrower. Upon any such resignation, a successor Syndication Agent shall be determined pursuant to the terms of the Co-Lending Agreement and if a successor is not named within thirty (30) days of Lender's or Agent's notice of resignation as Syndication Agent, then the Co-Lender holding the greatest share in the Loan based upon the proportion of the outstanding principal amount of the Loan held by such Co-Lender to the total outstanding principal amount of the Loan shall be automatically deemed to be the successor Syndication Agent until such time as a successor Syndication Agent is appointed by the Co-Lenders pursuant to the Co-Lending Agreement. The term "Syndication Agent" as used in this Agreement shall include any successor Syndication Agent.

(v) Notwithstanding any provision to the contrary in this Agreement, the Syndication Agent shall not have any duties or responsibilities except those expressly set forth herein (and in the Co-Lending Agreement) and no covenants, functions, responsibilities, duties, obligations or liabilities of the Syndication Agent shall be implied

by or inferred from this Agreement, the Co-Lending Agreement, or any other Loan Document, or otherwise exist against the Syndication Agent.

(vi) Except to the extent its obligations hereunder and its interest in the Loan have been assigned pursuant to one or more Assignments and Assumption, the Syndication Agent shall have the same rights and powers under this Agreement as any other Co-Lender and may exercise the same as though it were not the Syndication Agent. The term “Co-Lender” or “Co-Lenders” shall, unless otherwise expressly indicated, include Lender in its individual capacity. Aside from this Loan, Lender and the other Co-Lenders and their respective Affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, Borrower, or any Affiliate of Borrower and any Person who may do business with or own securities of Borrower or any Affiliate of Borrower, all as if they were not serving in such capacities hereunder and without any duty to account therefor to each other.

(vii) If required by any Co-Lender, Borrower hereby agrees to execute supplemental notes in the principal amount of such Co-Lender’s pro rata share of the Loan substantially in the form of the Note, and such supplemental note shall (i) be payable to order of such Co-Lender, (ii) be dated as of the Closing Date, and (iii) mature on the Maturity Date. Such supplemental note shall provide that it evidences a portion of the existing indebtedness hereunder and under the Note and not any new or additional indebtedness of Borrower. The term “Note” as used in this Agreement and in all the other Loan Documents shall include all such supplemental notes.

(viii) The Syndication Agent shall maintain at its domestic lending office or at such other location the Syndication Agent shall designate in writing to each Co-Lender and Borrower a copy of each Assignment and Assumption delivered to and accepted by it and a register for the recordation of the names and addresses of the Co-Lenders, the amount of each Co-Lender’s proportionate share of the Loan and the name and address of each Co-Lender’s agent for service of process (the “**Syndication Register**”). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and Borrower, the Syndication Agent and the Co-Lenders may treat each person or entity whose name is recorded in the Register as a Co-Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection and copying by Borrower or any Co-Lender during normal business hours upon reasonable prior notice to the Syndication Agent. A Co-Lender may change its address and its agent for service of process upon written notice to the Syndication Agent, which notice shall only be effective upon actual receipt by the Syndication Agent, which receipt will be acknowledged by the Syndication Agent upon request.

(ix) Notwithstanding anything herein to the contrary, any financial institution or other entity may be sold a participation interest in the Loan by Lender or any Co-Lender without Borrower’s consent (such financial institution or entity, a “**Participant**”). No Participant shall have any rights under this Agreement, the Note or any of the Loan Documents and the Participant’s rights in respect of such participation shall be solely against Lender or Co-Lender, as the case may be, as set forth in the participation agreement executed by and between Lender or Co-Lender, as the case may be, and such Participant.

Borrower may rely conclusively on the actions of the Syndication Agent to bind Lender and any Participant, notwithstanding that the particular action in question may, pursuant to this Agreement or any participation agreement, be subject to the consent or direction of some or all of the Participants. No participation shall relieve Lender or Co-Lender, as the case may be, from its obligations hereunder or under the Note or the Loan Documents and Lender or Co-Lender, as the case may be, shall remain solely responsible for the performance of its obligations hereunder.

(x) Notwithstanding any other provision set forth in this Agreement, Lender or any Co-Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, amounts owing to it in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System).

(b) Cooperation in Syndication.

(i) Borrower agrees to assist Lender in completing a Syndication satisfactory to Lender and such cooperation of Borrower pursuant to this Section 13.9 shall be at Borrower's cost and expense. Such assistance shall include (i) direct contact between senior management and advisors of Borrower and Guarantor and the proposed Co-Lenders, (ii) assistance in the preparation of a confidential information memorandum and other marketing materials to be used in connection with the Syndication, (iii) the hosting, with Lender, of one or more meetings of prospective Co-Lenders or with the Rating Agencies, (iv) the delivery of appraisals satisfactory to Lender if required, and (v) working with Lender to procure a rating for the Loan by the Rating Agencies, but shall not include the cost of third party reports or updates to existing reports.

(ii) Lender shall manage all aspects of the Syndication of the Loan, including decisions as to the selection of institutions to be approached and when they will be approached, when their commitments will be accepted, which institutions will participate, the allocations of the commitments among the Co-Lenders and the amount and distribution of fees among the Co-Lenders. To assist Lender in its Syndication efforts, Borrower agrees promptly to prepare and provide to Lender all information with respect to Borrower, Manager, Guarantor, any SPE Component Entity (if any), the Property or the Equity Collateral contemplated hereby, including all financial information and projections (the "**Projections**"), as Lender may reasonably request in connection with the Syndication of the Loan. Borrower hereby represents and covenants that (i) all information other than the Projections (the "**Information**") that has been or will be made available to Lender by Borrower or any of their representatives is or will be, when furnished, complete and correct in all material respects and does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made and (ii) the Projections that have been or will be made available to Lender by Borrower or any of their representatives have been or will be prepared in good faith based upon reasonable assumptions. Borrower understands that in arranging and syndicating the Loan, Lender, the Co-Lenders and, if applicable, the Rating

Agencies, may use and rely on the Information and Projections without independent verification thereof.

(iii) If required in connection with the Syndication, Borrower hereby agrees, at Borrower's cost and expense, to:

- (A) deliver updated financial and operating statements and other information reasonably required by Lender to facilitate the Syndication;
- (B) deliver reliance letters reasonably satisfactory to Lender with respect to the environmental assessments and reports delivered to Lender prior to the Closing Date, which will run to Lender, any Co-Lender and their respective successors and assigns;
- (C) execute modifications to the Loan Documents required by the Co-Lenders, provided that such modification will not (except as set forth in clause (D) below), change any material or economic terms of the Loan Documents, or otherwise materially increase the obligations or materially decrease the rights of Borrower pursuant to the Loan Documents; and
- (D) if Lender elects, in its sole discretion, prior to or upon a Syndication, to split the Loan into two or more parts, or the Note into multiple component notes or tranches which may have different interest rates, principal amounts, payment priorities and maturities, Borrower agrees to cooperate with Lender in connection with the foregoing and to execute the required modifications and amendments to the Note, this Agreement and the Loan Documents and to provide opinions necessary to effectuate the same. Such Notes or components may be assigned different interest rates, so long as the initial weighted average of such interest rates does not exceed the applicable Interest Rate; provided, however, that payments or repayments of the Loan may result in interest rate "creep" (i.e. the total interest payable on the Loan increasing) due only to (i) the non-pro rata allocation of such payments or repayments to the Note (as bifurcated) during the continuance of an Event of Default or (ii) the application of Awards and/or Net Proceeds towards the reduction of the Debt on a non-pro rata allocation basis with respect to the Note (as bifurcated) evidencing such Debt but otherwise in accordance with the terms of this Agreement.

(c) **Limitation of Liability.** No claim may be made by Borrower, or any other Person against Syndication Agent, Agent, Lender or any Co-Lenders or the Affiliates, directors, officers, employees, attorneys or Syndication Agent of any of such Persons for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or

any act, omission or event occurring in connection therewith; and Borrower hereby waives, releases and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(d) **No Joint Venture.** Notwithstanding anything to the contrary herein contained, neither Syndication Agent, Lender nor any Co-Lender by entering into this Agreement or by taking any action pursuant hereto, will be deemed a partner or joint venturer with Borrower.

(e) **Voting Rights of Co-Lenders.** Borrower acknowledges that the Co-Lending Agreement may contain provisions which require that amendments, waivers, extensions, modifications, and other decisions with respect to the Loan Documents shall require the approval of all or a number of the Co-Lenders holding in the aggregate a specified percentage of the Loan or any one or more Co-Lenders that are specifically affected by such amendment, waiver, extension, modification or other decision; provided, however, in no event shall the provisions of this subsection (e) be construed to modify or amend the provisions of Section 13.9(a)(iii) and (iv).

(f) **Syndication Amendment.** To the extent Lender decides to syndicate the facility, the parties hereby agree to enter into and execute an amendment to this Agreement concurrently with the syndication of the facility, in form and substance reasonably satisfactory to the Lender and Agent.

**Section 13.10 Acknowledgment and Consent to Bail-In of EEA Financial Institutions.** Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

**Section 13.11 Creation of Security Interest.** Notwithstanding any other provision set forth in this Agreement or any of the other Loan Documents (including, without limitation, any of the formal or procedural requirements or other limitations set forth in Section 13.9), Lender may

at any time assign, pledge or otherwise create a security interest in all or any portion of its rights under this Agreement and any other Loan Document (including, without limitation, the advances owing to it) in favor of (i) any Federal Reserve Bank, any Federal Home Loan Bank or the central reserve bank or similar authority of any other country to secure any obligation of Lender to such bank or similar authority (a “**Central Bank Pledge**”) or (ii) the trustee, administrator or receiver (or their respective nominees, collateral agents or collateral trustees) of a mortgage pool securing covered mortgage bonds issued by a German mortgage bank, or any other Person permitted to issue covered mortgage bonds, under German Pfandbrief legislation, as such legislation may be amended and in effect from time to time, on any substitute or successor legislation (a “**Pfandbrief Pledge**”). In the event that the interest of Lender that is assigned in connection with a Central Bank Pledge is foreclosed upon and transferred to the pledge thereof, Lender shall have no liability hereunder from and after the date of such assignment, foreclosure or transfer, as applicable, with respect to the interest that was the subject of such assignment, foreclosure or transfer and the assignee shall be Lender with respect to such interest. Lender shall not be required to notify Borrower of any Central Bank Pledge or Pfandbrief Pledge. Borrower agrees to execute, within fifteen (15) Business Days after request therefor is made by Agent, any documents or any amendments, amendments and restatements, and/or modifications to any Loan Documents and/or additional documents (including, without limitation, amended, amended and restated, modified and/or additional promissory notes) and/or estoppel certificates reasonably requested by Lender in order to make the Loan Documents eligible under German pfandbrief legislation; provided, however, that Borrower shall not be required to enter into any such documents and amendments which would increase Borrower’s affirmative obligations or decrease Borrower’s rights under the Loan Documents or adversely affect the economic or other material terms of the Loan.

##### FURTHER ASSURANCES

**Section 14.1 Replacement Documents.** Upon receipt of an affidavit of an officer of Lender or Agent as to the loss, theft, destruction or mutilation of the Note and an indemnity (in form and substance reasonably satisfactory to Borrower) from Lender and Agent for matters relating thereto, this Agreement or any of the other Loan Documents which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of the Note, this Agreement or such other Loan Document, Borrower will issue, in lieu thereof, a replacement thereof, dated the date of the Note, this Agreement or such other Loan Document, as applicable, in the same principal amount thereof and otherwise of like tenor.

To the extent that Borrower fails to comply with the provisions set forth in this Section 14.3, Borrower grants to Lender and Agent an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender or Agent at law and in equity, including, without limitation, such rights and remedies available to Lender or Agent pursuant to this Section 14.3.

**Section 14.4 Changes in Tax, Debt, Credit and Documentary Stamp Laws.**

(a) If any law is enacted or adopted or amended after the date of this Agreement which deducts the Debt from the value of the Property or the Equity Collateral for the purpose of taxation and which imposes a tax, either directly or indirectly, on the Debt or Lender's or Agent's interest in the Property or the Equity Collateral, Borrower will pay the tax, with interest and penalties thereon, if any. If Agent is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or Agent or unenforceable or provide the basis for a defense of usury then Agent shall have the option by written notice of not less than one hundred fifty (150) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of the Security Instrument or the Debt. ### WAIVERS

**Section 15.1 Remedies Cumulative; Waivers.** The rights, powers and remedies of Lender and Agent under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender or Agent may have against Borrower pursuant to this Agreement, the Security Instrument, the Pledge Agreement, the Note or the other Loan Documents, or existing at law or in equity or otherwise. Lender's and Agent's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender or Agent may determine in Lender's or Agent's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

**Section 15.2 Modification, Waiver in Writing.** No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents, nor consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the parties thereto, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to, or demand on Borrower, shall entitle Borrower to any other or future notice or demand in the same, similar or other circumstances.

**Section 15.3 Delay Not a Waiver.** Neither any failure nor any delay on the part of Lender or Agent in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege under this Agreement, the Security Instrument, the Pledge Agreement, the Note or the other Loan Documents, or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Security Instrument, the Pledge Agreement, the Note or the other Loan Documents, Agent shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

**Section 15.4 Waiver of Trial by Jury.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, BORROWER, AGENT AND LENDER, BY ACCEPTANCE OF THIS AGREEMENT, EACH HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN, THE APPLICATION FOR THE LOAN, THIS AGREEMENT, THE NOTE, THE SECURITY INSTRUMENT, THE PLEDGE AGREEMENT OR THE OTHER LOAN DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, AGENT OR BORROWER.

**Section 15.5 Waiver of Notice.** Borrower shall not be entitled to any notices of any nature whatsoever from Lender or Agent except (a) with respect to matters for which this Agreement specifically and expressly provides for the giving of notice by Lender or Agent to Borrower and (b) with respect to matters for which Lender or Agent is required by Applicable Law to give notice, and Borrower hereby expressly waives the right to receive any notice from Lender or Agent with respect to any matter for which this Agreement does not specifically and expressly provide for the giving of notice by Lender or Agent to Borrower.

**Section 15.6 Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or Agent or their agents have acted unreasonably or unreasonably delayed acting in any case where by Applicable Law or under this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents, Lender, Agent or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender, Agent nor their agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender or Agent has acted reasonably shall be determined by an action seeking declaratory judgment. Lender or Agent each agrees that, in such event, it shall cooperate in expediting any action seeking injunctive relief or declaratory judgment.

**Section 15.7 Marshalling and Other Matters.** Borrower hereby waives, to the extent permitted by Applicable Law, the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale under the Security Instrument of the Property, the Pledge Agreement of the Equity Collateral or any part thereof or any interest therein. Further, Borrower hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of the Security Instrument or the Pledge Agreement on behalf of Borrower or Pledgor, respectively, and on behalf of each and every person acquiring any interest in or title to the Property or the Equity Collateral subsequent to the date of the Security Instrument or Pledge Agreement and on behalf of all persons to the extent permitted by Applicable Law.

**Section 15.8 Waiver of Statute of Limitations.** To the extent permitted by Applicable Law, Borrower hereby expressly waives and releases to the fullest extent permitted by Applicable Law, the pleading of any statute of limitations as a defense to payment of the Debt or performance of its obligations hereunder, under the Note, the Security Instrument or other Loan Documents.

**Section 15.9 Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender, Agent or their agents.

**Section 15.10 Sole Discretion of Lender or Agent.** Wherever pursuant to this Agreement (a) Lender or Agent exercises any right given to either party to approve or disapprove, (b) any arrangement or term is to be satisfactory to Lender or Agent, or (c) any other decision or determination is to be made by Lender or Agent, the decision to approve or disapprove all decisions that arrangements or terms are satisfactory or not satisfactory, and all other decisions and determinations made by Lender or Agent, shall be in the sole discretion of Lender or Agent, except as may be otherwise expressly and specifically provided herein. Notwithstanding the foregoing, Agent may request the consent or direction of Lender in making a decision or determination in accordance with the Loan Agreement and the other Loan Documents. Prior to a Securitization, whenever pursuant to this Agreement or any other Loan Document the Rating Agencies are given any right to approve or disapprove any matter, or any arrangement or term is to be satisfactory to the Rating Agencies, to the extent not already required, the decision of Lender or Agent to approve or disapprove such matter or to decide whether arrangements or terms are satisfactory or not satisfactory, shall be substituted therefor.

**Section 17.4 Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Agreement shall be prohibited by or invalid under Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**Section 17.5 Preferences.** Agent shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Agent, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any Creditors Rights Laws, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Agent.

Borrower recognizes and agrees that formal written appraisals of the Property by a licensed independent appraiser may be required by Lender's or Agent's internal procedures and/or federal regulatory reporting requirements on an annual and/or specialized basis and that Lender or Agent may, at their option, require inspection of the Property by an independent supervising architect and/or cost engineering specialist at least semiannually. Notwithstanding the foregoing, Borrower shall not be required to pay for more than one appraisal in any twelve (12) month period unless an Event of Default is continuing or as otherwise required by law. For the avoidance of doubt, Borrower shall be required to pay on behalf of Lender, within ten (10) Business Days' demand, any agency or servicing fees or expenses charged by Agent (or its successor) in connection with services provided as administrative agent and/or in connection with servicing the Loan, which agency fees and servicing fees are, as of the Closing Date, in monthly amounts equal to \$2,500 and \$2,700, respectively. **Section 17.7 Cost of Enforcement.** In the event (a) that any Pledge Agreement or the Security Instrument is foreclosed in whole or in part, (b) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower or any of its constituent Persons or an assignment by Borrower or any of its constituent Persons for the benefit of its creditors, or (c) Agent exercises any of its other remedies under this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents, Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including attorneys' fees and costs, incurred by Lender, Agent or Borrower in connection therewith and in connection with any appellate proceeding or post judgment action involved therein, together with all required service or use taxes. Any amounts payable to Lender or Agent pursuant to this Section 17.7 shall become immediately due and payable upon written demand and, if the same is not paid within ten (10) Business Days from such written demand, shall bear interest at the Default Rate from the date which is ten (10) Business Days from such written demand until the date such amounts have been paid.

**Section 17.8 Exhibits and Schedules Incorporated.** The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

**Section 17.9 Offsets, Counterclaims and Defenses.** Any assignee of Lender's or Agent's interest in and to this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

**Section 17.10 No Joint Venture or Partnership; No Third Party Beneficiaries.**

(a) Borrower, Agent and Lender intend that the relationships created under this Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan

Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower, Agent and Lender or to grant Lender or Agent any interest in the Property or the Equity Collateral other than that of a mortgagee, beneficiary or lender.

(b) This Agreement, the Security Instrument, the Pledge Agreement, the Note and the other Loan Documents are solely for the benefit of Lender, Agent and Borrower and nothing contained in this Agreement, the Security Instrument, the Pledge Agreement, the Note or the other Loan Documents shall be deemed to confer upon anyone other than Lender, Agent and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

(c) The general partners, members, principals and (if Borrower is a trust) beneficial owners of Borrower are experienced in the ownership and management of properties similar to the Property, and Borrower, Agent and Lender are relying solely upon such expertise and business plan in connection with the ownership and management of the Property and the Equity Collateral. Borrower is not relying on Lender's or Agent's expertise, business acumen or advice in connection with the Property or the Equity Collateral.

(d) Notwithstanding anything to the contrary contained herein, neither Lender nor Agent is undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(e) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender or Agent pursuant to this Agreement, the Security Instrument, the Pledge Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, neither Lender nor Agent shall be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender or Agent.

(f) Borrower recognizes and acknowledges that in accepting this Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents, Lender and Agent are expressly and primarily relying on the truth and accuracy of the representations and warranties set forth in Article 5 of this Agreement without any obligation to investigate the Property or the Equity Collateral and notwithstanding any investigation of the Property or Collateral by Lender or Agent; that such reliance existed on the part of Lender and Agent prior to the date hereof, that the warranties and representations are a material inducement to Lender in making the Loan; and that Lender would not be willing to make the Loan and accept the this Agreement, the Note, the

Security Instrument, the Pledge Agreement the other Loan Documents in the absence of the warranties and representations as set forth in Article 5 of this Agreement.

**Section 17.11 Publicity; Advertising.** All news releases, publicity or advertising which refers to this Agreement, the Note, the Security Instrument, the Pledge Agreement or the other Loan Documents or the financing evidenced by this Agreement, the Note, the Security Instrument, the Pledge Agreement or the other Loan Documents, or the identity of Borrower, Agent or Lender, shall be subject to the prior written approval of Lender, Agent and Borrower, not to be unreasonably withheld, except that both parties agree that either party may publicly identify details of the Loan in their respective advertising and public communications of all kinds, including, but not limited to, press releases, direct mail, newspapers, magazines, journals, e-mail or internet advertising or communications, but such details shall be limited to and only include the name of the Property, the address of the Property, the amount of the Loan, the Closing Date, and a description of the size and location of the Property.

**Section 17.12 Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Agreement, the Security Instrument, the Pledge Agreement, the Note or any of the other Loan Documents, the provisions of this Agreement shall control. Wherever the phrase “during the continuance of an Event of Default” or the like appears herein or in any other Loan Document, such phrase shall not mean or imply that Lender or Agent has any obligation to accept a cure of such Event of Default. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of this Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents and this Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender, Agent or any parent, subsidiary or Affiliate of Lender or Agent. Neither Lender nor Agent shall be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under this Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender or Agent of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Agent’s or Lender’s exercise of any such rights or remedies. Borrower acknowledges that each of Lender and Agent engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse-to or competitive with the business of Borrower or its Affiliates.

**Section 17.13 Entire Agreement.** This Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written between Borrower, Agent and Lender are superseded by the terms of this Agreement, the Note, the Security Instrument, the Pledge Agreement and the other Loan Documents.

**Section 17.14 Liability.** If Borrower consists of more than one person, the obligations and liabilities of each such person hereunder shall be joint and several. This Agreement shall be binding upon and inure to the benefit of Borrower, Agent and Lender and their respective successors and assigns forever.

**Section 17.15 Duplicate Originals; Counterparts.** This Agreement may be executed in any number of duplicate originals and each duplicate original shall be deemed to be an original. The failure of any party hereto to execute this Agreement, or any counterpart hereof, shall not relieve the other signatories from their obligations hereunder. Facsimile and electronically mailed counterparts shall have the same legal effect as an original.

**Section 17.16 Contribution.**

(a) As a result of the transactions contemplated by this Agreement, each Borrower will benefit, directly and indirectly, from each Borrower's Obligations and in consideration therefore Borrowers desire to enter into an allocation and contribution agreement among themselves as set forth in this Section 17.16 to allocate such benefits among themselves and to provide a fair and equitable agreement to make contributions among each of Borrowers in the event any payment is made by any individual Borrower hereunder to Lender (such payment being referred to herein as a "**Contribution**," and for purposes of this Section 17.16, includes any exercise of recourse by Lender against any collateral of a Borrower and application of proceeds of such collateral in satisfaction of such Borrower's obligations, to Lender under the Loan Documents).

(b) Each Borrower shall be liable under this Section 17.16 only for such total maximum amount (if any) that would not render its Obligations hereunder or under any of the Loan Documents subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of any State law.

(c) In order to provide for a fair and equitable contribution among Borrowers in the event that any Contribution is made by an individual Borrower (a "**Funding Borrower**"), such Funding Borrower shall be entitled to a reimbursement contribution ("**Reimbursement Contribution**") from all other Borrowers for all payments, damages and expenses incurred by that Funding Borrower in discharging any of the Obligations, in the manner and to the extent set forth in this Section 17.16.

(d) For purposes hereof, the "**Benefit Amount**" of any individual Borrower as of any date of determination shall be the net value of the benefits to such Borrower and its affiliates from extensions of credit made by Lender to (i) such Borrower and (ii) to the other Borrowers hereunder and the Loan Documents to the extent such other Borrowers have guaranteed or mortgaged their property to secure the Obligations of such Borrower to Agent and Lender.

(e) Each Borrower shall be liable to a Funding Borrower in an amount equal to the greater of (i) the (A) ratio of the Benefit Amount of such Borrower to the total amount of Obligations, multiplied by (B) the amount of Obligations paid by such Funding Borrower, or (ii) ninety-five percent (95%) of the excess of the fair saleable value of the property of such Borrower over the total liabilities of such Borrower (including the maximum amount reasonably expected to become due in respect of contingent liabilities) determined as of the date on which the payment

made by a Funding Borrower is deemed made for purposes hereof (giving effect to all payments made by other Funding Borrowers as of such date in a manner to maximize the amount of such Contributions).

(f) In the event that at any time there exists more than one Funding Borrower with respect to any Contribution (in any such case, the “**Applicable Contribution**”), then Reimbursement Contributions from other Borrowers pursuant hereto shall be allocated among such Funding Borrowers in proportion to the total amount of the Contribution made for or on account of the other Borrowers by each such Funding Borrower pursuant to the Applicable Contribution. In the event that at any time any Borrower pays an amount hereunder in excess of the amount calculated pursuant to this Section 17.16 above, that Borrower shall be deemed to be a Funding Borrower to the extent of such excess and shall be entitled to a Reimbursement Contribution from the other Borrowers in accordance with the provisions of this Section.

(g) Each Borrower acknowledges that the right to Reimbursement Contribution hereunder shall constitute an asset in favor of Borrower to which such Reimbursement Contribution is owing.

(h) No Reimbursement Contribution payments payable by a Borrower pursuant to the terms of this Section 17.16 shall be paid until all amounts then due and payable by all of Borrowers to Lender and/or Agent, pursuant to the terms of the Loan Documents, are paid in full in cash. Nothing contained in this Section 17.16 shall limit or affect in any way the Obligations of any Borrower to Lender and/or Agent under the Note or any other Loan Documents.

(i) Each Borrower waives:

(i) any right to require Agent or Lender to proceed against any other Borrower or any other person or to proceed against or exhaust any security held by Agent or Lender at any time or to pursue any other remedy in Agent’s or Lender’s power before proceeding against Borrower;

(ii) any defense based upon any legal disability or other defense of any other Borrower, any guarantor of any other person or by reason of the cessation or limitation of the liability of any other Borrower or any guarantor from any cause other than full payment of all sums payable under the Note, this Agreement and any of the other Loan Documents;

(iii) any defense based upon any lack of authority of the officers, directors, partners or agents acting or purporting to act on behalf of any other Borrower or any principal of any other Borrower or any defect in the formation of any other Borrower or any principal of any other Borrower;

(iv) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal;

(v) any defense based upon any failure by Agent or Lender to obtain collateral for the indebtedness or failure by Agent or Lender to perfect a lien on any collateral;

(vi) presentment, demand, protest and notice of any kind;

(vii) any defense based upon any failure of Agent or Lender to give notice of sale or other disposition of any collateral to any other Borrower or to any other person or entity or any defect in any notice that may be given in connection with any sale or disposition of any collateral;

(viii) any defense based upon any failure of Agent or Lender to comply with applicable laws in connection with the sale or other disposition of any collateral, including any failure of Agent or Lender to conduct a commercially reasonable sale or other disposition of any collateral;

(ix) any defense based upon any use of cash collateral under Section 363 of the Bankruptcy Code;

(x) any defense based upon any agreement or stipulation entered into by Agent or Lender with respect to the provision of adequate protection in any bankruptcy proceeding;

(xi) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Bankruptcy Code;

(xii) any defense based upon the avoidance of any security interest in favor of Agent or Lender for any reason;

(xiii) any defense based upon any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, liquidation or dissolution proceeding, including any discharge of, or bar or stay against collecting, all or any of the obligations evidenced by the Note or owing under any of the Loan Documents;

(xiv) any defense or benefit based upon Borrower's, or any other party's, resignation of the portion of any obligation secured by the Security Instrument to be satisfied by any payment from any other Borrower or any such party;

(xv) all rights and defenses arising out of an election of remedies by Agent or Lender even though the election of remedies, such as non-judicial foreclosure with respect to security for the Loan or any other amounts owing under the Loan Documents, has destroyed Borrower's rights of subrogation and reimbursement against any other Borrower;

(xvi) all rights and defenses that Borrower may have because any of Debt is secured by real property. This means, among other things: (1) Agent and Lender may collect from Borrower without first foreclosing on any real or personal property collateral pledged by any other Borrower, (2) if Agent or Lender

forecloses on any real property collateral pledged by any other Borrower, (I) the amount of the Debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, (II) Agent or Lender may collect from Borrower even if any other Borrower, by foreclosing on the real property collateral, has destroyed any right Borrower may have to collect from any other Borrower. This is an unconditional and irrevocable waiver of any rights and defenses Borrower may have because any of the Debt is secured by real property; and

(xvii) except as may be expressly and specifically permitted herein, any claim or other right which Borrower might now have or hereafter acquire against any other Borrower or any other person that arises from the existence or performance of any obligations under the Note, this Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents, including any of the following: (i) any right of subrogation, reimbursement, exoneration, contribution, or indemnification; or (ii) any right to participate in any claim or remedy of Agent or Lender against any other Borrower or any collateral security therefor, whether or not such claim, remedy or right arises in equity or under contract, statute or common law.

(j) Each Borrower hereby restates and makes the waivers made by Guarantor in the Guaranty in favor of Agent (for the benefit of Lender). Such waivers are hereby incorporated by reference as if fully set forth herein (and as if applicable to each Borrower) and shall be effective for all purposes under the Loan (including, without limitation, in the event that any Borrower is deemed to be a surety or guarantor of the Debt (by virtue of each Borrower being co-obligors and jointly and severally liable hereunder, by virtue of each Borrower encumbering its interest in the Property for the benefit or debts of the other Borrowers in connection herewith or otherwise)).

**Section 17.17 Intentionally Omitted.**

**Section 17.18 Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement other than Broker. Borrower shall pay (and on the date hereof has paid) to Broker the Broker Fee in full. Borrower shall indemnify, defend and hold the Indemnified Parties harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Indemnified Parties attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. The provisions of this Section 17.18 shall survive the expiration and termination of this Agreement and the payment of the Debt.

**ARTICLE 18.**

**AGENT**

**Section 18.1 Appointment.** Lender hereby designates and appoints Trimont Real Estate Advisors, LLC, as Agent hereunder and authorizes Agent to take such actions as agent on its behalf

and to exercise such powers as are delegated to Agent by the terms of this Agreement and the other Loan Documents, together with such powers as are reasonably incidental thereto. Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with Lender (regardless of whether a default or Event of Default has occurred and is continuing), and no implied covenants, functions, responsibilities, duties, obligations or liabilities on the part of Agent shall be read into this Agreement or otherwise exist for Agent. In performing its functions and duties hereunder, Agent shall act solely as agent for Lender and does not assume, nor shall be deemed to have assumed, any obligation or relationship of trust or agency with or for any of the Borrower Parties or their respective successors or assigns. The duties of Agent shall be mechanical and administrative in nature. Agent shall not be required to take any action that exposes Agent to personal liability or that is contrary to this Agreement or applicable law. Notwithstanding anything to the contrary in this Agreement, Agent shall not have any obligation whatsoever to incur any costs or personally make any Protective Advances with respect to the Loan or the underlying collateral.

**Section 18.2 Delegation of Duties.** Agent may execute any of its duties under this Agreement and the other Loan Documents by or through any one or more sub-agent, or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any sub-agents or attorneys-in-fact selected by it with reasonable care. The exculpatory provisions of this Article 18 shall apply to any such sub-agent or attorney-in-fact and to their directors, officers, agents or employees.

**Section 18.3 Exculpatory Provisions.** Neither Agent nor any of its directors, officers, agents or employees shall be (a) liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement and any other Loan Document, or (b) responsible in any manner to Lender for any recitals, statements, representations or warranties made by the Borrower Parties contained in this Agreement, any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement or any other Loan Document, for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement, any other Loan Document or any other document furnished in connection herewith, or for any failure of any of the Borrower Parties to perform their respective obligations hereunder. Agent shall not be under any obligation to Lender to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any of the Borrower Parties, or to ascertain or verify the existence or non-existence of any default or Event of Default.

**Section 18.4 Reliance.** Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile or electronic mail message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person and upon advice and statements of legal counsel (including counsel to the Borrower Parties), independent accountants and other experts selected by Agent. Agent shall in all cases be fully justified in failing or refusing to take any action under this Agreement or any other document furnished in connection herewith unless it shall first receive such direction, advice or concurrence of Lender, as it deems appropriate or it shall first be indemnified to its satisfaction by Lender; provided that unless and until Agent shall have received such direction, advice or concurrence,

Agent may take or refrain from taking any action, as Agent shall in good faith deem advisable and in the best interests of Lenders. Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of Lender, and such request and any action taken or failure to act pursuant thereto shall be binding upon Lender. Notwithstanding the foregoing, no action nor any omission to act, taken by Agent at the express direction of Lender (and in full compliance with such direction) shall constitute gross negligence or willful misconduct. Any reference to Agent providing approval or consent or making a request for direction, or to an item or a person being acceptable to, satisfactory to, to the satisfaction of or approved by or specified by Agent, or requiring certain steps or actions to be taken or a determination to be made by Agent, or Agent exercising its discretion to permit or waive any action, or Agent making or disagreeing with any calculation, are to be construed, unless otherwise specified, as references to Agent taking such action or refraining from acting on the instructions of or with the approval of the Lender, subject to receipt of all necessary information from other parties, as applicable. Except in the case of decisions stipulated to be a matter for any other party under this Agreement, any instructions given to Agent by the Lender shall override any conflicting instructions given by any other party and will be binding on all parties hereto.

**Section 18.5 Non-Reliance on Agent.** Lender expressly acknowledges that neither Agent nor any of its respective officers, directors, employees, agents, advisors, attorneys-in-fact or Affiliates have made any representations or warranties to it and that no act by Agent hereafter taken, including any review of the affairs of a Borrower Party or any Affiliate of a Borrower Party, shall be deemed to constitute any representation or warranty by Agent to Lender. Lender represents to Agent that it has, independently and without reliance upon Agent, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Borrower Parties and their Affiliates and made its own decision to make the Loan hereunder and enter into this Agreement. Lender also represents that it will, independently and without reliance upon Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to Lender by Agent hereunder, Agent shall not have any duty or responsibility to provide Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Borrower Party or any Affiliate of a Borrower Party that may come into the possession of Agent or any of its officers, directors, employees, agents, advisors, attorneys-in-fact or Affiliates.

**Section 18.6 Indemnification.** Whether or not the transactions contemplated hereby are consummated, Lender shall indemnify, defend and hold harmless, upon demand, Agent and any of its directors, officers, agents or employees (each, an "Agent Indemnitee") (to the extent not timely reimbursed by Borrower and without limiting any obligation of Borrower to do so) (and if more than one Lender, based on each such Lender's pro rata share of the Loan), from and against any and all actions, causes of action, suits, losses, liabilities, damages and expenses, including legal costs, except to the extent any thereof result from such Agent Indemnitee's own gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of

competent jurisdiction. Without limitation of the foregoing, Lender shall reimburse Agent (and if more than one Lender, based on each such Lender's Pro Rata Share) upon demand for its ratable share of any costs or out of pocket expenses (including legal costs) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that Agent is not timely reimbursed for such expenses by or on behalf of Borrower. The undertaking in this [Section 18.6](#) shall survive repayment of the Loan, cancellation of the Loan, any foreclosure under, or modification, release or discharge of, any or all of the Loan Documents, termination of this Agreement and the resignation or replacement of Agent.

**Section 18.7 Agent in its Individual Capacity.** Agent, and each of its Affiliates may make loans to, purchase securities from, provide services to, accept deposits from and generally engage in any kind of business with the Borrower Parties or any Affiliate of the Borrower Parties as though Agent were not Agent hereunder and without any duty to account therefor to Lender. Agent shall not, except as expressly set forth in this Agreement and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any Borrower Party that is communicated to or obtained by the Person serving as Agent or any of its Affiliates in any capacity, other than as agent for Lender.

**Section 18.8 Successor Agent.** Agent may, upon thirty (30) days' notice to Borrower and Lender, and Agent will, upon the direction of Lender, resign as Agent. If Agent shall resign, then Lender, during such thirty (30) day period, shall have the right to appoint a successor Agent, and if Lender directs Agent to resign, Lender may include in such direction the appointment of a successor Agent. If for any reason no successor Agent is appointed by Lender during such thirty (30) day period (or Lender does not direct the appointment of a successor Agent), then effective upon the expiration of such thirty (30) day period, Lender shall perform all of the duties of Agent under this Agreement and Borrower shall make all payments in respect of the Loan and the Obligations hereunder directly to Lender and for all purposes shall deal directly with Lender. After any Agent's resignation or removal hereunder as Agent, the provisions of [Section 11.1](#) and [Article 18](#) shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

**Section 18.9 Collections and Disbursements.**

(a) If any payments or any other amounts are received by Agent for the account of Lender under or in connection with the Loan Documents, Agent will promptly remit to Lender (or if more than one Lender, each such Lender's pro rata share of the Loan), all such payments actually received by Agent in accordance with the settlement procedures established by Agent from time to time. Settlements shall occur on such dates as Agent may elect in its sole discretion.

(b) If any such payment received by Agent is rescinded or otherwise required to be returned for any reason at any time, whether before or after termination of this Agreement or the other Loan Documents, Lender will, upon written notice from Agent, promptly pay over to Agent its pro rata percentage of the amounts so rescinded or returned, together with interest and other fees thereon so rescinded or returned.

(c) All payments by Agent and Lender to each other hereunder shall be by wire transfer of immediately available funds. If there is more than one Lender, and a such Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loan or Obligations resulting in such Lender receiving payment of a proportion of the aggregate amount of the Loan and other Obligations greater than such Lender's pro rata share of the Loan, then Lender receiving such greater proportion shall (i) notify Agent of such fact, and (b) purchase (for cash at face value) participations in the Loan and such other Obligations of the other parties constituting Lender, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by such parties constituting Lender ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this section shall not be construed to apply to (x) any payment made by Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Borrower Party (as to which the provisions of this Section 18.9 shall apply).

(d) Borrower (on its own behalf and on behalf of each other Borrower Party) consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that a Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Borrower Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Borrower Party in the amount of such participation.

**Section 18.10 Notice of Default.** Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless Agent has received notice from Lender or Borrower referring to the Loan Documents, describing such Default or Event of Default and stating that such notice is a "notice of default." Agent shall take such action with respect to such Default or Event of Default as may be requested by the Lender in accordance with the terms hereof. Unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interests of the Lender.

**Section 18.11 Collateral Matters.** Lender irrevocably authorizes Agent, at its option and in its discretion, to release any lien granted to or held by Agent under any Loan Document (i) when all Obligations have been indefeasibly paid in full; (ii) constituting property sold or to be sold or disposed of as part of or in connection with any sale or other disposition permitted hereunder (it being agreed and understood that Agent may conclusively rely without further inquiry on a certificate of an officer of Borrower as to the sale or other disposition of property being made in compliance with this Agreement); or (iii) if approved, authorized or ratified in writing by Lender. Upon request by Agent at any time, Lender will confirm in writing Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 18.11.

The Note, the Loan Agreement, the Security Instrument, the Pledge Agreement, and all other documents, agreements and certificates executed and/or delivered in connection with the Loan, as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time, are collectively referred to herein as the "Loan Documents".

1. As of this 20<sup>th</sup> day of January, 2023, the undersigned, JOHN C. LOEFFLER, II, an individual ("Loeffler"), JENNIFER SCHRADER, an individual ("Schrader"), CDIF, LLC, a Delaware limited liability company ("CDIF"), CALIBER DIVERSIFIED OPPORTUNITY FUND II, LP, a Delaware limited partnership ("CDOF II"), and CALIBERCOS INC., a Delaware corporation ("CaliberCos"; together with CDIF and CDOF II, individually and/or collectively as the context may require, "Entity Guarantor"; Entity Guarantor together with Loeffler and Schrader, jointly and severally, individually and/or collectively as the context may require, "Guarantor"), each having an address at 8901 East Mountain View Road, Suite 150, Scottsdale, Arizona 85258, jointly and severally hereby absolutely, irrevocably and unconditionally guarantee to Agent the prompt and unconditional payment of the Guaranteed Obligations. As used herein, the term "Guaranteed Obligations" shall mean, collectively, (i) all obligations and liabilities of Borrower for which Borrower shall be personally liable pursuant to Article 12 of the Loan Agreement and (ii) any and all fees, costs and expenses of Agent or Lender, including, without limitation, any and all reasonable attorneys' fees and expenses, in connection with the enforcement of this Guaranty by Agent.

2. Nature of Guaranty.

(a) It is expressly understood and agreed that this is a continuing guaranty and that the obligations of Guarantor hereunder are and shall be absolute under any and all circumstances, without regard to the validity, regularity or enforceability of the Note, the Loan Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents, a true copy of each of said documents Guarantor hereby acknowledges having received and reviewed.

(b) This is a guaranty of payment and not merely of collection and Guarantor shall be a primary obligor of the Guaranteed Obligations. Upon the Guaranteed Obligations being incurred by Lender or Agent, Agent may, at its option, proceed directly and at once, without notice, against Guarantor to collect and recover the full amount of the liability hereunder or any portion thereof, without proceeding against Borrower or any other person, or foreclosing upon, selling, or otherwise disposing of or collecting or applying against any of the mortgaged property or other collateral for the Loan.

(c) It is the intent of Guarantor and Agent that the obligations and liabilities of Guarantor hereunder are absolute and unconditional under any and all circumstances and that until the Guaranteed Obligations are fully and finally paid and performed, and not subject to refund or disgorgement, the obligations and liabilities of Guarantor hereunder shall not be discharged or released, in whole or in part, by any act or occurrence that might, but for the provisions of this Guaranty, be deemed a legal or equitable discharge or release of a Guarantor. This Guaranty shall be deemed to be continuing in nature and shall remain in full force and effect and shall survive the exercise of any remedy by Agent, Lender or Trustee under the Security Instrument, the Pledge Agreement or any of the other Loan Documents, including, without limitation, any foreclosure or deed in lieu of foreclosure.

3. Subordination. Any indebtedness of Borrower or Pledgor to Guarantor now or hereafter existing (including, but not limited to, any rights to subrogation Guarantor may have as a result of any payment by Guarantor under this Guaranty), together with any interest thereon, shall be, and such indebtedness is, hereby deferred, postponed and subordinated to the prior payment in full of the Debt. Until payment in full of the Debt (and including interest accruing on the Note after the commencement of a proceeding by or against Borrower or Pledgor under the Bankruptcy Code, which interest the parties agree shall remain a claim that is prior and superior to any claim of Guarantor notwithstanding any contrary practice, custom or ruling in cases under the Bankruptcy Code generally), Guarantor agrees not to accept any payment or satisfaction of any kind of indebtedness of Borrower or Pledgor to Guarantor and hereby assigns such indebtedness to Agent, including the right to file proof of claim and to vote thereon in connection with any such proceeding under the Bankruptcy Code, including the right to vote on any plan of reorganization. Further, if Guarantor shall comprise more than one person, firm or corporation, Guarantor agrees that until such payment in full of the Debt, (a) no one of them shall accept payment from the others by way of contribution on account of any payment made hereunder by such party to Agent (such payment, a "Contribution"), (b) no one of them will take any action to exercise or enforce any rights to such Contribution, and (c) if any of Guarantor should receive any payment, satisfaction or security for any indebtedness of Borrower or Pledgor to any of Guarantor or for any Contribution, the same shall be delivered to Agent in the form received, endorsed or assigned as

may be appropriate for application on account of, or as security for, the Debt and until so delivered, shall be held in trust for Agent as security for the Debt. Notwithstanding anything to the contrary contained herein, nothing in this Section 3 shall prohibit (i) Borrower from indirectly distributing to any Guarantor, or (ii) such Guarantor from accepting and holding on its own behalf, any Excess Cash Flow that is disbursed by Agent to Borrower in accordance with Section 3.5 of the Loan Agreement.

4. **Costs and Expenses of Collection.** Guarantor agrees that, with or without notice or demand, Guarantor will reimburse Agent, Lender and/or Trustee to the extent that such reimbursement is not made by Borrower, for all costs and expenses (including reasonable counsel fees and any fees of a special servicer) incurred by Agent, Lender and/or Trustee in connection with the collection of the Guaranteed Obligations or any portion thereof or with the enforcement of this Guaranty.

5. **Agent's Right to Pay Debt.** All moneys available to Agent for application in payment or reduction of the Debt may be applied by Agent in such manner and in such amounts and at such time or times and in such order and priority as Agent may see fit to the payment or reduction of such portion of the Debt as Agent may elect.

6. **Waivers.** Guarantor waives: (a) any defense based upon any legal disability or other defense of Borrower or Pledgor, any other guarantor or other person, or by reason of the cessation or limitation of the liability of Borrower or Pledgor from any cause other than full payment of all sums payable under the Loan Agreement or any of the other Loan Documents; (b) any defense based upon any lack of authority of the officers, directors, partners or agents acting or purporting to act on behalf of Borrower or Pledgor or any principal of Borrower or Pledgor or any defect in the formation of Borrower or Pledgor or any principal of Borrower or Pledgor; (c) any defense based upon the application by Borrower of the proceeds of the Loan for purposes other than the purposes represented by Borrower to Agent or intended or understood by Agent or Guarantor; (d) all rights and defenses arising out of an election of remedies by Agent; (e) any defense based upon Agent's failure to disclose to Guarantor any information concerning Borrower's financial condition or any other circumstances bearing on Borrower's ability to pay all sums payable under the Loan Agreement or any of the other Loan Documents; (f) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (g) any defense based upon Agent's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code or any successor statute; (h) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Bankruptcy Code; (i) presentment, demand, protest and notice of any kind; and (j) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof. In addition, Guarantor waives all rights and defenses that Guarantor may have because Borrower's debt is secured by real property. This means, among other things: (1) Agent may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Borrower or Pledgor; and (2) if Agent forecloses on any real property collateral pledged by Borrower, then (i) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (ii) Agent may collect from Guarantor even if Agent, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Borrower. The foregoing sentence is an unconditional

and irrevocable waiver of any rights and defenses Guarantor may have because Borrower's debt is secured by real property. Finally, Guarantor agrees that the payment of all sums payable under the Loan Agreement or any of the other Loan Documents or any part thereof or other act which tolls any statute of limitations applicable to the Note or the other Loan Documents shall similarly operate to toll the statute of limitations applicable to Guarantor's liability hereunder.

Guarantor hereby acknowledges that as part of Agent's and Lender's consideration for entering into this transaction, Agent and Lender have specifically bargained for the waiver and relinquishment by Guarantor of all such defenses and Guarantor has had the opportunity to seek and receive legal advice from skilled legal counsel in the area of financial transactions of the type reflected in this Guaranty and the Loan Documents. Guarantor hereby represents and confirms to Agent that Guarantor is fully informed regarding, and that Guarantor does thoroughly understand, (i) the nature of all such possible defenses, (ii) the circumstances under which those defenses may arise, (iii) the benefits which those defenses might confer upon Guarantor, and (iv) the legal consequences to Guarantor of waiving those defenses. Guarantor acknowledges that Guarantor has both undertaken Guarantor's obligations hereunder and given its unconditional waiver with the intent that this Guaranty and all such waivers shall be fully enforceable by Agent, and that Agent and Lender have been induced to enter into this transaction in material reliance upon the presumed full enforceability thereof.

Guarantor waives (i) any and all benefits under Arizona Revised Statutes ("A.R.S.") Sections 12-1641 through 12-1646 and Rule 17(e) of the Arizona Rules of Civil Procedure, and (ii) any and all benefits under A.R.S. Section 33-814 and Section 33-729.

7. Guaranteed Obligations Not Terminated, Affected or Impaired. Guarantor further agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no way be terminated, affected or impaired by reason of any of the following: (a) the assertion by Agent of any rights or remedies which it may have under or with respect to the Note, the Loan Agreement, the Security Instrument, the Pledge Agreement, or any of the other Loan Documents against any Person obligated thereunder, or against the owner of the Property, (b) any failure to file or record any of such instruments or to take or perfect any security intended to be provided thereby, (c) the release or exchange of any property covered by the Security Instrument or the Pledge Agreement or other collateral for the Loan, (d) Agent's failure to exercise, or delay in exercising, any such right or remedy or any right or remedy Agent may have hereunder or in respect to this Guaranty, (e) the commencement of a case under the Bankruptcy Code by or against any person obligated under the Note, the Loan Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents, or the death of any Guarantor, (f) any partial or total transfer or pledge of the interests in Borrower, or in any direct or indirect owner of Borrower, and/or the reconstitution of Borrower as a result of such transfer or pledge, regardless of whether any of the foregoing is permitted under the Loan Documents, or (g) any payment made on the Debt or any other indebtedness arising under the Note, the Loan Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents, whether made by Borrower or Guarantor or any other person, which is required to be refunded pursuant to any bankruptcy or insolvency law; it being understood that no payment so refunded shall be considered as a payment of any portion of the Debt, nor shall it have the effect of reducing the liability of Guarantor hereunder. It is the intention of Borrower, Pledgor and Guarantor that the Guaranteed Obligations hereunder shall not be discharged except by Guarantor's performance of such Guaranteed Obligations and then only

to the extent of such performance. It is further understood, that if Borrower or Pledgor shall have taken advantage of, or be subject to the protection of, any provision in the Bankruptcy Code, the effect of which is to prevent or delay Agent from taking any remedial action against Borrower or Pledgor, including the exercise of any option Agent has to declare the Debt due and payable on the happening of any default or event by which under the terms of the Note, the Loan Agreement, the Security Instrument, the Pledge Agreement or the other Loan Documents, the Debt shall become due and payable, Agent may, as against Guarantor, nevertheless, declare the Debt due and payable and enforce any or all of its rights and remedies against Guarantor provided for herein. In the event that pursuant to any Creditors Rights Laws or any judgment, order or decision thereunder Agent must rescind or restore any payment or any part thereof received by Agent in satisfaction of the Guaranteed Obligations as set forth herein, any prior release or discharge from the terms of this Guaranty given to Guarantor by Agent shall be without effect and this Guaranty shall remain in full force and effect.

8. **Certain Acknowledgements.** Guarantor warrants and acknowledges that: (a) Lender would not make the Loan but for this Guaranty; (b) there are no conditions precedent to the effectiveness of this Guaranty and this Guaranty shall be in full force and effect and binding on Guarantor regardless of whether Lender obtains other collateral or any guaranties from others or takes any other action contemplated by Guarantor; (c) Guarantor has established adequate means of obtaining from sources other than Lender, on a continuing basis, financial and other information pertaining to Borrower's and Pledgor's financial condition, the Property and Borrower's and Pledgor's activities relating thereto, and the status of Borrower's and Pledgor's performance of obligations under the Loan Documents, and Guarantor agrees to keep adequately informed from such means of any facts, events or circumstances which might in any way affect Guarantor's risks hereunder and neither Agent nor Lender has made any representation to Guarantor as to any such matters; (d) the most recent financial statements of Guarantor previously delivered to Agent and/or Lender are true and correct in all respects, have been prepared in accordance with GAAP or in accordance with other principles acceptable to Agent and/or Lender in its reasonable discretion (consistently applied) and fairly present the financial condition of Guarantor in all material respects as of the respective dates thereof, and no material adverse change has occurred in the financial condition of Guarantor since the respective dates thereof; (e) Guarantor has not and will not, without the prior written consent of Agent, sell, lease, assign, encumber, hypothecate, transfer or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein, other than in the ordinary course of Guarantor's business; and (f) Guarantor has not and will not cause or consent to any action or failure to act that would result in Borrower or Pledgor failing to be at all times a "single purpose entity" as described in Article 6 of the Loan Agreement.

9. **Guarantor's Representations, Warranties and Covenants.** Each Guarantor (and its representative, executing below, if any) hereby warrants, represents and covenants to Lender and Agent that:

(a) Each Entity Guarantor is duly organized and existing and in good standing under the laws of the state in which it is organized. Each Guarantor is currently qualified or licensed (as applicable) and shall remain qualified or licensed to do business in each jurisdiction in which the nature of his/its business requires him/it to be so qualified or licensed.

(b) The execution and delivery by each Guarantor (and its representative executing below, if any) of the Loan Documents to which such Guarantor is a party has been duly authorized and the Loan Documents to which such Guarantor is a party constitute valid and binding obligations of such Guarantor, enforceable in accordance with their terms, except as such enforcement may be limited by bankruptcy, insolvency, moratorium or other laws affecting the enforcement of creditors' rights, or by the application of rules of equity.

(c) The execution, delivery and performance by each Guarantor of each of the Loan Documents to which such Guarantor is a party do not violate any provision of any law or regulation, or result in any breach or default under any contract, obligation, indenture or other instrument to which such Guarantor is a party or by which such Guarantor is bound.

(d) There are no pending or, to each Guarantor's knowledge, threatened actions, claims, investigations, suits or proceedings before any governmental authority, court or administrative agency which would reasonably be expected to have a Material Adverse Effect on the financial condition or operations of any Guarantor, Borrower, Pledgor and/or the Property.

(e) There are no pending assessments or adjustments of any Guarantor's income tax payable with respect to any year.

(f) None of the transactions contemplated by the Loan Documents will be or have been made with an actual intent to hinder, delay or defraud any present or future creditors of Borrower, Pledgor or Guarantor, and Borrower, Pledgor and Guarantor, on the date hereof, will have received fair and reasonably equivalent value in good faith for the continued grant of the liens or security interests effected by the Loan Documents. As of the date hereof, Borrower, Pledgor and each Guarantor are solvent and will not be rendered insolvent by the transactions contemplated by the Loan Documents. As of the date hereof, Borrower, Pledgor and each Guarantor are able to pay their respective debts as they become due.

(g) Each Guarantor shall promptly notify Agent in writing of any litigation pending or threatened in writing against such Guarantor claiming damages in excess of Two Hundred Thousand and No/100 Dollars (\$200,000.00) and of all pending or threatened litigation against such Guarantor if the aggregate damage claims against Guarantor exceed Two Hundred Thousand and No/100 Dollars (\$500,000.00).

(h) As of the date hereof and continuing thereafter for the term of the Loan, the representations and warranties set forth in Sections 5.1 through 5.8, 5.12, 5.18, 5.21, 5.27, 5.28, 5.29, and 5.32 of the Loan Agreement are true and correct with respect to each Guarantor, it being understood that wherever the term "Borrower" is used in each the foregoing sections it shall be deemed to be "Guarantor".

(i) Guarantor shall keep and maintain or will cause to be kept and maintained proper and accurate books and records reflecting the financial affairs of Guarantor. Agent

shall have the right from time to time during normal business hours upon reasonable notice to Guarantor to examine such books and records at the office of Guarantor or other Person maintaining such books and records and to make such copies or extracts thereof as Agent shall desire.

10. Financial Covenants of Guarantor. So long as the Loan and any of the obligations set forth in the Loan Documents remain outstanding, Guarantor shall maintain, in the aggregate, (i) a minimum Net Worth (as defined herein) (excluding the Property) of not less than \$55,000,000.00 and (ii) Liquidity (as defined herein) (excluding the Property) of no less than \$5,500,000.00 (the above items, (i) and (ii), collectively, the “Minimum Financial Criteria”).

As used herein:

“Net Worth” shall mean net worth as calculated in accordance with generally accepted accounting principles (or other principles acceptable to Agent).

“Liquidity” shall mean (a) unencumbered Cash and Cash Equivalents of Guarantor and (b) marketable securities of Guarantor, each valued in accordance with GAAP (or other principles acceptable to Agent).

“Cash and Cash Equivalents” shall mean all unrestricted or unencumbered (A) cash and (B) any of the following: (i) marketable direct obligations issued or unconditionally guaranteed by the United States Government or issued by an agency thereof and backed by the full faith and credit of the United States; (ii) marketable direct obligations issued by any state of the United States of America or any political subdivision of any such state or any public instrumentality thereof which, at the time of acquisition, has one of the two highest ratings obtainable from any two (2) of Standard & Poor’s Corporation, Moody’s Investors Service, Inc. or Fitch Investors (or, if at any time no two of the foregoing shall be rating such obligations, then from such other nationally recognized rating services as may be acceptable to Agent) and is not listed for possible down-grade in any publication of any of the foregoing rating services; (iii) domestic certificates of deposit or domestic time deposits or repurchase agreements issued by any commercial bank organized under the laws of the United States of America or any state thereof or the District of Columbia having combined capital and surplus of not less than \$1,000,000,000.00, which commercial bank has a rating of at least either AA or such comparable rating from Standard & Poor’s Corporation or Moody’s Investors Service, Inc., respectively; (iv) any funds deposited or invested by Guarantor in accounts maintained with Lender and which are not held in escrow for, or pledged as security for, any obligations of Guarantor, Borrower and/or any of their affiliates; (v) money market funds having assets under management in excess of \$2,000,000,000.00 and/or (vi) any unrestricted stock, shares, certificates, bonds, debentures, notes or other instrument which constitutes a “security” under the Security Act of 1933 (other than Guarantor, Borrower and/or any of their affiliates) which are freely tradable on any nationally recognized securities exchange and are not otherwise encumbered by Guarantor.

11. Financial Condition and Reports. So long as the Loan or any other obligation guaranteed hereby remains outstanding (other than, following the termination of the Loan Agreement and all other Loan Documents, contingent indemnification obligations as to which no claim has been made), Guarantor shall provide to Agent (i) within ninety (90) days after the end

of each fiscal year and thirty (30) days after the end of each calendar quarter, financial statements of Guarantor covering the corresponding period then ended, including (A) a balance sheet, (B) an income and expenses statement, (C) a statement of cash flow and (D) a statement of change in financial position, prepared by a Responsible Officer of Guarantor (or, upon Agent's reasonable request with respect to the annual financial statements required hereunder, audited by a "Big Four" accounting firm or other independent certified public accountant reasonably acceptable to Agent), together with a certificate of Guarantor (and/or a Responsible Officer of Guarantor, as applicable) certifying that the Minimum Financial Criteria continue to be satisfied (including Guarantor's calculation of Guarantor's Net Worth and Liquidity) and that each of the statements delivered pursuant to this clause (i) are true and correct, (ii) within thirty (30) days after filing, a complete copy of Guarantor's federal and (to the extent applicable) state income tax returns for the immediately preceding tax year, and (iii) such other information reasonably requested by Agent and reasonably available to Guarantor. Guarantor agrees that all financial statements to be delivered to Agent pursuant to this Section 11 shall: (I) be complete and correct in all material respects; (II) present fairly and accurately the financial condition of Guarantor; (III) disclose all liabilities that are required to be reflected or reserved against; and (IV) be prepared (a) in hardcopy and electronic formats and (b) in accordance with GAAP (and including any loss contingencies) or in accordance with other principles acceptable to Agent and/or Lender in its reasonable discretion (consistently applied). Guarantor shall be deemed to warrant and represent that, as of the date of delivery of any such financial statement, there has been no material adverse change in financial condition, nor have any assets or properties been sold, transferred, assigned, mortgaged, pledged or encumbered (other than in the ordinary course of business and in accordance with the Loan Documents) since the date of such financial statement except as disclosed by Guarantor in a writing delivered to Agent. Guarantor agrees that no financial statement shall contain any misrepresentation or omission of a material fact which would make such financial statement inaccurate, incomplete or otherwise misleading in any material respect.

Furthermore, each legal entity and individual obligated on this Guaranty hereby authorizes Agent to order and obtain, from a credit reporting agency of Agent's choice, a third party credit report on such legal entity and individual.

12. Replacement Guarantor. To the extent that any Guarantor is a natural person, the death or legal incompetency of such Guarantor shall be an Event of Default hereunder unless Agent waives such Event of Default, or such Guarantor is replaced in accordance with this Section 12. Borrower shall be permitted to substitute a replacement guarantor and no "Event of Default" shall be deemed to have occurred hereunder, provided that (a) no other Event of Default hereunder or under any of the other Loan Documents has occurred and is then continuing; and (b) each of the following terms and conditions are satisfied: (i) within ninety (90) days after the occurrence of such death or incompetency, Borrower delivers Agent written notice of its intent to substitute the guarantor, (ii) the replacement guarantor is a Satisfactory Replacement Guarantor (as defined below), (iii) within thirty (30) days after delivery of the written notice described in the preceding subclause (i), such Satisfactory Replacement Guarantor assumes the obligations of Guarantor hereunder and under the other Loan Documents (as applicable), (iv) concurrently with such assumption, (A) to the extent the Satisfactory Replacement Guarantor is a married individual (whose primary residence or domicile is in the State of Arizona or in another community property jurisdiction wherein state law would require a spousal joinder in order to subject community assets to this Guaranty), such Satisfactory Replacement Guarantor delivers to Agent a Spousal Consent

(as defined below), as and to the extent applicable and (B) each of Borrower, Pledgor and such Satisfactory Replacement Guarantor affirms each of their respective obligations under the Loan Documents, and (v) prior to or concurrently with such assumption, as applicable, Agent receives such information, documentation and opinions as may be reasonably required by Agent in connection with such assumption and the foregoing. As used herein, the term "Satisfactory Replacement Guarantor" shall mean a replacement guarantor that (1) when aggregated with every other Guarantor, satisfies the Minimum Financial Criteria, (2) is acceptable to Agent, and (3) Controls Borrower and any SPE Component Entity and the day-to-day operations of the Property.

13. Change in Residency. To the extent that any Guarantor is a natural person, each such Guarantor hereby represents and warrants that such Guarantor is a resident of the State of Arizona and that such Guarantor's primary domicile is in the State of Arizona. If any such Guarantor is married as of the date hereof, then such Guarantor shall cause his or her spouse to execute and deliver to Agent a spousal consent with respect to this Guaranty (which spousal consent shall be in form and substance satisfactory to Agent) (a "Spousal Consent"). If any such Guarantor is not married as of the date hereof and subsequently marries, or if such Guarantor enters into a new marriage, at any time when Guarantor is a resident (and/or has a primary domicile) in a community property jurisdiction, then such Guarantor shall cause his or her spouse to execute and deliver to Agent a Spousal Consent within ten (10) days after the occurrence of any such marriage. Guarantor's failure to comply with any of the foregoing requirements shall, at Agent's option, constitute an "Event of Default" hereunder and under the Loan Agreement.

14. No Consent. Guarantor further covenants that this Guaranty shall remain and continue in full force and effect as to any modification, extension or renewal of the Note, the Loan Agreement, the Security Instrument, the Pledge Agreement, or any of the other Loan Documents, that Agent shall not be under a duty to protect, secure or insure any security or lien provided by the Security Instrument or the Pledge Agreement or other such collateral, and that other indulgences or forbearance may be granted under any or all of such documents, all of which may be made, done or suffered without notice to, or further consent of, Guarantor.

15. Notices. As a further inducement to Lender to make the Loan and in consideration thereof, Guarantor further covenants and agrees (a) that in any action or proceeding brought by Agent against Guarantor on this Guaranty, Guarantor shall and does hereby waive trial by jury, (b) Guarantor will maintain a place of business or an agent for service of process in the State of New York and give prompt written notice to Agent of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate, (c) the failure of Guarantor's agent for service of process to give it notice of any service of process will not impair or affect the validity of such service or of any judgment based thereon, (d) if, despite the foregoing, there is for any reason no agent for service of process of Guarantor available to be served, and if Guarantor at that time has no place of business in the State of New York then Guarantor irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof, Guarantor hereby waiving personal service thereof, (e) that within thirty (30) days after such mailing, Guarantor so served shall appear or answer to any summons and complaint or other process and should Guarantor so served fail to appear or answer within said thirty-day period, said Guarantor shall be deemed in default and judgment may be entered by Agent against the said party for the amount as demanded in any summons and complaint

or other process so served, (f) Guarantor initially and irrevocably designates Corporation Service Company, with offices on the date hereof at 19 West 44th Street, Suite 200, New York, NY 10036, to receive for and on behalf of Guarantor service of process in the State of New York with respect to this Guaranty, (g) with respect to any claim or action arising hereunder, Guarantor (i) irrevocably submits to the nonexclusive jurisdiction of the courts of the State of New York and the United States District Court located in New York County, and appellate courts from any thereof, and (ii) irrevocably waives any objection which it may have at any time to the laying on venue of any suit, action or proceeding arising out of or relating to this Guaranty brought in any such court, irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum, and (h) nothing in this Guaranty will be deemed to preclude Agent from bringing an action or proceeding with respect hereto in any other jurisdiction. Guarantor acknowledges that this Guaranty is an "instrument for the payment of money only" within the meaning of New York Civil Practice Law and Rules Section 3213.

16. Successors and Assigns.

(a) Each reference herein to Agent, Lender or Trustee shall be deemed to include such party's successors and assigns, to whose favor the provisions of this Guaranty shall also inure. Each reference herein to Guarantor shall be deemed to include the heirs, executors, administrators, legal representatives, successors and assigns of Guarantor, all of whom shall be bound by the provisions of this Guaranty.

(b) If any party hereto shall be a partnership, the agreements and obligations on the part of Guarantor herein contained shall remain in force and application notwithstanding any changes in the individuals composing the partnership and the term "Guarantor" shall include any altered or successive partnerships but the predecessor partnerships and their partners shall not thereby be released from any obligations or liability hereunder.

17. Entire Agreement. All understandings, representations and agreements heretofore had with respect to this Guaranty are merged into this Guaranty which alone fully and completely expresses the agreement of Guarantor and Agent.

18. Counterparts. This Guaranty may be executed in one or more counterparts by some or all of the parties hereto, each of which counterparts shall be an original and all of which together shall constitute a single agreement of Guaranty. The failure of any party hereto to execute this Guaranty, or any counterpart hereof, shall not relieve the other signatories from their obligations hereunder. Facsimile and electronically mailed counterparts shall have the same legal effect as an original.

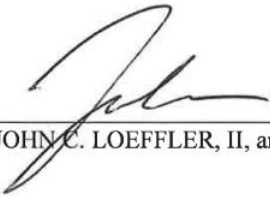

19. Amendments. This Guaranty may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Agent or Guarantor, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

20. Governing Law. This Guaranty shall be deemed to be a contract entered into pursuant to the laws of the State of New York and shall in all respects be governed, construed,

applied and enforced in accordance with applicable federal law and the laws of the State of New York, without reference or giving effect to any choice of law doctrine.

## II. GENERAL TERMS

### Section 2.1 Loan Commitment; Disbursement to Borrower.

2.1.1 Agreement to Lend and Borrow. Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Single Disbursement to Borrower. Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be re-borrowed.

2.1.3 The Note, Security Instrument and Loan Documents. The Loan shall be evidenced by the Note and secured by the Security Instrument, the Assignment of Leases and the other Loan Documents.

2.1.4 Use of Proceeds. Borrower shall use the proceeds of the Loan to (a) repay and discharge any existing loans relating to the Property, (b) pay all past-due Basic Carrying Costs, if any, in respect of the Property, (c) make deposits into the Reserve Funds on the Closing Date in the amounts provided herein or in the other Loan Documents, (d) pay costs and expenses incurred in connection with the closing of the Loan, as approved by Lender, and/or (e) fund any working capital requirements of the Property. The balance, if any, shall be distributed to Borrower.

### Section 2.2 Interest; Loan Payments; Late Payment Charge.

#### 2.2.1 Payments.

(a) Borrower shall make a payment to Lender of interest and, to the extent applicable, principal in the amount of the Monthly Debt Service Payment Amount on the Payment Date occurring in December, 2019 and on each Payment Date thereafter to and including the Maturity Date. Each payment shall be applied first to accrued and unpaid interest and the balance to principal. The non-interest only portion of the Monthly Debt Service Payment Amount required hereunder is based on a thirty (30) year amortization schedule. Interest on the outstanding principal amount of the Loan for the period through and including November 10, 2019 shall be paid by Borrower to Lender on the Closing Date.

(b) All payments and other amounts due under the Note, this Agreement and the other Loan Documents shall be made without any setoff, defense or irrespective of, and without deduction for, counterclaims.

2.2.2 Interest Calculation. Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) the Applicable Interest Rate divided by three hundred sixty (360) by (c) the outstanding principal balance. The accrual period for calculating interest due on each Payment Date shall be the Interest Accrual Period in which the related Payment Date occurs.

2.2.3 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest thereon, and all other amounts due hereunder and under the Note, the Security Instrument and the other Loan Documents, including, without limitation, all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Accrual Period in which the Maturity Date occurs (even if such Interest Accrual Period extends beyond the Maturity Date).

2.2.4 Payments after Default. Upon the occurrence and during the continuance of an Event of Default, (a) interest on the outstanding principal balance of the Loan and, to the extent permitted by Applicable Law, overdue interest and other amounts due in respect of the Loan, shall accrue at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein and (b) in addition to the Monthly Debt Service Payment Amount, Lender shall be entitled to receive and Borrower shall pay to Lender on each Payment Date an amount equal to the Net Cash Flow After Debt Service for the prior month, such amount to be applied by Lender to the payment of the Debt in such order as Lender shall determine in its sole discretion, including, without limitation, alternating applications thereof between interest then due and owing and principal. Interest at the Default Rate and Net Cash Flow After Debt Service shall both be computed from the occurrence of the Event of Default until the actual receipt and collection of the Debt (or that portion thereof that is then due). To the extent permitted by Applicable Law, interest at the Default Rate, to the extent not paid, shall be added to the Debt, shall itself accrue interest at the same rate as the Loan and shall be secured by the Security Instrument. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Debt, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default. The acceptance of any payment of Net Cash Flow After Debt Service shall not be deemed to cure or constitute a waiver of any Event of Default. Lender retains its rights under the Note to accelerate and to continue to demand payment of the Debt upon the happening and during the continuance of any Event of Default, despite any payment of Net Cash Flow After Debt Service.

2.2.5 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents is not paid by Borrower on the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the maximum amount permitted by Applicable Law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment (except, with respect to payments

made pursuant to Section 3.7 hereof, to the extent that (x) sums sufficient to pay such amounts have been deposited in the Cash Management Account, (y) Cash Management Bank failed to timely apply such amounts in accordance with Section 3.7 hereof and the Cash Management Agreement, and (z) Cash Management Bank's access to such amounts had not been restricted by any act of Borrower or any Borrower Party). Any such amount shall be secured by the Security Instrument and the other Loan Documents to the extent permitted by Applicable Law.

**2.2.6 Usury Savings.** This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

**2.2.7 Indemnified Taxes.**

(a) All payments made by Borrower hereunder shall be made free and clear of, and without reduction for or on account of, Indemnified Taxes, excluding (i) Indemnified Taxes measured by Lender's net income, and franchise taxes imposed on it, by the jurisdiction under the laws of which Lender is resident or organized, or any political subdivision thereof, (ii) taxes measured by Lender's overall net income, and franchise taxes imposed on it, by the jurisdiction of Lender's lending office or any political subdivision thereof or in which Lender is resident or engaged in business, and (iii) withholding taxes imposed by the United States of America, any state, commonwealth, protectorate territory or any political subdivision or taxing authority thereof or therein as a result of the failure of Lender which is a Non-U.S. Entity to comply with the terms of paragraph (b) below. If any non-excluded Indemnified Taxes are required to be withheld from any amounts payable to Lender hereunder, the amounts so payable to Lender shall be increased to the extent necessary to yield to Lender (after payment of all non-excluded Indemnified Taxes) interest or any such other amounts payable hereunder at the rate or in the amounts specified hereunder. Whenever any non-excluded Indemnified Tax is payable pursuant to Applicable Law by Borrower, Borrower shall send to Lender an original official receipt showing payment of such non excluded Indemnified Tax or other evidence of payment reasonably satisfactory to Lender. Borrower hereby indemnifies Lender for any incremental taxes, interest or penalties that may become payable by Lender which may result from any failure by Borrower to pay any such non excluded Indemnified Tax when due to the appropriate taxing authority or any failure by Borrower to remit to Lender the required receipts or other required documentary evidence.

(b) In the event that Lender or any successor and/or assign of Lender is not incorporated under the laws of the United States of America or a state thereof (a "Non-U.S. Entity") Lender agrees that, prior to the first date on which any payment is due such entity hereunder, it will deliver to Borrower two duly completed copies of United States Internal Revenue Service Form W-8BEN or W-8ECI or successor applicable form, as the case may be, certifying in each case that such entity is entitled to receive payments under the Note, without deduction or withholding of any United States federal income taxes. Each entity required to deliver to Borrower a Form W-8BEN or W-8ECI pursuant to the preceding sentence further undertakes to deliver to Borrower two further copies of such forms, or successor applicable forms, or other manner of certification, as the case may be, on or before the date that any such form expires (which, in the case of the Form W-8ECI, is the last day of each U.S. taxable year of the Non-U.S. Entity) or becomes obsolete or after the occurrence of any event requiring a change in the most recent form previously delivered by it to Borrower, and such other extensions or renewals thereof as may reasonably be requested by Borrower, certifying in the case of a Form W-8BEN or W-8ECI that such entity is entitled to receive payments under the Note without deduction or withholding of any United States federal income taxes, unless in any such case an event (including, without limitation, any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required which renders all such forms inapplicable or which would prevent such entity from duly completing and delivering any such form with respect to it and such entity advises Borrower that it is not capable of receiving payments without any deduction or withholding of United States federal income tax.

2.2.8 Invalidated Payments. If any payment received by Lender is deemed by a court of competent jurisdiction to be a voidable preference or fraudulent conveyance under any Creditors Rights Laws, and is required to be returned by Lender, then the obligation to make such payment shall be reinstated, notwithstanding that the Note may have been marked satisfied and returned to Borrower or otherwise canceled, and such payment shall be immediately due and payable upon demand.

### Section 2.3 Prepayments.

2.3.1 Voluntary Prepayments. Except as otherwise expressly provided herein, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Maturity Date. On the Open Date or on any Payment Date thereafter, Borrower may, at its option and upon thirty (30) days prior written notice to Lender, prepay the Loan in whole, but not in part, without payment of the Yield Maintenance Premium, provided, Borrower simultaneously pays to Lender an amount equal to the sum of (i) the Debt plus (ii) all interest that would have accrued on the amount of principal being prepaid through and including the last day of the Interest Accrual Period related to the Payment Date next occurring following the date of such prepayment, notwithstanding that such Interest Accrual Period extends beyond the date of prepayment.

2.3.2 Mandatory Prepayments. On each date on which Borrower actually receives any Net Proceeds, if and to the extent Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of the Property, Borrower shall prepay the outstanding principal balance of the Note together with all interest which would have accrued on the amount of the Loan through and including the last day of the Interest Accrual Period related

to the Payment Date next occurring following the date of such prepayment (or, if such prepayment occurs on a Payment Date, through and including the last day of the Interest Accrual Period related to such Payment Date) in an amount equal to one hundred percent (100%) of such Net Proceeds. Provided that on the date of the related Casualty or Condemnation no Event of Default has occurred and is continuing, no Yield Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.3.2.

2.3.3 Prepayments After Default. If, following an Event of Default, Borrower tenders payment of all or any part of the Debt, or if all or any portion of the Debt is recovered by Lender after such Event of Default such tender or recovery shall be deemed a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in Section 2.3.1 hereof and Borrower shall pay, in addition to the Debt, (i) an amount equal to the greater of (a) one percent (1%) of the outstanding principal amount of the Loan to be prepaid or satisfied, or (b) the Yield Maintenance Premium that would be required if a Defeasance Event had occurred in an amount equal to the outstanding principal amount of the Loan to be satisfied or prepaid, (ii) all interest which would have accrued at the Default Rate on the amount of the Loan through and including the last day of the Interest Accrual Period related to the Payment Date next occurring following the date of such prepayment, notwithstanding that such Interest Accrual Period extends beyond the date of prepayment and (iii) all other sums due and payable under the Loan Documents.

2.3.4 Making of Payments. Each payment by Borrower hereunder or under the Note shall be made in funds settled through the New York Clearing House Interbank Payments System or other funds immediately available to Lender by 12:00 p.m., New York City time, on or prior to the date such payment is due, to Lender by deposit to such account as Lender may designate by written notice to Borrower. Whenever any payment hereunder or under the Note shall be stated to be due on a day which is not a Business Day, such payment shall be made on the first Business Day preceding such scheduled due date.

2.3.5 Application of Principal Prepayments. All prepayments received pursuant to this Section 2.3 shall be applied to the payments of principal due under the Loan in the inverse order of maturity, except for prepayments received by Lender pursuant to Section 2.3.3 hereof, which prepayments may be applied by Lender in the order and manner determined by Lender in its sole and absolute discretion.

## Section 2.4 Defeasance.

### 2.4.1 Voluntary Defeasance.

(a) Provided no Event of Default shall then exist, Borrower shall have the right on any Payment Date after the Permitted Defeasance Date to voluntarily defease all, but not part, of the Loan by and upon satisfaction of the following conditions (such event being a "Defeasance Event"):

(i) Borrower shall provide not less than thirty (30) days prior written notice to Lender (which notice shall be revocable by Borrower on at least two (2) Business Days' prior written notice to Lender, provided that Borrower

pays all of Lender's actual costs and expenses incurred as a result of such revocation) specifying the date (the "Defeasance Date") on which the Defeasance Event will occur and the principal amount of the Loan to be defeased;

(ii) Borrower shall pay to Lender the Monthly Debt Service Payment Amount due on the Payment Date next following the Defeasance Date (the "Post Defeasance Payment Date");

(iii) Borrower shall pay to Lender all other sums, not including scheduled interest or principal payments, then due under the Note, this Agreement, the Security Instrument, and the other Loan Documents;

(iv) Borrower shall deliver to Lender the Defeasance Deposit applicable to the Defeasance Event;

(v) Borrower shall execute and deliver a security agreement, in a form and substance that would be reasonably satisfactory to a prudent institutional lender, creating a first priority lien on the Defeasance Deposit and the Defeasance Collateral purchased with the Defeasance Deposit in accordance with the provisions of this Section 2.4 (the "Security Agreement");

(vi) Borrower shall deliver an opinion of counsel for Borrower in a form and substance that would be reasonably satisfactory to a prudent institutional lender stating, among other things, that Borrower has legally and validly transferred and assigned the Defeasance Collateral and all obligations, rights and duties under and to the Note to the Successor Borrower, that Lender has a perfected first priority security interest in the Defeasance Deposit and the Defeasance Collateral delivered by Borrower and that any REMIC Trust formed pursuant to a Securitization will not fail to maintain its status as a "real estate mortgage investment conduit" within the meaning of Section 860D of the Code as a result of such Defeasance Event;

(vii) Borrower shall deliver confirmation in writing from the applicable Rating Agencies to the effect that such defeasance and release will not result in a downgrading, withdrawal or qualification of the respective ratings in effect immediately prior to such Defeasance Event for the Securities. If required by the applicable Rating Agencies, Borrower shall also deliver or cause to be delivered a non-consolidation opinion with respect to the Successor Borrower in form and substance satisfactory to Lender and the applicable Rating Agencies;

(viii) Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.4.1(a) have been satisfied;

(ix) Borrower shall deliver a certificate of an Approved Accountant certifying that the Defeasance Collateral purchased with the Defeasance Deposit generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(x) Borrower shall deliver such other certificates, documents or instruments as Lender may reasonably request; and

(xi) Borrower shall pay all costs and expenses of Lender incurred in connection with the Defeasance Event, including, without limitation, (A) any costs and expenses associated with the release of the Lien of the Security Instrument as provided in Section 2.5 hereof, (B) Lender's reasonable attorneys' fees and expenses, (C) the costs and expenses of the Rating Agencies, (D) any revenue, documentary stamp or intangible taxes or any other tax or charge due in connection with the transfer of the Note, or otherwise required to accomplish the defeasance and (E) the costs and expenses incurred by Lender, Servicer and any trustee, including attorneys' fees.

(b) In connection with a Defeasance Event, Borrower hereby appoints Lender as its agent and attorney-in-fact for the purpose of using the Defeasance Deposit to purchase U.S. Obligations (the "Defeasance Collateral"), which provide payments on or prior to, but as close as possible to, all successive scheduled payment dates after the Post Defeasance Payment Date and up to and including the Open Date (assuming the Note is prepaid in full as of such Open Date and including the outstanding principal balance and accrued interest on the Loan as of such Open Date plus all interest that would accrue on the outstanding principal balance of the Loan through and including the end of the Interest Accrual Period in which the Open Date occurs (even if such Interest Accrual Period extends beyond the Open Date), and all payments required after the Defeasance Date, if any, under the Loan Documents (the "Scheduled Defeasance Payments"). Each of the U.S. Obligations that are part of the Defeasance Collateral shall be duly indorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance that would be satisfactory to a prudent institutional lender (including, without limitation, such instruments as may be required by the depository institution holding such securities or by the issuer thereof, as the case may be, to effectuate book entry transfers and pledges through the book entry facilities of such institution) in order to perfect upon the delivery of the Defeasance Collateral a first priority security interest therein in favor of Lender in conformity with all applicable state and federal laws governing the granting of such security interests. Borrower, pursuant to the Security Agreement or other appropriate document, shall authorize and direct that the payments received from the Defeasance Collateral may be made directly to the Cash Management Account (unless otherwise directed by Lender) and applied to satisfy the obligations of Borrower under the Note. Any portion of the Defeasance Deposit in excess of the amount necessary to purchase the Defeasance Collateral required by this Section 2.4 and satisfy Borrower's other obligations under this Section 2.4 and Section 2.5 hereof shall be remitted to Borrower.

2.4.2 Successor Borrower. In connection with any Defeasance Event, Borrower shall establish or designate a successor entity reasonably approved by Lender (the "Successor Borrower") which shall be a single purpose bankruptcy remote entity (meeting the requirements of Section 4.1.36 below, as applicable), and Borrower shall transfer and assign all obligations, rights and duties under and to the Note together with the pledged Defeasance Collateral to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note and the Security Agreement and Borrower shall be relieved of its obligations under such documents and the other Loan Documents, except with respect to those obligations which are expressly

stated to survive. Borrower shall pay \$1,000 to any such Successor Borrower as consideration for assuming the obligations under the Note and the Security Agreement. Notwithstanding anything in this Agreement to the contrary, no other assumption fee shall be payable upon a transfer of the Note in accordance with this Section 2.4.2, but Borrower shall pay all costs and expenses incurred by Lender, including Lender's attorneys' fees and expenses, incurred in connection therewith.

Section 2.5 Release of Property. Except as set forth in Section 2.4 hereof and this Section 2.5, no repayment, prepayment or defeasance of all or any portion of the Loan shall cause, give rise to a right to require, or otherwise result in, the release of any Lien of the Security Instrument on the Property.

2.5.1 Release on Defeasance.

(a) After the Permitted Defeasance Date, if Borrower has elected to defease the Loan and all the applicable requirements of Section 2.4 hereof and this Section 2.5 have been satisfied, the Property shall be released from the Lien of the Security Instrument, and the U.S. Obligations pledged pursuant to the Security Agreement shall be the sole source of collateral securing the Note.

(b) In connection with the release of the Security Instrument, Borrower shall submit to Lender, not less than thirty (30) days prior to the Defeasance Date, a release of Lien (and Loan Documents) for the Property for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Property is located and that would be satisfactory to a prudent institutional lender and shall contain standard provisions, if any, protecting the rights of the releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all applicable Legal Requirements, and (ii) will, following execution by Lender and recordation thereof, effect such release in accordance with the terms of this Agreement

2.5.2 Release on Payment in Full. Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Security Instrument on the Property and remit any remaining Reserve Funds to or at the direction of Borrower.

### III. CASH MANAGEMENT

Section 3.1 Establishment of Accounts.

(a) Borrower shall, simultaneously herewith establish, and hereby covenants to maintain, an account (the "Lockbox Account") with Lockbox Bank acceptable to Lender in the name of Borrower for the sole and exclusive benefit of Lender into which Borrower shall deposit, or cause to be deposited, all Gross Income from Operations, all forfeited Security Deposits and all other revenue of any kind from the Property received by Borrower or Manager.

(b) Upon the first occurrence of a Trigger Period, Lender, on Borrower's behalf, shall, establish an account with the Cash Management Bank (the "Cash Management Account") in the name of Borrower for the sole and exclusive benefit of Lender, into which Borrower shall deposit or cause to be deposited all sums on deposit in the Lockbox Account, subject to and in accordance with Sections 3.2 and 3.7 hereof. Upon the first occurrence of a Trigger Period, Lender, on Borrower's behalf, shall also establish with Lender or Servicer an Eligible Account into which Borrower shall deposit, or cause to be deposited the amounts required for the payment of Debt Service under the Loan (the "Debt Service Account").

Section 3.2 Deposits into Lockbox Account. Borrower represents, warrants and covenants that (i) Borrower shall, or shall cause Manager to, immediately deposit all Gross Income from Operations, all forfeited Security Deposits and all other revenue of any kind from the Property received by Borrower or Manager into the Lockbox Account no later than one (1) Business Day after receipt; provided, however, that all Lease Termination Payments shall be deposited directly into the Rollover Reserve Account; (ii) Borrower shall send a notice, substantially in the form of Exhibit A, to all tenants now or hereafter occupying space at the Property directing them to pay all Rents (including, without limitation, all Lease Termination Payments) and all other sums due under the Lease to which they are a party directly into the Lockbox Account; (iii) other than the Accounts and Borrower's Operating Account, there shall be no other accounts maintained by Borrower or any other Person into which revenues from the ownership and operation of the Property are deposited; and (iv) neither Borrower nor any other Person shall open any other such account with respect to the deposit of income in connection with the Property other than Borrower's Operating Account. Until deposited into the Lockbox Account, any Gross Income from Operations, forfeited Security Deposits and other revenue of any kind from the Property received by Borrower or Manager shall be deemed to be Collateral and shall be held in trust by it for the benefit, and as the property, of Lender and shall not be commingled with any other funds or Property of Borrower or Manager. Borrower warrants and covenants that it shall not rescind, withdraw or change any notices or instructions required to be sent by it pursuant to this Section 3.2 without Lender's prior written consent.

Section 3.3 Account Name.

(a) The Accounts shall each be in the name of Borrower for the benefit of Lender, provided that Borrower shall be the owner of all funds on deposit in the Accounts for federal and applicable state and local tax purposes.

(b) In the event Lender enters into a Secondary Market Transaction, the title of each Account shall, at Lender's request, be modified to change the name of the applicable Account to reflect the name of the transferee or assignee of the Loan or at the option of Lender, the title of each Account shall, at Lender's request, be modified to change the name of the applicable Account to substitute the name of the Servicer as agent for Lender in place and stead of Lender. Borrower shall cooperate with Lender in changing the name of the applicable Account as set forth in this Section 3.3(b).

Section 3.4 Eligible Accounts. Borrower shall maintain each Account as an Eligible Account. In the event that Lender or Servicer no longer satisfies the criteria for an Eligible Institution, Borrower shall cooperate with Lender in transferring the applicable

Accounts to an institution that satisfies such criteria. Borrower hereby grants Lender power of attorney (irrevocable for so long as the Loan is outstanding) with respect to any such transfers and the establishment of accounts with a successor institution.

Section 3.5 Permitted Investments. Interest accrued on any Account other than an Interest Bearing Account shall not be required to be remitted either to Borrower or to any Account and may instead be retained by Lender. Sums on deposit in the Interest Bearing Accounts shall, upon Borrower's written request, be invested in Permitted Investments selected by Lender or Servicer provided (i) such investments are then regularly offered by Lender (or Servicer on behalf of Lender) for accounts of this size, category and type (Borrower acknowledges that the Servicer or Lender may only offer as an investment opportunity the right to place funds on deposit in the applicable Accounts in an interest bearing account (bearing interest at the money market rate)), (ii) such investments are permitted by applicable federal, State and local rules, regulations and laws, (iii) the maturity date of the Permitted Investment is not later than the date on which sums in the Interest Bearing Accounts are required to be disbursed pursuant to the terms hereof, and (iv) no Event of Default shall have occurred and be continuing. All income earned from the aforementioned Permitted Investments shall be property of Borrower and Borrower hereby irrevocably authorizes and directs Lender (or Servicer on behalf of Lender) to hold any income earned from the aforementioned Permitted Investments as part of the applicable Interest Bearing Account. All such interest that so becomes part of the applicable Interest Bearing Account shall be disbursed in accordance with the disbursement procedures contained herein applicable to such Account; provided, however, that Lender may, at its election, retain any such interest for its own account during the occurrence and continuance of an Event of Default. Borrower shall be responsible for payment of any federal, State or local income or other tax applicable to income earned from Permitted Investments. No other investments of the sums on deposit in the Interest Bearing Accounts shall be permitted. Lender shall not be liable for any loss sustained on the investment of any funds in the Interest Bearing Accounts.

Section 3.6 The Initial Deposits. Lender shall determine, in its reasonable discretion, the initial deposit amounts (the "Initial Deposits") required to be deposited in each of Accounts and Borrower shall deposit the respective Initial Deposits (or hereby authorizes Lender to fund the Initial Deposits from the proceeds of the Loan) into each Account on the Closing Date.

Section 3.7 Transfers To and Disbursements from the Cash Management Account.

(a) The Lockbox Agreement shall provide that, among other things, Borrower, or Lender on behalf of Borrower, shall direct the Lockbox Bank to transfer, on each Business Day, all funds on deposit in the Lockbox Account to (i) during any time other than during a Trigger Period, such account as shall be specified by Borrower in writing to Lender and Lockbox Bank (the "Borrower's Operating Account") and (ii) during the continuance of a Trigger Period, the Cash Management Account.

(b) During the continuance of a Trigger Period (other than an Event of Default), Lender shall direct Cash Management Bank to withdraw all funds on deposit in the

Cash Management Account on the date immediately preceding each Payment Date (and if such day is not a Business Day then the immediately preceding Business Day), and shall disburse such funds (to the extent of such funds) in the following order of priority:

(i) First, funds sufficient to pay the Monthly Tax Deposit shall be deposited in the Tax Account;

(ii) Second, funds sufficient to pay the Monthly Insurance Premium Deposit shall be deposited in the Insurance Premium Account;

(iii) Third, funds sufficient to pay the Monthly Debt Service Payment Amount shall be deposited into the Debt Service Account;

(iv) Fourth, funds sufficient to pay the Replacement Reserve Monthly Deposit shall be deposited in the Replacement Reserve Account;

(v) Fifth, funds sufficient to pay the Rollover Reserve Deposit shall be deposited in the Rollover Reserve Account;

(vii) Seventh, funds sufficient to pay any interest accruing at the Default Rate, late payment charges, if any, and any unpaid reimbursable costs and expenses incurred by Lender on Borrower's behalf or in connection with the enforcement of Lender's rights and remedies under the Loan Documents, at law or in equity, if any, shall be deposited in the Debt Service Account;

(viii) Eighth, to the payment of Cash Management Bank for fees and expenses incurred in connection with this Agreement and the accounts established hereunder;

(ix) Ninth, to the payment of the Servicing Fee (if such Servicing Fee is due); and

Section 3.12 Financing Statement; Further Assurances. Borrower hereby authorizes Lender to file a financing statement or statements under the UCC in connection with any of the Accounts and the Account Collateral with respect thereto in the form required to properly perfect Lender's first priority security interest therein. #### IV. REPRESENTATIONS AND WARRANTIES

Section 4.1 Borrower Representations. Borrower represents and warrants to Lender as of the Closing Date that:

4.1.1 Organization. Borrower is duly organized and is validly existing and in good standing in the jurisdiction in which it is organized, with requisite power and authority to own the Property and to transact the businesses in which it is now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with the Property, its businesses and operations. Borrower possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own the Property and to transact the businesses in which it is now engaged. Attached hereto as Schedule II is true, correct and complete organizational chart of Borrower which identifies all direct and indirect beneficial owners of Borrower.

4.1.2 Proceedings. Borrower has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and the other Loan Documents have been duly executed and delivered by or on behalf of Borrower and constitute legal, valid and binding obligations of Borrower enforceable against Borrower in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law) and except that certain provisions in such Loan Documents may be further limited or rendered unenforceable by Applicable Law, but (subject to the limitations set forth above) such limitations or unenforceability will not render such Loan Documents invalid as a whole or materially interfere with Lender's realization of the principal benefits and/or security provided thereby.

4.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the Property or assets of Borrower pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, organizational document, management agreement, or other agreement or instrument to which Borrower is a party or by which any of Borrower's property or assets is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any court or Governmental Authority having jurisdiction over Borrower or the Property or any of Borrower's other assets, or any license or other approval required to operate the Property, and any consent, approval, authorization, order, registration or qualification of or with any Governmental Authority required for the execution, delivery and performance by Borrower of this Agreement or any other Loan Documents have been obtained and is in full force and effect.

4.1.4 Litigation. There are no actions, suits or proceedings at law or in equity, arbitrations or governmental investigations by or before any Governmental Authority or other agency now pending, filed or threatened against or affecting Borrower, Guarantor, or the Property, which actions, suits or proceedings, arbitrations or governmental investigations, if

determined against Borrower, Guarantor, or the Property, would reasonably be expected to materially and adversely affect (a) title to the Property, (b) the validity or enforceability of the Security Instrument, (c) Borrower's ability to perform under the Loan Documents, (d) Guarantor's ability to perform under the Loan Documents to which it is a party, (e) the use, operation or value of the Property, (f) the principal benefit of the security intended to be provided by the Loan Documents, or (g) the current ability of the Property to generate net cash flow sufficient to service the Loan.

4.1.5 Agreements. Borrower is not a party to any agreement or instrument or subject to any restriction which might materially and adversely affect Borrower or the Property, or Borrower's business, property or assets, operations or condition, financial or otherwise. Borrower is not in default in any respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party or by which Borrower or the Property is bound. Borrower has no financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower is a party or by which Borrower or the Property is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Property and (b) obligations under the Loan Documents.

4.1.6 Title. Borrower has good, marketable and insurable fee simple title to the real property comprising part of the Property and good title to the balance of the Property, free and clear of all Liens whatsoever except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a legal, valid and enforceable perfected first priority lien on the Property, subject only to the Permitted Encumbrances and (b) perfected first priority security interests in and to, and perfected collateral assignments of, all personalty (including Leases), all in accordance with the terms thereof, in each case subject only to any Permitted Encumbrances. There are no mechanics' liens, materialmen's liens or other encumbrances affecting the Property, and no rights exist which under law could give rise to any such claims for payment of work, labor or materials which are or may become a lien prior to, or of equal priority with, the Lien created by the Loan Documents. The Assignment of Leases is freely assignable without the consent of Borrower and, when properly recorded in the appropriate records, will create a perfected first priority security interest in and to, and perfected collateral assignment of, all Leases and Rents, all in accordance with the terms thereof, in each case subject only to any Permitted Encumbrances. The address of the Property is 8901 East Mountain View Road, Scottsdale, Arizona 85258.

4.1.7 Permitted Encumbrances. To Borrower's knowledge, none of the Permitted Encumbrances, individually or in the aggregate, materially interferes with the benefits of the security intended to be provided by this Agreement, the Security Instrument, the Note and the other Loan Documents, materially and adversely affects the value or marketability of the Property, impairs the use or the operation of the Property or impairs Borrower's ability to pay the Obligations as and when required under the Loan Documents.

obligations under the Loan Documents. Giving effect to the Loan, the fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loan, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition under the Bankruptcy Code or similar state bankruptcy or insolvency law has been filed against any Borrower Party in the last seven (7) years, and no Borrower Party in the last seven (7) years has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. No Borrower Party is contemplating either the filing of a petition by it under the Bankruptcy Code or similar state bankruptcy or insolvency law or the liquidation of all or a major portion of Borrower's assets or property, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it or any other Borrower Party.

4.1.9 Full and Accurate Disclosure. No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority. There has not been committed by Borrower or any other Person in occupancy of or involved with the operation or use of the Property any act or

In the event that Lender objects to a proposed Annual Budget submitted by Borrower, Lender shall advise Borrower of such objections within fifteen (15) days after receipt thereof (and deliver to Borrower a reasonably detailed description of such objections) and Borrower shall promptly revise such Annual Budget and resubmit the same to Lender. Lender shall advise Borrower of any objections to such revised Annual Budget within ten (10) days after receipt thereof (and deliver to Borrower a reasonably detailed description of such objections) and Borrower shall promptly revise the same in accordance with the process described in this subsection until Lender approves the Annual Budget. AB)) within the timeframes necessary, advisable or appropriate in order to comply with such Legal Requirements.

5.1.11 Business and Operations. Borrower will continue to engage in the business presently conducted by it as and to the extent the same is necessary for the ownership, maintenance, management and operation of the Property. Borrower will remain in good standing under the laws of the jurisdiction of its formation and of the State as and to the extent required for the ownership, maintenance, management and operation of the Property.

Deposits in order to return a tenant's Security Deposit to such tenant if such tenant is entitled to the return of the Security Deposit under the terms of the Lease.

5.1.18 Management Agreement.

(a) The Improvements on the Property are operated under the terms and conditions of the Management Agreement. In no event shall the management fees under the Management Agreement exceed, in the aggregate, five percent (5%) of the Gross Income from Operations, provided that during the continuance of any Event of Default or any Trigger Period, no Additional Management Compensation shall be paid by Borrower to Manager. Borrower shall (i) diligently perform and observe all of the terms, covenants and conditions of the Management Agreement, on the part of Borrower to be performed and observed to the end that all things shall be done which are necessary to keep unimpaired the rights of Borrower under the Management Agreement and (ii) promptly notify Lender of the giving of any notice by Manager to Borrower of any default by Borrower in the performance or observance of any of the terms, covenants or conditions of the Management Agreement on the part of Borrower to be performed and observed and deliver to Lender a true copy of each such notice. Borrower shall not surrender the Management Agreement, consent to the assignment by the Manager of its interest under the Management Agreement, or terminate or cancel the Management Agreement, or modify, change, supplement, alter or amend the Management Agreement, in any respect, either orally or in writing. Borrower hereby assigns to Lender as further security for the payment of the Debt and for the performance and observance of the terms, covenants and conditions of this Agreement, all the rights, privileges and prerogatives of Borrower to surrender the Management Agreement, or to terminate, cancel, modify, change, supplement, alter or amend the Management Agreement, in any respect, and any such surrender of the Management Agreement, or termination, cancellation, modification, change, supplement, alteration or amendment of the Management Agreement, without the prior written consent of Lender shall be void and of no force and effect. If Borrower shall default in the performance or observance of any material term, covenant or condition of the Management Agreement on the part of Borrower to be performed or observed, then, without limiting the generality of the other provisions of this Agreement, and without waiving or releasing Borrower from any of its obligations hereunder, Lender shall have the right, but shall be under no obligation, to pay any sums and to perform any act or take any action as may be appropriate to cause all the terms, covenants and conditions of the Management Agreement on the part of Borrower to be performed or observed to be promptly performed or observed on behalf of Borrower, to the end that the rights of Borrower in, to and under the Management Agreement shall be kept unimpaired and free from default. Lender and any Person designated by Lender shall have, and are hereby granted, the right to enter upon the Property at any time and from time to time for the purpose of taking any such action. If the Manager shall deliver to Lender a copy of any notice sent to Borrower of default under the Management Agreement, such notice shall constitute full protection to Lender for any action taken or omitted to be taken by Lender in good faith, in reliance thereon. Borrower shall not, and shall not permit the Manager to, sub-contract any or all of its management responsibilities under the Management Agreement to a third-party without the prior written consent of Lender. Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by Borrower with the terms of the Management Agreement as may be requested by Lender. Borrower shall exercise each individual option, if any, to extend or renew the term of the Management Agreement upon demand by Lender made at any time within one

(1) year before the last day upon which any such option may be exercised, and Borrower hereby expressly authorizes and appoints Lender its attorney-in-fact to exercise any such option in the name of and upon behalf of Borrower, which power of attorney shall be irrevocable and shall be deemed to be coupled with an interest. Any sums expended by Lender pursuant to this paragraph (i) shall bear interest at the Default Rate from the date such cost is incurred to the date of payment to Lender, (ii) shall be deemed to constitute a portion of the Debt, (iii) shall be secured by the lien of the Security Instrument and the other Loan Documents and (iv) shall be immediately due and payable upon demand by Lender therefor.

(b) Without limitation of the foregoing, Borrower, upon the request of Lender, shall terminate the Management Agreement and replace Manager, without penalty or fee, if at any time during the Loan: (a) Manager shall become insolvent or a debtor in any bankruptcy or insolvency proceeding, (b) there exists an Event of Default, or (c) there exists a default by Manager under the Management Agreement. At such time as the Manager may be removed, a Qualified Manager shall assume management of the Property pursuant to a Replacement Management Agreement.

#### 5.1.19 Environmental Covenants.

(a) Borrower covenants and agrees that so long as the Loan is outstanding (i) all uses and operations on or of the Property, whether by Borrower or any other Person, shall be in compliance with all Environmental Laws and permits issued pursuant thereto; (ii) there shall be no Releases of Hazardous Materials in, on, under or from the Property; (iii) there shall be no Hazardous Materials in, on, or under the Property, except those that are both (A) in compliance with all Environmental Laws and with permits issued pursuant thereto, if and to the extent required, and (B) (1) in amounts not in excess of that necessary to operate the Property or (2) fully disclosed to and approved by Lender in writing; (iv) Borrower shall keep the Property free and clear of all liens and other encumbrances imposed pursuant to any Environmental Law, whether due to any act or omission of Borrower or any other Person (the "Environmental Liens"); (v) Borrower shall, at its sole cost and expense, fully and expeditiously cooperate in all activities pursuant to paragraph (b) below, including but not limited to providing all relevant information and making knowledgeable persons available for interviews; (vi) Borrower shall, at its sole cost and expense, perform any environmental site assessment or other investigation of environmental conditions in connection with the Property, pursuant to any reasonable written request of Lender, upon Lender's reasonable belief that the Property is not in full compliance with all Environmental Laws, and share with Lender the reports and other results thereof, and Lender and other Indemnified Parties shall be entitled to rely on such reports and other results thereof; (vii) Borrower shall, at its sole cost and expense, comply with all reasonable written requests of Lender to (A) reasonably effectuate Remediation of any Hazardous Materials in, on, under or from the Property; and (B) comply with any Environmental Law; (viii) Borrower shall not allow any tenant or other user of the Property to violate any Environmental Law; and (ix) Borrower shall promptly notify Lender in writing after it has become aware of (A) any presence or Release or threatened Releases of Hazardous Materials in, on, under, from or migrating towards the Property; (B) any non-compliance with any Environmental Laws related in any way to the Property; (C) any actual or pending Environmental Lien; (D) any required or proposed Remediation of environmental conditions relating to the Property; and (E) any material written notice or other written communication of

which Borrower becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Materials.

(b) Lender and any other Person designated by Lender, including but not limited to any representative of a Governmental Authority, and any environmental consultant, and any receiver appointed by any court of competent jurisdiction, shall have the right, but not the obligation, to enter upon the Property at all reasonable times to assess any and all aspects of the environmental condition of the Property and its use, including but not limited to conducting any environmental assessment or audit (the scope of which shall be determined in Lender's sole and absolute discretion) and taking samples of soil, groundwater or other water, air, or building materials, and conducting other invasive testing. Borrower shall cooperate with and provide access to Lender and any such Person or entity designated by Lender.

5.1.20 Alterations. Borrower shall obtain Lender's prior written consent to any alterations to any Improvements, which consent shall not be unreasonably withheld except with respect to alterations that may have a material adverse effect on Borrower's financial condition, the use, value or operation of the Property or the Net Operating Income. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any alterations that will not have a material adverse effect on Borrower's financial condition, the use, value or operation of the Property or the Net Operating Income, provided that such alterations are made in connection with (a) tenant improvement work performed pursuant to the terms of any Lease executed in accordance with the terms hereof, (b) tenant improvement work performed pursuant to the terms and provisions of a Lease and not adversely affecting any structural component of any Improvements, any utility or HVAC system contained in any Improvements or the exterior of any building constituting a part of any Improvements, or (c) alterations performed in connection with the Restoration of the Property in accordance with the terms and provisions of this Agreement. If the total unpaid amounts with respect to any alterations to the Improvements (other than such amounts to be paid or reimbursed by tenants under the Leases) shall at any time exceed the Alteration Threshold, Borrower shall promptly deliver to Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (A) Cash, (B) U.S. Obligations, or (C) a completion bond or letter of credit issued by a financial institution having a rating by S&P of not less than A-1+ if the term of such bond or letter of credit is no longer than three (3) months or, if such term is in excess of three (3) months, issued by a financial institution having a rating that is acceptable to Lender and that the applicable Rating Agencies have confirmed in writing will not, in and of itself, result in a downgrade, withdrawal or qualification of the initial, or, if higher, then current ratings assigned in connection with any Securitization. Such security shall be in an amount equal to the excess of the total unpaid amounts with respect to such alterations to the Improvements (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Alteration Threshold and applied from time to time at the option of Lender to pay for such alterations or to terminate any of the alterations and restore the Property to the extent necessary to prevent any material adverse effect on the value of the Property.

5.1.21 REA. Borrower shall (a) promptly perform and/or observe all of the material covenants and agreements required to be performed and observed by it under the REA, and do all things necessary to preserve and to keep unimpaired its rights thereunder, (b) promptly notify Lender in writing of the giving of any notice of any default by any party under the REA of

which it is aware and (c) promptly enforce the performance and observance of all of the material covenants and agreements required to be performed and/or observed by the other party under the REA in a commercially reasonable manner.

5.1.22 OFAC. At all times throughout the term of the Loan, Borrower, Guarantor and each of their respective Affiliates shall be in full compliance with all applicable orders, rules, regulations and recommendations of The Office of Foreign Assets Control of the U.S. Department of the Treasury.

Section 5.2 Negative Covenants. From the date hereof until payment and performance in full of all of the Obligations or the earlier release of the Lien of the Security Instrument encumbering the Property in accordance with the terms of this Agreement and the other Loan Documents, Borrower covenants and agrees with Lender that it will not do, directly or indirectly, any of the following:

5.2.3 Change In Business. Borrower shall not enter into any line of business other than the ownership, acquisition, development, operation, leasing and management of the Property (including providing services in connection therewith), or make any material change in the scope or nature of its business objectives, purposes or operations or undertake or participate in activities other than the continuance of its present business.

5.2.4 Debt Cancellation. Borrower shall not cancel or otherwise forgive or release any material claim or debt (other than termination of Leases in accordance herewith) owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

5.2.5 Zoning. Borrower shall not initiate or consent to any zoning reclassification of any portion of the Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of the Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other Applicable Law, without the prior written consent of Lender.

5.2.6 No Joint Assessment. Borrower shall not suffer, permit or initiate the joint assessment of the Property with (a) any other real Property constituting a tax lot separate from the Property, or (b) any portion of the Property which may be deemed to constitute personal property, or any other procedure whereby the Lien of any taxes which may be levied against such personal Property shall be assessed or levied or charged to the Property.

5.2.7 Name, Identity, Structure, or Principal Place of Business. Borrower shall not change its name, identity (including its trade name or names), or principal place of business set forth in the introductory paragraph of this Agreement, without, in each case, first giving Lender thirty (30) days prior written notice. Borrower shall not change its corporate, partnership or other structure, or the place of its organization as set forth in Section 4.1.35, without, in each case, the consent of Lender. Upon Lender's request, Borrower shall execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Lender's security interest in the Property as a result of such change of principal place of business or place of organization.

5.2.8 ERISA.

(a) During the term of the Loan or of any obligation or right hereunder, Borrower shall not engage in any Prohibited Transaction or Prohibited Governmental Transaction subjecting Lender to liability for a violation of ERISA, the Code, a state statute or other similar law.

(c) Within three (3) Business Days of Borrower’s receipt of any FIRRMA Document, Borrower shall provide Lender a copy of the same. Concurrently with Borrower’s delivery of any FIRRMA Document, Borrower shall provide Lender a copy thereof. In the event that Borrower or any of its Affiliates meets with any Governmental Authority for any purpose relating to FIRRMA, Borrower shall provide Lender with a written summary of such meeting within three (3) Business Days thereafter. Notwithstanding anything contained herein to the contrary, each of any FIRRMA Prohibited Transfer and FIRRMA Prohibited Filing Event shall be deemed prohibited hereunder as a breach hereof and Borrower shall not permit the same to occur without Lender’s prior written consent.

#### 5.2.9 Affiliate Transactions.

Borrower shall not enter into, or be a party to, any transaction with an Affiliate of Borrower, Principal or any of the partners or members of Borrower or Principal except in the ordinary course of business and on terms which are fully disclosed to Lender in advance in writing and are no less favorable to Borrower or such Affiliate than would be obtained in a comparable arm’s-length transaction with an unrelated third party.

#### 5.2.10 Transfers.

(a) Borrower shall not sell, convey, mortgage, grant, bargain, encumber, pledge, assign, grant options with respect to, or otherwise transfer or dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, and whether or not for consideration or of record) the Property or any part thereof or any legal or beneficial interest therein or permit a Sale or Pledge of an interest in any Restricted Party (collectively, a “Transfer”), other than pursuant to Leases of space in the Improvements to tenants in accordance with the provisions of Section 5.1.17 hereof without (i) the prior written consent of Lender and (ii) if a Securitization has occurred, delivery to Lender of written confirmation from the Rating Agencies that the Transfer will not result in the downgrade, withdrawal or qualification of the then current ratings assigned to any Securities or the proposed rating of any Securities. The consent of Lender or the Rating Agencies’, as applicable, pursuant to this Section 5.2.10, may be conditioned on, among other things: (i) the identity, experience, financial condition, creditworthiness, single purpose nature and bankruptcy remoteness of the Borrower, the

proposed transferee, and any replacement guarantors and indemnitors being reasonably satisfactory to Lender and the Rating Agencies, as applicable, and (ii) counsel to the proposed transferee and replacement guarantors and indemnitors delivering to Lender and the Rating Agencies (A) opinion letters relating to such transfer (including tax and bankruptcy opinions) in form and substance satisfactory to Lender and the Rating Agencies, (B) copies of all documents evidencing or relating to such transfer, and (C) organizational documents of the proposed transferee and any replacement or additional guarantors or indemnitors.

(c) Notwithstanding the provisions of Sections 5.2.10(a) and (b) and so long as no Event of Default is then continuing, the following transfers shall be permitted and shall not be deemed to be a Transfer: (i) the Sale or Pledge, in one or a series of transactions, of not more than forty-nine percent (49%) of the equity interests in a Restricted Party other than Borrower; provided, however, no such transfers shall result in the change of voting control in such Restricted Party, and as a condition to each such transfer, Lender shall receive not less than thirty (30) days prior written notice of such proposed transfer, (ii) the Sale or Pledge, in one or a series of transactions, of not more than forty-nine percent (49%) of the limited partnership interests or non-managing membership interests (as the case may be) in a Restricted Party other than Borrower; provided, however, no such transfers shall result in the change of voting control in such Restricted Party, and as a condition to each such transfer, Lender shall receive not less than thirty (30) days prior written notice of such proposed transfer, and (iii) a transfer (but not a pledge) made in good faith for estate planning purposes of an individual's interest in any Restricted Party to one or more Family Members.

(d) Notwithstanding anything to the contrary contained in this Section 5.2.10, at all times Guarantor must continue to control Borrower and own, directly or indirectly (whether by itself, or through any estate planning trusts for which it is a trustee), at least a 10% interest in Borrower. At all times following a transfer of the Property in accordance with the terms and provisions of Section 5.2.11 hereof, sponsor(s) and/or principal(s) approved by Lender pursuant to such Section 5.2.11 must continue to control the Transferee and the applicable replacement guarantor approved by Lender as required by such Section 5.2.11 and own, directly or indirectly, at least a 10% interest in such Transferee and such replacement guarantor.

(e) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer in violation of this Section 5.2.10. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer. The Policies required under Sections 6.1(a)(i), (ii), (iii) and (ix) hereof shall provide a waiver of subrogation in favor of Lender. Not less than fifteen (15) days prior to the expiration dates of the Policies theretofore furnished to Lender pursuant to Section 6.1(a), Borrower shall deliver certificates of insurance evidencing the renewal or successor Policies marked "premium paid" or accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the "Insurance Premiums"). Borrower shall supply an original or certified copy of the original Policy within ten (10) days of request by Lender, provided that the Policy is available.

(c) Borrower shall not obtain (i) any umbrella or blanket liability or casualty Policy unless, in each case, such Policy is approved in advance in writing by Lender and Lender's interest is included therein as provided in this Agreement and such Policy is issued by a Qualified Insurer, or (ii) separate insurance concurrent in form or contributing in the event of loss with that required in Section 6.1(a) to be furnished by, or which may be reasonably required to be furnished by, Borrower. In the event Borrower obtains separate insurance or an umbrella or a blanket policy, Borrower shall notify Lender of the same and shall cause complete copies of each Policy to be delivered as required in Section 6.1(a). Any blanket insurance Policy shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 6.1(a). Notwithstanding Lender's approval of any umbrella or blanket liability or casualty Policy hereunder, Lender reserves the right, in its sole discretion, to require Borrower to obtain a separate Policy in compliance with this Section 6.1.

(e) All Policies provided for in Section 6.1(a) hereof shall:

(i) with respect to the Policies of property insurance, contain clauses or endorsements to the effect that (1) no act or negligence of Borrower, or anyone acting for Borrower, or failure to comply with the provisions of any Policy which might otherwise result in a forfeiture of the insurance or any part thereof, or foreclosure or similar action, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned (2) the Policy shall not be cancelled without at least thirty (30) days' written notice to Lender, except for ten (10) days' written notice for cancellation due to non-payment of premium; and (3) the issuer(s) of the Policies shall give written notice to Lender if the issuers elect not to renew the Policies prior to its expiration;

(ii) with respect to the Policies of liability insurance, provide that the Policy shall not be cancelled without at least thirty (30) days' written notice to Lender, except for ten (10) days' written notice for cancellation due to non-payment of premium. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to, make proof of loss if not made promptly by Borrower.

Section 6.3 Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of all or any part of the Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If the Property or any portion thereof is taken by a condemning authority, Borrower shall, promptly commence and diligently prosecute the Restoration of the Property and otherwise comply with the provisions of Section 6.4 hereof. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4 Restoration. The following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds shall be less than the Restoration Threshold and the costs of completing the Restoration shall be less than the Restoration Threshold, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 6.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds are equal to or greater than the Restoration Threshold or the costs of completing the Restoration is equal to or greater than the Restoration Threshold, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term "Net Proceeds" shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1(a)(i), (iv), (vi), (vii), (viii) and (ix) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("Insurance Proceeds"), or (ii) the net amount of the Award, after deduction of its reasonable

costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("Condemnation Proceeds"), whichever the case may be.

(A) no Default or Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than forty percent (40%) of the total floor area of the Improvements on the Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds, less than ten percent (10%) of the land constituting the Property is taken, and such land is located along the perimeter or periphery of the Property, and no portion of the Improvements is located on such land;

(D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than thirty (30) days after such Casualty or Condemnation, whichever the case may be, occurs) and shall diligently pursue the same to satisfactory completion in compliance with all Applicable Laws, including, without limitation, all applicable Environmental Laws;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(iii) hereof, if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date, or (2) six (6) months after the occurrence of such Casualty or Condemnation, or (3) the earliest date required for such completion under the terms of any Leases which are required in accordance with the provisions of this Section 6.4(b) to remain in effect subsequent to the occurrence of such Casualty or Condemnation and the completion of the Restoration, or (4) such time as may be required under Applicable Law, in order to repair and restore the Property to the condition it was in immediately prior to such Casualty or Condemnation or (5) the expiration of the insurance coverage referred to in Section 6.1(a)(iii) hereof;

(G) the Property and the use thereof after the Restoration will be in compliance with and permitted under all Applicable Laws;

(H) Lender shall be satisfied that the Debt Service Coverage Ratio after the completion of the Restoration shall be equal to or greater than 1.30 to 1.00;

(I) such Casualty or Condemnation, as applicable, does not result in the total loss of access to the Property or the related Improvements;

(J) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be acceptable to Lender;

(K) the Net Proceeds together with any Cash or Cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration; and

(L) the Management Agreement in effect as of the date of the occurrence of such Casualty or Condemnation, whichever the case may be, shall (1) remain in full force and effect during the Restoration and shall not otherwise terminate as a result of the Casualty or Condemnation or the Restoration or (2) if terminated, shall have been replaced with a Replacement Management Agreement with a Qualified Manager, prior to the opening or reopening of the Property or any portion thereof for business with the public.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this

Section 6.4(b), shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other Liens or encumbrances of any nature whatsoever on the Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "Casualty Consultant"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration as well as the contracts under which they have been engaged, shall be subject to prior review and acceptance by Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "Casualty Retainage" shall mean an amount equal to ten percent (10%), of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has

supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy for the Property, and Lender receives an endorsement to such Title Insurance Policy insuring the continued priority of the Lien of the Security Instrument and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, if any, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and other obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under the Note, this Agreement or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) may be retained and applied by Lender toward the payment of the Debt whether or not then due and payable in such order, priority and proportions as Lender in its sole discretion shall deem proper, or, at the discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its discretion.

(d) Notwithstanding anything to the contrary set forth in this Agreement, with respect to a Casualty or a Condemnation, for so long as the Loan or any portion thereof is included in a Securitization, if the loan to value ratio (such value to be determined by

the Lender in its sole discretion based on a commercially reasonable valuation method using only the portion of the Property which constitutes acceptable real estate collateral under the Code for a REMIC Trust) immediately after such Condemnation or Casualty, as the case may be, and prior to any Restoration (but taking into account any planned Restoration of the Property as if such planned Restoration were completed) is more than one hundred and twenty-five percent (125%), the principal balance of the Loan must be paid down by "qualified amount" as that term is defined in the IRS Revenue Procedure 2010-30, as the same may be amended, modified or supplemented from time to time (and no Yield Maintenance Premium or any other prepayment premium or fee shall be due in connection therewith), in order to meet the foregoing loan to value ratio unless Borrower delivers to Lender an opinion of counsel, acceptable to Lender in its reasonable discretion, that if such amount is not paid, such Securitization will not fail to meet applicable federal income tax qualification requirements or subject such Securitization to tax; provided, however, that if the immediately preceding provisions are no longer applicable under legal requirements relating to a REMIC Trust, Borrower shall comply with all legal requirements relating to a Casualty or Condemnation then in effect.

## VII. RESERVE FUNDS

#### 7.1.1 Deposits to Required Repair Fund.

On the Closing Date, Borrower shall deposit into an Eligible Account held by Lender or Servicer (the "Required Repair Account") the amount set forth on Schedule III hereto to perform the Required Repairs for the Property. Amounts so deposited pursuant to this Section 7.1.1 shall be held in accordance with Section 7.9 hereof, and shall hereinafter be referred to as the "Required Repair Fund." Borrower shall perform the repairs at the Property, as more particularly set forth on Schedule III hereto (such repairs hereinafter referred to as "Required Repairs") on or before the required deadline for each repair as set forth on Schedule III, as such deadlines may be extended by Lender in Lender's reasonable discretion. It shall be an Event of Default under this Agreement if (a) Borrower does not complete the Required Repairs at the Property by the required deadline for each repair as set forth on Schedule III, or (b) Borrower does not satisfy each condition contained in Section 7.1.2 hereof. Upon the occurrence of an Event of Default, Lender, at its option, may withdraw all Required Repair Funds from the Required Repair Account and Lender may apply such funds either to completion of the Required Repairs or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender's right to withdraw and apply Required Repair Funds shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents.

#### 7.1.2 Release of Required Repair Funds.

Lender shall disburse to Borrower the Required Repair Funds from the Required Repair Account from time to time upon satisfaction by Borrower of each of the following conditions: (a) Borrower shall submit a written request for payment to Lender at least thirty (30) days prior to the date on which Borrower requests such payment be made and specifies the Required Repairs to be paid, (b) on the date such request is received by Lender and on the date such

payment is to be made, no Default or Event of Default shall exist and be continuing, (c) Lender shall have received an Officers' Certificate (i) stating that all Required Repairs at the Property to be funded by the requested disbursement have been completed in good and workmanlike manner and, to the best of Borrower's knowledge, in accordance with all Legal Requirements and Environmental Laws, such certificate to be accompanied by a copy of any license, permit or other approval by any Governmental Authority required to commence and/or complete the Required Repairs, (ii) identifying each Person that supplied materials or labor in connection with the Required Repairs with respect to the reimbursement to be funded by the requested disbursement, and (iii) stating that each such Person has been paid in full upon such disbursement, such Officers' Certificate to be accompanied by lien waivers or other evidence of payment satisfactory to Lender, (d) at Lender's option, a title search for the Property indicating that the Property is free from all Liens, claims and other encumbrances not previously approved by Lender, and (e) Lender shall have received such other evidence as Lender shall reasonably request that the Required Repairs to be funded by the requested disbursement have been completed and are paid for upon such disbursement to Borrower. Lender shall not be required to make disbursements from the Required Repair Account unless such requested disbursement is in an amount equal to or greater than the Minimum Disbursement Amount (or a lesser amount if the total amount in the Required Repair Account is less than Minimum Disbursement Amount, in which case only one disbursement of the amount remaining in the account shall be made). Lender shall not be obligated to make disbursements from the Required Repair Account in excess of the amount allocated for the Property as set forth on Schedule III hereof. Upon the earlier of (1) Borrower's completion of all Required Repairs to the satisfaction of Lender (provided Borrower has supplied Lender with evidence satisfactory to Lender of payment of all Required Repairs applicable to the Property and, if requested by Lender, waivers of liens and/or a title search of the Property or an endorsement to the mortgagee's title insurance policy), so long as no Event of Default is then continuing or (2) payment in full by Borrower of all sums evidenced by the Note and secured by the Security Instrument and release by Lender of the Lien of the Security Instrument, Lender shall disburse to Borrower all remaining Required Repair Funds, if any.

Section 7.2 Tax and Insurance Escrow Fund. In addition to the initial deposits with respect to real estate property taxes and, if applicable, Insurance Premiums made by Borrower to Lender on the Closing Date to be held in Eligible Accounts by Lender or Servicer and hereinafter respectively referred to as the "Tax Account" and the "Insurance Premium Account", Borrower shall pay (or cause to be paid) on each Payment Date (a) one-twelfth of the real estate property taxes (the "Monthly Tax Deposit") that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate in the Tax Account sufficient funds to pay all such real estate property taxes at least thirty (30) days prior to their respective due dates; and (b) at the option of Lender, if the liability or casualty Policy maintained by Borrower covering the Property shall not constitute an approved blanket or umbrella Policy pursuant to Section 6.1(c) hereof, or Lender shall require Borrower to obtain a separate Policy pursuant to Section 6.1(c) hereof, one-twelfth of the Insurance Premiums (the "Monthly Insurance Premium Deposit") that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate in the Insurance Premium Account sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (all such amounts in (a) and (b) above, collectively the "Tax and Insurance Escrow Fund"). The Tax and Insurance Escrow Fund and

the payments of interest or principal or both, payable pursuant to the Note and this Agreement, shall be added together and shall be paid as an aggregate sum by Borrower to Lender. So long as no Event of Default is continuing, Lender will apply the Tax and Insurance Escrow Fund to payments of real estate property taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 5.1.2 and 6.1 hereof, respectively. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to real estate property taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for real estate property taxes and Insurance Premiums pursuant to Sections 5.1.2 and 6.1 hereof, respectively, then Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Escrow Fund. In allocating such excess, Lender may interact with the Person shown on the records of Lender to be the owner of the Property. Any amount remaining in the Tax and Insurance Escrow Fund after the Debt has been paid in full shall be returned to Borrower. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay real estate property taxes and Insurance Premiums by the dates set forth in clauses (a) and (b) of the first sentence of this Section 7.2, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to the Tax Account and/or the Insurance Premium Account, respectively, by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to delinquency of the real estate property taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

### Section 7.3 Replacements and Replacement Reserve Fund.

7.3.1 Deposits to Replacement Reserve Fund. Borrower shall deposit into an Eligible Account held by Lender or Servicer (the "Replacement Reserve Account") on each Payment Date \$2,247.67 (the "Replacement Reserve Monthly Deposit") for replacements and repairs required to be made to the Property during the calendar year (collectively, the "Replacements"). Amounts so deposited shall hereinafter be referred to as the "Replacement Reserve Fund". Lender may reassess its estimate of the amount necessary for the Replacement Reserve Fund from time to time, and, following such reassessment, may increase or decrease the monthly amounts required to be deposited into the Replacement Reserve Fund upon thirty (30) days' notice to Borrower if Lender determines in its sole discretion that an increase or decrease is necessary to maintain the proper maintenance and operation of the Property.

### 7.3.2 Disbursements from Replacement Reserve Account.

(a) Lender shall make disbursements from the Replacement Reserve Account to reimburse Borrower only for the costs of the Replacements. Lender shall not be obligated to make disbursements from the Replacement Reserve Account to reimburse Borrower for the costs of routine maintenance to the Property.

(b) Lender shall, upon written request from Borrower and satisfaction of the requirements set forth in this Section 7.3.2, disburse to Borrower amounts from the Replacement Reserve Account necessary to reimburse Borrower for the actual approved costs

and Replacements upon completion of such Replacements (or, upon partial completion in the case of Replacements made pursuant to Section 7.3.2(e)) as determined by Lender. In no event shall Lender be obligated to disburse funds from the Replacement Reserve Account if a Default or an Event of Default exists.

(c) Each request for disbursement from the Replacement Reserve Account shall be in a form specified or approved by Lender and shall specify (i) the specific Replacements for which the disbursement is requested, (ii) the quantity and price of each item purchased, if the Replacement includes the purchase or replacement of specific items, (iii) the price of all materials (grouped by type or category) used in any Replacement other than the purchase or replacement of specific items, and (iv) the cost of all contracted labor or other services applicable to each Replacement for which the disbursement is requested. With each request Borrower shall certify that, to the best of Borrower's knowledge, all Replacements have been made in accordance with all applicable Legal Requirements of any Governmental Authority having jurisdiction over the Property to which the Replacements are being provided. Each request for disbursement shall include copies of invoices for all items or materials purchased and all contracted labor or services provided and, unless Lender has agreed to issue joint checks as described below in connection with a particular Replacement, each request shall include evidence satisfactory to Lender of payment of all such amounts. Except as provided in Section 7.3.2(e), each request for disbursement from the Replacement Reserve Account shall be made only after completion of the Replacement for which disbursement is requested. Borrower shall provide Lender evidence of completion satisfactory to Lender in its reasonable judgment.

(d) Borrower shall pay all invoices in connection with the Replacements with respect to each request for disbursement prior to submitting such request for disbursement from the Replacement Reserve Account or, at the request of Borrower, Lender will issue joint checks, payable to Borrower and the contractor, supplier, materialman, mechanic, subcontractor or other party to whom payment is due in connection with a Replacement. In the case of payments made by joint check, Lender may require a waiver of lien from each Person receiving payment prior to Lender's disbursement from the Replacement Reserve Account. In addition, as a condition to any disbursement, Lender may require Borrower to obtain lien waivers from each contractor, supplier, materialman, mechanic or subcontractor who receives payment in an amount equal to or greater than \$25,000 for completion of its work or delivery of its materials. Any lien waiver delivered hereunder shall conform to the requirements of Applicable Law and shall cover all work performed and materials supplied (including equipment and fixtures) for the Property by that contractor, supplier, subcontractor, mechanic or materialman through the date covered by the current reimbursement request (or, in the event that payment to such contractor, supplier, subcontractor, mechanic or materialmen is to be made by a joint check, the release of lien shall be effective through the date covered by the previous release of funds request).

(e) If the contractor performing such Replacement requires periodic payments pursuant to terms of a written contract (and if such contract is for work the cost of which exceeds \$25,000.00 and Lender has approved in writing in advance such contract), a request for reimbursement from the Replacement Reserve Account may be made after completion of a portion of the work under such contract, provided (A) such contract requires payment upon completion of such portion of the work, (B) the materials for which the request is

made are on site at the Property and are properly secured or have been installed in the Property, (C) all other conditions in this Section 7.3 for disbursement have been satisfied, (D) funds remaining in the Replacement Reserve Account are, in Lender's judgment, sufficient to complete such Replacement and other Replacements when required, and (E) if required by Lender, each contractor or subcontractor receiving payments under such contract shall provide a waiver of lien with respect to amounts which have been paid to that contractor or subcontractor.

(f) Borrower shall not make a request for disbursement from the Replacement Reserve Account more frequently than once in any calendar month and (except in connection with the final disbursement) the total cost of all Replacements in any request shall not be less than Minimum Disbursement Amount.

### 7.3.3 Performance of Replacements.

(a) Borrower shall make Replacements when required in order to keep the Property in condition and repair consistent with other first class, full service offices in the same market segment in the metropolitan area in which the Property is located, and to keep the Property or any portion thereof from deteriorating. Borrower shall complete all Replacements in a good and workmanlike manner as soon as practicable following the commencement of making each such Replacement.

(b) Lender reserves the right, at its option, to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or materials in connection with the Replacements. Upon Lender's request, Borrower shall assign any contract or subcontract to Lender.

(c) In the event Lender determines in its reasonable discretion that any Replacement is not being performed in a workmanlike or timely manner or that any Replacement has not been completed in a workmanlike or timely manner, Lender shall have the option to withhold disbursement for such unsatisfactory Replacement and to proceed under existing contracts or to contract with third parties to complete such Replacement and to apply the Replacement Reserve Fund toward the labor and materials necessary to complete such Replacement, without providing any prior notice to Borrower and to exercise any and all other remedies available to Lender upon an Event of Default hereunder.

(d) In order to facilitate Lender's completion or making of the Replacements pursuant to Section 7.3.3(c) above, Borrower grants Lender the right to enter onto the Property and perform any and all work and labor necessary to complete or make the Replacements and/or employ watchmen to protect the Property from damage. All sums so expended by Lender, to the extent not from the Replacement Reserve Fund, shall be deemed to have been advanced under the Loan to Borrower and secured by the Security Instrument. For this purpose, Borrower constitutes and appoints Lender its true and lawful attorney-in-fact with full power of substitution to complete or undertake the Replacements in the name of Borrower. Such power of attorney shall be deemed to be a power coupled with an interest and cannot be revoked. Borrower empowers said attorney-in-fact as follows: (i) to use any funds in the Replacement Reserve Account for the purpose of making or completing the Replacements; (ii) to make such additions, changes and corrections to the Replacements as shall be necessary or

desirable to complete the Replacements; (iii) to employ such contractors, subcontractors, agents, architects and inspectors as shall be required for such purposes; (iv) to pay, settle or compromise all existing bills and claims which are or may become a Lien against the Property, or as may be necessary or desirable for the completion of the Replacements, or for clearance of title; (v) to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents; (vi) to prosecute and defend all actions or proceedings in connection with the Property or the rehabilitation and repair of the Property; and (vii) to do any and every act which Borrower might do in its own behalf to fulfill the terms of this Agreement.

(e) Nothing in this Section 7.3.3 shall: (i) make Lender responsible for making or completing the Replacements; (ii) require Lender to expend funds in addition to the Replacement Reserve Fund to make or complete any Replacement; (iii) obligate Lender to proceed with the Replacements; or (iv) obligate Lender to demand from Borrower additional sums to make or complete any Replacement.

(f) Borrower shall permit Lender and Lender's agents and representatives (including, without limitation, Lender's engineer, architect, or inspector) or third parties making Replacements pursuant to this Section 7.3.3 to enter onto the Property during normal business hours (subject to the rights of tenants under their Leases) to inspect the progress of any Replacements and all materials being used in connection therewith, to examine all plans and shop drawings relating to such Replacements which are or may be kept at the Property, and to complete any Replacements made pursuant to this Section 7.3.3. Borrower shall cause all contractors and subcontractors to cooperate with Lender or Lender's representatives or such other persons described above in connection with inspections described in this Section 7.3.3(f) or the completion of Replacements pursuant to this Section 7.3.3.

(g) Lender may require an inspection of the Property at Borrower's expense prior to making a monthly disbursement from the Replacement Reserve Account in order to verify completion of the Replacements for which reimbursement is sought. Lender may require that such inspection be conducted by an appropriate independent qualified professional selected by Lender and/or may require a copy of a certificate of completion by an independent qualified professional acceptable to Lender prior to the disbursement of any amounts from the Replacement Reserve Account. Borrower shall pay the expense of the inspection as required hereunder, whether such inspection is conducted by Lender or by an independent qualified professional.

(h) The Replacements and all materials, equipment, fixtures, or any other item comprising a part of any Replacement shall be constructed, installed or completed, as applicable, free and clear of all mechanic's, materialmen's or other Liens.

(i) Before each disbursement from the Replacement Reserve Account, Lender may require Borrower to provide Lender with a search of title to the Property effective to the date of the disbursement, which search shows that no mechanic's or materialmen's Liens or other Liens of any nature have been placed against the Property since the date of recordation of the Security Instrument and that title to the Property is free and clear of all Liens (other than the Lien of the Security Instrument and other Permitted Encumbrances).

(j) All Replacements shall comply with all applicable Legal Requirements of all Governmental Authorities having jurisdiction over the Property and applicable insurance requirements including, without limitation, applicable building codes, special use permits, environmental regulations, and requirements of insurance underwriters.

(k) In addition to any insurance required under the Loan Documents, Borrower shall provide or cause to be provided workmen's compensation insurance, builder's risk, and public liability insurance and other insurance to the extent required under Applicable Law in connection with a particular Replacement. All such policies shall be in form and amount reasonably satisfactory to Lender. All such policies which can be endorsed with standard mortgagee clauses making loss payable to Lender or its assigns shall be so endorsed. Certified copies of such policies shall be delivered to Lender.

#### 7.3.4 Failure to Make Replacements.

(a) It shall be an Event of Default under this Agreement if Borrower fails to comply with any provision of this Section 7.3 and such failure is not cured within thirty (30) days after notice from Lender. Upon the occurrence of an Event of Default, Lender may use the Replacement Reserve Fund (or any portion thereof) for any purpose, including but not limited to completion of the Replacements as provided in Sections 7.3.3(c) and 7.3.3(d), or for any other repair or replacement to the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender's right to withdraw and apply the Replacement Reserve Funds shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents.

(b) Nothing in this Agreement shall obligate Lender to apply all or any portion of the Replacement Reserve Fund on account of an Event of Default to payment of the Debt or in any specific order or priority.

7.3.5 Balance in the Replacement Reserve Account. The insufficiency of any balance in the Replacement Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

#### Section 7.4 Rollover Reserve Fund.

7.4.1 Deposits to Rollover Reserve Fund. Borrower shall deposit into an Eligible Account held by Lender or Servicer (the "Rollover Reserve Account") (i) on the Closing Date, funds in the amount of \$200,000.00 (the "Initial Rollover Reserve Deposit"), and (ii) on each Payment Date the sum of \$6,743.00 (the "Monthly Rollover Reserve Deposit" and, collectively with the Initial Rollover Reserve Deposit, the "Rollover Reserve Deposit"), which amounts, together with all Lease Termination Payments shall be deposited in the Rollover Reserve Account for tenant improvement and leasing commission obligations incurred following the Closing Date. Amounts so deposited shall hereinafter be referred to as the "Rollover Reserve Fund" Notwithstanding anything herein to the contrary, upon Lender's receipt of evidence satisfactory to Lender that either (i) Caremark has renewed the term of the Caremark Lease for a term and upon terms and conditions acceptable to Lender, or (ii) a Lease with a replacement tenant acceptable to Lender and upon terms and conditions acceptable to Lender, is in full force

and effect with respect to the Caremark Premises and the tenant thereunder is in occupancy of the Caremark Premises and is paying full unabated rent thereunder (collectively a "Caremark Occupancy Event"), provided no Event of Default is then in existence, Lender shall disburse to Borrower all funds held in the Rollover Reserve Account in excess of an amount equal to \$323,655.00 (the "Rollover Reserve Cap"). From and after the occurrence of such Caremark Occupancy Event, Borrower shall not be required to make monthly deposits to the Rollover Reserve Account to the extent that any such deposit would increase the amount then held in the Rollover Reserve Account (after deducting any pending disbursement requests therefrom) above the Rollover Reserve Cap. For avoidance of doubt, Borrower shall remain obligated at all times to deposit all Lease Termination Payments, if any, into the Rollover Reserve Account. If at any time the amount of funds in the Rollover Reserve Account is thereafter less than the Rollover Reserve Cap, then Borrower shall commence and continue making monthly deposits to the Rollover Reserve Account as set forth herein.

7.4.2 Withdrawal of Rollover Reserve Funds. Lender shall make disbursements from the Rollover Reserve Fund for tenant improvement and leasing commission obligations incurred by Borrower. All such expenses shall be approved by Lender in its sole discretion. Provided no Event of Default is then continuing, Lender shall make disbursements as requested by Borrower on a quarterly basis in increments of no less than the Minimum Disbursement Amount upon delivery by Borrower of Lender's standard form of draw request accompanied by copies of paid invoices for the amounts requested and, if required by Lender, lien waivers and releases from all parties furnishing materials and/or services in connection with the requested payment. Lender may require an inspection of the Property at Borrower's expense prior to making a quarterly disbursement in order to verify completion of improvements for which reimbursement is sought.

Section 7.5 Existing Tenant Improvement Reserve Fund.

7.5.1 Deposits to Existing Tenant Improvement Reserve Fund.

On the Closing Date, Borrower shall deposit into an Eligible Account held by Lender or Servicer (the "Existing Tenant Improvement Reserve Account") (i) funds in the amount of \$45,000.00, to deposited with and held by Lender for payment of the costs of the ATR Tenant Improvements (the "ATR Tenant Improvement Reserve Funds"), and (ii) funds in the amount of \$334,000.00, to deposited with and held by Lender for payment of the costs of the ICP Tenant Improvements (the "ICP Tenant Improvement Reserve Funds" and, collectively with the ATR Tenant Improvement Reserve Deposit, the "Existing Tenant Improvement Reserve Funds").

7.5.2 Withdrawals of Existing Tenant Improvement Reserve Funds.

Provided that no Event of Default is then in existence, Lender shall make disbursements (i) from the ATR Tenant Improvement Reserve Funds to pay the costs and expenses of the ATR Tenant Improvements, and (ii) from the ICP Tenant Improvement Reserve Funds to pay the costs and expenses of the ICP Tenant Improvements, all in accordance with the terms and conditions of this paragraph. All such costs and expenses shall be approved by Lender in its reasonable discretion. Provided no Event of Default is then continuing, Lender shall make

such disbursements as requested by Borrower on a monthly basis upon delivery by Borrower of Lender's standard form of draw request accompanied by copies of invoices for the amounts requested, evidence reasonably satisfactory to Lender that the ATR Tenant Improvements or, as applicable, the ICP Tenant Improvements, for which disbursement is sought have been completed and, if required by Lender, lien waivers and releases from all parties furnishing materials and/or services in connection with the requested payment. Lender may require an inspection of the Property at Borrower's expense prior to making a monthly disbursement in order to verify completion of the ATR Tenant Improvements or, as applicable, the ICP Tenant Improvements, for which disbursement is sought.

Section 7.6 Operating Expense Fund. On each Payment Date during the continuance of a Trigger Period, Borrower shall deposit (or shall cause there to be deposited) into an Eligible Account held by Lender or Servicer (the "Operating Expense Account") an amount equal to the aggregate amount of Approved Operating Expenses and Approved Extraordinary Expenses to be incurred by Borrower for the then current Interest Accrual Period (such amount, the "Op Ex Monthly Deposit"). Amounts deposited pursuant to this Section 7.6 are referred to herein as the "Operating Expense Fund." Provided no Event of Default has occurred and is continuing, Lender shall disburse the Operating Expense Funds to Borrower to pay Approved Operating Expenses and/or Approved Extraordinary Expenses upon Borrower's request (which such request shall be accompanied by an Officer's Certificate detailing the applicable expenses to which the requested disbursement relates and attesting that such expense shall be paid with the requested disbursement).

Section 7.7 Intentionally Omitted.

Section 7.8 Excess Cash Reserve Fund.

7.8.1 Deposits to Excess Cash Reserve Fund. On each Payment Date occurring on and after the occurrence and continuance of a Trigger Period, Borrower shall deposit (or cause to be deposited) into an Eligible Account with Lender or Servicer (the "Excess Cash Reserve Account") an amount equal to the Excess Cash Flow generated by the Property for the immediately preceding Interest Accrual Period. All amounts deposited in the Excess Cash Reserve Account shall be hereinafter referred to as the "Excess Cash Reserve Fund".

7.8.2 Withdrawal of Excess Cash Reserve Funds. The Excess Cash Reserve Fund shall be held by Lender in the Excess Cash Reserve Account as additional collateral for the Loan. Provided no Event of Default has occurred and is continuing, Borrower may request that Lender apply any amounts in the Excess Cash Reserve Account toward any of the following, which request may be accepted or denied by Lender in its sole discretion: (i) in the event that there are insufficient funds in the Debt Service Account on a Payment Date to pay the Monthly Debt Service Payment Amount, to the Debt Service Account to be applied to such Monthly Debt Service Payment Amount in the amount of such shortfall, (ii) upon at least ten (10) Business Days prior written notice from Borrower to Lender, to pay for Operating Expenses, provided such Operating Expenses are shortfalls in budgeted expenses which are consistent with the Approved Annual Budget or are otherwise reasonably approved by Lender determined by Lender, (iii) to the extent there are insufficient cash flows to make any monthly deposit to any Reserve Fund in accordance with Section 3.7 hereof, to make such deposit(s), and/or (iv)

payment of any other expenditures of Borrower reasonably approved by Lender. On the Payment Date occurring immediately after the cessation of a Trigger Period, Lender shall disburse the amounts then on deposit in the Excess Cash Reserve Account to the Borrower's Operating Account, provided that no other Trigger Period is then continuing.

Section 7.9 Reserve Funds, Generally.

(a) Borrower hereby grants to Lender a first-priority perfected security interest in each of the Reserve Funds and the Accounts and in any and all monies now or hereafter deposited in each Reserve Fund and Account as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds and the Accounts shall constitute additional security for the Debt.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Documents, upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion.

(c) The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(d) Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(e) Borrower shall indemnify Lender and hold Lender harmless from and against any and all Losses arising from or in any way connected with the Reserve Funds or the Accounts or the performance of the obligations for which the Reserve Funds or the Accounts were established, except to the extent arising from the gross negligence or willful misconduct of Lender, its agents or employees. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds or the Accounts; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and is then continuing.

VIII. DEFAULTS

Section 8.1 Event of Default.

(a) Each of the following events shall constitute an event of default hereunder (an "Event of Default"):

(i) if (A) any Monthly Debt Service Payment or the payment due on the Maturity Date is not paid when due under the Loan Documents or (B) any other portion of the Debt is not paid when due and such non-payment

continues for five (5) days following notice to Borrower that the same is due and payable;

(ii) if any of the Taxes or Other Charges are not paid on or before the date when the same are due and payable (except to the extent that sums sufficient to pay such amounts have been deposited in escrow with Lender pursuant to the terms of Section 7.2 hereof);

(iii) if the Policies are not kept in full force and effect, or if certified copies of the Policies are not delivered to Lender within ten (10) days after Lender's written request;

(iv) if Borrower transfers or encumbers any portion of the Property or any direct or indirect ownership interest in a Restricted Party in violation of the provisions of Sections 5.2.10 or 5.2.11 hereof or Article 7 of the Security Instrument;

(v) if any representation or warranty made by Borrower, Principal, or Guarantor herein or in any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made; provided, however, (i) if Borrower did not know any such representation was false or misleading in any material respect when made and (ii) if the condition causing the representation or warranty to be false or misleading is (x) susceptible of being cured and (y) not reasonably likely to have a Material Adverse Effect, then such false or misleading representation shall be an Event of Default hereunder only if such condition is not cured within twenty (20) Business Days of the earlier of (1) written notice from Lender or (2) the date any Borrower Party first becomes aware of the same;

(vi) if Borrower, Principal, Guarantor or any other guarantor or indemnitor under any guaranty or indemnity, respectively, issued in connection with the Loan shall make an assignment for the benefit of creditors;

(vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Principal, Guarantor or any other guarantor or indemnitor under any guarantee or indemnity, respectively issued in connection with the Loan or if Borrower, Principal, Guarantor or such other guarantor or indemnitor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to the Bankruptcy Code, or any similar federal or State law, shall be filed by or against, consented to, or acquiesced in by, Borrower, Principal, Guarantor or such other guarantor or indemnitor, or if any proceeding for the dissolution or liquidation of Borrower, Principal, Guarantor or such other guarantor or indemnitor shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower, Principal, Guarantor or such other guarantor or

indemnitor, upon the same not being discharged, stayed or dismissed within sixty (60) days;

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower violates or does not comply with any of the provisions of Sections 5.1.17 or 5.2 hereof in any material respect;

(x) if a default has occurred and continues beyond any applicable cure period under the Management Agreement (or any Replacement Management Agreement) if such default permits the Manager thereunder to terminate or cancel the Management Agreement (or any Replacement Management Agreement);

(xi) if Borrower or Principal, if applicable, violates or otherwise does not comply with any of the provisions of Section 4.1.36 hereof; provided, however, such violation or breach shall not constitute an Event of Default if (w) Borrower had no knowledge of such breach as of the Closing Date, (x) such violation or breach is not intentional, (y) such violation or breach is immaterial, and (z) such violation or breach shall be remedied in a timely and expedient manner and in any event within not more than thirty (30) days from the earlier of (1) written notice from Lender or (2) the date any Borrower Party first becomes aware of the such breach;

(xii) if the Property becomes subject to any mechanic's, materialman's or other Lien other than a Lien for local real estate taxes and assessments (excluding any PACE Lien) not then due and payable and the Lien shall remain undischarged of record (by payment, bonding or otherwise) for a period of thirty (30) days;

(xiii) if any federal tax lien or state or local income tax lien is filed against Borrower, Principal, Guarantor or the Property and same is not discharged of record within thirty (30) days after same is filed;

(xiv) if (A) Borrower fails to timely provide Lender with the written certification and evidence referred to in Section 5.2.8 hereof, (B) Borrower is a Plan or a Governmental Plan or its assets constitute Plan Assets; or (C) Borrower consummates a Prohibited Transaction or Prohibited Governmental Transaction;

(xv) if Borrower shall fail to deliver to Lender, within ten (10) Business Days after request by Lender, the estoppel certificates required pursuant to the terms of Section 5.1.13 hereof;

(xvi) if any default occurs under any guaranty or indemnity executed in connection herewith (including, without limitation, the Guaranty and

the Environmental Indemnity) and such default continues after the expiration of applicable grace periods, if any;

(xvii) if Borrower shall be in default beyond applicable notice and grace periods under any other mortgage, deed of trust, deed to secure debt or other security agreement covering any part of the Property whether it be superior or junior in lien to the Security Instrument;

(xviii) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xix) intentionally omitted;

(xx) intentionally omitted;

(xxi) intentionally omitted;

(xxii) if there shall be a default under the Security Instrument or any of the other Loan Documents beyond any applicable notice and cure periods contained in such documents, whether as to Borrower or the Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt;

(xxiii) if there shall occur an "Event of Default" specifically identified in other Sections of this Agreement or in any of the other Loan Documents; or

(xxiv) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xxiii) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed sixty (60) days.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi) or (vii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or the Property,

including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and any or all of the Property, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi) or (vii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2 Remedies.

(a) Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any part of the Property or any other Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by Applicable Law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by Applicable Law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the other Collateral and Security Instrument has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) During the continuance of any Event of Default (including an Event of Default resulting from a failure to satisfy the insurance requirements specified herein), Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, take any action to cure such Event of Default. Lender may enter upon any or all of the Property upon reasonable notice to Borrower for such purposes or appear in, defend, or bring any action or proceeding to protect its interest in the Collateral or to foreclose the Security Instrument or collect the Indebtedness. The costs and expenses incurred by Lender in exercising rights under this Section (including reasonable attorneys' fees), with interest at the Default Rate for the period after notice from Lender that such costs or expenses were incurred to the date of payment to Lender, shall constitute a portion of the Debt, shall be secured by the Security Instrument and the other Loan Documents and shall be due and payable to Lender upon demand therefor.

(c) With respect to Borrower and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property or Collateral for the satisfaction of any of the Debt in preference or priority to any other Property or Collateral, and Lender may seek satisfaction out of all of the Property or any other

Collateral or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Security Instrument in any manner and for any amounts secured by the Security Instrument then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose the Security Instrument to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose the Security Instrument to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Security Instrument as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to the Security Instrument to secure payment of sums secured by the Security Instrument and not previously recovered.

(d) Lender shall have the right, from time to time, to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the "Severed Loan Documents") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. The Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

Section 8.3 Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one or more Defaults or Events of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

## IX. SPECIAL PROVISIONS

### Section 9.1 Sale of Notes and Securitization.

(a) Lender shall have the right, at any time, (i) to sell or otherwise transfer the Loan (or any portion thereof and/or interest therein) and any or all servicing rights with respect thereto, (ii) to grant participation interests in the Loan (or any portion thereof and/or interest therein) or (iii) to securitize the Loan (or any portion thereof and/or interest therein) in a single asset securitization or pooled asset securitization. Each of the transactions referred to in clauses (i), (ii) and (iii) above shall each hereinafter be referred to as a "Secondary Market Transaction" and the transactions referred to in clause (iii) shall hereinafter be referred to as a "Securitization." Any certificates, notes or other securities issued in connection with a Securitization are hereinafter referred to as "Securities".

(b) If requested by Lender, Borrower and Guarantor shall assist Lender in satisfying the market standards to which Lender customarily adheres or which may be reasonably required in the marketplace or by the Rating Agencies in connection with any Secondary Market Transaction, including, without limitation, to:

(i) provide such financial and other information with respect to the Property, Borrower, Guarantor and Manager, (ii) provide budgets relating to the Property and (iii) to perform or permit or cause to be performed or permitted site inspection, appraisals, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Property, as may be reasonably requested by the holder of the Note or the Rating Agencies or as may be necessary or appropriate in connection with the Securitization (the "Provided Information"), together, if customary, with appropriate verification and/or consents of the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to Lender and the Rating Agencies;

(ii) if required by the Rating Agencies, deliver (i) revised opinions of counsel as to due execution and enforceability with respect to the Property, Borrower, Guarantor, Sponsor, Principal and their respective Affiliates and the Loan Documents, and (ii) revised organizational documents for Borrower, Guarantor and Principal and their respective Affiliates (including, without limitation, such revisions as are necessary to comply with the provisions of Section 4.1.36 hereof), which counsel, opinions and organizational documents shall be satisfactory to Lender and the Rating Agencies;

(iii) if required by the Rating Agencies, deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect the Property, which estoppel letters, subordination agreements or other agreements shall be satisfactory to Lender and the Rating Agencies;

(iv) execute such amendments to the Loan Documents and organizational documents as may be requested by the holder of the Note or the Rating Agencies or otherwise to effect the applicable Secondary Market Transaction; provided, however, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would (except for modifications and amendments required to be made pursuant to Section (v) below,) (i) change the interest rate, the stated maturity or the amortization of principal set forth in the Note (i.e., the Monthly Debt Service Payments), or (ii) modify or amend any other material economic term of the Loan or otherwise impose additional obligations or liabilities on Borrower in any material respect;

(v) if Lender elects, in its sole discretion, prior to or upon a Secondary Market Transaction, to split the Loan into two or more parts, or the Note into multiple component notes or tranches which may have different interest rates, amortization payments, principal amounts, payment priorities and maturities, Borrower and Guarantor agree to cooperate with Lender in connection with the foregoing and to execute the required modifications and amendments to the Note, this Agreement and the Loan Documents and to provide opinions necessary to effectuate the same. The Note or its components may be assigned different interest rates, so long as the initial weighted average of such interest rates does not exceed the Applicable Interest Rate;

(vi) make such representations and warranties as of the closing date of the Secondary Market Transaction with respect to the Property, Borrower, and Guarantor, and the Loan Documents as are customarily provided in such transactions and as may be reasonably requested by the holder of the Note or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents; and

(vii) supply to Lender such documentation, financial statements and reports in form and substance required for Lender to comply with Regulation AB of the federal securities law, if applicable.

(c) All reasonable third party costs and expenses incurred by Lender or Borrower in connection with Borrower's or Guarantor's complying with requests made under this Section 9.1 shall be paid by Borrower and Guarantor.

#### Section 9.2 Securitization Indemnification.

(a) Borrower and Guarantor understand that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including, without limitation, a prospectus supplement, private placement memorandum, offering circular or other offering document (each a "Disclosure Document") and may also be included in filings (an "Exchange Act Filing") with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "Securities Act"), or the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or provided or made available to Investors or

prospective Investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower and Guarantor will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) Borrower and Guarantor agree to provide in connection with each of (i) a preliminary and a final private placement memorandum or (ii) a preliminary and final prospectus or prospectus supplement, as applicable, or (iii) collateral and structured term sheets or similar materials, an indemnification certificate (A) certifying that Borrower has carefully examined such memorandum or prospectus or term sheets, as applicable, including without limitation, the sections entitled "Special Considerations," "Description of the Mortgages," "Description of the Mortgage Loans and Mortgaged Property," "The Manager," "The Borrower" and "Certain Legal Aspects of the Mortgage Loan," and such sections (and any other sections reasonably requested) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (B) indemnifying Lender (and for purposes of this Section 9.2, Lender hereunder shall include its officers and directors), the Affiliate of Barclays Capital Real Estate Inc. ("Barclays") that has filed the registration statement relating to the Securitization (the "Registration Statement"), each of its directors, each of its officers who have signed the Registration Statement and each Person who controls the Affiliate within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Barclays Group"), and Barclays, each of its directors and each Person who controls Barclays within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the "Underwriter Group") for any losses, claims, damages or liabilities (collectively, the "Liabilities") to which Lender, the Barclays Group or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in such sections described in clause (A) above, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such sections or necessary in order to make the statements in such sections or in light of the circumstances under which they were made, not misleading and (C) agreeing to reimburse Lender, the Barclays Group and the Underwriter Group for any legal or other expenses reasonably incurred by Lender the Barclays Group and the Underwriter Group in connection with investigating or defending the Liabilities; provided, however, that Borrower. Guarantor will be liable in any such case under clauses (B) or (C) above only to the extent that any such Liability arises out of or is based upon any such untrue statement or omission made therein in reliance upon and in conformity with information furnished to Lender by or on behalf of Borrower and Guarantor in connection with the preparation of the memorandum or prospectus or in connection with the underwriting of the debt, including, without limitation, financial statements of Borrower and Guarantor, operating statements, rent rolls, environmental site assessment reports and Property condition reports. This indemnification will be in addition to any liability which Borrower, Guarantor may otherwise have. Moreover, the indemnification provided for in clauses (B) and (C) above shall be effective whether or not an indemnification certificate described in (A) above is provided and shall be applicable based on information previously provided by Borrower, Guarantor or their respective Affiliates if Borrower, Guarantor do not provide the indemnification certificate.

(c) In connection with filings under the Exchange Act, Borrower, Guarantor agree to indemnify (i) Lender, the Barclays Group and the Underwriter Group for Liabilities to which Lender, the Barclays Group or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in light of the circumstances under which they were made not misleading and (ii) reimburse Lender, the Barclays Group or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, the Barclays Group or the Underwriter Group in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an indemnified party under this Section 9.2 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9.2, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Section 9.2 the indemnifying party shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. The indemnifying party shall not be liable for the expenses of more than one such separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnifications provided for in Section 9.2(b) or (c) is or are for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.2(b) or (c), the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) Barclays' and Borrower's, Guarantor's relative knowledge and access to information concerning the matter

with respect to which claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender, Borrower, Guarantor hereby agree that it would not be equitable if the amount of such contribution were determined solely by pro rata or per capita allocation.

(f) The liabilities and obligations of Borrower, Guarantor and Lender under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

Section 9.3 Servicer. At the option of Lender, the Loan may be serviced by a servicer/trustee (the "Servicer") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the "Servicing Agreement") between Lender and Servicer. Upon the appointment of a Servicer, to the extent of the delegation to such Servicer, the term "Lender" shall be deemed to include the "Servicer". Borrower shall be responsible for any set-up fees, or any other initial costs relating to the appointment of any Servicer, provided, however, that Borrower shall not be responsible for payment of the monthly servicer fee due to Servicer. Notwithstanding the foregoing, Borrower shall pay (i) all consent, review and processing fees of Servicer and any related third party costs, (ii) any liquidation fees that may be due Servicer in connection with the exercise of any or all remedies permitted under the Loan Documents, (iii) any workout fees and special servicing fees that may be due to Servicer, which fees may be due on a period or continuing basis and (iv) the costs of all property inspection and/or appraisals of the Property (or any updates to any existing inspection or appraisal) (all such fees, collectively, the "Servicing Fee").

#### Section 9.4 Exculpation.

(a) Except as otherwise provided herein, in the Security Instrument or in the other Loan Documents, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in this Agreement, the Note or the Security Instrument by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, action for specific performance or other appropriate action or proceeding to enable Lender to enforce and realize upon this Agreement, the Note, the Security Instrument, the other Loan Documents, and the interest in the Property, the Rents and any other collateral given to Lender created by this Agreement, the Note, the Security Instrument and the other Loan Documents; provided, however, that any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Property, in the Rents and in any other collateral given to Lender. Lender, by accepting this Agreement, the Note and the Security Instrument, agrees that it shall not, except as otherwise provided herein or in the Security Instrument, sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding, under or by reason of or under or in connection with this Agreement, the Note, the Security Instrument or the other Loan Documents. The provisions of this Section 9.4 shall not, however, (i) constitute a waiver, release or impairment of any obligation evidenced or secured by this Agreement, the Note, the Security Instrument or the other Loan Documents; (ii) impair the right of Lender to name Borrower as a party defendant in any action or suit for judicial foreclosure and sale under the Security Instrument; (iii) affect the validity or enforceability of any indemnity (including,

without limitation, the Environmental Indemnity), guaranty (including, without limitation, the Guaranty), master lease or similar instrument made in connection with this Agreement, the Note, the Security Instrument, or the other Loan Documents; (iv) impair the right of Lender to obtain the appointment of a receiver; (v) impair the enforcement of the Assignment of Leases; (vi) impair the right of Lender to enforce the provisions of Section 10.2 of the Security Instrument or Sections 4.1.10, 4.1.30, 5.1.9 and 5.2.8 hereof; or (vii) impair the right of Lender to obtain a deficiency judgment or other judgment on the Note against Borrower if necessary to (A) preserve or enforce its rights and remedies against the Property or (B) obtain any Insurance Proceeds or Awards to which Lender would otherwise be entitled under the terms of this Agreement or the Security Instrument; provided however, Lender shall only enforce such judgment to the extent of the Insurance Proceeds and/or Awards.

(b) Notwithstanding the provisions of this Section 9.4 to the contrary, Borrower shall be personally liable to Lender for the Losses it incurs arising out of or in connection with the following:

(i) intentional misrepresentation in connection with the execution and the delivery of this Agreement, the Note, the Security Instrument, or the other Loan Documents or otherwise in connection with the Loan;

(ii) Borrower's or any of Borrower's Affiliate's misapplication, misappropriation or conversion of Rents received by Borrower after the occurrence of a Default or Event of Default;

(iii) Borrower's misapplication, misappropriation or conversion of Security Deposits or Rents;

(iv) Borrower's misapplication, misappropriation or conversion of Insurance Proceeds or Awards;

(v) Borrower's failure to pay Taxes, Other Charges (except to the extent that (x) sums sufficient to pay such amounts have been deposited in escrow with Lender pursuant to the terms of Section 7.2 hereof or (y) the Property does not generate sufficient cash flow to pay such Taxes or Other Charges (after disregarding any distributions made to Borrower's constituents during the then-immediately preceding 12-month period)), charges for labor or materials or other charges that can create a Lien on the Property;

(vi) Borrower's failure to return or to reimburse Lender for all Personal Property taken from the Property by or on behalf of Borrower and not replaced with Personal Property of the same utility and of the same or greater value;

(vii) any act of intentional material waste or arson by Borrower, or Principal or any Affiliate thereof or by Guarantor;

(viii) any fees or commissions paid by Borrower to Principal or any Affiliate of Borrower, Principal or Guarantor in violation of the terms of this Agreement, the Note, the Security Instrument or the other Loan Documents;

(ix) Borrower's failure to comply with the provisions of Sections 5.1.8 or 5.1.19 hereof;

(x) criminal acts of Borrower, Principal, any Guarantor, any Affiliate of Borrower, Principal, or any Guarantor, or any of their respective agents or representatives resulting in the seizure, forfeiture or loss of the Property;

(xi) the removal or disposal of any portion of the Property after an Event of Default;

(xii) without the prior written consent of Lender as required pursuant to the Loan Documents, Borrower entering into any amendment, modification or termination of any Lease;

(xiii) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity or in the Loan Documents concerning Environmental Laws and Hazardous Substances and any indemnification of Lender with respect thereto in any Loan Document;

(xiv) Borrower's failure to pay all transfer and recording taxes due to any Governmental Authority in the event of a foreclosure of the Property, deed in lieu or other transfer of the Property to Lender or Lender's designee;

(xv) Borrower's failure to cooperate in transferring any Licenses requested by Lender in connection with any foreclosure of the Property, deed in lieu or other transfer of the Property to Lender or Lender's designee;

(xvi) Borrower's, Principal's, any Guarantor's, or any Affiliate of Borrower's, Principal's or any Guarantor's delay, interference with or frustration of, or failure to cooperate with, Lender's exercise of remedies provided under the Loan Documents after the occurrence of an Event of Default;

(xvii) the gross negligence or willful misconduct by Borrower, Principal, Guarantor or any Affiliate thereof;

(xviii) Borrower or Principal defaults under Section 4.1.36 hereof, and such default is not cited as a factor in a substantive consolidation of Borrower or Principal, as the case may be, with any other Person in a bankruptcy or similar proceeding;

(xix) Borrower defaults under Article III hereof; and

(xx) Borrower defaults under Section 5.1.10 hereof beyond any applicable notice and cure periods.

(c) Notwithstanding the foregoing, the agreement of Lender not to pursue recourse liability as set forth in Subsection (a) above SHALL BECOME NULL AND VOID and shall be of no further force and effect in the event that: (i) Borrower or Principal defaults under Section 4.1.36 hereof, and such default results in the substantive consolidation of Borrower or Principal, as the case may be, with any other Person in a bankruptcy or similar proceeding; (ii) any unauthorized Transfer of the Property or any direct or indirect legal or beneficial equity interest in Borrower, in each case, in violation of the Loan Documents without the prior written consent of Lender (provided that this clause (ii) shall not include the disposal of Personal Property taken from the Property prior to the occurrence of an Event of Default by or on behalf of Borrower and replaced with Personal Property of the same utility and of the same or greater value); (iii) a Bankruptcy Event occurs; (iv) Borrower fails to obtain Lender's prior written consent to any subordinate financing or other voluntary Lien (including a PACE Lien) encumbering the Property; (v) Borrower or its Affiliates commit fraud in connection with the execution and delivery of this Agreement, the Note, the Security Instrument or the other Loan Documents; (vi) Borrower or any of its Affiliates contests or opposes any motion made by Lender to obtain relief from the automatic stay or seek to reinstate the automatic stay following the occurrence of a Bankruptcy Event; or (vii) Borrower has failed to deliver to Lender evidence satisfactory to Lender that either (A) Northsight has renewed the term of the Northsight Lease for a term of not less than three (3) years, at a rental rate equal to the current rent under the Northsight Lease and upon such other terms and conditions acceptable to Lender, or (B) a Lease with a replacement tenant for a term of not less than three (3) years, at a rental rate equal to the current rent under the Northsight Lease and upon such other terms and conditions acceptable to Lender, is in full force and effect with respect to the Northsight Premises and the tenant thereunder is in occupancy of the Northsight Premises and is paying full unabated rent thereunder (provided, however, that the recourse under this subsection (vii) shall be limited to an amount equal to twenty-five percent (25%) of the outstanding principal balance of the Loan).

(d) Nothing herein shall be deemed to be a waiver of any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provision of the Bankruptcy Code to file a claim for the full amount of the indebtedness secured by the Security Instrument or to require that all collateral shall continue to secure all of the indebtedness owing to Lender in accordance with this Agreement, the Note, the Security Instrument and the other Loan Documents.

Section 9.5 Mezzanine Financing. In connection with any Securitization of the Loan, Lender shall have the right at any time to divide the Loan into two or more parts (the "Mezzanine Option"): a mortgage loan (the "Mortgage Loan") and one or more mezzanine loans (the "Mezzanine Loan(s)"). The principal amount of the Mortgage Loan plus the principal amount of the Mezzanine Loan(s) shall equal the outstanding principal balance of the Loan immediately prior to the creation of the Mortgage Loan and the Mezzanine Loan(s). In effectuating the foregoing, the Mezzanine Lender will make a loan to the Mezzanine Borrower(s); Mezzanine Borrower(s) will contribute the amount of the Mezzanine Loan(s) to Borrower and Borrower will apply the contribution to pay down the Mortgage Loan. The Mortgage Loan and the Mezzanine Loan(s) will be on the same terms and subject to the same conditions set forth in this Agreement, the Note, the Security Instrument and the other Loan Documents except as follows:

(a) Lender shall have the right to establish different interest rates and debt service payments for the Mortgage Loan(s) and the Mezzanine Loan and to require the payment of the Mortgage Loan and the Mezzanine Loan(s) in such order of priority as may be designated by Lender; provided, that (i) the total loan amounts for the Mortgage Loan and the Mezzanine Loan(s) shall equal the amount of the Loan immediately prior to the creation of the Mortgage Loan and the Mezzanine Loan(s), (ii) the initial weighted average interest rate of the Mortgage Loan and the Mezzanine Loan(s) shall initially on the date created equal the interest rate which was applicable to the Loan immediately prior to creation of the Mortgage Loan and the Mezzanine Loan(s) and (iii) the initial debt service payments on the Mortgage Loan note and the Mezzanine Loan note(s) shall initially on the date created equal the debt service payment which was due under the Loan immediately prior to creation of the Mortgage Loan and the Mezzanine Loan(s). The Mezzanine Loan(s) will be made pursuant to Lender's standard mezzanine loan documents. The Mezzanine Loan(s) will be subordinate to the Mortgage Loan and will be governed by the terms of an intercreditor agreement between the holders of the Mortgage Loan and the Mezzanine Loan(s).

(b) The borrower(s) under the Mezzanine Loan(s) ("Mezzanine Borrower(s)") shall be a special purpose, bankruptcy remote entity pursuant to applicable Rating Agency criteria and otherwise acceptable to Lender that shall own directly or indirectly one hundred percent (100%) of Borrower. The direct equity holder(s) of Mezzanine Borrower(s) (such holder(s) the "Second Level SPE") shall be a special purpose, bankruptcy remote entity pursuant to applicable Rating Agency criteria and shall own directly or indirectly one hundred percent (100%) of Mezzanine Borrower. The security for the Mezzanine Loan shall be a pledge of one hundred percent (100%) of the direct and indirect ownership interests in Borrower and Mezzanine Borrower.

(c) Mezzanine Borrower, Second Level SPE and Borrower shall cooperate with all reasonable requests of Lender in order to divide the Loan into a Mortgage Loan and one or more Mezzanine Loan(s) and shall execute and deliver such documents as shall reasonably be required by Lender and any Rating Agency in connection therewith, including, without limitation, (i) the delivery of non-consolidation opinions; (ii) the modification of organizational documents and Loan Documents; (iii) authorize Lender to file any UCC-1 Financing Statements reasonably required by Lender to perfect its security interest in the collateral pledged as security for the Mezzanine Loan(s); (iv) execute such other documents reasonably required by Lender in connection with the creation of the Mezzanine Loan(s), including, without limitation, a guaranty substantially similar in form and substance to the Guaranty delivered on the date hereof in connection with the Loan (with the same recourse carveouts as set forth in the Mortgage Loan), an environmental indemnity substantially similar in form and substance to the Environmental Indemnity delivered on the date hereof in connection with the Loan and a conditional assignment of management agreement substantially similar in form and substance to the Assignment of Management Agreement delivered on the date hereof in connection with the Loan; (v) deliver appropriate authorization, execution and enforceability opinions with respect to the Mezzanine Loan(s) and amendments to the Mortgage Loan; and (vi) deliver a "UCC-9", "Eagle 9" or equivalent UCC title insurance policy, satisfactory to Lender, insuring the perfection and priority of the lien on the collateral pledged as security for the Mezzanine Loan.

#### X. MISCELLANEOUS

Section 10.1 Survival. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever pursuant to this Agreement or any other Loan Document (a) the Rating Agencies are given any right to approve or disapprove, (b) the confirmation of the Rating Agencies as to no downgrade is required or (c) any arrangement or term is to be satisfactory to the Rating Agencies, the prior written consent of Lender in its sole discretion shall be substituted therefore prior to a Securitization.

#### Section 10.3 Governing Law.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS), PROVIDED HOWEVER, THAT WITH RESPECT TO THE CREATION, PERFECTION, PRIORITY AND ENFORCEMENT OF THE LIEN AND SECURITY INTEREST CREATED BY THIS AGREEMENT, THE SECURITY INSTRUMENT AND THE OTHER LOAN DOCUMENTS, AND THE DETERMINATION OF DEFICIENCY JUDGMENTS, THE LAWS OF THE STATE WHERE THE PROPERTY IS LOCATED SHALL APPLY.

(b) WITH RESPECT TO ANY CLAIM OR ACTION ARISING HEREUNDER OR UNDER THIS AGREEMENT, THE NOTE, OR THE OTHER LOAN DOCUMENTS, BORROWER (A) IRREVOCABLY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK AND THE UNITED STATES DISTRICT COURT LOCATED IN THE BOROUGH OF MANHATTAN IN NEW YORK, NEW YORK, AND APPELLATE COURTS FROM ANY THEREOF, AND (B) IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING ON VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE NOTE OR THE OTHER LOAN DOCUMENTS BROUGHT IN ANY SUCH COURT, IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement, the Note, or of any other Loan Document, nor consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to, or demand on Borrower, shall entitle Borrower to any other or future notice or demand in the same, similar or other circumstances.

Section 10.5 Delay Not a Waiver. Neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under the Note or under any other Loan Document, or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

LENDER IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY BORROWER.

Section 10.8 Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Agreement shall be prohibited by or invalid under Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to

Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, State or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which Applicable Law, this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which Applicable Law, this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 10.12 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13 Expenses; Indemnity.

(a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender within five (5) days of receipt of written notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender as to any legal matters arising under this Agreement or the other Loan Documents); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (iii) Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iv) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Lender; (v) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (vi) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of

Lender pursuant to this Agreement and the other Loan Documents; (vii) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; and (viii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent permitted by applicable law, any cost and expenses due and payable to Lender may be paid from any amounts in the Accounts.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, or (ii) the use or intended use of the proceeds of the Loan (collectively, the "Additional Indemnified Liabilities"); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under Applicable Law to the payment and satisfaction of all Additional Indemnified Liabilities incurred by Lender.

(c) Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless Lender and the Indemnified Parties from and against any and all losses (including, without limitation, reasonable attorneys' fees and costs incurred in the investigation, defense, and settlement of losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA, FIRMMA, the Code, any State statute or other similar law that may be required, in Lender's sole discretion) that Lender may incur, directly or indirectly, as a result of a default under Sections 4.1.10 or 5.2.8 hereof.

(d) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, (i) any fees and expenses incurred by any Rating Agency in connection with any Rating Agency review of the Loan, the Loan Documents or any transaction contemplated thereby or (ii) any consent, approval, waiver or confirmation obtained from such Rating Agency pursuant to the terms and conditions of this Agreement or any other Loan Document and Lender shall be entitled to require payment of such fees and expenses as a condition precedent to the obtaining of any such consent, approval, waiver or confirmation.

Section 10.14 Schedules and Exhibits Incorporated. The Schedules and Exhibits annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17 Publicity. All news releases, publicity or advertising by Borrower or their Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, Barclays, or any of their Affiliates shall be subject to the prior written consent of Lender, which shall not be unreasonably withheld. Notwithstanding the foregoing, disclosure required by any federal or State securities laws, rules or regulations, as determined by Borrower's counsel, shall not be subject to the prior written consent of Lender.

Section 10.18 Waiver of Marshalling of Assets. To the fullest extent permitted by Applicable Law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Property, and agrees not to assert any right under laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender

under the Loan Documents to a sale of the Property for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 10.19 Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21 Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement, except Barry Slatt Mortgage Company. Borrower hereby acknowledges that Lender may pay a subservicing strip to Barry Slatt Mortgage Company in connection with certain subservicing activities to be performed by Barry Slatt Mortgage Company post-closing. Borrower and Guarantor hereby agree to indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower, Guarantor or Lender in connection with the transactions contemplated herein. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment in full of the Debt.

Section 10.22 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, between Borrower and/or its Affiliates and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

(a) Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the respective parties thereto, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(ii) the effects of any Bail-in Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

(b) As used in this Section 10.23 the following terms have the following meanings ascribed thereto: (i) "Bail-In Action" means the exercise of any Write-Down and Conversion Powers by the applicable EEA Resolution Authority in respect of any liability of an EEA Financial Institution; (ii) "Bail-In Legislation" means, with respect to any EEA Member Country implementing Article 55 of Directive 2014/59/EU of the European Parliament and of the Council of the European Union, the implementing law for such EEA Member Country from time to time which is described in the EU Bail-In Legislation Schedule; (iii) "EEA Financial Institution" means (x) any credit institution or investment firm established in any EEA Member Country which is subject to the supervision of an EEA Resolution Authority; (y) any entity established in an EEA Member Country which is a parent of an institution described in clause (x) of this definition, or (x) any financial institution established in an EEA Member Country which is a subsidiary of an institution described in clauses (x) or (y) of this definition and is subject to consolidated supervision with its parent; (iv) "EEA Member Country" means any of the member states of the European Union, Iceland, Liechtenstein, and Norway; (v) "EEA Resolution Authority" means any public administrative authority or any person entrusted with public

B. As security for the Loan, Original Borrower executed and delivered to Original Lender a Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing, dated October 17, 2019, and recorded in the real estate records of Maricopa County, Arizona, on November 27, 2019, dated October 17, 2019 and recorded November 27, 2019 as Instrument Number 20190962684 in the Official Records of Maricopa County, Arizona (“**Security Instrument**”).
